SPECIAL TOWN MEETING, DECEMBER 10, 1966

The Meeting was called to order by the Moderator, Reubin M. Winokur at 2:05 P.M. The invocation was given by Rev. Gerald Krick of the First Parish Unitarian Church.

The number of Town Meeting Members present December 10, 1966 was 136, as reported by records of the checkers, Robert Marvelli, Arsene Strassel, 2nd, Carleton Kendrick and Alton Leeson. The Moderator declared a quorum present.

ARTICLE 1. To see what amount the Town will vote to raise and appropriate from available funds for departmental expenses for the balance of the current year.

Voted: That the Town appropriate from available funds the sum of \$10,760.91 of which \$175.00 shall be for Assessors, Mileage; \$100.00 for Zoning By-Law Administration, Salaries; \$500.00, Fire, Equipment Maintenance; \$700.00, Insect Pest Control and Tree Warden, Other Expenses; \$200.00 Forest Warden, Other Expenses; \$104.00, Health, Premature Births; \$55.00, Commission of Public Safety, Other Expenses; \$775.00, Garbage Collection, Other Expenses; \$2,500.00, Highways, Equipment Maintenance; \$451.91, Water Department, Salaries, and \$5,200.00 for Schools, transportation.

ARTICLE 2. To see if the Town will vote to transfer from within the School Department Appropriations the sum of \$2,600 from the Acquisition of Equipment appropriation to the Expenses of Instruction appropriation, or take any action relative thereto.

Voted: That the Town transfer from within the School Department appropriations the sum of \$2,600.00, from the Acquisition of Equipment appropriation to the Expenses of Instructions appropriation.

Mr. Perkins moved that the Town consider Article 6 at this time and it was so voted.

Mr. Gordon Howland moved to amend the motion of Mr. Perkins by the following: That the Town approve the construction of a system of sewerage including the so-called Cherry Street Extension and a sewage treatment plant to be located on Lot 3 of Plat 7 of the Assessors' Plans, this lot being North of the High Cliff Area, so-called.

Voting by a show of hands, 25 in the affirmative, 93 in the negative, the motion was lost.

Mr. Perkins' motion was put before the Meeting and was carried.

ARTICLE 3. To see if the Town will vote to accept Chapter 304 of the Acts of 1963, "AN ACT AUTHORIZING THE TOWN OF PLYMOUTH TO CONSTRUCT AND OPERATE A SYSTEM OR SYSTEMS OF SEWERAGE AND SEWAGE DISPOSAL."

Voted: That the Town accept Chapter 304 of the Acts of 1963, "AN ACT AUTHORIZING THE TOWN OF PLYMOUTH TO CONSTRUCT AND OPERATE A SYSTEM OR SYSTEMS OF SEWERAGE AND SEWAGE DISPOSAL."

ARTICLE 4. To see what action the Town will take on the report and recommendations of the Sewage Disposal Planning Committee which was authorized by Article 2 of the December, 1962 Special Town Meeting.

Voted: (1) That the Town accept the final report of the Sewage Disposal Planning Committee dated December 10, 1966 and include it in the proceedings of the Special Town Meeting of December 10, 1966.

Voted: (2) That the Town accept the plans and specifications as drawn by the Metcalf & Eddy Engineering firm for the construction of a sewerage system and for sewerage treatment and disposal facilities using the Lothrop Street-Town Wharf Lot site.

Voted: (3) That the Town discharge the Sewage Disposal Planning Committee following the payment of their incurred liabilities.

Voted: (4) That the Town direct the Selectmen to appoint a Sewage Disposal Construction Committee, consisting of seven members, to include all members of the Sewage Disposal Planning Committee who agree to serve, to proceed with the construction phase of this project and to act as a committee of the Town as defined in Section 5 of Chapter 304 of the Acts of 1963 and Section 1 of Chapter 83 of the General Laws, and to appropriate from available funds the sum of \$1,500.00 for the expenses of said committee.

ARTICLE 5. To see if the Town will authorize the Sewage Disposal Construction Committee to draw plans and specifications for the so-called Cherry Street Extension of the sewerage system and make an appropriation therefor.

Voted: That the Town authorize the Sewage Disposal Construction Committee to draw plans and specifications for the so-called Cherry Street Extension of the sewerage system and to appropriate from available funds the sum of \$5,200.00.

ARTICLE 6. To see if the Town will vote to approve the construction of a system of sewerage including the so-called Cherry Street Extension and a sewage treatment plant.

Mr. Perkins moved that the Town approve the construction of a system of sewerage including the so-called Cherry Street Extension, and a sewage treatment plant to be located on the so-called Lothrop Street site at the northerly end of the "Town Wharf" lot.

ARTICLE 7. To see if the Town will vote to authorize the Sewage Disposal Construction Committee to apply for such Federal and State Funds as may now be available, or may become available, as loans or grants-in-aid for detailed surveys, design engineering and the preparation of final drawings for a system of sewerage and sewage treatment plant in Plymouth as recommended to the Town and for assistance to the Town in the cost of construction of the recommended sewerage system and sewage treatment facilities.

Voted: That the Town authorize the Sewage Disposal Construction Committee to apply for such Federal and State Funds as may now be available, or may become available as loans or grants-in-aid for detailed surveys, design engineering and the preparation of final drawings for a system of sewerage and sewage treatment plant in Plymouth as recommended to the Town and for assistance to the Town in the cost of construction of the recommended sewerage system and sewage treatment facilities.

ARTICLE 8. To see if the Town will vote to raise and appropriate a sum of money to be used with Federal and State Funds for the construction of a sewerage system, including the so-called Cherry Street Extension, and for sewage treatment and disposal facilities and to determine whether

such appropriation shall be raised by borrowing or otherwise.

Voted: (Unanimously) That the Town appropriate the sum of \$834,400.00 for the construction of a sewerage system, including the so-called Cherry Street Extension, and for sewage treatment and disposal facilities; that to meet this appropriation the Treasurer with the approval of the Selectmen be authorized to issue \$834,400.00 bonds or notes under Section 8 of Chapter 44 of the General Laws as amended; and that any Federal and State aid which may be available with respect to the project shall be spent in addition to the amount appropriated hereby.

(136 Town Meeting Members present at time of vote.)

ARTICLE 9. To see if the Town will vote to rescind the action taken at the March 1966 Annual Town Meeting, Article 17.

Voted: (Unanimously) That the Town rescind the action taken at the March 1966 Annual Town Meeting under Article 17.

It was voted to adjourn at 4:26 P.M.

ANDREW J. COLLAS,
Town Clerk

ANNUAL TOWN MEETING, MARCH 26, 1966

The Meeting was called to order by the Moderator Reubin M. Winokur, at 2:00 o'clock P.M.

The invocation was given by Reverend Edwin T. Anthony.

The number of Town Meeting Members present March 26th was 163 as reported by records of the checkers, Robert Marvelli and Arsene Strassel, II. The Moderator declared a quorum present.

The Town Meeting Members were sworn to the faithful performance of their duties by the Town Clerk, Andrew J. Collas.

ARTICLE 2. To see if the Town will vote to authorize the broadcasting of the 1966 Town Meeting and appropriate

\$400, for the expenses thereof, provided that the Town receives from the broadcasting facilities a tape recording of the entire proceedings of the meeting so broadcast.

\$400 — Approved.

Voted: That the Town authorize the broadcasting of the 1966 Town Meeting and raise and appropriate the sum of \$400, for the expenses thereof, provided that the Town receives from the broadcasting facilities a tape recording of the entire proceedings of the meeting so broadcast.

ARTICLE 3. To hear reports of the several Boards of Officers and Committees of the Town and act thereon.

Voted: That the reports of the several boards of officers and committees of the Town be placed on file.

Study Committee on Making Repairs on Private Ways that have been open to the Public for Six Years.

Committee to Study Water Service for Manomet
Cedarville Fire Station Construction Committee

ARTICLE 4. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenue for the financial years beginning January 1, 1966 and January 1, 1967, in accordance with provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or take any other action relative thereto.

Approved.

Voted: That the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1967, and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44 of the General Laws.

ARTICLE 5. To see if the town will vote to amend the Wage and Salary Classification By-Laws.

Approved — Personnel By-Laws and Classification and

Compensation Plans as shown on Pages 52 through 75 inclusive, of the Advisory and Finance Committee Report.

Voted: That the Town amend the Wage and Salary Classification By-Law by deleting the present By-Law and substituting in place thereof the Classification and Compensation and Personnel By-Law as shown on Pages 52 through 75 inclusive, of the Advisory and Finance Committee Report, retroactive to January 1, 1966, except that no employee shall be placed on a scale that is more than one (1) step, numerically, below the step he would be on in 1966 under the provisions of the 1965 Town Personnel By-Law.

Mr. Parkhurst moved that Section 5, Paragraph (i) on Page 59, pertaining to compensation plan be further amended by adding thereto as follows: This paragraph shall not pertain to police department personnel whose compensation grade comes under Schedule B-1, Page. 64. Motion passed.

Mr. Barrett moved for a ballot vote on Mr. Parkhurst's motion. Voting by a show of hands, 69 in the affirmative, 67 in the negative, not being a $\frac{2}{3}$ vote, the motion was lost.

Voice count on Mr. Parkhurst's motion being challenged by Mrs. Nagle, a hand count was called. 81 voting in the affirmative, 61 in the negative, the motion was passed.

ARTICLE 6. To see what action the town will take with regard to fixing the salaries of Elected Town Officers.

The Committee recommends that the salaries of elected town officers be set as of January 1, 1966 as follows:

Moderator	\$100.00
Chairman of Selectmen	1,600.00
Other Selectmen (each)	800.00
Chairman of Assessors	7,000.00
Other Assessors (each)	5,500.00
Town Clerk	3,325.00
Town Treasurer	3,325.00
Tree Warden	3,200.00
Collector of Taxes	6,000.00

Voted: That the salaries of Elected Town Officers be set as of January 1, 1966, as follows:

Moderator	\$100.00
Chairman of Selectmen	1,600.00
Other Selectmen (each)	800.00
Chairman of Assessors	7,000.00
Other Assessors (each)	5,500.00
Town Treasurer	3,325.00
Town Clerk	3,325.00
Town Warden	3,200.00
Collector of Taxes	6,000.00

ARTICLE 7. To provide for a Reserve Fund and to determine what sums of money the Town will raise and appropriate, including appropriations from available funds, to defray charges and expenses of the Town, including debt and interest for the ensuing year.

ARTICLE 8. To see what amount the Town will vote to raise and appropriate in aid of the Plymouth Public Library, including the Loring Branch Library.

**Approved — \$70,626 less Library Aid and Dog Tax,
\$6,154.20 — Net \$64,471.80.**

Voted: That the Town raise and appropriate the sum of \$70,626, including the Dog Tax of \$2,542.95 and the State Library Aid of \$3,611.25, in aid of the Plymouth Public Library, including the Loring Branch Library, of which appropriation \$53,890, shall be for salaries and \$16,736, for Other Expenses.

ARTICLE 9. To see what amount the Town will vote to raise and appropriate in aid of the Manomet Public Library.

Approved — \$2,777.

Voted: That the Town raise and appropriate the sum of \$2,777, in aid of the Manomet Public Library, of which appropriation \$902 shall be for salaries and \$1,875, for Other Expenses.

ARTICLE 10. To see if the Town will vote to raise and appropriate \$8000, for nursing services by the Plymouth Community Nurse Association Inc.; said appropriation to be expended under the direction of the Board of Selectmen.

Approved — \$8,000.

Voted: That the Town raise and appropriate the sum of \$8,000, for nursing services by the Plymouth Community Nurse Association, Inc.: said appropriation to be expended under the direction of the Board of Selectmen.

ARTICLE 11. To see what amount the Town will vote to raise and appropriate for the use of the Plymouth County Trustees for County Aid to Agriculture and to authorize the Selectmen to appoint a Director, in accordance with Chapter 319 of the Acts of 1957.

Approved — \$150.

Voted: That the Town raise and appropriate the sum of \$150, for the use of the Plymouth County Trustees for County Aid to Agriculture and to authorize the Selectmen

to appoint a Director for the term of one year in accordance with Chapter 319 of the Acts of 1957.

ARTICLE 12. To see if the Town will vote to raise and appropriate a sum of money not exceeding \$20,000, for advertising the advantages of the Town and for providing amusements or entertainments of a public character; said appropriation to be expended under the direction of the Board of Selectmen

Approved as amended. \$20,000 — Amendment:
"—BUT NOT for providing amusements or entertainments of a public character;—"

Voted: That the Town raise and appropriate the sum of \$20,000, for advertising the advantages of the Town, including necessary expenses incurred outside the Commonwealth, but not for providing amusements or entertainment of a public character; said appropriation to be expended under the direction of the Board of Selectmen.

ARTICLE 13. To see what amount the Town will vote to raise and appropriate to meet the payment of certain bills contracted prior to January 1, 1966, or take any action relative thereto.

Approved — \$3,775.58 which includes:

Police	1,072.86 (5 items)
Plumbing Inspector	366.96 (2 items)
Garbage Collection	273.86 (4 items)
Forest Warden	81.56 (1 item)
Fire Dept.	634.48 (11 items)
Water Dept.	1,345.86 (1 item)

Voted: (Unanimously) That the Town raise and appropriate the sum of \$4,195.58 to meet the payment of certain bills contracted prior to January 1, 1966.

Police Department	\$1,072.86
Plumbing Inspections	366.96
Garbage Collection	273.86
Forest Warden	81.56
Fire Department	634.48
Water Department	1,345.86
Health Department	420.00
(Premature Births)	

ARTICLE 14. To see if the Town will vote to raise and appropriate \$2742, for Christmas Lighting; said appropriation to be expended under the direction of the Board of Selectmen.

Approved — \$2,742.

Voted: That the Town raise and appropriate the sum of \$2,742, for Christmas Lighting, said appropriation to be expended under the direction of the Board of Selectmen.

Mr. Sampson moved to reconsider Article 5 and the motion was passed.

Mr. Sampson moved that Section 13 of Schedule D be deleted from the Personal By-Laws and it was so voted.

Mr. Armstrong moved that Articles 5 & 7 be reconsidered at the next adjourned meeting and it was so voted.

At 5:23 P.M. Mr. Sumner Chapman, Jr., adjourned the Meeting to Monday, March 28, 1966 at 7:30 P.M. and it was so voted.

ADJOURNED TOWN MEETING MARCH 28, 1966

The Meeting was called to order by the Moderator at 7:35 P.M. The number of Town Meeting Members present was 178 as per records of checkers, Robert Marvelli and Arsene Strassel, 2nd. The Moderator declared a quorum present.

Mr. Anthony Caramello read the Plymouth Sewage Disposal Planning Committee report, and filed with the Town Clerk.

ARTICLE 15. To see what action the Town will take on the recommendations of the Sewage Disposal Planning Committee, or take any action relative thereto.

The Committee recommends that the report of the Sewage Disposal Planning Committee be read and that action be deferred to consideration of Articles 16 and 17.

Mr. Harrington moved that the Sewage Disposal Planning Committee be continued and that it be authorized to apply for Federal funds to contract engineering services for detailed surveys, plans and specifications for the extension of the sewerage system to the By-Pass Industrial Park, so-called, and it was so voted.

ARTICLE 16. To see if the Town will appropriate a sum of money for the construction of a sewerage system and sewage treatment and disposal facilities and to determine whether such appropriation shall be raised by borrowing, or otherwise.

Recommendation to be made at Town Meeting.

Mr. Harrington moved that any action on this article be deferred to a Special Town Meeting except such action as may be taken on Article 17, and it was so voted.

ARTICLE 17. To see what action the Town will take to extend or relocate the present sewage outfall, known as the State Pier Outfall, in the Plymouth Harbor, and make an appropriation therefor, and determine whether such appropriation shall be raised by borrowing, or otherwise, or take any action relative thereto.

Approved — \$495,500 which amount shall be included in the Town's share of the cost for the construction of the sewage disposal treatment plant (Article 16—1966).

Voted: (Unanimously) That the sum of \$495,500, be appropriated for the construction of a sewer to relocate the present State Pier Outfall in accordance with the construction plans already approved by the State Department of Public Health and that to raise this appropriation, \$20,500 be transferred from available funds (Free Cash); that the Treasurer with the approval of the Selectmen is authorized to borrow \$475,000, under Section 7 of Chapter 44 of the General Laws as amended; and that the said funds be expended under the direction of a Sewage Construction Committee consisting of seven members to be appointed by the Board of Selectmen.

ARTICLE 18. To see what action the Town will take on the recommendations of the Planning Board, pertaining to the Sewage Disposal, and make an appropriation therefor, or take any action relative thereto.

Recommendation to be made at Town Meeting.

No action taken on Article 18.

Article 5 reconsidered by Mr. Armstrong's motion.

Mr. Parkhurst moved to rescind Section 5 Paragraph (i) of the Personnel By-Law by deleting the sentence in said

paragraph which states — This paragraph shall not pertain to the Police Department Personnel whose compensation Grade comes under Schedule B-1, Page 64, and the motion to rescind was passed.

Chief Lamb moved to amend Section 13 of the proposed Personnel By-Law by adding after the word "rate" on the first line "excepting uniformed police officers and firefighting personnel," but the motion was lost.

Mr. Parkhurst moved to amend Section 13 of the proposed Personnel By-Law by adding after the word "rate" on the first line; "excepting uniformed police officers, but the motion was lost.

Mr. Sampson moved that Section 13 of Schedule D be deleted from the Personnel By-Laws, but the motion was lost.

The original motion was put before the Meeting and carried.

Article 7 reconsidered by Mr. Armstrong's motion. The original motion was put before the Meeting and carried.

ARTICLE 19. To see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as most recently amended, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewater, foreshores and shores along a public beach, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth, and comply with Chapter 543 of the Acts of 1964, as it pertains to the Plymouth Harbor Project.

Approved.

Voted: The the Town assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as most recently amended, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewater, foreshores and shores

along a public beach, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth, and comply with Chapter 543 of the Acts of 1964, as it pertains to the Plymouth Harbor Project.

ARTICLE 20. To see if the Town will assume liability and hold and save the United States of America free from damages that may result from construction and subsequent maintenance of the Plymouth Harbor Project, and undertake local cooperation, as defined in the Senate Document No. 124, 87th Congress, 2d Session.

Approved.

Voted: That the Town assume liability and hold and save the United States of America free from damages that may result from construction and subsequent maintenance of the Plymouth Harbor Project, and undertake local cooperation, as defined in the Senate Document No. 124, 87th Congress, 2nd Session.

ARTICLE 21. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money for Chapter 90 Highway Construction and/or Chapter 90 Maintenance, or take any action relative thereto.

Chapter 90 — Approved \$91,500; Town's share \$23,500.

Purpose	State Share	County Share	Town's Share	Total
Beaver Dam Road	\$42,000	\$21,000	\$21,000	\$84,000
Long Pond Road				
Carver Road				
Chapter 90 Maintenance	2,500	2,500	2,500	7,500
	\$44,500	\$23,500	\$23,500	\$91,500

Voted: That the Town raise and appropriate the sum of \$91,500, for Chapter 90 maintenance and construction, of which \$23,500, shall be from the tax levy of the current year to meet the Town's share: and \$68,000, from available funds as the State and County shares.
Beaver Dam Road,

Long Pond Road, and Carver Road	\$42,000	\$21,000	\$21,000	\$84,000
Chapter 90 Maintenance	2,500	2,500	2,500	7,500
	<hr/>	<hr/>	<hr/>	<hr/>
	\$44,500	\$23,500	\$23,500	\$91,500

ARTICLE 22. To see what amount the Town will vote to raise and appropriate to pay land damages in connection with County Layouts of roads.

Approved — \$2,975.

Voted: (Unanimously) That the Town raise and appropriate the sum of \$4,484, to pay land damages in connection with County layouts of Beaver Dam Road, Long Pond Road and Carver Road.

ARTICLE 23. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury a sum of money for the permanent construction of Herring Pond Road, Taylor Avenue and a portion of Federal Furnace Road, or take any action relative thereto.

Approved \$43,588.20. The entire amount to be reimbursed by the State under Chapter 679 (Acts of 1965). No effect on current tax levy.

Voted: That the Town appropriate the sum of \$43,588.20 for the permanent construction of Herring Pond Road from Route 3 By-Pass to Plymouth-Bourne line; Taylor Avenue from Bartlett Brook to Point Road and a portion of Federal Furnace Road, about 3 miles at the area of the American Legion Camp; and to meet said appropriation, the sum of \$43,588.20 be transferred from the proceeds received or to be received from the State, under the provisions of Chapter 679 of the Acts of 1965.

ARTICLE 24. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, a sum of money for the permanent construction of a portion of Federal Furnace Road, or take any action relative thereto.

Approved — \$23,740.20. The entire amount to be reimbursed by the State under Chapter 822 (Acts of 1963). No effect on current tax levy.

Voted: That the Town appropriate the sum of \$23,740.20

for the permanent construction of Federal Furnace Road, from South Meadow Road to the top of Sparrow's Hill; and to meet said appropriation the sum of \$23,740.20 be transferred from the proceeds received or to be received from the State under the provisions of Chapter 822 of the Acts of 1963.

ARTICLE 25. To see if the Town will vote to raise and appropriate a sum of money to remove and replace the present bridge over Eel River at Manter's Point, or take any action relative thereto.

Disapproved for \$2,800. Approved as amended for \$500 for repairs.

Voted: That the Town raise and appropriate the sum of \$500.00 for repairs to the present bridge over Eel River at Manter's Point, said appropriation to be spent under the direction of the Board of Selectmen.

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money for the purchase of two 10-foot snow plows for the Highway Department.

Approved \$2,258. One to be used by Tree Warden's department for highway snow plowing.

Voted: That the Town raise and appropriate the sum of \$2,258, for the purchase of two 10-foot snow plows for the Highway Department.

ARTICLE 27. To see if the Town will vote to raise and appropriate a sum of money for the purchase of one Tractor and Loader with Mower Attachment, for the Highway Department and dispose of the 1948 International Tractor now in use.

Approved — \$4,193.

Voted: That the Town raise and appropriate the sum of \$4,193, for the purchase of one Tractor and Loader with Mower Attachment, for the Highway Department and to dispose of the 1948 International Tractor now in use.

ARTICLE 28. To see if the Town will vote to raise and appropriate a sum of money for the purchase of 2-two way radios for the Highway Department, or take any action relative thereto.

Disapproved \$900. Action should be deferred until Civil Defense Radio System is completed.

No action taken on Article 28.

ARTICLE 29. To hear the report of the committee appointed under Article 28 of the annual town meeting of 1965, to study the advisability of the Town's accepting permissive legislation, Sections 6E through 6I of Chapter 40 of the General Laws, and/or take any action relative thereto.

Recommendation to be made at Town Meeting.

Voted: That the report of the Committee appointed under Article 28 of the Annual Town Meeting of 1965, to Study the Advisability of the Town's accepting permissive legislation, Sections 6E through 6I of Chapter 40 of the General Laws be filed with the Town Clerk.

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of \$777,837.59 as the Town's share of the annual maintenance and operating budget for the Plymouth-Carver Regional School District, consisting of the capital costs assessment of \$130,000.90 and the operating costs assessment of \$647,836.69, which is in accordance with the provisions of Section 16B of Chapter 71 of the General Laws. Said appropriation is to be used in conjunction with an appropriation made available for the same purpose by the Town of Carver.

Approved under Article 7.

Approved under Article 7 — Regional School Assessments.

ARTICLE 31. To see if the Town will vote to create a special unpaid committee to be known as a Vocational Regional School District Planning Committee, to consist of three members including one member of the School Committee, to be appointed by the Moderator, in accordance with the provisions of Section 14 of Chapter 71 of the General Laws as amended; and that there be appropriated for the use of said committee the sum of \$500.

\$500 — Disapproved. (See Article 32).

Mr. Groetzing moved that the Town create a special unpaid committee to be known as a Vocational Regional

School District Planning Committee, to consist of three members, including one member of the School Committee, to be appointed by the Moderator in accordance with the provisions of Section 14 of Chapter 71 of the General Laws, as amended; and that there be appropriated for the use of said Committee the sum of \$500.00 and it was so voted.

ARTICLE 32. To see if the Town will vote to create a committee of five, one of whom shall be from the School Committee, to be appointed by the Moderator to study future educational needs and to appropriate the sum of \$200, for necessary expenses; this committee to present its recommendations to the Town, on or before the next annual town meeting.

\$200 — Approved.

Voted: That the Town create a Committee of five, one of whom shall be from the School Committee, to be appointed by the Moderator to study future educational needs and to raise and appropriate the sum of \$200, for necessary expenses; this Committee to file its report with the Town Clerk and the Advisory and Finance Committee on or before December 1, 1966 and to present its recommendations to the Town at the next Annual Town Meeting.

ARTICLE 33. To see if the Town will authorize the Water Commissioners to extend the twelve-inch (12") water main in State Road, Manomet from the terminus of the present system at Indian Hill and State Road, along the State Road to Center Hill Road, a distance of approximately 4200 feet, contingent upon the Developer of Surfside and Bayberry Estates installing water mains in said developments that meet Water Department specifications and make an appropriation of \$38,400, therefor.

\$38,400 Disapproved. The streets in Surfside and Bayberry developments are not accepted by the Town and we are informed that the present water system fails to meet the specifications of the Water Department.

Mrs. Griswold moved that the Town authorize the Water Commissioners to extend the twelve-inch (12") water main in State Road, Manomet, from the terminus of the present system at Indian Hill and State Road along the State Road to Center Hill Road, a distance of approximately 4,200 feet,

and to appropriate \$38,400 therefor, from available funds (Free Cash).

Mr. Brewster moved to amend Mrs. Griswold's motion by adding: "Contingent upon the Developer of Surfside and Bayberry Estates installing water mains in said development that meet Water Department specifications."

Mrs. Griswold's motion as amended by Mr. Brewster was put before the Meeting and was voted.

ARTICLE 34. To see if the Town will authorize the Water Commissioners to relay the water mains in Prince Street and Cordage Street, with mains of eight-inch (8") and six-inch (6") for a total distance of 1900 feet approximately and renew all services and make an appropriation of \$18,000, therefor.

\$18,000 — Approved.

Voted: That the Town authorize the Water Commissioners to relay the water mains in Prince Street and Cordage Street with mains of eight-inch (8") and six-inch (6") for a total distance of 1,900 feet approximately and renew all services and to raise and appropriate the sum of \$18,000, therefor.

ARTICLE 35. To see if the Town will authorize the Water Commissioners to lay a ten-inch (10") water main in Sandwich Road, beginning at the intersection of Sandwich Road and Clifford Road known as the Four Corners, thence running in an easterly and southerly direction for a distance of 3100 feet approximately and make an appropriation of \$19,000, therefor.

\$19,000 — Disapproved. The Committee estimates that this expenditure would be repaid in approximately 150 years by the sale of water unless the area is actively developed for a considerable expansion of homes.

Mr. Billey moved that the Town authorize the Water Commissioners to lay a 10-inch water main in Sandwich Road, beginning at the intersection of Sandwich Road and Clifford Road, known as The Four Corners, thence running in an easterly and southerly direction for a distance of 3,100 feet approximately, and to raise and appropriate the sum of \$19,000 therefor, and it was so voted.

ARTICLE 36. To see if the Town will vote to release to Midway Motors Inc., the easement for water mains, 20 feet in width, running from Samoset Street through the property of Midway Motors Inc., to Westerly Road, and shown in a plan entitled "Town of Plymouth, proposed abandonment of a portion of Westerly Road, Scale 1"=40 feet, January 24, 1962, Edward Chase, Town Engineer"; provided that Midway Motors Inc., will execute a new easement for water mains, over that portion of its property lying within 10 feet of Samoset Street.

Approved.

Voted: (Unanimously) That the Town release to Midway Motors Inc. the easement for water mains, 20 feet in width, running from Samoset Street through the property of Midway Motors Inc. to Westerly Road, and shown in a plan entitled "Town of Plymouth, proposed abandonment of a portion of Westerly Road, Scale 1"=40 feet, January 24, 1962, Edward Chase, Town Engineer"; provided that Midway Motors Inc. will execute and convey to the Town a new easement, as approved by the Water Department, for water mains over that part of its property lying with 10 feet of Samoset Street.

Mr. Fillebrown moved to adjourn but the motion was lost.

ARTICLE 37. To see if the Town will authorize the Water Commissioners to extend the twelve-inch (12") water main in Route 44, Carver Road, from the end of the existing main for a distance of 2300 feet approximately and make an appropriation of \$22,000, therefor.

\$22,000 — Approved.

Voted: That the Town authorize the Water Commissioners to extend the twelve-inch (12") water main in Route 44, Carver Road, from the end of the existing main for a distance of 2,300 feet approximately and to raise and appropriate the sum of \$22,000 therefor.

Mr. Peter Gage moved to reconsider Article 33, but the motion was lost.

ARTICLE 38. To see if the Town will vote to authorize the Water Commissioners to lay an eight-inch water main in Esta Road, Plymouth beginning from Route 44, for a distance

of 850 feet and make an appropriation, therefor.

By Petition: Joseph Viera, et al

\$7,520 — Disapproved.

Mr. William Barrett moved that the Town authorize the Water Commissioners to lay an eight-inch (8") water main in Esta Road, beginning from Route 44, for a distance of 850 feet and to raise and appropriate the sum of \$7,520 therefor, and it was so voted.

ARTICLE 39. To see if the Town will authorize the Water Commissioners to lay an eight-inch (8") water main to supply water to Burgess and Little Pond Roads for a distance of 2100 feet approximately; make an appropriation of \$11,200, therefor, and secure any necessary easements therefor.

By Petition: Robert L. Marvelli, et al

\$11,200 — Disapproved.

Mr. John Fillebrown moved that the Town raise and appropriate the sum of \$11,200.00 to lay an eight-inch (8") water main to supply water to Burgess and Little Pond Roads, a distance of approximately 2,100 feet, said water line to run from Summer Street over the land of Arthur Reed et ux; the Water Commissioners to secure the necessary easements therefor from said Arthur Reed et ux without consideration, and it was so voted unanimously.

ARTICLE 40. We the undersigned registered voters of the Town of Plymouth, Massachusetts, hereby request that the Town of Plymouth, Massachusetts, install town water on Melix Avenue west, Manomet, approximately 700 feet westerly and install town water on Plymouth Street, Manomet, northerly about 200 feet from Cape Cod Avenue to Melix Avenue.

By Petition: Marguerite R. Farrell, et al

\$5,780 — Disapproved. Not an accepted Town way.

Mr. Edward Robichaud moved that the Town raise and appropriate the sum of \$5,780 for the installation of water mains on Melix Avenue West, Manomet, from State Road to Plymouth Street, westerly about 700 feet and to install water mains on Plymouth Street from Melix Avenue to Cape Cod Avenue southerly about 200 feet; provided that

all property owners on Melix Avenue and Plymouth Street give to the Town easements for the purpose of the installation.

Requiring a $\frac{2}{3}$ vote, the voice vote being questioned, voting by a show of hands, 117 in the affirmative, 8 in the negative, the motion was passed.

At 11:27 P.M. Mr. John Fillebrown adjourned the Meeting to Tuesday, March 29, 1966 at 7:30 P.M. and it was so voted.

ADJOURNED TOWN MEETING, MARCH 29, 1966

The Meeting was called to order by the Moderator at 7:40 P.M. The number of Town Meeting Members present was 161 as per records of checkers, Robert Marvelli and Arsene Strassel, 2nd. The Moderator declared a quorum present.

ARTICLE 41. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip 4 cars for the Police Department and trade in three 1965 and one 1964 Ford Ambulance Cruisers.

\$8,345 — Approved.

Voted: That the Town raise and appropriate the sum of \$8,345, to purchase and equip four (4) cars for the Police Department and trade in three (3) 1965 and one (1) 1964 Ford ambulance cruisers now in use; said appropriation to be expended under the direction of the Commission of Public safety.

ARTICLE 42. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip one Fire Chief's car for the Fire Department and trade in one, 1963 Ford Station Wagon.

\$2,069 — Approved.

Voted: That the Town raise and appropriate the sum of \$2069, to purchase and equip one (1) Fire Chief's car for the Fire Department and to trade in one (1) 1963 Ford Station Wagon now in use; said appropriation to be expended under the direction of the Commission of Public Safety.

ARTICLE 43. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip two Forest Fire Trucks for the Forest Fire Department.

\$32,370 — Approved.

Voted: That the Town raise and appropriate the sum of \$32,370, to purchase and equip two Forest Fire Trucks for the Forest Fire Department; said appropriation to be expended under the direction of the Commission of Public Safety.

ARTICLE 44. To see if the Town will vote to raise and appropriate a sum of money for the purchase of a new dump truck for the Tree Warden's Department.

\$4,366.70 — Approved.

Voted: That the Town raise and appropriate the sum of \$4,366.70, to purchase a new dump truck for the Tree Warden's Department.

ARTICLE 45. To see if the Town will vote to raise and appropriate \$2830, for the purchase of a check writing machine for the use of the Department of Town Clerk-Treasurer; said machine to be under the jurisdiction of the Town Clerk-Treasurer Department.

\$2,830 — Disapproved. Addressograph Printer and Graphotype Machine purchased by Town in 1965 at \$10,903 can be programmed for this work. Machine was purchased for use by this department.

No action taken on Article 45.

ARTICLE 46. To see if the Town will vote to appropriate from the Sale of Cemetery Lots and Graves Fund, \$2000, to be expended by the Board of Cemetery Commissioners for the embellishment and improvement of the cemeteries.

\$2,000 — Approved.

Voted: That the Town appropriate from the Sale of Cemetery Lots and Graves Fund, the sum of \$2,000, for the embellishment and improvement of the cemeteries; said appropriation to be expended under the direction of the Cemetery Commissioners.

ARTICLE 47. To see if the Town will vote to accept

twenty-eight cemetery perpetual care funds amounting to \$10,340, received and deposited in the Plymouth Savings Bank in the year of 1965, in accordance with the usual votes of the Cemetery Commissioners and Board of Selectmen and listed as new funds in the Town Report.

Approved.

Voted: That the Town accept twenty-eight cemetery perpetual care funds amounting to \$10,340, received and deposited in the Plymouth Savings Bank in the year of 1965, in accordance with the usual votes of the Cemetery Commissioners and Board of Selectmen and listed as "New Funds" in the Town Report.

ARTICLE 48. To see if the Town will vote to raise and appropriate a sum of money from parking meter receipts to purchase 50 new parking meters and trade in 50 used parking meters; said expenditure and meters to be under the jurisdiction of the Board of Selectmen.

\$2,500 — Approved.

Voted: That the Town appropriate the sum of \$2,500, from Street Parking Meter Receipts for the purchase of fifty (50) new parking meters and to trade in fifty (50) used parking meters; said expenditure and meters to be under the jurisdiction of the Board of Selectmen.

ARTICLE 49. To see if the Town will authorize the Park Department to purchase a new 4-wheel drive truck and dispose of the 1962 Dodge pick-up dump truck now in use, and make an appropriation of \$3400, therefor.

\$3,400 — Approved.

Voted: That the Town raise and appropriate the sum of \$3,400, for the purchase of one new 4-wheel drive truck for the Park Department, and to dispose of the 1962 Dodge pick-up dump truck now in use.

ARTICLE 50. To see if the Town will authorize the Park Department to construct a new municipal bathhouse off Warren Avenue, at Plymouth Beach, so-called, dispose of the bathhouse now in use; make any appropriation therefor or take any other action relative thereto.

Disapproved — Appropriation in Park Department budget to repair present bathhouse.

Mr. Haskell moved that the Town authorize the Moderator to appoint a Study Committee of five (5) persons to include one member of the Board of Selectmen, one member of the Advisory and Finance Committee, one member of the Board of Park Commission, and two other persons, to make a study of the Plymouth Beach area, so-called, in regard of overall improvements including the construction of a new bath house and report to the Town at the next Special or Annual Town Meeting; and that the Town appropriate a sum of two hundred dollars (\$200) for use by such Committee, and it was so voted.

ARTICLE 51. To see what action the Town will take relative to the old School Building on Brook Road, Manomet, now under the jurisdiction of the Park Department and make any appropriation therefor.

\$3,200 — Approved.

Voted: That the Town raise and appropriate the sum of \$3,200, for razing, in accordance with the Park Department specifications, the old School Building on Brook Road, Manomet; said appropriation to be expended under the direction of the Park Department.

The above committee filed their report with the Town Clerk and was discharged.

ARTICLE 52. To see what action the town will take toward improving the parking lot on Town-owned property, north of the bathhouse at Nelson Street, to include the construction of a boat launching ramp and make an appropriation therefor; reimbursements from State and/or County, if any to be returned to E. and D.

\$2,586 — Disapproved.

No action taken on Article 52.

ARTICLE 53. To see if the Town will appropriate a sum of \$300, to provide for the use of Town-owned floodlights at Stephens Field; said appropriation to be spent under the supervision of the Park Department.

By Petition: F. Richard Villano et al

\$300 — Approved.

Voted: That the Town raise and appropriate the sum of \$300, to provide for the use of Town-owned floodlights at

Stephens Field; said appropriation to be spent under the supervision of the Park Department.

ARTICLE 54. To see if the Town will vote to authorize the Park Department to erect and install floodlights for civic and recreational public use at the John A. Siever Memorial Field, and make an appropriation therefor; said appropriation to be spent under the direction of the Board of Park Commission.

By Petition: Faustine C. Rose, et al

\$20,500 — Disapproved. No adequate plans and specifications were prepared to obtain bids as required by statute.

Mr. Haskell moved that the Town appropriate the sum of five hundred dollars (\$500) to secure plans and specifications to erect and install field floodlights for civic and recreational public use at the John A. Siever Memorial Field, said sum to be spent under the direction of the Plymouth Park Department and to be reported to the Town at the next Special or Annual Town Meeting, and it was so voted.

ARTICLE 55. To see what action the Town will take on the report and recommendations of the Ice Skating Rink Committee and make an appropriation therefor, or take any action relative thereto.

\$8,800 — Disapproved. Estimated construction at a cost of \$324,000 and no land has been acquired.

Dr. Gormley moved that the Town authorize the Moderator to appoint a committee of five by May 1, 1966, to present at the next special or Annual Town Meeting, a proposed site location, plans, specifications and costs for a Municipal Skating Rink; and that the Town transfer from available funds (Free Cash) the sum of \$8,800, for preparation of plans and specifications for the proposed rink; reimbursements from the State and/or Federal Government to be returned to E & D.

Mr. Barrett moved that the Town authorize the Selectmen to put the subject matter under Article 55 together with the overall costs or revised costs in the form of a referendum to be voted on by the voters of Plymouth at the next Annual Town Election, the first Saturday of March 1967.

Mr. Barrett's motion voted on first, voting by a show of hands the motion is lost.

Dr. Gormley's motion put before the Meeting and voted.

ARTICLE 56. To see what action the Town will take on the report and recommendations of the Plymouth Redevelopment Authority and make an appropriation therefor, or take any action relative thereto.

Voted: That the Report of the Plymouth Redevelopment Authority be filed with the Town Clerk.

ARTICLE 57. To see if the Town of Plymouth will vote to raise and appropriate the sum of \$22,000, for the purpose of continuing construction of Supporting Facilities, as agreed between the Town of Plymouth and the Plymouth Redevelopment Authority under contract dated October 17, 1962.

\$22,000 — Approved. As contracted between P.R.A. and Town.

Voted: That the Town appropriate from available funds (Free Cash) the sum of \$22,000, for the purpose of continuing construction of Supporting Facilities as agreed between the Town of Plymouth and the Plymouth Redevelopment Authority under contract dated October 17, 1962 and shown on Page 5 and Paragraph 5 on Page 6.

ARTICLE 58. To see what action the Town will take on the discontinuance of certain areas of Market Street.

Approved.

No action taken on Article 58.

ARTICLE 59. To see what action the Town will take on the relocation of certain areas of Market Street.

Approved.

No action taken on Article 59.

Mr. Doherty moved that Articles 60-61-62 be grouped together for discussion and it was so voted.

ARTICLE 60. To see what action the Town will take to acquire land on Obery Street for the purpose of erecting and operating a municipal garage and to make an appropriation or pass any vote relative thereto.

\$15,000 — Approved.

Mr. Perkins moved that the Town acquire by purchase or take by eminent domain for municipal garage site location, a certain parcel of land consisting of about nine acres of woodland situated at Obery Street in said Plymouth and being the same premises conveyed to Henry Hollis by deed of Lemuel Bradford, Collector, Dated December 4, 1877 and recorded Plymouth County Registry of Deeds, Book 435, Page 169, or however otherwise bounded and described; and that the Town raise and appropriate \$15,200.00 of which \$15,000.00 will be for acquiring of the land and \$200.00 for expenses of acquiring titles, voting by a voice vote, the motion was lost, unanimously.

ARTICLE 61. To see if the Town will appropriate a sum of money for constructing a municipal garage and to determine whether such appropriation shall be raised by borrowing or otherwise.

\$575,000 — Approved.

Mr. Perkins moved that the sum of \$575,000 be appropriated for the construction of a municipal garage and that to raise this appropriation \$25,000 be transferred from available funds (Free Cash); that the Treasurer with the approval of the Selectmen be authorized to borrow \$550,000, under Section 7 of Chapter 44 of the General Laws, as amended; that said construction be on the lot described under Article 60 of the 1966 Town Meeting and that the said funds be expended under the direction of a committee consisting of five members to be appointed by the Board of Selectmen, voting by a voice vote, the motion was lost, unanimously.

Mr. Antone Morgardo moved to amend Articles 60-61-62, to have the present committee on Municipal Garage be continued and present new plans and new costs at a much lower figure and to report at our next Annual Town Meeting, and it was so voted.

ARTICLE 62. To see what action the Town will take to establish the position of Municipal Garage Superintendent, to be appointed by the Selectmen annually, and make an appropriation therefor, or take any action relative to the management of the municipal garage.

Approved.

No action taken on Article 62.

Mr. Morgardo moved to reconsider his amendment but the motion was lost.

ARTICLE 63. To see if the Town will continue the Study Committee appointed under Article 60 of the 1965 Town Meeting, to further study, survey and recommend a location for a facility to house the headquarters of the Town Fire Department.

Approved as amended to add Fire and Police Chiefs.

Mr. Perkins moved that the town continue the Committee to Study, Survey and Recommend as to the Need for Construction and Location of New Facilities to House the Fire Department, appointed under Article 60 of the 1965 Town Meeting and under Article 75 of the 1964 Town Meeting, and to add to the committee the Fire Chief.

Mr. Alfred Almeida read the report of this Committee and it was filed with the Town Clerk.

Mr. F. Lahey moved that the Town continue the Study Committee appointed under Article 60 of the 1965 Town Meeting, to further study, survey and recommend a location for a facility to house the headquarters of the Town Fire Department and the Town Police Department, at the same location, but the motion was lost.

Mr. James Connell moved to amend the motion of Mr. Perkins by adding the following: "The Chief to serve in an advisory capacity," but the motion was lost.

Mr. Paul Withington moved to amend the motion of Mr. Perkins that the Committee be increased one member and that the Moderator be directed to appoint one additional member to this Committee, and it was so voted.

Mr. Perkin's motion was put before the Meeting and it was so voted.

ARTICLE 64. To see what action the Town will take in granting a portion of the Town-owned Cornish Burton property, so-called, for the future erection of a facility to house the headquarters of the Town Police Department.

Approved.

Voted: (Unanimously) That the Town transfer the care, custody, management and control of a portion of the Town-owned Cornish-Burton property, so-called, to the Co-

mission of Public Safety for the purpose of housing the Police Department and described as follows: a parcel of land on the easterly side of Russell Street bounded north-erly by land of Peter A. and Helen M. Brigida a distance of 139 feet, more or less; easterly by South Russell Street as laid out by the County Commissioners on January 7, 1868 a distance of 81 feet, more or less; southerly again by South Russell Street as laid out by the County Commis-sioners on January 7, 1868 a distance of 134 feet, more or less; and westerly by Russell Street a distance of 91 feet, more or less.

ARTICLE 65. To see if the Town will appoint a com-mittee for the construction of a building to house the head-quarters of the Police Department and to appropriate \$10,000, for the preparation of plans, specifications and other expens-es pertinent to this building, and said Committee to report back to the Town at the next special or annual town meeting.

\$10,000 approved. Amended to add Police and Fire Chiefs.

Mr. Perkins moved that the Moderator appoint a com-mittee of eight (8) members, one of which shall be the Police Chief, as the Police Station Planning Committee; and to raise and appropriate the sum of \$10,000 for the prepara-tion of plans, specifications and other expenses pertinent to the planning of the building; said committee to file its report with the Town Clerk and submit a copy to the Advi-sory and Finance Committee on or before December 1, 1966 and to report back to the Town at the next Annual Town Meeting; and it was so voted.

Mr. James Connell moved to amend the motion of Mr. Perkins by adding the following: "The Chief to serve in an advisory capacity," but withdrew the amendment before voting.

Mr. Connell moved that \$2,500.00 of the \$5,000.00 appro-priated under Article 60 of the 1965 Town Meeting, be added to the \$10,000.00 and be used for the same purpose.

Mr. Paul Withington moved to amend the motion of Mr. Perkins that one additional member be added to the Committee and that the Moderator be directed to appoint one additional member to this Committee, and it was so voted.

Mr. Perkins motion with amendment was put before the Meeting and it was so voted.

Mr. Perkins moved that Article 7 be reconsidered, and it was so voted.

Mr. Perkins moved to amend Item 44, Article 7, by striking out the figure \$217,644.00 and substituting in place thereof the figure \$211,931.00, and it was so voted.

Mr. Perkins moved to amend Item 45, Article 7, by striking out the figure \$7,305.00 and substituting in place thereof the figure \$6,973.00, and it was so voted.

The original motion of Article 7 put before the Meeting and voted.

ARTICLE 66. To see if the Town will vote to accept Section 77C of Chapter 32 of the General Laws, "An act protecting the pension rights of laborers in certain cities and towns."

Approved — There are 3 people involved, who have been promoted from the labor class to foremen.

Voted: That the Town accept Section 77C of Chapter 32 of the General Laws, "An Act protecting the pension rights of laborers in certain cities and towns."

ARTICLE 67. To see what action the Town will take on the report and recommendation of the committee authorized under Article 91 of the 1965 town meeting to study the adoption of a By-Law to establish a Council on Aging, and make an appropriation therefor.

The Committee recommends that the Study Committee be continued.

Voted: That the Town continue the Study Committee to investigate the feasibility of adopting the by-law for a Council on Aging, appointed under Article 91 of the 1965 Town Meeting; said Committee to file its report with the Town Clerk and to submit a copy to the Advisory and Finance Committee on or before December 1, 1966, and to report to the Town at the next Annual Town Meeting.

ARTICLE 68. To see if the Town will vote to adopt as By-Laws, regulations for the operation of motorboats on the ponds in the Town of Plymouth, and make provision for en-

forcement of these regulations by the Plymouth Police Department, as well as the Harbor Master of Plymouth and his Deputies.

Recommendation to be made at Town Meeting.

To see if the Town will vote to adopt as By-Laws, regulations for the operation of motorboats on the ponds in the Town of Plymouth, and make provision for enforcement of these regulations by the Plymouth Police Department, as well as the Harbor Master of Plymouth and his Deputies.

Mr. Sumner Chapman, Jr., moved that the Town amend the Harbor By-Laws, Article IIIA-2 by adding after the word "agents" the following phrase: "including police officers of the Town of Plymouth," and it was so voted.

ARTICLE 69. To see what action the Town will take to amend the By-Laws of the Town, by deleting Section S3 of Article VII and substituting therefor "Section 3: Any person who shall violate any provision of these By-Laws, in cases not otherwise provided for herein or by law, shall pay a penalty not exceeding \$50, for each offense."

Approved.

Voted: That the town amend the By-Laws of the Town by deleting Section 3 of Article VII and substituting therefor the following: "Section 3. Any person who shall violate any provision of these By-Laws, in cases not otherwise provided for herein or by law, shall pay a penalty not exceeding \$50.00 for each offense."

Mr. Fillebrown moved to adjourn to Friday at 7:30 P.M. Motion lost.

Mr. Chase moved to adjourn to Wednesday, March 30, 1966 at 7:30 P.M. Voting by a show of hands, 83 in the affirmative, 45 in the negative, it was so voted.

ADJOURNED TOWN MEETING, MARCH 30, 1966

The Meeting was called to order by the Moderator at 7:40 P.M. The number of Town Meeting Members present was 130 as per records of checkers, Robert Marvelli, and Arsene Strassel, 2nd. The Moderator declared a quorum present.

ARTICLE 70. To see what action the Town will take to amend the Advisory and Finance Committee By-Laws as follows: The report of the Committee to the annual town meeting shall be in print and shall contain a list of the regular annual departmental budget recommendations, subdivided to whatever extent seems advisable to the Committee for vote by the Town, provided that salaries and personal services shall be segregated from other expenses, that any contemplated outlay for departmental equipment in the amount of \$400, to \$2500, shall be set forth in the list of appropriations and subject to a separate vote, and that any contemplated outlay for new equipment in excess of \$2500, shall be voted upon under a separate article. Reports of the Committee on all other town meetings shall be in such form as the Committee shall deem advisable.

Approved.

Voted: That the Town amend the Advisory and Finance Committee By-Laws by substituting for the 10th (tenth) paragraph in place thereof the following:

“The report of the Committee to the Annual Town Meeting shall be in print and shall contain a list of the regular annual departmental budget recommendations, subdivided to whatever extent seems advisable to the Committee for vote by the Town, provided that salaries and personal services shall be segregated from other expenses, that any contemplated outlay for departmental equipment in the amount of \$400 to \$2,500 shall be set forth in the list of appropriations and subject to a separate vote, and that any contemplated outlay for new equipment in excess of \$2,500 shall be voted upon under a separate article. Reports of the Committee on all other

town meetings shall be in such form as the Committee shall deem advisable."

Mr. Hugh Maraghy asked to defer Article 71 till later in the evening since the Board of Selectmen were not able to attend the Town Meeting due to commitments at the Town Office. The Moderator agreed.

ARTICLE 72. To see if the Town will adopt a By-Law whereby the Collector of Taxes shall collect, under the title of Town Collector, all accounts due the Town of Plymouth, as provided by Chapter 41 Section 38A of the General Laws.

Approved to change the title of Tax Collector to Town Collector for the purpose of collecting all water rates and charges in addition to present duties and to take effect January 1, 1967.

Voted: That the Town accept the following by-Law: "That the Collector of Taxes shall collect, under the title of Town Collector, in addition to the accounts committed to him as Tax Collector, all accounts due on account of water rates and charges." This By-Law shall take effect January 1, 1967.

ARTICLE 73. To see what action the Town will vote to take relative to the Old Town House, at Town Square, and make an appropriation therefor.

\$500 — Study Committee Recommended.

Voted: That the Town raise and appropriate the sum of \$500, for repairs to the Old Town House at Town Square; said appropriation to be expended under the direction of the Board of Selectmen; and authorize the Selectmen to appoint a Study Committee of three (3) persons: said Committee to file its report with the Town Clerk and submit a copy to the Advisory and Finance Committee on or before December 1, 1966 and to report back to the Town at the next Annual Town Meeting.

ARTICLE 74. To see what action the Town will take with respect to amending the by-law governing the hour for the business meeting of the annual Town meeting on the third Saturday following the election of the Town Officers by striking out the words "two o'clock P.M." and substituting therefor the words "ten o'clock A.M."

By Petition: Reubin M. Winokur, et al

Approved.

Voted: That the Town amend the By-Law or Rule governing the hour for the business meeting of the Annual Town Meeting on the third Saturday following the election of the Town Officers by striking out the words, "two o'clock P.M." and substituting therefor the words, "ten o'clock A.M."

ARTICLE 75. To see what action the Town will take with respect to providing an annual appropriation for the use of the Tree Department for the annual planting of shade trees, and make an appropriation therefor.

By Petition: Reubin M. Winokur, et al

Disapproved — Program in existence by Tree Warden Department.

To see what action the Town will take with respect to providing an annual appropriation for the use of the Tree Department for the annual planting of shade trees, and make an appropriation therefor.

No action taken on Article 75.

ARTICLE 76. To see what action the Town will take with respect to repairing and newly installing, where necessary, street, highway, directional and historical signs in the Town, and make an appropriation therefor.

By Petition: Reubin M. Winokur, et al

Disapproved — Highway Department presently repairs and replaces highway signs.

To see what action the Town will take with respect to repairing and newly installing, where necessary, street, highway, directional and historical signs in the Town, and make an appropriation therefor.

No action taken on Article 76.

ARTICLE 77. To see what action the Town will take with respect to instructing the Conservation Commission to investigate the desirability of purchasing or taking land for the Town to provide future sites for playgrounds, parks, beaches and accesses to lakes, ponds, and ocean, said committee to report to the Town before December 1, 1966, and make an appropriation therefor.

By Petition: Reubin M. Winokur, et al

Disapproved — This is the function of the Conservation Commission.

To see what action the Town will take with respect to instructing the Conservation Commission to investigate the desirability of purchasing or taking land for the Town to provide future sites for playgrounds, parks, beaches and accesses to lakes, ponds, and ocean, said committee to report to the Town before December 1, 1966, and make an appropriation therefor.

No action taken on Article 77.

ARTICLE 78. To see what action the Town will take with respect to constructing a Music Shell at, or near Plymouth Rock Reservation, and make an appropriation therefor.

By Petition: Reubin M. Winokur, et al

Disapproved.

Mr. Lawrence Winokur moved that a Committee of five be appointed by the Board of Selectmen to study the desirability of constructing a music shell, in the Town, this committee to file its report with the Town Clerk and Advisory and Finance Committee on or before December 1, 1966; and to report to the next Annual Town Meeting, and it was so voted.

ARTICLE 79. To see what action the Town will take with respect to making an annual appropriation for the employment of Guides at historical locations in the Town, and make an appropriation therefor.

By Petition: Reubin M. Winokur, et al.

A study Committee is recommended.

Voted: That the Town authorize the Moderator to appoint a Study Committee consisting of three members, one of whom shall be from the Guide Committee; said Committee to report back to the Town at the next Annual or Special Town Meeting, copies to be filed with the Advisory and Finance Committee and Town Clerk on or before December 1, 1966.

ARTICLE 80. To see if the Town will accept and allow as a Town Way, Lake Shore Avenue from King Avenue northeasterly about 700 feet to Stevens Street, as laid out by the Selectmen and reported to the Town and make an appropriation for expenses of acquiring titles.

\$200.00 Disapproved — Planning Board also disapproves.

Mr. William Barrett moved that the Town accept and allow as a Town way, Lake Shore Avenue from King Avenue, northeasterly about seven hundred feet (700') to Stevens Street, as laid out by the Selectmen and reported to the Town and make an appropriation of \$200.00 for expenses of acquiring titles, and it was so voted, unanimously.

ARTICLE 81. To see if the Town will accept and allow as a Town Way, Stevens Street, and re-name it Marion Street, from Lake Shore Avenue southeasterly about 400 feet to Lancaster Avenue, as laid out by the Selectmen and reported to the Town, and make an appropriation for expenses of acquiring titles.

\$150 — Disapproved. Planning Board also disapproves.

Mr. William Barrett moved that the Town accept and allow as a Town way, Stevens Street, and rename it Marion Street, from Lake Shore Avenue southeasterly about four hundred feet (400') to Lancaster Avenue, as laid out by the Selectmen and reported to the Town, and make an appropriation of \$150.00 for expenses of acquiring titles, and it was so voted unanimously.

ARTICLE 82. To see if the Town will accept and allow as a Town Way Castle Court from Castle Street northwesterly about 700 feet, as laid out by the Selectmen and reported to the Town, and make an appropriation for expenses of acquiring titles.

\$75 — Approved. Planning Board also approves.

Voted: (Unanimously) That the town accept and allow as a Town Way, Castle Court from Castle Street, northwesterly about 700 feet, as laid out by the Selectmen and reported to the Town, and to raise and appropriate the sum of \$75.00 for expenses of acquiring titles.

ARTICLE 83. To see if the Town will accept and allow as a Town Way, Hedges Pond Road from State Highway, Route 3A at Costello's Corner northwesterly about 4200 feet to the southerly end of the 1956 Town Layout of Hedges Pond Road, at Route 3, as laid out by the Massachusetts Department of Public Works in behalf of the Town of Plymouth, on January 10, 1956; as laid out by the Selectmen and reported to the town and make an appropriation for expenses of acquiring titles.

\$150 Approved — Planning Board also approves.

Voted: That the Town accept and allow as a Town Way, Hedges Pond Road from State Highway, Route 3A at Costello's Corner northwesterly about 4200 feet to the southerly end of the 1956 Town Layout of Hedges Pond Road, at Route 3, as laid out by the Massachusetts Department of Public Works on behalf of the Town of Plymouth on January 10, 1956 and as laid out by the Selectmen and reported to the Town, and to raise and appropriate the sum of \$150.00 for expenses of acquiring titles.

Voting by a show of hands, 101 in the affirmative, 7 in the negative, the motion was passed.

Mr. Charles Henderson moved to reconsider Article 65, and it was so voted.

Mr. Charles Henderson moved to amend Mr. Perkins motion by adding thereto the following: That \$2,500 of the appropriation of \$5,000.00 authorized under Article 60 of the 1965 Town Meeting be added to the appropriation of \$10,000 and used for the same purposes, and it was so voted.

Mr. Perkin's motion with Mr. Henderson's amendment was put before the Meeting and it was so voted.

ARTICLE 84. To see if the Town will vote to amend the Town of Plymouth, Massachusetts Zoning Map No. 1 dated January 16, 1961 revised to July 9, 1964, by changing from R-10 Residential District to Commercial District an area on the westerly side of Long Pond Road lying between the existing Commercial District and Cook's Pond Road, which is the northerly boundary of the Town Forest, to a depth of 1100 feet from Long Pond Road.

Approved — Planning Board also approves.

Voted: (Unanimously) That the Town amend the Town of Plymouth, Massachusetts Zoning Map No. 1 dated January 16, 1961 revised to July 9, 1964, by changing from R-10 Residential District to Commercial District an area on the westerly side of Long Pond Road lying between the existing Commercial District and Cook's Pond Road, which is the northerly boundary of the Town Forest, to a depth of 1,100 feet from Long Pond Road.

ARTICLE 85. To see if the Town will vote to amend the Town of Plymouth, Massachusetts, Zoning Map No. 1 dated

January 16, 1961, revised to July 9, 1964, by changing from R-10 Residential Zone and Industrial Zone to R-15 Residential zone an area bounded southerly by Samoset Street (Route No. 44) and Plympton Road (Route No. 80) beginning at a point adjacent to the Commercial Zone on Samoset Street and extending to the Plymouth-Kingston Line for a distance of approximately 14,000 feet; westerly by the Plymouth-Kingston Line for a distance of approximately 5000 feet; northerly by the existing line separating R-10 Residential Zones and Industrial Zone, extending 2000 feet across the existing Industrial Zone and continuing to the intersection with the existing Commercial Zone, for a total distance of approximately 8400 feet; and easterly by the same existing Commercial Zone for a distance of 1000 feet to the point of beginning.

Approved — Planning Board also approves.

Voted: (Unanimously) That the Town amend the Town of Plymouth Zoning Map No. 1 dated January 16, 1961, revised to July 9, 1964 by changing from R-10 Residential District and Industrial District to R-15 Residential District area on the northerly side of Plympton Road (Route No. 80) and on the northwesterly side of Samoset Street and Carver Road (Route No. 44) bounded and described as follows: Beginning on Samoset Street at the dividing line between existing R-10 and Commercial Districts; thence southwesterly by Samoset Street about 3800 feet; thence westerly by Carver Road about 1500 feet; thence westerly by Plympton Road about 8200 feet to the Kingston Town Line; thence northeasterly by the Kingston Town Line about 4800 feet to a stone monument marking an angle in said Town Line, thence easterly by a straight line which divides the existing R-10 and Industrial Districts and which extends 2000 feet across the existing Industrial District for a total distance of about 8200 feet to a point marking the junction of existing R-10, Industrial and Commercial Districts; thence southeasterly by the existing Commercial District 1000 feet to the point of beginning.

ARTICLE 86. To see if the Town will vote to amend the Zoning Map so as to change from Industrial to R-10 all of the land now owned by Maypact Realty Trust which now is industrially zoned, and bounded

SOUTHERLY by Route 80, 2000 feet, more or less

WESTERLY by land of Maypack Realty Trust 2120 feet,
more or less

NORTHWESTERLY AND

NORTHEASTERLY 2400 feet, more or less

EASTERLY 2850 feet, more or less

Containing 128.4 acres, more or less

By Petition: Amedeo O. Collari, et al

Disapproved — Planning Board also disapproves.

No action taken on Article 86.

ARTICLE 87. To see if the Town will vote to amend the Zoning Map so as to change from R-15 to Commercial the land in an area triangular in shape on the Southeast-erly end of Route 80 at its intersection with Route 44 (Car-ver Road); and bounded

NORTHEASTERLY AND

EASTERLY by Plympton Road (Route 80) 1390 feet,
more or less

SOUTHERLY by Route 44 (Carver Road) 1100 feet, more
or less

WESTERLY by remaining land of Maypack Realty Trust,
1040 feet, more or less

Containing 15 acres, more or less.

By Petition: Amedeo O. Collari, et al

Approved — Planning Board also approves.

Voted: (Unanimously) That the Town amend the Zon-ing Map so as to change from R-15 to Commercial, the land in an area triangular in shape on the Southeasterly end of Route 80 at its intersection with Route 44 (Carver Road): and bounded northeasterly and easterly by Plympton Road (Route 80) 1390 feet, more or less: southerly by Route 44 (Carver Road) 1100 feet, more or less: westerly by remain-ing land of Maypack Realty Trust, 1040 feet, more or less: containing 15 acres, more or less.

ARTICLE 88. To see if the Town will vote to amend the Zoning Map so as to change from R-15 to Commercial the land in an area triangular in shape on the Northeasterly side of the intersection of Route 44 at (Samoset Street and Carver Road); and bounded

NORTHWESTERLY by Samoset Street (Route 44) 1170 feet, more or less

SOUTHEASTERLY by Lot 13 Plat 103 Plymouth Assessors 900 feet, more or less

SOUTHERLY and

SOUTHWESTERLY by Carver Road 650 feet, more or less

Containing 5.3 acres, more or less.

By Petition: Amedeo O. Collari, et al

Disapproved — Planning Board also disapproves.

No action taken on Article 88.

ARTICLE 89. To see if the Town will vote to amend the Zoning Map so as to change from R-40, R-20, R-15 and Neighborhood Business to Industrial, the land on the West-erly side of the By-Pass, so-called, being three parcels; and bounded

FIRST PARCEL

NORTHEASTERLY by Long Pond Road, approximately Four Hundred Sixty (460) feet;

SOUTHERLY by a straight line, Three Hundred Eighty-four and 18/100 (384.18) feet;

SOUTHWESTERLY by a straight line, One Hundred Five and 22/100 (105.22) feet, and

NORTHWESTERLY by a straight line, approximately Two Hundred Fifty-Five (255) feet.

Containing 1.5 acres, more or less

SECOND PARCEL

SOUTHWESTERLY by Long Pond Road, approximately Four Hundred Ninety (490) feet;

WESTERLY and

NORTHWESTERLY by five (5) straight lines measuring Ninety Six and 22/100 (96.22) feet, One Hundred Fifty Seven and 87/100 (157.87) feet, One Hundred Thirty Five and 18/100 (135.18) feet, Two Hundred Eighty (280.00) feet, and Eight Hundred Seventy-Eight and 15/100 (878.15) feet, respectively;

NORTHEASTERLY by Route 3, One Thousand-Five Hundred Thirty Four and 11/100 (1,534.11) feet, and

SOUTHERLY by a straight line, One Thousand Five Hundred Eighty and 08/100 (1,580.08) feet.

Containing 34.1 acres, more or less.

THIRD PARCEL

SOUTHWESTERLY by Long Pond Road by various straight and curved lines, approximately 3040 feet, more or less;

NORTHWESTERLY by Holbrook Road 2620 feet, more or less,

NORTHEASTERLY by Route 3, approximately 2110 feet; more or less;

SOUTHEASTERLY by a straight line, Six Hundred Thirty-Four (634.00) feet; again

NORTHEASTERLY by a straight line, Seven Hundred Fifty-Eight and 88/100 (758.88) feet; again

SOUTHEASTERLY by Clark Road by four (4) Straight lines measuring Three Hundred One and 76/100 (301.76) feet, One Hundred Thirty-Six and 88/100 (136.88) feet, One Hundred Fifty and 43/100 (150.43) feet, and Three Hundred Twenty and 42/100 (320.42) feet, respectively; and

SOUTHERLY by a straight line Fifty-Seven and 00/100 (57.00) feet,

Containing 103 acres, more or less.

By Petition: Amedeo O. Collari, et al

1st parcel — Disapproved. Planning Board also disapproves.

2nd parcel, Approved — Planning Board disapproves.

3rd parcel — Approved.

Planning Board also approves.

Mr. Doherty moved to amend the Zoning Map so as to change from R-40, R-20, R-15 and Neighborhood Business to Industrial, the land on the Westerly side of the By-Pass, so-called being three parcels; and bounded

FIRST PARCEL:

NORTHEASTERLY by Long Pond Road, approximately Four Hundred Sixty (460) feet;

SOUTHERLY by a straight line, Three Hundred Eighty-four and 18/100 (384.18) feet;

SOUTHWESTERLY by a straight line, One Hundred Five and 22/100 (105.22) feet, and

NORTHWESTERLY by a straight line, approximately Two Hundred Fifty-Five (255) feet

Containing 1.5 acres, more or less

The amendment was disapproved.

Mr. Perkins moved that the Town amend the Zoning Map so as to change from R-40, R-20, R-15 and Neighborhood Business to Industrial, the land on the Westerly side of the By-Pass, so-called being the

SECOND PARCEL described as:

SOUTHWESTERLY by Long Pond Road, approximately Four Hundred Ninety (490) feet;

WESTERLY and

NORTHWESTERLY by five (5) straight lines measuring Ninety-Six and 22/100 (96.22) feet, One Hundred Fifty Seven and 87/100 (157.87) feet, One hundred Thirty-Five and 18/100 (135.18) feet, Two Hundred Eighty (280.00) feet, and Eight Hundred Seventy-Eight and 15/100 (878.15) feet respectively;

NORTHEASTERLY by Route 3, One Thousand-Five Hundred Thirty-Four and 11/100 (1,534.11) feet, and

SOUTHERLY by a straight line, One Thousand Five Hundred Eighty and 08/100 (1,580.08) feet.

Containing 34.1 acres, more or less.

Voting by a show of hands, 17 in the affirmative, 72 in the negative, the motion to amend was lost.

THIRD PARCEL:

Mr. Perkins moved that the Town amend the Zoning Map so as to change from R-40, R-20, R-15 and Neighborhood Business to Industrial, the land on the Westerly side of the By-Pass, so-called being the THIRD PARCEL described as:

SOUTHWESTERLY by Long Pond Road by various straight and curved lines, approximately 3040 feet, more or less;

NORTHWESTERLY by Holbrook Road 2620 feet, more or less,

NORTHEASTERLY by Route 3, approximately 2110 feet, more or less;

SOUTHEASTERLY by a straight line, Six Hundred Thirty-Four (634.00) feet; again

NORTHEASTERLY by a straight line, Seven Hundred Fifty-Eight and 88/100 (758.88) feet; again

SOUTHEASTERLY by Clark Road by four (4) Straight lines measuring Three Hundred One and

76/100 (301.76) feet, One Hundred Thirty-Six and 88/100 (136.88) feet, One Hundred Fifty and 43/100 (150.43) feet, and Three Hundred Twenty and 42/100 (320.42) feet, respectively; and SOUTHERLY by a straight line Fifty-Seven and 00/100 (57.00) feet, Containing 103 acres, more or less

Mr. Crawley moved to amend

THIRD PARCEL

the Town of Plymouth Zoning Map No. 1 dated January 16, 1961, revised to July 9, 1964, by changing from R-40 Residential District and Neighborhood Business District to Industrial District a parcel of land bounded southwesterly by Long Pond Road approximately 3040 feet; northwesterly by Holbrook Road approximately 2620 feet; northeasterly by Route No. 3 approximately 2110 feet; southeasterly by a straight line 634 feet; again northeasterly by a straight line 758.88 feet; again southeasterly by Clark Road by 4 straight lines 301.76 feet, 136.88 feet, 150.43 feet and 320.42 feet respectively, and southerly by a straight line 57 feet.

Voting by a show of hands, 75 in the affirmative, 21 in the negative, being a $\frac{2}{3}$ vote, the motion as amended was passed.

ARTICLE 71. To see if the Town will vote to close the public offices at the Town Office Building on Saturdays, in accordance with Section 110A of Chapter 41 of the Massachusetts General Laws, or take any action relative thereto.

The Committee disapproves as such action prevents many residents and non-residents who work regular hours, especially out-of-town, from taking advantage of the services rendered by the various departmental offices for paying bills, obtaining permits and licenses, and making various inquiries.

Mr. Dennis Collari moved that the Town close the public offices at the Town Office Building on Saturdays, in accordance with Section 110A of Chapter 41 of the Massachusetts General Laws.

Mr. Sumner Chapman Jr., moved that the public offices at the Town Office Building be opened to the public for

business on Friday nights (between the hours of 7:00 and 8:00 P.M.) except in the case of a Friday which is a legal holiday; and that the said public offices remain closed on Saturdays in accordance with Section 110A of Chapter 41 of the Massachusetts General Laws.

Mr. Morgardo moved that the Town open the Town Office Building on Fridays, 6:00 P.M. to 8:00 P.M., in accordance with Section 110A of Chapter 41 of the Massachusetts General Laws.

Mr. Perkins moved that the Town employees in the Town Office Building be compensated by comparable time off for hours worked other than as presently worked.

Voting by a voice vote, Mr. Perkin's motion was lost: Mr. Morgardo's motion was lost: Mr. Chapman's motion was lost.

The original motion of Mr. Collari was put before the Meeting and voting by a voice vote, the motion was passed.

ARTICLE 90. To see what action the Town will take to amend the By-Laws of the Town, by adding to Section 3 of Article III the following: This by-law shall not be construed to prevent the Town from disposing of such property under Section 3 of Chapter 40 of the General Laws, or in any other manner authorized by law.

Disapproved.

Mr. Harrington moved that the Town amend the By-Laws of the Town by adding to Section 3 of Article III the following:

"This By-Law shall not be construed to prevent the Town from disposing of such property under Section 3 of Chapter 40 of the General Laws, or in any other manner authorized by law." The motion was carried.

ARTICLE 91. To see if the Town will vote to sell to the Plymouth Development and Industrial Corporation, a certain parcel of land off Nick's Rock Road, being Lot 37 of the Assessors' Plan No. 101, consisting of approximately 22 acres, or take any action relative thereto.

Recommendation at Town Meeting.

Voted: (Unanimously) That the Town authorize the Selectmen to grant to the Plymouth Industrial Development

Corporation an option to buy from the Town for a sum of \$1.00 a certain parcel of land off Nick's Rock Road known as the "Cobb Property," being Lot 37 of Assessors' Plat No. 101, said option being exercisable by the said corporation only upon the corporation's presenting proof acceptable to the Board of Selectmen that it controls sufficient adjoining land in the industrial zone to create an Industrial Park meeting the requirements of the United States Economic Development Administration: said option to run for one year and to be renewable from year to year at the discretion of the Board of Selectmen.

ARTICLE 92. To see what action the Town will vote to take with regard to certain unexpended appropriation balances.

Amount to E & D — \$5,263.96.

Amount to abutters — \$3,260.31.

Voted: That the town turn back to Excess and Deficiency the sum of \$6,624.27 from the unexpended appropriation balances of the New Engine for Ladder No. 2 Truck of the Fire Department in the amount of \$1,544.65; Development & Industrial Commission, \$3,651.66; Waterfront Protection, Warren's Cove (Article 64 — 1961), Town's share, \$3,260.31; Fluoridation Study Committee, \$100, to Street Parking Meter Receipts, the sum of \$67.65 which amount is the unexpended appropriation balance of the Plymouth-Home National Bank Parking Lot; and authorize the return to the abutters the sum of \$3,260.31, which amount is the abutter's share of Waterfront Protection, Warren's Cove (Article 64 — 1961).

ARTICLE 93. To see what amount the Town will vote to transfer from available funds to reduce the tax levy of the current year.

Approved — \$200,000.

Voted: That the Town authorize and direct the Assessors to take \$177,800 from available funds to reduce the tax levy of the current year.

ARTICLE 94. To see what amount the Town will vote to transfer from available funds for the Stabilization Fund, as authorized by the provisions of Chapter 124 of the Acts of 1945.

The Committee recommends no transfer.

To see what amount the Town will vote to transfer from available funds for the Stabilization Fund, as authorized by the provisions of Chapter 124 of the Acts of 1945.

No action taken on Article 94.

ANDREW J. COLLAS,
Town Clerk

TOWN OF PLYMOUTH
PERSONNEL BOARD REPORT

We submit herewith suggested revisions of the Town's Personnel By-Laws, Classification and Compensation Plans resulting from a survey conducted by the Charles M. Evans and Associates, Consultants in Public Administration and Finance. Conferences with representatives of those Town Departments and Agencies, were held by the Personnel Board, in an effort to learn and receive recommendations of any changes they wished to propose in the By-Laws.

The proposed revisions of the salary and wage schedules results from a review of 1965 rates in those communities which were selected in 1961 for comparisons and from a sampling of rates paid by private employers in the Town's wage area.

It is contemplated, however, that the average increase in 1966 would be between 4 per cent and 5 per cent under the proposed method of applying the new schedule. In most instances the employees' rate would be adjusted to the rate in the proposed range which is next above the employees' current rate. However, if such an adjustment results in an increase of less than \$100.00 per annum for a salaried position, or less than \$.05 for an hourly rated position, the adjustment would be to the second step rate above the 1965 adjusted rate, but within the range of the compensation grade to which the position class has been allocated.

Respectfully submitted,

HORACE A. GENOVESE, Chairman

LEONARD SULLIVAN

DAVID B. FREEMAN

PAUL W. SEARS

JOHN A. THOM

PERSONNEL BY-LAW

Section 1. Authorization

Pursuant to the authority contained in Sections 108A and 108C of Chapter 41 of the General Laws, there shall be established plans, which may be amended from time to time by vote of the Town at a Town meeting; (a) classifying positions in the service of the Town, other than those filled by popular election, those under the direction and control of the School Committee, those under the jurisdiction of the Board of Retirement, the position of Town Counsel, certain positions for which the compensation is on a fee basis or the incumbents of which render intermittent or casual service and which do not appear in Schedule A of Section 8 following, into groups and classes doing substantially similar work or having substantially equal responsibilities; (b) authorizing a compensation plan for positions in the classification plan; (c) providing for the administration of said classification and compensation plans; and (d) establishing certain working conditions and fringe benefits for employees occupying positions in the classification plan.

The classification of positions which are subject to the Welfare Compensation Plan of the Commonwealth of Massachusetts and the schedule of rates therefor effective January 1, 1965 with subsequent amendments, if any, and the provisions of Section 47D of Chapter 31 of the General Laws relating to the application of rates set forth in the aforementioned Welfare Compensation Plan are hereby incorporated by reference.

Section 2. Definitions

As used in this by-law, the following words and phrases shall have the following meanings unless a different construction is clearly required by the context or by the laws of the Commonwealth:

“Town,” the Town of Plymouth.

“Civil Service Law,” Chapter 31 of the General Laws of the Commonwealth, as amended and all rules and regulations made thereunder; and any special law enacted by the General Court regulating the classification, compensation and conditions of employment of officers and employees of the Town under Chapter 31;

"Classification Plan," class titles of Schedule A of Section 8 of this by-law plus class specifications which are on file with the Personnel Board and which are hereby incorporated by reference;

"Class," a group of positions in the Town service sufficiently similar in respect to duties and responsibilities so that the same descriptive title may be used to designate each position allocated to the class, that the same qualifications shall be required of the incumbents, that the same tests of fitness may be used to choose qualified employees and that the same scale of compensation can be made to apply with equity;

"Position Class," same as class (a class may include only one position, in which event it is defined as a "single position class");

"Group," an occupational group of classes appearing in Schedule A of Section 8;

"Department Head," the officer, board or other body having immediate supervision and control of a department;

"Employee," an employee of the Town occupying a position in the classification plan;

"Department," any department, board, committee, commission or other agency of the Town subject to this by-law;

"Administrative Authority," the elected official or board, or the appointed official having jurisdiction over a function or activity;

"Full-time employment," employment for not less than seven and one-half hours per diem for five days a week for fifty-two weeks per annum, minus legal holidays and authorized vacation leave, sick leave, bereavement leave, and other leave of absence;

"Part-time employment," employment for less than full-time employment, as defined above;

"Continuous employment," employment uninterrupted except for required military service and for authorized vacation leave, sick leave, bereavement leave, or other leave of absence;

“Full-time employee,” an employee retained in full-time employment;

“Part-time employee,” an employee retained in part-time employment;

“Position,” an office or post of employment in the Town service with duties and responsibilities calling for the full-time or part-time employment of one person in the performance and exercise thereof;

“Permanent position,” any position in the Town service which has required or which is likely to require the services of an incumbent without interruption for a period of more than six calendar months, either on a full-time or part-time employment basis;

“Permanent employee,” (1) any employee retained on a continuing basis in a permanent position, as defined above; (2) any employee holding a permanent appointment under Civil Service Law to a position deemed permanent within the meaning of said law;

“Temporary position” or “seasonal position,” any position in the Town service which requires or which is likely to require the services of one incumbent for a period not exceeding six calendar months; a seasonal position requiring less than the work week of its occupation group shall be considered as part-time;

“Temporary employee,” (1) an employee retained in a temporary or seasonal position as defined above; (2) any employee holding a temporary appointment under Civil Service Law who does not also have permanent status thereunder;

“Intermittent service,” personal service rendered by an employee in a position calling for part-time employment, which service although constituting continuous employment is not rendered during prescribed working hours, daily, weekly or annually, but is rendered as required, according to the demands for such service;

“Casual service,” personal service rendered by an employee in a position calling for part-time employment, which service does not constitute continuous employment; this service is rendered occasionally and without regularity according to the demands therefor;

"Compensation Plan," Schedules B through D in Section 8;

"Compensation Grade," a range of salary or wage rates appearing on Schedule B, B-1 or Schedule C of Section 8;

"Rate," a sum of money designated as compensation for hourly, weekly, semi-monthly, monthly or annual personal services;

"Minimum Rate," the rate in a range which is normally the hiring rate of a new employee;

"Maximum Rate," the highest rate in a range which an employee normally is entitled to attain;

"Range," the dollar difference between minimum and maximum rates;

"Personal Rate," a rate above the maximum rate applicable only to a designated employee;

"Step Rate," a rate in a range of a compensation grade;

"Increment," the dollar difference between step rates;

"Promotion," a change from a position of lower class and compensation grade to a position with greater responsibilities in a higher class and compensation grade;

"Board," the Personnel Board as defined in Section 3.

Section 3. Personnel Board

(a) There shall be a Personnel Board consisting of five members responsible for the administration of the classification and compensation plans. The membership of the Board shall be as follows: Two members to be appointed by the Advisory and Finance Committee; one employee who does not serve the Town in an elective capacity, to be appointed by the Board of Selectmen; two citizens of the Town who do not serve the Town in either an appointive or elective capacity (except that election as a Town Meeting member shall not preclude appointment to the Board), to be appointed by the Moderator. The term of office shall be for three years; members of the Board at the time this by-law is adopted will continue in office until the terms to which they were appointed have expired. Vacancies, other than by expiration of terms, shall be filled in the same manner and by the same authority for the balance of the unexpired term.

(b) The Board shall be invested with all the powers and duties specified in Section 108C of Chapter 41 of the General Laws.

(c) The Board shall administer the plans and shall establish such procedures as it deems necessary for the proper administration thereof.

(d) Forthwith after its appointment and annually, the Board shall meet and organize by electing a chairman and appointing a secretary. A majority of the Board shall constitute a quorum for the transaction of business. A majority vote of the Board shall determine the action the Board must take in all matters upon which it is authorized or required to pass under this by-law.

(e) The Board may employ assistance and incur expenses as it deems necessary subject to the appropriation of funds thereof.

(f) The Board shall maintain adequate personnel records of all employees occupying positions subject to the classification and compensation plans, said records to be kept in its custody. Department Heads shall provide such information as the Board may request.

(g) The Board shall maintain written job descriptions or specifications of the classes in the classification plan, each consisting of a statement describing the essential nature of the work and the characteristics that distinguish the class from other classes. The description for any class shall be construed solely as a means of identification and not as prescribing what the duties or responsibilities of any position shall be, or as modifying, or in any way affecting, the power of any administrative authority, as otherwise existing, to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

(h) Upon recommendation of a department head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Board, the Board may authorize an entrance rate higher than the minimum rate for a position, and/or such other variance in the compensation plan as it may deem necessary for the proper functioning of the services of the Town. No variance shall become effective unless, or until, the necessary funds have been appropriated therefor.

(i) The Board shall make an annual report in writing to the Board of Selectmen on or before January 20 of each year.

Section 4. Classification Plan

(a) All positions in the service of the Town except those excluded in Section 1 are hereby classified by titles appearing in Schedule A of Section 8 which is made a part hereof. These classes of positions shall constitute the Classification Plan for the paid Town service, within the meaning of Section 108A of Chapter 41 of the General Laws, as amended.

(b) Whenever a new position is established, or the duties of an existing position are so changed that in effect a new position is created, upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall allocate such new or changed position to its appropriate class, as hereinafter provided.

(c) The title of each class, as established by the Classification Plan, shall be the official title of every position allocated to the class and the official title of each incumbent of a position so allocated, and shall be used to the exclusion of all others on payrolls, budget estimates and other official records and reports pertaining to the position.

(d) No position may be reclassified or no class may be assigned to a different compensation grade, until the Personnel Board shall have determined such reclassification or such reassignment to be consistent with the classification and compensation plans.

Section 5. Compensation Plan

(a) The Compensation Plan shall consist of Schedules B through D in Section 8 which provide minimum and maximum salaries or wages for certain of the classes in the Classification Plan. The salary range of a position class shall be the salary range of all positions allocated to the class.

(b) All employees shall continue to be paid on an hourly, weekly, semimonthly, annual or other basis, as at present, except as provided in the compensation plan, unless otherwise authorized by the Personnel Board.

(c) No department head shall fix the salary of any

employee in a position so classified except in accordance with the compensation plan.

(d) No person shall be appointed, employed or paid as an employee in any position subject to the provisions of the classification plan under any title other than those appearing on Schedule A of Section 8.

(e) An employee in continuous full-time or part-time employment shall receive the increment between his present rate and the next higher step rate as follows:

- (1) On January first or July first provided he has completed thirty weeks service at the minimum or other rate if a rate other than the minimum is authorized as the entrance rate.
- (2) Thereafter one year from the date of his previous increase until he attains the maximum rate of the range of the compensation grade to which his position class is assigned.
- (3) Employees in continuous part-time employment eligible for increments under the provisions of this sub-section shall be those occupying positions in classes for which compensation is provided in Schedule B, B-1 or Schedule C of Section 8.

(f) An employee occupying a seasonal position in a class for which compensation is provided in Schedule B, B-1 or Schedule C of Section 8 shall receive increments as provided in the preceding sub-section on the basis of thirty weeks employment constituting one year.

(g) An employee receiving a promotion to a vacant position or to a new position as defined in Section 4(b) shall, upon assignment resulting from such promotion, receive the rate in the compensation grade of the vacant or new position next above his existing rate. If the resulting adjustment does not equal \$100.00 for a position class assigned to Schedule B, B-1 or \$.05 for a position class assigned to Schedule C, the adjustment shall be to the second rate above the existing rate but within the compensation grade of the vacant or new position.

(h) The employee receiving a promotion and adjustment in rate pursuant to the provisions of the preceding

sub-section shall receive the next increment of his compensation grade effective the next January or July first following completion of thirty weeks at the rate resulting from the promotion.

(i) If an employee's rate at the time of the adoption of this by-law is in excess of the maximum rate set forth in his appropriate compensation grade in Schedule B, B-1 or Schedule C of Section 8 or is in excess of the rate set forth for his position class in Schedule D of Section 8, this rate shall not be reduced, but shall become a personal rate applicable only to said employee as defined in Section 2.

(j) Each department head of a department to which is assigned an employee occupying a position in the classification plan shall include in his estimates required by the provisions of Section 59 of Chapter 41 of the General Laws a pay adjustment section setting forth in detail the amounts which will be required for anticipated pay adjustments during the ensuing year and shall furnish a copy thereof to the Board.

(k) The adjustments provided for in this section shall be subject to the availability of appropriated funds.

Section 6. Amendment of the Plans

(a) The Classification Plan and/or the Compensation Plan and/or other provisions of this By-Law may be amended by vote of the Town at either a regular or a special Town Meeting. Requests for such amendments shall be made to the Board by signed petition. All signed petitions requesting amendments of the Classification Plan and/or the Compensation Plan and/or other provisions of this By-Law must be submitted to the Board no later than four months prior to a regular Town Meeting. Whenever such a petition is received, the Board shall promptly hold a hearing to consider such proposed amendment, and the petitioners and the heads of the departments affected shall be given at least three days' written notice. Prior to the next Town Meeting, the Board shall file with the Selectmen for insertion in the warrant for the next Town Meeting an article sufficiently stated to permit the Town to act upon the subject matter of any such petition. At the same time, the Board shall file with the Finance Committee a final report, with recommendations, pertaining to any such petition, provided that no rec-

ommendation in favor of a proposed amendment shall be made except by an affirmative vote of three of its members.

(b) The Board may, from time to time of its own motion, hold a hearing to consider any proposed amendment. In the event said proposed amendment is supported by an affirmative vote of three of its members, the Board shall proceed according to the preceding sub-section to insert an article in the warrant and to report its recommendations to the Finance Committee.

(c) In the case of urgent necessity, the Personnel Board may anticipate the formal action of the Town Meeting by adding a new classification and the salary or wage thereof to the classification and pay plan, and such addition will be effective subject to early ratification by the Town at a Town Meeting.

Section 7. Continuing Review

The Board, from time to time of its own motion, shall investigate the work and standard rates of salaries or wages of any or all positions subject to the provisions of this by-law. Such reviews shall be made at such intervals as the Board deems necessary and, to the extent which the Board considers practicable, shall include all occupational groups in the classification plan.

Section 8. Position Classes: Salary, Wage and Miscellaneous Compensation Schedules

The following schedules, together with class specifications previously incorporated by reference, constitute the classification and compensation plans of the Town as defined in Section 2:

SCHEDULE A — Classification of Positions by Occupational Groups and Assignment to Compensation Grades or to the Miscellaneous Schedule.

SCHEDULE B — Annual Salary Schedule

SCHEDULE C — Hourly Wage Schedule

SCHEDULE D — Miscellaneous Compensation Schedule for Part-time and Seasonal Positions

Section 9. Part-time Positions Classified in Clerical Group

Employees occupying clerical positions in continuous part-time employment shall be compensated at hourly rates appearing in the following schedule which is hereby incorporated in the compensation plan:

Compensation Grade	Minimum	II	III	IV	Maximum
S-1	\$1.57	\$1.64	\$1.71	\$1.78	\$1.85
S-5	1.85	1.92	1.99	2.06	2.13
S-6	1.92	1.99	2.06	2.13	2.21
S-7	1.99	2.06	2.13	2.21	2.29

Section 10. Part-time Positions Classified in Library Group

Employees occupying library positions in continuous part-time employment shall be compensated at hourly rates appearing in the following schedule which is hereby incorporated in the compensation plan:

Compensation Grade	Minimum	II	III	IV	Maximum
S-2	\$1.54	\$1.60	\$1.67	\$1.73	\$1.80
S-4	1.67	1.73	1.80	1.86	1.93

Section 11. Part-time Positions Classified in the Custodial Group

Employees occupying custodial positions in continuous part-time employment shall be compensated at hourly rates

appearing in the following schedule which is hereby incorporated in the compensation plan:

Compensation Grade	Minimum	II	III	IV	Maximum
S-8	\$1.93	\$2.00	\$2.07	\$2.15	\$2.23
S-9	2.00	2.07	2.15	2.23	2.32
S-10	2.07	2.15	2.23	2.32	2.40

Section 12. Part-time Positions Classified in Labor and Airport Groups

Employees occupying positions in seasonal employment classified as Seasonal Laborer shall be compensated at the minimum rate for the first year of employment, the middle rate for the second year and the maximum rate for the third year unless approved differently by the Personnel Board.

Employees occupying seasonal positions or positions in part-time continuous employment in other position classes in the Labor and Airport groups shall be compensated for hours worked at the appropriate rates set forth in Schedule C of Section 8.

Section 13. Method of Application

Each employee's rate on the proposed scale to be the rate for his proposed classification next above his current (1966) rate except that if the new rate is not at least \$100 per year above his current rate (for salaried personnel) or \$.05 per hour (for hourly rated personnel), the new rate shall be the second rate next above his current (1966) rate.

Section 13a. Work Week

The work week for full-time or seasonal employment in each occupational group shall be as follows:

Group	Work Week
Airport Group	40 — 48 hours
Clerical Group	37.5 hours
Library Group	40 hours
Recreation Group:	
Instructors	30 hours
Supervisor	35 hours
Life Guards	40 hours
Custodial Group	40 hours

Labor Group	40 hours
Public Safety Group:	
Police (full-time)	40 hours
Fire (full-time)	56 hours (a)
Others	As Required (b)
Administrative Group	As Required (b)
Supervisory Group	As Required (b)

(a) Uniformed personnel

(b) "As Required" shall mean the total number of hours in the work week needed to perform the duties of the position, as determined by the appropriate administrative authority

Section 14. Overtime Compensation

(a) *Airport Group* — An employee shall be compensated at his regular hourly rate for hours worked in excess of forty-eight weekly.

(b) *Clerical Group* — An employee shall be compensated at the hourly rate set forth in Section 9 which corresponds to his step rate designation in the corresponding compensation grade on Schedule B, Section 8, for hours worked in excess of thirty-seven and one-half weekly.

(c) *Library Group* — An employee shall be compensated at the hourly rate set forth in Section 10 which corresponds to his step rate designation in the corresponding compensation grade in Schedule B, Section 8, for hours worked in excess of forty weekly.

(d) *Custodial Group* — Positions classified in this group shall receive compensation at the hourly rates set forth in Section 11 for hours worked in excess of forty weekly.

(e) *Labor Group* — An employee shall be compensated at one and one-half times his regular hourly rate for hours worked in excess of forty weekly.

(f) *Public Safety Group*:

(1) An employee in full-time employment called back for duty on his scheduled day off shall receive one-fifth of his weekly rate for such duty provided the duty consists of an assigned shift of not less than eight hours.

(2) An employee of the Fire Department in full-time employment who responds to a box alarm pursuant to the administrative rules of the department may be compensated at an hourly rate determined by the Public Safety Commission, which rate shall not exceed one-fortieth of the employee's weekly rate.

(3) An employee of the Police or Fire Departments in full-time employment who is required to work more than one hour beyond his scheduled tour of duty may be compensated at an hourly rate determined by the Public Safety Commission, which rate shall not exceed one-fortieth of the employee's weekly rate.

(4) Nothing in the preceding sub-section shall be construed to permit the payment of such overtime rate for court appearances on the part of an employee during other than his assigned shift.

(g) *Administrative Group:*

(1) An employee normally is not entitled to overtime, but shall be granted compensatory time at the convenience of his department head for hours worked in excess of forty weekly except as indicated below.

(2) An employee in a civilian position in the Police or Fire Departments shall be subject to the same provisions as those applicable to members of the uniformed force of each department as set forth in Section 14 (f) (3).

(3) An employee of the Airport or the Highway Department shall receive supplemental compensation according to the following schedule in recognition of the seasonal fluctuations in the number of hours he is required to be on duty:

Airport: Fifty Dollars (\$50.00) each month May-October inclusive

Highway Department: Seventy-Five Dollars (\$75.00) each month December-March inclusive

(The basic work week for these employees shall be that established for their respective departments.)

(h) *Supervisory Group* — An employee is not entitled to overtime, as he has the authority to approve overtime compensation for his subordinates. He is entitled to take

compensatory time which he shall report to the proper administrative authority if requested. He shall also make adequate provision for the supervision of his department in his absence.

Section 15. Paid Holidays

(a) The following days or dates shall be recognized as legal holidays within the meaning of this by-law:

New Year's Day	First day of January
Washington's Birthday	22nd of February
Patriot's Day	19th of April
Memorial Day	30th of May
Independence Day	4th of July
Labor Day	First Monday of September
Columbus Day	12th of October
Veterans' Day	11th of November
Thanksgiving Day	The Thursday in November so proclaimed
Christmas Day	25th of December

on which days employees shall be excused from all duty not required to maintain essential Town services.

(b) Every employee in full-time or continuous part-time employment shall be entitled to these designated holidays on the following terms:

- (1) If paid on an hourly basis, he shall receive one day's pay at his regular rate based on the number of hours regularly worked on the day on which the designated holiday occurs;
- (2) If paid on a weekly, semi-monthly or annual basis, he shall be granted each designated holiday without loss in pay.

(c) Payment under the provisions of this section shall be made provided the eligible employee shall have worked on his last regularly scheduled working day prior to and his next regularly scheduled working day following such holiday, or was in full pay status on such preceding and following days in accordance with other provisions of this by-law.

(d) An employee in continuous employment occupying a position in other than the Public Safety or Supervisory Groups who performs work on one of the days designated

in sub-section (a) shall be paid at his regular rate for such day or fraction thereof in addition to the amount to which he is entitled under sub-section (b).

(e) At the request of the employee, he may be granted compensatory time off at the convenience of the departments in lieu of payment provided under sub-section (d).

(f) An employee in continuous employment, in other than the Police or Fire Departments, who, because of a rotation of shifts, works different days in successive weeks shall be granted, in each year in which the number of holidays falling on his regular days off is in excess of the number of holidays in that year falling on Saturday, additional days off equal to the excess.

(g) Whenever one of the holidays set forth in sub-section (a) falls on a Sunday, the following day shall be the legal holiday.

Section 16. Vacation Leave

(a) An employee in continuous service shall be granted two weeks vacation with pay provided he has completed thirty weeks of service prior to June first.

(b) An employee with less than thirty weeks of continuous employment as of June first shall be granted one day of vacation for each full month of continuous service completed prior to June first, but not to exceed one week of vacation.

(c) An employee who has completed ten years of service shall, in the year during which this length of service has been completed, be granted additional vacation with pay at the rate of one day for each year in excess of nine years of completed service up to a maximum allowance of fifteen days.

(d) Upon the death of an employee who is eligible for vacation under these rules, payment shall be made to the estate of the deceased in an amount equal to the vacation allowance as accrued in the vacation year prior to the employee's death but which had not been granted. In addition, payment shall be made for that portion of the vacation allowance earned in the vacation year during which the employee died up to the time of his separation from the payroll.

(e) Employees who are eligible for vacation under these rules and whose services are terminated by dismissal through no fault or delinquency of their own, or by retirement, or by entrance into the armed forces, shall be paid an amount equal to the vacation allowance as earned, and not granted, in the vacation year prior to such dismissal, retirement, or entrance into the armed forces. In addition, payment shall be made for that portion of the vacation allowance earned in the vacation year during which such dismissal, retirement or entrance into the armed forces occurred up to the time of the employee's separation from the payroll.

(f) Absences on account of sickness in excess of that authorized under the rules therefor or for personal reasons as provided for under other leave may, at the discretion of the department head, be charged to vacation leave.

(g) An employee, unless receiving pay for such a day or date under the provisions of Section 17A of Chapter 147 or Section 57A of Chapter 48 of the General Laws, shall be granted an additional day of vacation if, while on vacation leave, a designated holiday occurs which falls on or is legally observed on Monday, Tuesday, Wednesday, Thursday or Friday.

(h) Vacation allowances provided under the terms of this section will be calculated on a twelve-month period commencing on June first and ending on May thirty-first, and these allowances must be taken in the twelve months' period that immediately follows. In unusual circumstances, exceptions may be granted by the Personnel Board upon recommendations of department heads. Such vacation shall be granted by the head of the respective department of the Town at such time as, in his opinion, will cause the least interference with the performance of the regular work of the Town.

(i) An employee shall not be allowed to work during his vacation leave and be compensated with extra pay without approval of the department head and the Personnel Board.

Section 17. Sick Leave

(a) An employee in continuous employment who has completed thirty weeks of service following original employment shall be allowed fifteen days leave with pay each calendar year or one and one-quarter days for each month

thereof if in any year his employment is less than thirty weeks, provided such leave is caused by sickness or injury or by exposure to contagious disease.

(b) An employee in continuous employment shall be credited with the unused portion of leave granted under sub-section (a) up to a maximum of sixty days.

(c) An employee in continuous employment shall, subject to the limitation of sub-section (b), be credited with three days unused leave for each year of employment or fraction thereof ending on December thirty-first prior to the adoption of this by-law. An employee occupying a temporary or seasonal position shall not be credited with unused sick leave beyond his current period of employment.

(d) If the amount of leave credit provided under sub-section (b) has been or is about to be exhausted, an employee may make application for additional allowances to that provided under sub-section (a). Such application shall be made to the Board which is authorized to grant such additional allowances as it may determine to be equitable after reviewing all circumstances including the employee's attendance and performance record prior to conditions supporting his request for the additional allowance.

(e) Sick leave must be authorized by the department head and must be reported, on blanks provided for same, to the Board.

(f) A physician's certificate of illness shall be submitted by the employee after three days absence to his department head before leave is granted under the provisions of this section. This certificate shall be forwarded by the department head to the Board.

(g) The Board may, of its own motion, require a medical examination of any employee who reports his inability to report for duty because of illness. This examination shall be at the expense of the Town by a physician appointed by the Board.

(h) Injury, illness or disability self-imposed, or resulting from the use of alcohol or drugs, shall not be considered a proper claim for leave under this section.

(i) Payments made under the provisions of this section shall be limited to an employee who is receiving Workmen's Compensation payments to the difference between the amount paid in Workmen's Compensation and the employee's regular rate.

(j) In the event of payments made to an employee under the preceding sub-section, the Board may debit the employee's sick leave accrual by such amounts as it determines to be equitable in relation to such payments.

(k) Nothing in this section shall be construed to conflict with Section 100 of Chapter 41 of the General Laws.

Section 18. Bereavement Leave

Emergency leave up to three days may be allowed for death in an employee's immediate family (wife, husband, mother, father, child, brother or sister), mother-in-law and father-in-law.

Section 19. Other Leave

Absences for personal reasons may be charged to vacation leave upon application by the employee and approval by his department head. Such absences, however, may not be charged to vacation leave beyond that which the employee has earned by the time of such application.

Section 20. Physical Examination

Before appointment to a position in the classification plan requiring continuous service, or to a seasonal position designated by the Board, a candidate shall have passed a physical examination satisfactory to the Board. The examining physician shall be appointed by the Board and the examination shall be at the expense of the Town. The examining physician shall advise the Board as to whether, in his opinion, the applicant is physically qualified to perform the duties of the position for which application has been made, and the applicant shall complete a questionnaire which the Board will design. The examining physician's report shall be confidential and shall be deposited with the Board of Retirement.

Section 21. Operation of By-Law

This By-Law shall be operative only as to employees whose positions are classified hereunder and for which positions minimum and maximum salaries, or single-rated salaries, have been established by vote of the Town at a Town Meeting.

Section 22. Civil Service Law

Nothing in this By-Law shall be construed to conflict with Chapter 31 of the General Laws.

Section 23. Effect of Partial Invalidity

The invalidity of any section of this By-Law shall not invalidate any other section or provision thereof.

ANNUAL REPORT

OF THE

Town Accountant

OF THE

Town of Plymouth

MASSACHUSETTS

FOR THE YEAR ENDING

DECEMBER 31

1966

Former Town Accountants:

*RICHARD T. ELDRIDGE	1912-1918
ELMER R. HARLOW	1918-1944

*Deceased

FIFTY-FIFTH ANNUAL REPORT OF THE TOWN ACCOUNTANT

For the Year Ending December 31, 1966

I submit herewith report of the financial transactions of the Town of Plymouth for the year ending December 31, 1966.

Although returns to the Town from the State Sales Tax receipts fell short of the amount estimated for 1966, the increase in motor vehicle excise revenue more than offset the deficiency and, as shown in Schedule C, the year ended with an excess of \$57,966.61 in Estimated Receipts.

An unprecedented amount of \$269,116.55 in unexpended appropriation balances was closed out, with the result that the Excess and Deficiency Account at the end of the year showed a net increase of \$43,744.79 for the year.

Free Cash, as of January 1, 1967, is \$604,226.21, again reflecting the unusually large amount of unexpended appropriation balances returned.

There were no overdrafts at the end of 1966, but the following unpaid bills have been filed with this office:

Police Department:

Jordan Hospital	\$12.00
Puritan Clothing Co.	62.25

Building Inspections:

Lester F. Anderson	176.00
Andrew Rae	184.00
Stanley Noel	114.00
Lothrop Withington	78.00

Plymouth Harbor Committee:

Plymouth Marine Rwy., Inc. 55.00

The several schedules are in the following order:

Schedule A. Cash Receipts and Cash Payments as reported to the Bureau of Accounts of the Commonwealth.

Schedule B. Departmental and all special appropriations and such receipts, including federal grants, as may be legally expended without specific town meeting appropriation, with all payments from same classified as to purpose.

Schedule C. Estimated Receipts, other than from local taxes, as used by the Assessors in setting the 1966 tax rate. The schedule also shows the actual cash receipts from the same sources.

Schedule D. Revenue Account for 1966.

Schedule E. Excess and Deficiency Account.

Schedule F. Balance Sheet, December 31, 1966.

Schedules G. and H. Bonded Indebtedness, January 1, 1967.

Schedule I. List of Trust Funds and Town Investments as of December 31, 1966.

Schedule J. Calculation of the town's borrowing capacity as of January 1, 1967.

Respectfully submitted,

CORA B. GRADY,

Town Accountant

Town of Plymouth

REPORT OF THE ADVISORY AND FINANCE COMMITTEE

on the

ARTICLES IN THE TOWN WARRANT

March 26, 1966

The report of this Committee is the result of many long sessions due to special as well as routine problems in order to arrive at logical and reasonable recommendations for the consideration of Town Meeting. It is our duty to inform you of an effective increase in the tax rate, a close estimated value of which is quite impossible to determine at this time. This is due to the fact that the statement of anticipated assessments and receipts (known as the Cherry Sheet) is not available from the Bureau of Accounts and we are forced to use last year's figures in order to arrive at a comparative tax levy. This situation is a result of the long altercation in the State House on the subject of new taxes. It is improbable that the report will be received in time to be of value at the Town Meeting.

However, it is reasonably safe to assume that the tax rate as computed by the Assessors upon receipt of the "Cherry Sheet" will be favorable as compared to that we have projected as an estimate. In addition, the result of new sales taxes may show an additional favorable reduction. It is intended that the revenue from these additional taxes be applied to reduction of the real property tax load of the citizens. Therefore, it is the recommendation of this Committee that the Town employ the extra revenue for that purpose and not to wind up paying that sum out of both pockets — as real estate *and* sales taxes.

Economic conservatism is commendable just so long as it does not stand in the way of a reasonable rate of progress — and progress costs money. Plymouth needs some things and desires more. Your Advisory and Finance Committee has attempted to hold the middle of the road, recommending those expenditures that we believe are currently needed, are productive of more efficient operation, and

will be favorable to growth. We have not recommended what we believe are luxuries. No capricious decisions were made.

The increase of expenditures recommended include in Article 7, salary and wage increases of a general nature proposed by the Personnel Board and approved by this Committee after a study by a consulting firm of prevailing rates in other towns and compared to salary and wage scales in area industries.

In the special articles, those that stand out above all others are for a Municipal Garage and one to provide an entering wedge into the projected Sewage Disposal Project. The former is needed to supplant antiquated and dilapidated structures now in use and requiring costly repairs for continued occupancy.

Article 17 is important to guarantee the Harbor Project voted last year since the work cannot be contracted until the Town, by appropriation, assures the removal of the sewer outfall from its present location to a new one outside the breakwater to be constructed. The relocated outfall and the interceptor to discontinue the old outfall are necessary parts of the Sewage Disposal Plan.

We would like to direct your attention to the new method of listing in the summary of special articles, wherein are indicated the sources of revenue to supplement the Summary of Recommendations and to serve as an index for the special articles. Also the statistical comparison of Per Capita Expenditures with specific towns and with 244 other towns reporting similar information. Although such data is not meant to imply that other towns are like Plymouth, many of them have problems very much like ours to a greater or lesser degree.

Your perusal of the report of the Capital Outlay Expenditures Committee will reveal to you the trend of needed and requested expenditures in the foreseeable future. This report will be of great value in planning future spending and scheduling of expenditures so that the tax rate will not change by relatively large amounts from year to year.

In considering large bond issues, it is well to remember that the initial payments are relatively small, that the first full year after issuance the cost in principal and interest is

high, that the payments are with us for 10, 20 or 30 years, and that interest payments alone can add 30 to 60 per cent to the face value of the issue. Borrowing is, however, necessary to keep tax rates under control and has become a way of life for units of government as well as individuals.

Careful consideration of all articles is recommended. The conclusions of the Advisory and Finance Committee as set forth herein are only intended as a guide so that you may be better informed or, at least, sufficiently cognizant of the problems to enable you to seek further information through questioning at Town Meeting. Should you agree with the major recommendations of the Advisory and Finance Committee, we believe the best interests of the Town will be served.

We wish to express our gratitude and appreciation to the Town Officers, Commissioners, Committees, Department heads and many employees for the cooperation and assistance extended in the probings and research by members of this Committee in order to make possible this report.

**3rd ANNUAL REPORT OF THE CAPITAL
OUTLAY EXPENDITURES COMMITTEE
DECEMBER 21, 1965**

In connection with long-range planning, which is its function, the Capital Outlay Expenditures Committee also intends to project the estimated tax rates for the years in which the expenditures may be made for the purpose of stabilizing the tax rate.

The following forecast is based on reports submitted by twenty-five of the various Town boards, commissions, departments, and special committees. We wish to emphasize that the anticipated year or years of expenditures as indicated in the following schedule are recorded as reported to us by these agencies of the Town. In evaluating these requests, we would suggest that consideration be given either to initiating some of these projects before they have been requested or delaying them, as the case may be, in an attempt to stabilize the tax rate. Only when estimates of costs are provided with all reports of proposed projects will it be possible to relate the effect on the tax rate statistically.

We wish to point out that the following schedule does not reflect the additional operating expenses, such as maintenance, personnel, etc., that may result when specific projects are completed and in operation. We are also aware of the fact that certain properties will be available to the Town by virtue of the proposed municipal buildings included in this report and that returns might be expected from the urban redevelopment area as it is rebuilt.

We, the members of the Capital Outlay Expenditures Committee, urge that consideration be given to those projects about which the Town has already been advised, and we further recommend that the Town consider annual appropriations to the Stabilization Fund in preparation for meeting the needs of the Town.

We wish to thank all who, not only submitted reports, but also reviewed and revised the prior year's reports.

CAPITAL OUTLAY EXPENDITURES COMMITTEE

ALVIN R. TAVARES, Chairman
ALFRED ALMEIDA, Vice-Chairman

Urban Renewal — Outside Debt Limit		\$360,000	

REPORT OF THE BOARD OF RETIREMENT

The Board of Retirement presents herewith its thirtieth report covering the activities of the Contributory Retirement System for the year 1966.

Chapter 274 of the Acts of 1966 amends Chapter 32, Section 5. Changes basis of computation of superannuation allowance from 5-year salary average to 3-year salary average.

Chapter 431 of the Acts of 1966 amends Chapter 32, Sections 91A. Allows for an additional \$1,000 of earnings before allowance or pension of a person retired for disability must be repaid.

Chapter 661 of the Acts of 1966 adds Section 102 to Chapter 32. Provides for automatic increases or decreases in allowances when cost of living changes more than 3 per cent in one year.

With the loss of one non-contributory pensioner during 1966 and the addition of one new retiree, there were twelve non-contributory pensioners and two beneficiaries receiving retirement allowances from the town, as of December 31, 1966.

Contributory Retirement System
Board of Retirement, Plymouth

REPORT OF THE COMMISSION OF PUBLIC SAFETY

This has been a busy and eventful year for the various divisions of the Commission. After the March elections Robert Pillsbury replaced Paul Withington as a member of the Commission.

Anthony Tracinka was appointed Chief of Police and Ernest Leonardi was promoted to Captain, a post newly created to increase the efficiency of the Department. Herbert Parkhurst and Sergeant William Gault retired after years of faithful and devoted service. Sergeant George Pearson was appointed to fill the vacancy created by this retirement. It has been the policy of the Commission to appoint the individual who has attained the highest grades in the Civil Service examinations as the fairest and most equitable procedure. There is still a shortage of regular patrolmen to fill the organization, and it is our endeavor to obtain the most adequate salaries to attract new recruits of high caliber. We are hopeful of instituting a continuous training program as a refresher for the older men and an educational schedule for the newer appointees and specials. We have inaugurated an auxiliary force to relieve and augment the regular force during periods of stress. It is hoped that plans for a new station will eventually be accepted by the town and give us a modern headquarters for more efficient operation.

Raymond Mullaney was appointed Dog Officer to replace Louis Cappella, who was forced to retire because of physical disability. Mr. Cappella deserves our thanks and gratitude for the fine and devoted performance of all his duties.

We have maintained clinics for various immunizations, and with the acceptance of an efficient measles

vaccine it is hoped that all children will eventually be protected from this disease. Efficient inspection by our Sanitarian, Mr. Saccone, has insured public safety in eating establishments, camps, markets, and all facilities requiring proper sanitary facilities.

Firefighter Howard Kierstead retired after 32 years of service, and three firefighters of the regular force resigned to accept more lucrative employment. It is hoped that wage increases will maintain and attract men to fill the roster of the Department. Through the constant and consistent efforts of Chief Arthur Lamb the equipment, training, and fire prevention programs are always at the highest levels.

The growth of our community is attested to by a total of \$2,477,569 in new building. This has increased the work of our Plumbing, Wire, and Gas Inspectors and may necessitate added clerical help.

The Commissioners wish to thank all the personnel working with and for the Commission of Public Safety. It is their experience and abilities which are necessary to fulfill the functions of the Commission, and they have rarely failed us.

HYMAN DUBY, M.D.

JOSEPH R. STEFANI

DENTAL CLINIC

School Dentists

Francis C. Ortolani, D.M.D., F.A.C.D.

I. Harry Keller, D.M.D.

At the 107th annual session of the American Dental Association held in Dallas in November, it was predicted that Denticare may become first U.S. Health Care program for Children.

For many years the School Dentists have recommended the fluoridation of our public water supply, still the most effective method yet derived of combating dental decay.

PLYMOUTH FIRE DEPARTMENT

Arthur H. Lamb, Chief

Hyman Duby, M.D., Chairman

Commission of Public Safety

Plymouth, Mass.

Herewith submitted for your consideration is the 1966 report of the Plymouth Fire and Forest Fire Departments. By directive from the Selectmen's Office, as brief as possible.

PERSONNEL:

The uniform force consists of 33 men: Chief of Department, 1 Deputy Chief, 3 Captains, 3 Lieutenants, 24 Firefighters, and 1 Master Mechanic.

The Call Force consists of 55 men comprising four companies.

Rev. Edwin T. Anthony of the Church of the Pilgrimage serves as the Department Chaplain.

Dr. H. H. Hamilton is the department surgeon and during 1966 examined eight men who were added to the rolls of the call force and seven who were added to the rolls of the permanent force.

Firefighter, Howard Kierstead, retired on June 30, 1966 after 32 years of service. His dedicated and efficient service shall be greatly missed.

Firefighters Richard Cappozucca, Robert Folger, and John Linde, resigned to take other employment. It is a waste of good and trained talent when personnel find it necessary after having served several years to become forced to consider other employment. After conferring with the personnel involved it became readily obvious that salary considerations was the prime mover in these three cases.

If we are to retain competent people and entice the proper type recruits salary considerations will have to

be kept in line with our counterparts in the fire industry as well as private industry.

Three additional firefighters were added to the rolls by town meeting action of 1966.

**ANNUAL REPORT OF THE
PLANNING BOARD
1 9 6 6**

The 1966 activities of the Plymouth Planning Board were conducted during the regular meetings held on the second and fourth Mondays of the month and during special meetings held throughout the year. In addition, the Planning Board office at the Town Office Building was open for business between the hours of 9 A.M. and 12 Noon, Monday through Friday, under the direction of the secretary, Mary B. Searles.

At the Annual Town Election held on Saturday, March 5, 1966, Mr. David M. Crawley was re-elected to the Board for a five-year term and Mr. Elmer R. Harlow, Jr. re-elected for one year, completing the unexpired term of Mr. Edward Chase. Mr. David M. Crawley was re-elected Chairman and Mr. Ronald A. Forth re-elected Clerk at the organization meeting held following the Town Election.

During the year there was presented for approval under the Subdivision Control Law, a total of eight plans for subdivision. Seven of these with a total of 111 lots were approved and endorsed; one was disapproved due to drainage problems. In addition, 61 plans, involving 152 lots, were submitted under the classification "Approval Not Required" and were endorsed.

The Board received 7 requests for changes in the Town of Plymouth Zoning Map and, after appropriate public hearings, voted to recommend 3 for Town Meeting action.

Mr. Alfred Almeida was re-appointed to the Capital Outlay Expenditures Committee as the representative from the Planning Board. Mr. Elmer R. Harlow, Jr. was appointed to the Special Study Committee and Mr. David M. Crawley to the Overall Economic Development Committee.

The entire Board participated in Student Government Week.

The Plymouth Rock Area suitability-feasibility study by the Department of the Interior, which was initiated in 1963 by the Planning Board, was released in July. A public hearing was held with Mr. Edwin Small, New England Representative and Mr. Andrew Feil of the Philadelphia office of the National Park Service and Representative Hastings Keith to obtain the sentiments of the community. It resulted in an overwhelming expression of approval of the most ambitious Report proposal of a 13.62 acre Park by a ten to one majority vote. This endorsement by the community resulted in the filing of Bill No. HR18193 for the establishment of a Plymouth Rock National Memorial by Representative Keith.

The work on the comprehensive plan for the Town of Plymouth being accomplished through a Planning Assistance Grant from the Federal Government was completed and delivered to the Board on September 7th. **The Planning Board** wishes to convey its appreciation to the planning consultant firm of Adams, Howard and Oppermann for a job well done. This study which includes Population, Circulation, Neighborhood Analysis, Community Facilities, Future Land Use, Subdivision Rules and Regulations and Zoning is intended to help Town Officials act, in the words of the report, "Creatively and efficiently to channel the development of the town." A detailed Soils Survey Report of the Town of **Plymouth** was also received and will be made available for Town use.

Copies of the study called, "Compact III" are available to the general public at a cost of one dollar and at no charge to members of Town Committees, Departments and Town Representatives.

DAVID M. CRAWLEY, Chairman ALFRED ALMEIDA
RONALD A. FORTH, Clerk WILFRED J. BROWN
ELMER R. HARLOW, JR.

DEVELOPMENT AND INDUSTRIAL COMMISSION

1 9 6 6

The Plymouth Development and Industrial Commission is interested not only in the industrial development of the Town but also the economic development of the Town as a whole.

For the first time, the PIDC has a well-equipped office, located at 47 Main Street, and either owns or has the use of efficient office equipment. The office is staffed with a full-time coordinator and a secretary, and an office schedule is maintained from 9:00 A.M. to 5:00 P.M., five days a week, with telephone coverage during those hours. The Commission office has been and is available to any Town Department and other groups interested in the development of the Town.

The Commission wishes to express with deep regret the passing of Edward N. Mayer, a respected and devoted member, who passed away on Friday, November 11, 1966. Mr. Mayer's continued devotion and his knowledge and background of Industrial activity will be sorely missed by the Commission and, too, by every town organization to which he was associated over a long period of years.

During the past year, the Commission has held twenty-one recorded meetings. Commission members have attended numerous meetings at the Mass. EDA Office and the Mass. Dept. of Comm. & Devel. in Boston and have participated in organizing the S.E. Mass. Regional Planning and Economic District. It is probable that the Town will be an active member of the S.E. Mass. Regional Planning and Economic District which comprises some twenty-five cities and towns. In joining this district, we will be eligible for regional and area planning help and become eligible for further Government financial assistance. This means that applicants will automatically receive an extra ten per cent bonus.

One trip to Washington, D.C., was made on Plymouth's behalf by Mr. Edward Wilson of the Plymouth Board of Selectmen, and the Chairman, Vice-Chairman and Coordinator of the Commission, to seek help from EDA on our application for an Administrative and Planning Grant and Technical Assistance Study Grant for the Industrial Park. We also had an opportunity to discuss Plymouth's activity with Congressional leaders and EDA Officials.

The PIDC has compiled and printed, through its citizen participation group, a study evaluation and work program called the Overall Economic Development Program as required by the Department of Economic Development. This document was produced in quantity and had wide distribution to all Town Departments and study groups. The OEDP has also been used as a means of selling Plymouth's program and to answer questions of vital statistics for industrial prospects.

Many industrial and business prospects were received, contacted and followed up. These came by contacts which the Commission has maintained aggressively through its office. It is most important also to record the fact that while many of these prospects were concerned with development statistics about many other Communities, including Plymouth, the correct and up-to-date information on Plymouth was given to them in an expeditious and professional manner. Our planning for the Industrial Park, and, for the first time in many years, available space at the Cordage Complex, has increased the posture of Plymouth in replying to requests. At the time of this report, two national concerns are at the point of reaching a decision to locate in Plymouth, thereby increasing employment. It is significant to note that these contacts were furnished to the Commission by local citizens.

The Commission has accepted the obligation of han-

dling the applications for Federal monies to be used in cooperation with the Town in the building of a Sewage Treatment Plant. Part of the work in the preparation of applications was a survey of all businesses as to their intention of expanding and the need for additional sewage facilities. We had partial success in receiving \$792,300 from Water Pollution Control Agency, Mass. Dept. of Interior, in cooperation with the Mass. Dept. of Health, and further assistance is being applied for from other Government Agencies so that, if successful, the Commission can accept the credit for saving some two million dollars.

The Commission applied for and received a Technical Assistance Grant from EDA for a feasibility study and basic plans for roads, water, sewage and layout of areas in the Industrial Park. Without question, the result of the appeal to business people by the Plymouth Industrial Development Corporation for \$125,000 (and to have met this challenge and passed the goal by an amount of \$5000) was an exceptional showing on the part of the business community and terminated a period of apathy that had existed for years past.

The Commission definitely feels that the economic base of Plymouth is about to be broadened and the bottom of the economic stalemate has been met with the closing of the Plymouth Cordage Company. The corner has been turned since then by progressive steps and announcements such as the inclusion of the Boston Edison Nuclear Generating Plant in Plymouth's economy, a clear picture on the drawing board of the Industrial Park and the fact that the Corporation has obtained control of over 150 acres of land.

The creation of a posture to better include industry into Plymouth's economy, to eliminate unemployment and cope with trends due to our summer seasonal activ-

ity has been a major program of activity during the past year.

As a definite program unfolds to include space for new industrial building in a spacious Industrial Park with all of its services, and to provide for those businesses who will occupy available mill space is the task in the years ahead for the Commission. We are happy to have prepared our basic studies and homework and as we find ourselves in a better posture to accept good clean industry into a well planned Industrial Park, the growth of the economic standing of Plymouth will increase to make a more happy and prosperous Community.

**REPORT OF THE PLYMOUTH HOUSING AUTHORITY
FOR 1966**

Honorable Board of Selectmen

The ninety apartments being operated by the Authority have all been occupied throughout the year. Of these ninety, forty are two- and three-bedroom units at Standish Court and Olmstead Terrace, occupied by Veterans. There continues to be a waiting list and any vacancies which may occur are promptly filled.

The great problem has been to meet the need of the senior citizens. The fifty units, all one-bedroom apartments, at Castle Hill, take care of less than half of the applications received. The Authority therefore has, as approved by the Town, contracted for the construction of another project with sixty apartments. If present plans are fulfilled, this new project located on South Street will be ready for occupancy late in 1967. It is the wish of the Authority that the rentals will compare favorably with Castle Hill where charges are as follows: (for practical purposes most tenants pay \$55.00 per month for rent, including heat and utilities).

Single Occupancy		Double Occupancy	
Admission limits	\$2,500.00	Admission limits	\$3,000.00
Charges	26.5%		28.5%

In the Veterans' Housing Project the charges and revised limitations are as follows:

Minor Dependents	Admission Limits	Continued Occupancy Limit	Rent
One or less	\$4,800.00	\$5,500.00	18% of income
Two	5,000.00	5,700.00	16% of income
Three or more*	5,200.00	5,900.00	14% of income

*\$200 deduction from total income for each minor dependent child in excess of three.

Respectfully submitted,

THOMAS F. QUINN, Chairman

FERRIS C. WAITE, Executive Director

M. HERBERT CRAIG

LAWRENCE W. STILES

HAROLD W. BAKER,
Town Collector

REPORT OF THE BOARD OF PUBLIC WELFARE FOR 1966

At the organizational meeting of the Board of Public Welfare held following the annual Town Election, John J. Magee was elected Chairman, Alton Giovanetti was re-elected delegate at large to the Town Meeting, and Allen B. Wood, Director of Public Assistance, was reappointed Secretary to the Board.

The expenditure for salaries and general administration in 1966 totalled \$67,002.48. The Federal share of this amount was \$44,492.04 and the State share was \$12,616.69, leaving a net cost to the Town of \$9,893.75.

The expenditure for assistance in 1966 totalled \$937,808.05. The Federal share of this amount was \$440,965.03 and the State share was \$303,509.14, leaving a net cost to the Town of \$193,333.88. Medical payments amounted to 40.7 per cent of the expenditures for assistance.

Recoveries totalling \$28,464.75 were made during 1966. Of this amount \$1,576.83 was recovered from Old Age Assistance real estate liens.

During the year, 456 applications for assistance were processed. Applications approved totalled 348, those denied or withdrawn totalled 76, and 32 were pending at the close of the year. The number of cases closed during the year amounted to 340. The case load on December 31, 1966, was as follows:

Old Age Assistance	243
Medical Assistance	114**
Aid to Families with Dependent Children	106
Disability Assistance	62
General Relief	50
<hr/>	
TOTAL	575

**In addition to this number, all recipients of Old Age

Assistance, Aid to Families with Dependent Children, and Disability Assistance are in receipts of Medical Assistance for their medical needs.

Our Social Work Staff had 3,645 "purposeful contacts" with recipients of, or applicants for, public assistance in 1966. Of these 1893 were in connection with the investigation of initial or continuing eligibility, and 1752 were in connection with the granting of certain specific social casework services.

On September, 1966, the new category of Medical Assistance came into existence, and Medical Assistance for the Aged ceased to exist. This created a major change in the whole public assistance program. This new category extends the benefits of the Medical Assistance for the Aged program to many families and individuals who are under 65 years of age.

The Board of Public Welfare wants to express its thanks to the various Town Departments, private social agencies, medical practitioners, druggists, hospitals, nursing homes, and to the staff of the department for their cooperation during the year.

Respectfully submitted,

JOHN J. MAGEE, Chairman

FRANCIS H. MURPHY

MARGARET E. McLEAN

ALTON GIOVANETTI

CLAIRE E. FUGAZZI

Board of Public Welfare

ALLEN B. WOOD,

Director of Public Assistance

REPORT OF THE TREE WARDEN

In 1966 the number of trees planted was 70, of which 12 had to be replaced due to vandalism. Five of these had to be replaced twice.

Root feeding of trees planted was done in the spring

The usual program of dead tree removal along the roadsides was carried out with the cooperation of the and fall.

Highway Department.

Also with the cooperation of the Highway Department 5 miles of roadside was sprayed with a stump and brush killer which in the future will be a big help in keeping roadsides clean.

Tree trimming and roadsides were cut back.

Respectfully submitted,

DANIEL L. HOLMES,
Tree Warden

ANNUAL REPORT OF THE WIRE INSPECTOR FOR 1966

Stanley Noel, Wire Inspector

Thomas St. George, Alternate Wire Inspector

924 permits issued

194 permits for new construction

730 permits for remodeling, additions, appliances, etc.

7,464 miles traveled

Cash Receipts \$6,758.50

Respectfully submitted,

STANLEY NOEL,
Wire Inspector

ANNUAL REPORT OF THE BOARD OF SELECTMEN

The year 1966 was one of the busiest years for the Board of Selectmen since that Board was established. Normal problems accompanying the gradual increase of the permanent population and the more rapid increase of the number of summer residents were multiplied by an influx of tourists and vacation visitors greater than the Town has ever had previously. At the same time prospective loss of our major industry required redoubled efforts to obtain new factory employment opportunities. All this meant many additional meetings and conferences with Federal, State, and local officials. The loss by resignation of George E. Randall, one of our more experienced members, who was transferred out of the area; and Dennis L. Collari, who resigned to accept appointment as Town Counsel; was partly compensated by the election of John F. Prentice and Paul W. Sears, both experienced former members of the Finance Committee and valuable additions to the Board of Selectmen.

It is impossible to include all the matters of interest or importance which we should like to mention in this report for 1966. The Harbor Dredging Project has progressed to the extent that the dredging portion will be completed in the spring of 1967. The Breakwater part of that project is, unfortunately, involved with the Sewage Treatment Project and will possibly be abandoned by the Army Engineers unless the latter project can be started by the time the dredging is completed. The Special Town Meeting in 1966 took the necessary action to provide for sewage treatment and prevent depositing untreated sewage in the harbor, but the grant of Federal funds needed to carry out the sewage treatment project has not yet been made available by the Federal agencies involved. To obtain these will be one of the major objectives for 1967, and the Selectmen, Sewage

Disposal Committee, and the Industrial Commission, will continue to make every effort to that end.

In 1966 the provisions of Chapter 763 of the Acts of 1965 became effective, and municipal employees were allowed to bargain collectively. This placed a heavy burden on the Selectmen as representing the Town in bargaining with employees, many of whom were in departments not controlled or operated by the Selectmen. The Police and Fire Departments each selected a bargaining agent from their own membership, while a majority of the employees of the Highway, Water, Park, Cemetery, and Tree Departments, and the Custodians chose to have American Federation of State, County, and Municipal Employees, AFL-CIO representatives bargain for their respective units. The Selectmen have participated in at least twelve sessions, some of them lasting until midnight, and many smaller conferences and telephone calls, during 1966. Final agreement and a contract signed subject to Town Meeting approval is expected to be reached early in 1967.

Beginning in 1967 the Selectmen, as well as other town departments, will be faced with problems in anticipation of the construction of a nuclear powered generating plant in the Rocky Point section of Plymouth, by the Boston Edison Company. This plant, a most welcome addition to local industry, is expected to require an expenditure by the Company of \$65,000,000.00 over five or six years. The influx of 500 to 1,000 persons engaged in construction, with necessary equipment, may reasonably be expected to require planning for zoning, highway, sewer, traffic regulation, and other matters with which the Selectmen are directly concerned. The eventual reduction of the tax rate, and the potential decrease in cost of electrical power, should provide a strong incentive to individuals and industrial employers

to establish themselves in Plymouth. Planning for these things should begin in 1967, and coordinated action among the Selectmen and other departments concerned should be undertaken.

Respectfully submitted,

SUMNER A. CHAPMAN, JR., Chairman

WILLIAM H. BARRETT

REPORT OF INSECT PEST CONTROL

In 1966 a total of 23 trees were sampled for Dutch Elm Disease, of which 3 were privately owned. All publicly owned trees were removed as soon as possible.

Dormant and leaf spraying programs were carried out, and birches were sprayed to control Birch Leaf Minor.

I would like to thank the Cemetery Commissioners for the privilege of using the cemetery to burn the brush from the Dutch Elm trees.

Respectfully submitted,

DANIEL L. HOLMES,
Supt. of Insect Pest Control

ANNUAL REPORT OF THE CEMETERY COMMISSIONERS

To the Honorable Board of Selectmen:

In addition to the regular care and maintenance of our several cemeteries we wish to call attention to the following:

At the Oak Grove and Vine Hills Cemeteries we relocated a lot which was directly in back of the tool house to a nearby location. This allowed us to blacktop the area near the tool house to allow more room for equipment movement. The Town Engineer is in the process of remapping these cemeteries because of the new areas we have made available for graves and also because we find that people are now interested in buying grave areas than lot areas. This allows us to make more and better use of our present area.

At Burial Hill we have continued the preservation of the older stones by encasing them in granite and re-cutting the wording. We have also repointed some of the wall near the entrance and replaced part of the pipe rail.

At Parting Ways Cemetery we replaced the wooden fence.

At Chiltonville Cemetery we have bulldozed a section to allow for more available grave area.

The other cemeteries required only regular maintenance and care. Vandalism is still a problem with Burial Hill suffering the most. We have had some storm damage to the trees in all cemeteries and a great deal of trimming needs to be done; particularly in Oak Grove and Vine Hills. We hope to get a good start on this during 1967.

At a meeting in December 1966 the Commissioners voted the following:

EFFECTIVE JANUARY 1, 1967

There will be no burials on Sunday or any of the following holidays:

New Year's Day	January 1st
Washington's Birthday	February 22nd
Patriot's Day	April 19th
Memorial Day	May 30th
Independence Day	July 4th
Labor Day	First Monday of Sept.
Columbus Day	October 12th
Veterans' Day	November 11th
Thanksgiving Day	The Thurs. in Nov. Proclaimed
Christmas Day	December 25th

Whenever one of these holidays falls on Sunday, the following day shall be the legal holiday.

Graves dug on Saturday for Monday burials will be charged Saturday rates.

No interments will be permitted at any of the cemeteries after 3:00 o'clock.

We are receiving many requests from people living outside of Plymouth to purchase grave areas but we have voted to restrict the sale of lots to Plymouth residents only except in very unusual cases.

Landtaking at Burial Hill by the Plymouth County Commissioners for the widening of South Russell Street continues to be a possibility. Your Commissioners will appear at the State House in opposition to it if necessary as they did in 1965.

On June 24, 1966 Mr. George E. Randall resigned from the Board and his resignation was accepted with regret. His place has been filled by Mr. Daniel J. Callahan who was elected at a special town election on Octo-

ber 22nd. Mr. Callahan has had a great deal of experience in cemetery work and should prove to be an asset to the Board.

With a great deal of sadness we make note of the passing of two former Commissioners. Both served the Town well, long and faithfully.

Richard T. Eldridge who passed away on March 20th served on the Board from March 1922 to March 1961; having served as clerk from 1922 to 1955, and Chairman from October 1958 to March 1959 to fill the unexpired term of Mr. Finney. He will be long remembered as a devoted member of the Board and for the clarity and precision of his records which shall be forever in the annals of the Town.

John B. Finney who passed away on November 18th was a member of the Board from September 1945 until he resigned in October 1958; having served as Chairman from March 1953 until his retirement. His experience in landscaping and road construction was of great value to the Board, also his keen interest in all phases of the proceedings of the department.

The Commissioners would like to express their thanks to all personnel in the department for a job well done in the maintenance and care of the cemeteries and for services performed.

Our thanks, also, to all other Town Departments for the services and cooperation given us during the year.

The receipts and payments of the department are listed in Schedule "A" and Schedule "B" of the Town Accountant's Report.

Respectfully submitted,

F. WILLARD DITTMAR, Chairman

JAMES A. WHITE

DANIEL J. CALLAHAN

Board of Cemetery Commissioners

AUSTIN S. FRATUS, Superintendent

LIST OF JURORS

Prepared by the Selectmen of Plymouth, Massachusetts,
for 1966-1967

— A —

Zobbi, Helga E., Strand Avenue, Manomet, Home Maker; Husband's occupation, Operating Engineer for Lane Construction Company, Meridan, Connecticut.

**PERSONNEL BOARD REPORT
FOR THE YEAR 1966**

A revision of the Town of Plymouth Personnel By-law including the Classification and Compensation Plan was presented and approved at the 1966 Annual Town Meeting in March. A copy is attached and incorporated as a part of this report by reference.

Based on a study by the consulting firm of Charles Evans Associates, the Compensation Plan provided a general increase in the Town's pay schedules averaging between 7 and 8 per cent. However, due to the vote of the Town Meeting that each employee would advance to the next higher dollar rate in the new scale rather than to the numerical step representing his annual increment, the average increase for each individual was between 4 and 5 per cent.

Chairman Horace A. Genovese, whose term expired with the conclusion of the Town Meeting, signified that he did not wish reappointment and the Town Moderator appointed Charles C. Wall to fill the vacancy.

At an organization meeting on May 6 called by Acting Chairman Leonard P. Sullivan and with all members in attendance, David B. Freeman was elected Chairman and John A. Thom was elected Vice Chairman. By unanimous vote, the Board established procedures to govern the conduct of its business for the year.

As a result of various questions put to the Board by Town Departments from time to time, the following actions were taken:

. . . Assistant Airport Manager overtime pay for May-October raised from \$50 to \$120 per month for additional overtime.

. . . New position of Music Librarian classified in Compensation Grade S-12.

. . . Senior Billing Clerk in Assessors' Office reclassified from Compensation Grade S-7 to S-9.

. . . Cemetery Superintendent reclassified from Compensation Grade S-15 to S-17.

. . . New Position of Code Enforcement Officer (to be filled later) in the Public Safety Department classified in Compensation Grade S-11.

. . . The classification of Fire Alarm Technician, S-15 was replaced by the classification of Radio and Electronics Technician, S-17 (to be filled later).

. . . Senior Clerk-Assistant Town Clerk reclassified from Compensation Grade S-7 to S-9.

. . . Clerical Aide in the Plymouth Industrial and Development Commission Office reclassified to Senior Clerk.

. . . New position of Coordinator, Plymouth Industrial and Development Commission classified temporarily at a single rate of \$125 per week.

In October, Paul Sears resigned from the Personnel Board as a result of his election to the Board of Selectmen. The Town Moderator appointed Richard F. Withington to fill the vacancy.

Prior to the November 24 deadline, the Board received various petitions for revisions in the Classification and Compensation Plans of the Personnel Bylaw. These included collective bargaining agreements signed by the Board of Selectmen with representatives of the Police Department and with representatives of the Fire Department; a request by the Board of Selectmen for an increase in the pay rates for election personnel; requests by the Public Safety Commission for pay for police officers during court appearances in off-duty time and for an increase in the rates of call fire personnel; a request by the Town Clerk that pay rates for Census-Takers be changed from an hourly to a per name basis;

a request by the Park Department for increases in the rate for seasonal personnel in various categories; a request by the Veterans' Services Office that the Junior Clerk be reclassified to Senior Clerk; a request by the Assessors' Office for a similar reclassification; and, finally, requests from various Boards and individuals including office personnel in fourteen departments for consideration of pay increases for positions not covered by collective bargaining.

With the exception of the collective bargaining agreements with Police and Fire, hearings have been held as required by the Personnel Bylaw in regard to all of the above requests and, with one possible exception, agreements reached.

Since detailed recommendations relating to these petitions will be contained in a report to be issued shortly for consideration at the March 1967 Annual Town Meeting, they will not be included in this report to avoid duplication.

At the time of the deadline for petitions for revision of the Personnel Bylaw, the Board of Selectmen was engaged in collective bargaining with AFL-CIO representatives in regard to Bylaw revisions covering non-office personnel in the Highway, Tree, Water, Park, Cemetery and Custodial Departments. The Personnel Board agreed to a request by the Selectmen that hearings on all collective bargaining agreements which might be made be deferred until all negotiations were concluded. As of December 31, 1966, negotiations were still in process in regard to the Highway, Tree, etc., Departments so that to that time, no further action was taken in respect to them or the Police and Fire Departments by the Personnel Board.

Meanwhile, in December, the Personnel Board approved a revised compensation plan to be submitted for

approval at the 1967 Annual Town Meeting and covering all Town employees not otherwise covered by action at that Meeting. The plan was issued to Town Departments on December 14, 1966 to be used in preparing budgets prior to the December 21 deadline. It provides in general a 5 per cent across the board increase in the pay schedule, in part to offset an increase of approximately 3 per cent in the cost of living during the year and in part to bring Plymouth closer to the average of pay in towns of similar size and economic status in southeastern Massachusetts. Together with the normal increments which most Town employees would receive the average individual increase would be about 8.2 per cent. The details of this plan will be included in the forthcoming report of the proposed Personnel Bylaw revisions to be presented at the 1967 Annual Town Meeting in March.

Respectfully submitted,

ANNUAL REPORT OF THE ZONING AGENT

To the Honorable Board of Selectmen:

The following is the annual report of the Zoning Agent for 1966:

- 1268 Calls made on Zoning and Planning requirements
- 13 Inspectional reports requested by the Selectmen
- 1 Zoning violations referred to the Board of Selectmen for enforcement
- 41 Referrals to the Zoning Board of Appeals for var-
- 37 Zoning complaints of violations investigated
iances
- 37 Zoning complaints of violations corrected without
court action
- 1 Trailers inspected

FENCE VIEWER AND FIELD DRIVER

- 17 Fence viewing investigations

Respectfully submitted,

ALBERT F. SAUNDERS,

Zoning Agent

REPORT OF THE TOWN FOREST COMMITTEE

To the Honorable Board of Selectmen:

In 1966, 1,000 white pine trees were planted. Fire lanes were cleared and brush piled for burning. Also a large area of pines was trimmed, and brush piled to be burned.

Respectfully submitted,

JAMES A. WHITE, Chairman

HAROLD G. ROBERTS

1966 REPORT OF THE PLYMOUTH HARBOR COMMITTEE

To: Town Meeting Members:

The Permanent Plymouth Harbor Committee, authorized by Town Meeting vote, submits the following report in accordance with Article 102 of the 1962 Town Meeting.

The Committee held regular monthly meetings, and special ones, as required throughout the year, to discuss and solve various problems and details concerning our harbor, waterfront, and related facilities, and to act on matters for the Board of Selectmen as requested.

Through continued efforts of the Harbor Committee, the Federal Harbor Navigation Project is, in fact, underway.

Necessary funds have been appropriated and actual construction began in September 1966 by The Arundel Corporation, Brooklyn, New York, successful bidder for the dredging project.

An estimated fifty per cent of the dredging for the anchorage, and one hundred per cent of dredging required for the base of the breakwater was completed by the end of 1966.

This Committee has been informed that Army Engineers plan completion of the anchorage dredging by late Spring 1967, and the start of the breakwater construction in early Summer 1967. It is expected that the breakwater construction will be completed by the end of the fiscal year 1968.

In April, the Harbor Committee requested the Board of Selectmen to request the U.S. Army, Corps of Engineers to start construction of the breakwater further Northerly than was originally planned. It was our opinion that the breakwater should encompass as much Town-owned land as possible. The Army Engineers willingly agreed to our request and moved the breakwater location Northerly 150 feet without additional cost to the Town.

At the time of this writing, it is anticipated that the relocation of the State Pier Sewer Outfall will be started by April 15, 1967, in accordance with past discussions and mutual agreements between the U.S. Army, Corps of Engineers and the Town of Plymouth.

The State Pier, rebuilt in accordance with suggested revisions from this Committee, was completed early in 1966, and dedicated as the James T. Frazier Memorial State Pier.

With the advent of our new harbor and the increase in boating activity, as disclosed from national statistics, we are sure that existing shoreside facilities in Plymouth will soon be taxed beyond capacity.

We believe that new additional facilities will be built and that harbor rules and regulations will be revised.

The Harbor Committee, created by Town Meeting, is charged with the responsibility of studying all phases of Plymouth Harbor; its shore frontage and waterfront facilities. It is our duty to draft rules and regulations and to make whatever recommendations to the Board of Selectmen we deem to be in the best interests of the Town. With a minimum of cooperation from interested persons, we will continue to endeavor in making Plymouth Harbor and surrounding areas a place of which we may be proud.

We think that Plymouth is off to a good start!

ANNUAL REPORT OF THE HARBOR MASTER

The season of 1966 was a most rewarding year for pleasure boating, sports fishermen, and commercial fishermen.

In anticipation of our proposed Harbor Project, I have received numerous inquiries concerning moorings, also many applications for moorings. Once this project is completed we will be able to fulfill all these requests and applications.

This past season we have not had a serious accident or mishap within our harbor due to the public's awareness of boating safety. The boating safety program will be enforced more fully this next season with the cooperation of the Division of Motorboats and the Coast Guard. With the added boating anticipated this season, this will be a must.

Respectfully submitted,

ANGELO BRIGIDA

Harbor Master

REPORT OF THE CONSERVATION COMMISSION

Board of Selectmen
11 Lincoln St.
Plymouth, Mass.

Gentlemen:

The following is our report for the Annual 1966 Town Report.

"In accordance with the recommended Town Plan "Compact 3" and with an eye toward the maximum utilization of State and Federal funds, this Commission has sought to meet its responsibilities through the development of a Conservation Area in the North Plymouth section of the Town.

Our future plans in cooperation with the various Town Departments, will be directed toward following the recommendations of the new compact."

Respectfully submitted,

PLYMOUTH CONSERVATION COMMISSION
REGINALD J. MAROIS,

Chairman

OFFICE OF VETERAN'S SERVICES

The Honorable Board of Selectmen

Plymouth, Massachusetts

Gentlemen:

The year 1966 with its many changes in both Federal and State Legislation will indeed have unknown long lasting effects on the operation of this Department: Specifically, now that any resident of Plymouth (who is a Veteran or a Veterans' dependent) becomes responsibility without regard to length of time in the Town, and further that a Veteran has been redefined to include any person honorably discharged after serving a minimum of 180 days' active duty since February 1, 1955, the potential numbers of those eligible for assistance is greatly increased. In 1966 this resulted in an approximate increase of 7 per cent in those aided. The overall expenditure for aiding did not increase to this percentage primarily because of (1) there was less unemployment in the area, and (2) those eligible persons being aided by the Department and past the age of 65 are covered both by Medicare and Medex 2.

We must realize that the amount of future expenditures will depend primarily upon the unemployment picture as the younger World War II, Korean and Vietnam Veteran becomes the major part of the total population. The prime function of the Department continues to be that of providing services in matter of pensions, compensation, schooling and hospitalization for all Veterans. I consider that no less than 70-75 per cent of the Departments' work is in providing these services. The only cost to the Town in this latter function is Administration and if properly managed will result in a decrease in the cost to the Assistance appropriation. In 1966 an additional \$25,000.00 of new pensions were obtained for the Plymouth Veteran added to the previously estimated \$350,000.00 being received by the Veteran, his widow or

his children. We were further able to obtain 1091 days of VA Hospitalization saving the Town a possible local expenditure of \$40,367.00.

The Department was presented a beautiful American Flag by the World War I Barracks of Plymouth and its Auxiliary. This is greatly appreciated. As a Department we are very grateful for the full cooperation which we receive from not only all the Towns' Officials and Departments, but also from the Veterans' Organizations and their Auxiliaries. We are also greatly indebted to the Old Colony Memorial and WPLM who are ever willing to help us pass information pertinent to the Veteran and his dependent.

As the Director of Veterans' Services, I am most grateful to the wonderful unsung work done by Mrs. Margaret Cavicchi and Mrs. Jean Goduti of this Department without whose help the task of helping the Veteran and his dependents would never be accomplished.

Respectfully submitted,

CHARLES C. HENDERSON,
Director

PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

To the Honorable Board of Selectmen:

I will briefly outline your Project's activities for 1966.

We are increasing expenditures in our budget for permanent control measures this past year, as we now have two power trenchers. The elimination of production areas and clearing waterways releasing stagnant waters, is proven mosquito control. Coastal areas that we have trenched to date show a marked decrease in the sollicitan mosquito. Larviciding with chemicals is the next positive approach to the elimination of larvae before emergence. This is costly and complex. Our appropriations will allow us to treat only a fraction of these wet areas. Some areas could not be treated even if funds were available. Wildlife sanctuaries, domestic watersheds, and fish producing waters are not treated. These areas will also produce mosquitoes.

The culex mosquito is the most serious inland problem after the spring brood emerges in May. Our truck-mounted units are primarily for this purpose. Scheduled treatments to filter systems, dumps, catch basins and recreation areas are a must. Backyard treatments are a constant pressure to this Project and not accomplishing our purposes for being. The homeowner himself has an obligation. Any and all water containers are a potential and probable source of mosquito breeding. Old tires, auto bodies, toys, birdbaths, clogged gutters, open and over-flowing sewage are all violators. Changing the water in birdbaths every three or four days will eliminate the breeding potential, as will emptying water from other containers. Oil of any kind poured in a catch basin will deprive the larvae of air, thus killing it. It is impossible for us to inspect and treat everybody's backyard. Our job is to eliminate breeding areas. Most

towns supplement the efforts of this Project with additional programs for adult control. Contrary to understandable beliefs, new housing and road construction in wet areas increases rather than decreases breeding areas. Every new home is a potential and probable source of mosquito larvae, while highways obstruct natural drainage areas and surface waters are detoured into areas that would ordinarily be dry.

Our yearly practice of salt marsh maintenance will continue. Two weeks were again spent cleaning trenches in the Saquish area. Tidal blockage in the marsh areas must be cleaned every spring. Several areas were brushed and then trenched with our back-hoe to allow for movement of stagnant waters.

As in the past, aerial adulticides were applied in the most troublesome areas. Your Project has also responded to hundreds of calls with ground units. Numerous calls that were honored came from homeowners and commercial areas that were plagued by other than mosquitoes. Although we would like to honor all calls, with fixed funds and an ever-increasing demand for our services from the growing communities, our funds will only allow for mosquito abatement practices in the future.

I wish to thank the officials of Plymouth and your department superintendents for their interest and cooperation

Respectfully submitted,

M. CURRIE BEATON, JR.

Superintendent

REPORT OF THE INLAND FISHERIES COMMITTEE

To the Honorable Board of Selectmen
Plymouth, Massachusetts
Gentlemen:

Your Committee wishes to report that the appropriation for the year 1966 was expended for nine-inch plus German brown trout, which were liberated in Long Pond, Plymouth on November 16, 1966.

In a letter received from the Department of Fisheries and Game, it was recommended that a fall stocking of German brown trout be liberated in Long Pond, Plymouth. It now appears that the public access ramp into Long Pond will become a reality in the near future, as the proceedings are now in the courts. This access should mean improved utilization and recreation from this investment.

A stocking program is being planned for Town Brook, when the Urban Renewal Program has been completed.

We request that the sum of five hundred dollars (\$500.00) be appropriated for our use in 1967.

Respectfully submitted,

H. H. HAMILTON, M.D.
MARTIN B. PERSON, JR.
DONALD O. TRACY, Chairman

ANNUAL REPORT OF THE BOARD OF PARK COMMISSION

Overall Financial Report

1966 Appropriation	\$98,217.00
Interest	114.00
<hr/>	
Total Appropriation	\$98,331.49
1966 Total Expenditures	97,305.52
<hr/>	
1966 Total Balance to Treasury	\$1,025.88
1966 Total Expenditures	\$97,305.52
1966 Total Receipts to Treasury	31,561.64
<hr/>	
1966 Total Actual Operation Costs	\$65,743.88

Receipts

The Park Commission in this report makes note that little or none of the receipts are from a Plymouth resident or a Plymouth taxpayer. It is the purpose of the Park Department to add to and improve the facilities for the visitors who pay into the treasury for fees charged them by the Town.

Receipts 1966	\$31,561.64
Receipts 1965	29,292.86
<hr/>	
Increase	\$2,268.78

Assets

The assets of the Park Department include:

16 parks; 9 playgrounds; 5 bathing beaches; 2 camp grounds; 2 picnic areas; 21 buildings; 3 trucks and miscellaneous equipment.

Appreciation

The Board of Park Commission and the employees of the Park Department expresses its appreciation to the splendid cooperation received from the various other town departments and hope that such a cooperative program of giving and receiving shall continue.

Respectfully submitted,

WALTER B. HASKELL, Chairman,

Mrs. George S. Wild

The service of the Plymouth Public Libraries to our community in 1966 involved the work of 16 people, who had at hand 46,236 books, 780 recordings, 120 art reproductions and approximately 150 newspaper and periodical subscriptions to aid us. 8443 registered borrowers took advantage of the privilege of having Library Cards; 2292 of these were children, and 1577 were Loring Branch patrons. Besides these registered borrowers there is a large number of patrons who use our services without taking out materials. A total of 102,433 printed materials was circulated for home use. Of this number, 14,947 went out from the Loring Branch Library. The total children's circulation, including school deposits, equalled 31,417 items. The number of art reproductions, 497, plus the number of sound recordings, 3384, circulated, makes a grand total of 106,814 items, which were borrowed from the Libraries. These figures all show an increase over those for 1965.

We are particularly gratified by the enthusiastic use of our collection of recordings, which includes music, drama and literature. The appointment of Mrs. Mary T. Ellis as Music Librarian has enabled us to lay more emphasis on our work with music. Miss Grace H. Haigh has worked in cooperation with the elementary schools, both giving book talks at the schools and having classes visit the Boys and Girls Room with their teachers. Our reference work, both with students and concerned adults covers a wide variety of topics. When we do not have the requested materials we make use of the New Bedford and of the Boston Public Library, through Inter-Library Loans. Federal grants are enabling the Massachusetts Bureau of Library extension to increase aid to our local libraries through direct grants of funds and increased access to larger book collections.

A major change in personnel occurred when Miss Eunice E. Sharp retired as Library Director. She had been here since September of 1958. Mrs. Arthur L. Free-land, Assistant Library Director, carried on as acting head until August, when she was appointed Library Director by the Plymouth Public Library Corporation. Mrs. Martha L. Seifert returned as Junior Library Assistant in June. There are three new Library Pages: Miss Jane E. Marten joined the Library Staff on June 1, 1966 as part-time worker in the Art Room; Miss Karen Dittrich succeeded Miss Kathleen Griffin in October in the Junior Department, and Stephen Donovan took the place of Edward Lanman when he left, December 1, 1966.

Miss Sharp arranged an interesting Bank Window display at the Plymouth Savings Bank April 17 through the 23rd, in honor of National Library Week. We had weekly columns in the Old Colony Memorial listing

new books, records, and art exhibits, as well as other Library news.

The addition of two rest rooms for our patrons' use, and recuperating from a fire at the end of May, entailed a great deal of carpentry and painting through the summer, but with cooperation and patience from our patrons, we were able to maintain our usual service.

The Library Staff is very grateful for its opportunity to serve the people of Plymouth. We also wish to thank the many friends of the Libraries who give so freely of their time, and actual donations of library materials, to enrich our facilities.

Respectfully submitted,

KATHARINE F. FREELAND,
Library Director

ANNUAL REPORT OF THE PLYMOUTH AIRPORT COMMISSION

With the completion of the new cross-runway in September, the airport began to show a definite increase in air traffic and additional planes based on the field. An additional flow of air traffic will be assured when the installation of a new radio beacon supplied and installed by the Massachusetts Aeronautics Commission, at no cost to the Town, is completed in the spring of 1967. This beacon will assist pilots in pinpointing the location of the Plymouth Airport in either fair or foul weather. Electric power lines are being extended from the Carver line to this beacon and to supply electricity to the new private hangar built last year on land leased by the Airport. A request has been received from a second interested group to build still another hangar.

Several pieces of rolling equipment have been obtained throughout the year through government surplus, also at no cost to the Town.

The Island Flying Club, who bases their planes at Plymouth Airport, held its second successful air show in July and **presented the Plymouth-Carver High School** with a \$200 scholarship.

Throughout the year it became more and more evident that there was an increasing desire on the part of the general public to take up flying. To satisfy this desire, the New England Aero Service, who leases hangar and maintenance shop space from the Airport, added a third plane to its inventory in November for use by the public and employed a full-time instructor who has been kept busy giving flight instruction. In order to accommodate this new branch of New England Aero Service activities, the company rented additional space from the airport.

A 17,000 gallon increase in gasoline sales and a \$7,500 increase in cash receipts indicates an ever increasing use of Plymouth Airport facilities by the general public and corporate aircraft including government aircraft.

JOHN J. PETRELL, JR. Chairman

REPORT OF THE TOWN ENGINEER

To the Honorable Board of Selectmen:

During 1966, layout plans were made for Castle Court, Hedges Pond Rd., Lake Shore Ave., and Marion St. (formerly Stevens St.). These layouts were accepted by the Town in 1966.

At the request of the Development and Industrial Commission, a survey and plan were made of the Cobb Lot on the westerly side of Rte 3.

Surveys and plans were made of Carver St., Rexford Rd., Fox Rd., Fresh Pond Circle, and Esta Rd., extended.

Miscellaneous surveying work was done for the Cemetery Commissioners.

A total of 106 permanent concrete bounds were set as follows: Castle Court, 18 bounds; Hedges Pond Rd., 43 bounds; Rocky Pond Rd., 15 bounds; Lake Shore Ave., 5 bounds; Marion St., 4 bounds; Hedge Rd., 7 bounds; Cobb Lot, 8 bounds; Cary Rd., 6 bounds.

Respectfully submitted,

EDWARD CHASE,
Town Engineer

PLYMOUTH REDEVELOPMENT AUTHORITY

In our last Annual Report to the Town of Plymouth the Plymouth Redevelopment Authority looked forward to the year 1966 as one when new construction would be started in the Urban Renewal Area. This became a reality when on April 12, 1965, Mr. Edgar Westmoreland, became the first individual to take title to land in the Urban Renewal Area, (Disposition Parcel R-4) and completed the construction of a new residential dwelling on Edes Street, Plymouth, early in 1966.

Since then this Authority has sold seven other Disposition Parcels with construction now started on each of the parcels.

The Plymouth Redevelopment Authority expects that by the end of 1967 all Disposition Parcels in the Project Area will be sold and new construction started on them bringing with it new life, new opportunities and new tax revenue to the Town of Plymouth.

SOME PROJECT STATISTICS 1958 TO PRESENT

The Project Site Improvement Program, Town Square Paving, Parking Lot Construction, and Town Brook Park improvement, have now been completed.

Buildings remaining to be demolished	3
Remaining families to be relocated	5
Relocation payments made to families and businesses	\$89,142
Relocation costs (staff)	\$19,318
Real Estate purchases	\$845,484
Site Improvement cost	\$553,694
Project execution expense (administration)	\$96,371

DISPOSITION

Total Disposition Parcels	13
Disposition Parcels Sold	8
Value of Construction on Parcels sold	\$1,200,000

Disposition Parcels under contract for disposal in 1967	4
Estimated construction value for Parcels under construction for disposal in 1967	\$1,375,000
Disposition Parcels remaining	1
Proposals received against remaining Parcels	4

It is expected that the Summer-High Street Project will be closed out by December, 1967. This includes a probable three-month period for final Federal Audits of all project expenditures and activities.

The Plymouth Redevelopment Authority urges that Town Government looks into new Federal Programs available to the Town of Plymouth specifically a concentrated Code Enforcement program and an Urban Beautification program.

The Code Enforcement Program will help prevent other areas from becoming blighted and will also help check those areas where blight might be already started.

An Urban Beautification Program, possibly in the Jenney Pond and Poorhouse Pond areas, would help to preserve more of Plymouth's rich heritage in natural beauty which exists in those areas.

At this writing the Plymouth Redevelopment Authority would like to thank the Board of Selectmen and all Department Heads and their respective staffs for their support in helping to make the Summer-High Street Project become a reality. Without this help and cooperation this Project certainly would have become a most difficult task.

Plymouth Redevelopment Authority

CLIFFORD E. SAMPSON, Chairman

MAHLON W. WALKER, Vice Chairman

RUSSELL T. FRY, Jr., Treasurer

EDWARD B. MACCAFERRI, Assistant Treasurer

RALPH L. DREW, Member

A. V. BATTISTA, Executive Director

DWIGHT B. JOHNSON, JR., Assistant Director

WINIFRED DIGENOVA, Secretary

PLYMOUTH COMMUNITY NURSE ASSOCIATION

To the Honorable Board of Selectmen
Town of Plymouth

The Annual Nursing Service Report of the Plymouth Community Nurse Association, from January 1, 1966 to December 31, 1966, is herewith submitted.

During the year, 6,771 visits were made to patients in Plymouth and Kingston. Of this number, 1,417 were made on behalf of the Board of Health and 1,702 were made to recipients of Public Assistance. 4,054 of the total visits were general or bedside nursing care; the remaining number included Tuberculosis followup, other Communicable Diseases and Health Guidance visits.

Ten Chest X-ray clinics were held at the Jordan Hospital, at which 461 persons were x-rayed and examined.

Eleven immunization clinics were held at the Town House, where 966 various immunizations were given by Dr. Frank J. Abate, assisted by the P.C.N.A. nurses.

Twenty-three Well Child Conferences were held in Plymouth. A total of 566 children were seen and examined by Dr. C. James Gormley, our W.C.C. pediatrician.

Expectant parents continue to show interest in our Antepartum classes. Each class consists of a series of four sessions.

Medicare proved to be a highlight of 1966 for our Association. On June 28, 1966, our agency was formally accepted by the Secretary of Health, Education and Welfare, as a provider of home health services.

One of the conditions of Medicare was that we provide a second service in addition to our public health nursing program. We were fortunate to have as this service, the Easter Seal Rehabilitation Team already established at the Jordan Hospital.

Our staff consists of two full-time R.N.'s, one part-time R.N., two L.P.N.'s and a secretary. I would especially like to thank this staff for their loyal service, and our Board of Directors for their fine leadership.

MRS. MARION A. HEDGE, R.N. Supervisor

REPORT OF THE SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit a report of the work done in the Highway and Sewer Departments from January 1 to December 31, 1966:

SEWERS

There were eighteen house services and six commercial services which includes the dwellings in the Summer-High Street project area added to the main sewer system in the town of Plymouth. No extension of sewer mains was carried out this year. Six miles of the main sewers were dragged and manholes repaired where needed.

STREET CLEANING

The Elgin motor pick-up sweeper cleaned approximately three thousand curb miles from early March to the middle of November. In the early spring the heavy sand pockets were swept and picked up by men of the department.

ASPHALT SIDEWALKS

The maintenance and construction of asphalt sidewalks was completed in using 550 tons of sidewalk material on various streets throughout the town.

DRAINS

There were no drainage projects constructed in 1966. The troublesome basins were given special attention by the hydraulic catch basin cleaner. Approximately 350 catch basins were cleaned with this equipment.

FENCES

At the Little League Field on Nook Road, 325 feet of 4-inch chain link fence with four end posts was fur-

nished and erected by Nilsson-Stewart Fence Co. of Brockton at a cost of \$595.00.

HIGHWAY CONSTRUCTION AND RECONSTRUCTION

The following streets were paved with 2½-inch Type I mix over the old pavement: Ocean View Ave., Brook Road, Cape Cod Ave. (west), Morse Road, Holmes Rd. & Sims Rd., Manomet Ave. Ext. and Water Street. Completed under Chapter 40 Section 61 were Oak Ridge and Arnold Ave. receiving a mix-in-place surface and Shaw Court a Type I pavement.

Chapter 90 Maintenance

The State, County and Town share one-third of the cost on the following maintenance in the amount of \$6,000.00. At the Plymouth Cordage curve, 150 feet of galvanized flex-beam guard rail and posts was erected by the Highway Department as a safety measure. On Route 44, from the Dog Kennels to Seven Hills Road. 549.45 tons of Type I surface was laid by Southeastern of Cape Cod, Inc. Cape Cod berms on Route 44 and Federal Furnace Road were laid by Charles Silva & Sons.

Chapter 822 Acts of 1963

Two sections of Federal Furnace Road were paved with 2,353.83 tons of Type I by Southeastern of Cape Cod, Inc. with funds being provided by the state.

Chapter 679 Acts of 1965

The following was completed with aid of funds by the state under Chapter 679 Acts of 1965: Herring Pond Road from Rte. 3 Bypass to Plymouth-Bourne line was paved with 3,969.90 tons of Type I and berms completed. Taylor Avenue from Bartlett Brook to Point Rd. had a Type I surface laid and a portion of Federal Furnace Rd. from Legion Camp to Pole No. 106 was paved by Southeastern of Cape Cod, Inc.

Granolithic Curbing and Sidewalk

Louis Cotti & Sons Inc. submitted the lowest bid for curbings constructed as follows: Point Rd. — north side 1584 feet, Cherry St., —50 feet, Governor Bradford Motor Inn — 149 feet, Liberty St. — 154 feet, Garuti's garage on Court St. — 41 feet and at 17 Nelson St. — 57 feet. At the Plymouth-Bourne line a retaining wall 16'x6"x3' was built to keep the property of Mrs. Hope G. Ingersoll from being undermined.

TRAFFIC AND STREET MARKING

All traffic lines were painted yellow and white this year to conform with the state traffic regulations. White crosswalks were painted in the spring and fall and repainted as required. The 500 foot center line on South St. and the 250 foot center line on Birch Ave. were painted traffic yellow. Taxi stands and restricted areas were painted yellow. Approximately 250 feet of scotchlite reflective tape was placed in the road at the Summer St. rotary entrance as directional lines.

Miscellaneous

Equipment purchased this year for the Highway Dept. included a Ford tractor and front-end loader with sickle bar for mowing roadside brush. Two tapered 10-foot snow plows, one for the Highway Dept. and one to be used by the Tree Dept. for snowplowing for the Highway Dept. The Eel River Bridge at Manter's Point had the top platform and steps rebuilt with a new ramp and the bridge redecked and braced and painted white. The bridge will receive a second coat of paint in 1967 with galvanized 4-foot turkey fencing around the sides for public protection. This work was done by the Manomet district men. Lines and grades for street, drain and sewer work have been supplied by the Town Engineer, Edward Chase, and records of same filed at his office on Lincoln Street.

RALPH L. BONNA,
Supts. of Streets and Sewers

ASSESSOR'S REPORT

Increase in Appropriations over 1965 of \$547,440.00 amounted to \$12.00 increase in the Tax Rate. However, an increase in Available Funds used, of \$129,000.00, amounted to \$3.00 off the Tax Rate; Sales Tax Revenue of \$231,628.02, amounting to \$5.50 off the Tax Rate, and a Valuation increase of \$864,375.00, amounting to \$1.50 off the Tax Rate totaling \$10.00, resulting in only a Two Dollar increase in the 1966 Tax Rate.

We have recently received news of a sixty-five million-dollar Nuclear Plant to be built in the Town. This will help to stabilize the Tax and Economic future of Plymouth.

Appropriations	\$5,116,103.79
State Tax	35,294.79
County Tax	209,482.93

**One Hundred and Twelfth Annual Report
of the
Water Commissioners and Superintendent
of the Town of Plymouth
FOR THE YEAR ENDING DECEMBER 31, 1966**

The 112th Annual Report is hereby submitted by the Board of Water Commissioners and covers the calendar year 1966.

During this year, the program for the installation of remote meters was initiated. Because there has been a considerable increase in the number of water takers, an advanced method of reading meters is advantageous to the Town. This new meter can be read from the exterior of the building thereby eliminating the need to enter the building or to make return calls in order to get this information. The reading is automatically printed on tape and is ready to be processed for billing by a computer. Not only will this save a great deal of time getting the work done, but it will also bring the revenue into the Town treasury earlier.

The Water Commissioners are exploring for a deep well in the south part of Plymouth. When this well is completed and operating, it will increase the volume of water substantially. It will also help eliminate and alleviate many of the problems during the peak periods.

The severity of the breakdown at the Wanno Pond Station this year would have been lessened greatly if another well had been in operation. The Water Department worked 72 hours to repair the breakdown and get the pump back in operation and did manage to supply water to the area within 9 to 24 hours.

The water system is continually expanding and plans include completion of six trunk lines, so-called. These

trunk lines are located along Route 44, South Meadow Road, Federal Furnace Road, South Pond Road, Sandwich Road, and State Road. The program of the relaying of mains to replace inadequate mains was also continued. Because of the new regulation by the Fire Underwriters, new mains shall be no less than 8 inches. This size pipe serves a street or an area and provides adequate fire protection as well as supplying sufficient water for modern home use. The size of the pipe used for trunk lines is at least 12 inches.

Because of the continued drought and the fact that the pond level was at the lowest level that it has ever been, water restrictions remained in force.

In addition to the new well mentioned above, the Commissioners are constantly seeking new sources of water and are vitally interested in water pollution and all the services related to the Water Department for the health and protection of the people in Plymouth.

We were sorry to lose Miss Cynthia A. Smith to another position as she had been with our department for 12 years. We wish to take this opportunity to wish her every success.

The total rainfall during the year amounted to 42.02 inches, which is about 3 inches less than the annual average. At the end of the year the elevation of Little South Pond was 100.47 feet which is the lowest ever recorded.

1966 EXPENDITURES

Salaries	\$37,264.29
Labor & Overtime	53,934.95
1965 Unpaid Bill, Repairs to Pumping Station	1,345.86
Mileage	400.00
General Administration Expenses	1,661.57
Materials and Maintenance	31,943.58

New Equipment: Tapping Machine	576.70	
New Meters and Fittings	6,583.59	
Regular Water Construction	7,456.70	
	<hr/>	\$141,167.24

SUMMARY OF STATISTICS

(Published by request of the New England Water Works Association, Plymouth, Massachusetts, Water Works)

Population, 15,424 (Summer Population, 20,250 according to Selectmen's estimate.)

Date of Construction, 1855.

By whom owned, Town.

Source of supply, Great and Little South Ponds, Manomet Well and Lout Pond Well.

Mode of supply, Pumping.

PUMPING

Builders of Pumping Machinery, Fairbanks-Morse, Deming, Warren and Morris Electric.

Pumpage for the year:

Lout Pond Pumping (electric)	272,020,000 gals.
Lout Pond Deep Well (electric)	237,020,800 gals.
Manomet Deep Well (electric)	145,840,400

Total Pumping	654,881,200 gals.
---------------	-------------------

(Note: New High and Super High Service (electric) 51,176,300 gals. RE-PUMPED).

Average static head: 94.0 ft. (Lout Pond)

Average dynamic head: 103.0 (Lout Pond)

Number K.W.H. consumed:

Lout Pond Station	368,960
Manomet Station	155,920

Total K.W.H. Pumping	524,880
Number K.W.H. (RE-PUMPING)	31,530

Total K.W.H. Consumption	556,410
--------------------------	---------

STATISTICS OF CONSUMPTION OF WATER

Population, 15,424. (Summer population, 20,250 according to Selectmen's Estimate.)

Estimated Population on pipe line, 13,000.

Estimated Population Supplied, 13,000.
Total consumption for the year, 654,881,200 gals.
Average daily consumption, 1,794,195 gals.
Gallons per day to each inhabitant, 138.
Gallons per day to each tap, 334.

STATISTICS RELATING TO DISTRIBUTION SYSTEM

Kind of Pipe, Cement-lined sheet iron, cement-lined
cast iron, and asbestos-cement.
Sizes, from 2 inch to 30 inch.
Extended, 15,315 feet.
Discontinued, 1,850 feet.
Total now in use, 102 miles, 3,967 feet.
Cost to repair per mile, \$18.47.
Number of leaks per mile, 0.19.
Small distribution pipe less than 4-inch, 4 miles, 330
feet.
Hydrants now in use, 643 public and 78 private.
Hydrants now in use, 643 public and 78 private.
Stop gates added 39. Discontinued, 1. Number now in
use, 1,418.

SERVICE

Kind of pipe, Lead, Cement-lined galvanized, and Cop-
per tubing.
Sizes, From Three-Quarter inch to six-inch.
Total now in use, 16 miles, 3,045 feet.
Service taps added, 128. Discontinued, 5.
Total now in use, 5,368.
Average length of service, 21 feet.
Average cost per service, \$72.00.
Meters added, 73.
Number now in use, 4,389.
Percentage of service metered, 81.7%.

ANNUAL REPORT OF THE SCHOOL COMMITTEE AND THE SUPERINTENDENT OF SCHOOLS

I herewith submit the seventh annual report of my administration developed in cooperation with the members of the School Committee. Reports from certain departments within the system are included for your further understanding of our school program.

We are pleased with the updating and format changes given to our Policy and By-Law Handbook. This effort represents a good beginning to a task that is regarded as essential to the proper understanding by all school personnel of the policies of our system.

The work of the School Building Needs Committee has made increasingly evident the immediate need for increased classroom space and related facilities at either the elementary or the intermediate level. Serious problems of overcrowding are already developing; we must display sufficient foresight to avoid an emergency situation. In giving consideration to our enrollment problems, thought has been given to an extension of our Regional School District to include all grades. There may well prove to be a great number of mutual advantages for both Plymouth and Carver in giving such consideration to future educational planning.

It became necessary to enlarge the boundaries of the Oak Street School to alleviate a class-size problem at Cold Spring. Because this increased the walking distance for these Oak Street youngsters, a program was instituted to allow for hot lunches and the necessary noon supervision at that school.

Our Manpower Development Training Act classes have continued to function well. We were made most proud this year by the high commendation given the Licensed Practical Nurse program which is conducted

at the Jordan Hospital under the direction of Miss Phyllis Diegoli, R.N.

We have this year had our first experience with the Collective Bargaining Act as described in Chapter 763 of the Acts of 1965. In agreement with the terms of this Act we have given official recognition to those employee groups that have organized for purposes of bargaining. Long hours have been devoted by our sub-committee in an effort to give fair hearing to each request.

Members of the School Committee visited each school during June and were most pleased by their many observations of our schools in action. It also provided an opportunity to meet with staff members and to learn of individual building plans and problems.

Project Lighthouse, a federally financed program in which we are involved with several neighboring communities, was granted approval and is most active in developing programs for the shared advantage of the participating school systems. From this we hope to derive worthy classroom experiences that may result from the innovative efforts of this planning and study group.

Personnel

Mrs. Victoria Engstrom found herself pressed by personal responsibilities that caused her not to seek election to a second term on the School Committee. Certainly, Mrs. Engstrom's service to our town has been much appreciated, and her presence will be missed by all who served with her.

Mr. Kenneth Peck was elected to the School Committee and was welcomed by Committee members who recalled his previous community service as a member of the Manomet School Building Committee.

During the summer, Mr. Napoleon Triplett received a promotion and transfer within his company that neces-

sitated his resignation from the Committee. We have appreciated his efforts on behalf of our schools and wish him well in his new position.

At a special election to fill this vacancy, Mrs. Adeline Keller was elected to the School Committee. No newcomer to school work, Mrs. Keller has previously served on the Plymouth-Carver Regional School District Committee and was most helpful in developing the physical structure and the philosophical foundations of our High School.

Miss Hilda Swett, R.N., retired following thirty-two years of dedicated effort to the school children in Plymouth. Much more than a Head School Nurse, Miss Swett was in truth a friend to countless children and families throughout the town.

Miss Esther Chandler, who was honored at last year's convention of the teachers of Plymouth County as an outstanding member of the profession, retired after forty-two years of commendable performance as a teacher of mathematics.

Mrs. Gladys Higgins retired from her Grade 3 position in the Manomet School. For forty-three years Mrs. Higgins has served well the needs of children and has earned the sincere respect of her colleagues.

Mrs. Mabel Mitchell has retired from her Grade 3 position at Mt. Pleasant School after thirty-seven years of outstanding service that has indeed been appreciated by all of us.

Another Grade 3 teacher was lost to us when Mrs. Helen Muthig retired from Cold Spring School following ten years of dedicated service here in Plymouth.

We are saddened by the departure of these valued staff members. We know that all who have known them will share in our wish for their happy retirement years:

may they be rich in rest; in reflection; and in pleasant recreation.

Curricula

Our Social Studies Committee submitted a revised course of study for History and Geography. Their recommendation included a selection of texts and materials for each grade, 1-8. While it was possible to make purchases to fully implement the revised program only in Grades 1-3, the curriculum itself was accepted for all elementary and intermediate grades in both Plymouth and Carver.

We are pleased by the activity of staff members on curriculum and other professional committees throughout the town. It is also gratifying to know that they are also participating actively in educational conferences that involve many other progressive educational communities. These are the efforts that serve to keep Plymouth abreast of the latest that is to be learned from the research and development that is presently occurring.

We have continued to take every advantage that is presently afforded us by educational TV. Particular benefit is provided our French program in Grades 4-6. This work is strongly supplemented by the classroom instruction of Madame Moores.

Our testing program has continued to use the Science Research Associates materials for achievement ratings at each grade level. These test results aid greatly in our understanding of individual student progress and also serve to evaluate the quality of our course offerings. Parents of students in Grades 7 and 8 received copies of the scores achieved by their children; they are encouraged to discuss these with the child's guidance counselor.

Operation Head Start enjoyed another very fine summer under the direction of Mr. George Hesse. Par-

ticular commendation for the success of this program must go to the volunteer aides whose energies and enthusiasm added so much to the program.

Federal funds made possible an experimental experience in individualized remedial instruction for children in Grades 1-4 in the Manomet and Hedge School Districts. Mr. Robert Dickie directed this program with very able assistance from many of our own staff as well as those recruited from other communities. The program was known as Operation Catch Up, and we feel certain that many youngsters were truly benefitted.

Mr. Frank Anderson worked with Mr. Finck to develop a Recreational Summer Program for our Trainable Class children. This effort proved one of the most wonderful experiences that could be imagined for these young people. A word of thanks to the Red Cross swimming instructors, Miss Wild and Mrs. Gage, who gave of their noon hours to provide water instruction each day.

Recommendations

The elementary principals respectfully recommend the following:

1. That part-time librarians be employed for each elementary school.
2. That consideration be given to the establishment of single session school days in all our schools.
3. That every effort be extended toward the development of a public kindergarten program.
4. That consideration be given to an ungraded plan for individual student development in Grades 1-3.
5. That the need for a second special class for emotionally handicapped children be carefully explored.

6. That small group and individual instruction be provided for the slow learner and for those youngsters who fail to achieve in the regular classrooms within our schools.

School Plant Improvements

Exterior painting at Nathaniel Morton School

Interior painting at Mt. Pleasant School

Creation of Library facility at Hedge School

Development of remedial classroom at Hedge School

Installation of intercommunication system at Hedge school

Acoustical ceilings installed at Hedge School

Replaced hot water tank at Cold Spring School

Installed hot water at Oak Street School

DISTRIBUTION OF PUPILS BY AGE AND GRADE — OCTOBER 1, 1966

[illegible]

**ANNUAL REPORT OF
ORAL HYGIENE-DENTAL CLINICS**

School Dentists

Francis C. Ortolani, D.M.D., F.A.C.D.

I. Harry Keller, D.M.D.

In 1966 a total of 2,882 dental examinations were made in grades 1-12. 1,356 pupils were found to have all needed corrections made at this time. Parents were notified as to the results. The special attention to dental health in school has raised the interest of the children in caring for their teeth. The dental program should be carried on between home and school, and the responsibility for good dental health habits of children must remain with the parents.

208 preschool children were examined—103 had a family dentist—91 had O.K. mouths.

Percentage of Dental Corrections

Follow-up

Pupils examined grades 1-6, fall 1965	1453
Pupils with all necessary corrections at that time	619 (43%)
Results of these examinations as of June, 1966:	

Pupils with Dental Certificates

Cold Spring School	67%
Hedge School	55%
Manomet School	53%
Mt. Pleasant School	63%
Nathaniel Morton Intermediate School	57%
Oak Street School	91%
(Mrs. Walker's second grade has been 100% for two consecutive years.)	

Oral Hygiene — Dental Hygienist

Grades 1-6

276 oral hygiene talks were given, including tooth-brushing instruction.

1,061 pupils had a dental prophylaxis (Cleaning of teeth).

National Children's Dental Week was observed in the schools — February 6-12.

Local Radio Station WPLM made spot announcements during the week on Dental Hygiene.

Plymouth-Carver Project "Head Start" was carried on for the second consecutive summer for eight weeks. It provided preschool experience for 130 children. I had the privilege of working with these little people. Dr. Ortolani again served as dentist on the staff.

Operation "Catch-Up" was a new service rendered this summer. The Program included grades 1-4 in the Hedge and Manomet districts. Dr. Keller served as dentist on the staff for this project.

Dental Clinic

Clinic sessions (reparative work and examinations)	81
Treatments (fillings-extractions)	337
Completed cases	65
Amounts received for clinical services rendered	\$120.20
Amounts received for sale of tooth-brushes	3.24
Total	<hr/> \$123.44

At the 107th annual session of the American Dental Association held in Dallas in November, it was predicted that Denticare may become first U.S. Health Care Program for children.

For many years the School Dentists have recommended the fluoridation of our public water supply, still the most effective method yet discovered for combating dental decay.

Respectfully submitted,
JANE B. BRADFORD,
Dental Hygienist

REPORT OF THE MUSIC SUPERVISOR

At the Massachusetts Music Education Association Conference in April, some "Experience Charts," less than two years on the market, were demonstrated. They impressed me so much that, with the cooperation of our Superintendent, the principal, and three first grade teachers in one of our schools, we immediately put them to the test of everyday use. The results were so gratifying that this school year we are using them throughout the elementary grades. They give promise of being a valuable supplement in the attainment of our goal: "Music, for Every Child; Every Child for Music." Furthermore, several of the teachers have expressed their belief that the charts are most helpful, not only in the development of musical understanding, but that they also make a substantial contribution to the reading and math programs.

The string program continues to make steady progress. At the Nathaniel Morton Intermediate School three violin classes and the orchestra have 32 players. In June the combined violin classes and orchestra participated in a public concert. In December the orchestra furnished the music for a tableau presentation to the entire school. There are also violin classes in each of the elementary schools.

In May all the fourth and fifth grades were again privileged to hear an excellent concert by the Helicon String Quartet, under the auspices of "Young Audiences, Inc." Response was most enthusiastic. This was an exceptionally rich cultural experience for our boys and girls. I am sure that it also contributed to the growth of our string program.

Several of our elementary schools have presented programs for parents. These were the outgrowth of the children's musical activities. It meant a great deal to the boys and girls to share with their parents the songs

and other musical experiences which they had enjoyed.

Again, it is with gratitude to our administrators and teachers, whose splendid cooperation have made possible a consistent growth in our elementary school music program, that I confidently look forward to even greater progress toward our goals during the year ahead.

Respectfully submitted,

GRACE M. MESERVE,

Music Supervisor

ELEMENTARY PHYSICAL EDUCATION REPORT

This past year, the Elementary Physical Education Program continued with active and varied instruction, emphasis being placed on basic ball-handling skills, physical fitness tests, team games and rhythms.

There has been good carry-over of the Physical Education Program by teachers and noon supervisors, who have taken an active interest in the daily fitness and game skills. There is still much to be done in this area, but I feel that we are heading in the right direction.

In 1965-66, in the A.A.U. Physical Fitness Test, over 80 per cent of the elementary school children in Plymouth exceeded the test standards. This year's test will be a combination of the A.A.U. and the President's Youth Fitness Test. These tests will include the following:

1. Jumping-Jack
2. Sit-ups
3. Squat thrusts
4. Sprints
5. Standing and running broad jump
6. Softball throw
7. Tumbling (forward and backward roll, frog head stand, head stand)

Respectfully submitted,

HAROLD PINSTEIN,

Physical Education Instructor

**PLYMOUTH-CARVER REGIONAL SCHOOL DISTRICT
SCHOOL COMMITTEE REPORT**

It was with sincere regret that we this year accepted the resignation of Principal Julian Demeo, Jr., who had served our school so conscientiously since the planning that preceded its opening three years ago. We were fortunate to have had a man of such energy and wisdom to work with us during this time. He leaves a school of which he has made all of us most proud; we wish him well in his new endeavor.

We believe that we are most fortunate to have had in our Vice Principal, Mr. Wilbert P. Cingolani, a man truly well prepared to assume the leadership position in our school. To him we extend our congratulations on the high quality of his performance and our positive assurance of the continued support of the Plymouth-Carver School community.

This has indeed been a most busy year for your Committee and for the many members of the school staff. The task of self-evaluation, begun in 1965, was completed this year. This involved a very careful searching out of the many strengths and evident weaknesses of which our school is possessed. During the course of this examination of self, chairmen and members of each staff within the faculty came to meet with us for a frank and open discussion of department problems. We shared with them their hopes and dreams for the bright educational future of our high school.

The visiting committee appointed by the New England Association of Secondary Schools and Colleges spent three full days in their examination of our school plant and program. They were generally most pleased with our offerings and made careful note of those areas in which improvement might be made. As a result of their report, we have been informed that Plymouth-

Carver High School has been duly accredited by the New England Association.

In addition to their work on the evaluation, our staff and faculty members have been active in their participation in both area and national conferences. It is through this kind of activity that our school stays abreast of the educational innovations and experimental practices upon which sound progress is based.

We should like to gratefully acknowledge two bequests to the school. It was stipulated in the will of Miss Nellie Lockin, for so many years a highly respected teacher of mathematics in Plymouth, that her library of mathematics books be given into the custody of Plymouth-Carver High School for the benefit of interested students. A check in the amount of five hundred dollars was accepted from Mrs. William Ide in memory of her late husband to be used by the school at the discretion of our Committee.

We are pleased with the updating and format changes given to our Policy and By-Law Handbook. This effort represents a good beginning to a task that is regarded as essential to the proper understanding by all school personnel of the policies of our system.

We have been particularly pleased by the improved interest in our summer program. Among the many advantages offered this year was the supervised use of the school library. This is a facility of which we are most proud, and we are certainly anxious that it be used as extensively as possible.

Our Adult Education Program, directed by Mr. Joseph Robinson, is by now well known to all of you, and a most encouraging number of our townspeople have taken good advantage of the many course offerings provided. This year we have developed another program to assist those who need fundamental or remedial assis-

tance in Adult Basic Education. This is a program financed entirely by Federal Funds. Mr. Patrick Berry has been appointed to direct this activity, and we are encouraged by its acceptance. We urge you to learn more about these community programs and to take part yourself as well as encourage the participation of acquaintances who might benefit from such instruction.

This has been the year of greatest progress on our outside grounds and playing fields. It has indeed been most pleasing to have had so many pleasant comments on the work in this area. Particular credit must be given to Mr. David Cappannari and to Dr. George Wild, who served as a sub-committee to oversee the effort that we had long known as needed here.

We were saddened by the great tragedy which occurred in one of our laboratory preparation rooms in the science wing of the building. The explosion was caused by the unauthorized handling and mixing of otherwise harmless chemicals by the two injured boys. A careful study of this incident found no evidence of staff negligence, and we are pleased to commend those who were involved in the supervision of activities at that time. Our students conducted themselves in a manner that gave cause for great pride to their parents and teachers.

We have this year had our first experiences with the Collective Bargaining Act as described in Chapter 763 of the Acts of 1965. In agreement with the terms of this Act we have given official recognition to those employee groups that have organized for purposes of bargaining. Long hours have been devoted by our sub-committee in an effort to give fair hearing to each request.

The Committee has found the building and grounds in good order on the occasion of our annual inspection. We must once again take notice of the already present

evidences of overcrowding. As we study the enrollment projection for incoming classes, we are made to recognize the necessity of a building addition to properly accommodate the larger number of students to come.

It was not until the end of the year that Mr. Robert Holton arrived to assume the position as Vice Principal. His past training and experience provide excellent qualification for this most important position.

As the elected and appointed members of your School Committee, we shall continue to extend every effort in behalf of the welfare and educational well being of our young people. These efforts are made possible only by the continued support of the townspeople of our communities. Let us continue to work together to the advantage of every child who enters our school.

Respectfully submitted,

DR. SAMUEL K. STEWART, Chairman

ERWIN K. WASHBURN, Vice Chairman

JANE GELLAR, Secretary

WILLIAM GAULT, JR., Asst. Super.

ANNUAL REPORT OF THE PRINCIPAL OF THE PLYMOUTH-CARVER HIGH SCHOOL

One of the principal objectives set for the staff for 1964-65 was the self-evaluation program, which consisted of an investigation of the curriculum to consider its strengths, its weaknesses, and its direction. We were also to investigate the effectiveness of our implementation of the stated philosophy and objectives of our school.

This objective of working toward the common goal of quality education became a reality after fifteen months of concentrated cooperation by the community, the students, and the teachers. Mr. Clarence I. Chatto, Director of the Evaluation Program, stated that the Commission on Public Secondary Schools voted to recommend Plymouth-Carver High School for continued membership in the New England Association on the basis of its self-evaluation and the report of the visiting committee. Final action on this recommendation was accepted by the association at its annual meeting in December, 1966.

Our staff found the experience of evaluation an interesting and profitable one, and it will help all of us to work toward the goal which we are all seeking: the continued improvement of secondary education in New England.

Experimentation continues at Plymouth-Carver with the Work-Study Program under its coordinator, Mr. Dennis Aresta. It is the intention of this program to provide a practical means to help students through a series of experiences which are intended to introduce them to various vocations. Students participate actively in job situations for short periods of time during and after school. Supervision insures coordination of the school and laboratory learning experiences. The general work-experience is the nucleus of every work-study program.

Its purpose is to provide the student with a 'learn-as-you-earn' experience which eventually makes him a better worker. Job situations are found throughout the community. Students are screened and interviewed by their Guidance Counselor and the Work-Study Coordinator. It is not the intention of this part of the program to relate the job situation with vocational goals, but rather to provide a learning situation that will develop good attitudes and work habits.

The vocational work-experience extends in-school vocational instruction and discovered interest to out-of-school training. The student actually directs his attention to a vocational goal and is given a chance to pursue this goal before graduation. At present twenty-five students are actively participating in the work-study program. Forty different students have participated to date.

It is rather early to evaluate the program, but indications have shown us that initiation into the world of work has provided many of the students with new insights regarding the nature of human relations on the adult level, as well as regarding the nature of our economic system. Improved behavior, definite changes in attitudes and responsibilities, and a strong deterrent to the drop-out problem are positive results of the program to date.

Curriculum guides in English, foreign languages, science, and physical education are being formulated by the department chairmen and their teachers.

A pilot program IME (interaction between matter and energy) is presently being introduced to a ninth-grade science class.

With the assistance of Federal funds, a second language laboratory has been added to the foreign language department. The audio-lingual method of language learning has replaced the traditional method of language instruction and Plymouth-Carver High employs the ALM

in all levels of French, Spanish, and German. Students can learn the foreign language through oral work, drills, dialogues and constant use of the language laboratory through listening.

Miss Phyllis Boucher, Chairman of the Social Studies Department, initiated a new student activity program this year with the establishment of the World Affairs Club. Organized and supervised by Mr. Paul Baden and Mr. William Nagle, this group is a Chapter of the Massachusetts Junior Council on World Affairs. Each month its members attend a foreign affairs forum in Boston featuring noted individuals from the political and academic communities. These sessions are followed by discussions and debates held here at school.

During the year there were some changes in administrative personnel. Mr. Julian Demeo, Jr., who earned the esteem and the gratitude of all of us by his effective, conscientious, and dedicated work, assumed new responsibilities as principal of Wayland High School. I replaced Mr. Demeo as principal, and Mr. Robert Holton, from Glastonbury, Connecticut, became the new vice-principal. Mr. Roland Holmes, Chairman of the English Department, returned to college teaching at the University of Illinois, and Mr. John Smith replaced Mr. Holmes. We have been pleased to have with us Mr. Fred Hoppe from Holland, a math teacher who joined the faculty in September as an exchange teacher under a one-year program.

The dropout rate was 2.7 per cent which is a slight improvement over the preceding years. Continuing effort must be made to retain the students who leave school because of failure, disinterest, and marriage. The work-study and the remedial reading programs are positive steps in this direction.

The F.T.A. Teacher Aide program sponsored by Mrs. Jean Patenaude of the Guidance Department continues

to be an effective and profitable program in the school. Nine juniors and seniors will be able to go into the elementary grades and assist teachers. The objective is not only to serve in the elementary schools but to give future teachers some practical experience and an opportunity to observe within the classrooms. A pilot tutoring program with students helping students is being formulated. Recent research has proved this is a program of two-way benefit, with learning going on in both directions.

The F.T.A. Teacher Aide program will help again to organize the volunteers for the Headstart program. This has proved to be a profitable summer experience for the students.

The members of the graduating class of 1966 were extremely fortunate to be beneficiaries of \$59,588 in scholarship aid. This is an increase of \$19,568 over last year. This generosity provides more students with opportunities to continue their studies.

The information we have received from these students and from the schools they are attending merits strong words of praise and thanks to all who have provided scholarship aid.

The entire faculty and student body at Plymouth-Carver High School was pleased to welcome George Kuhn from Switzerland as its first American Field Service Student in September, 1965. The A.F.S. Chapter was formed by members of the community, and a student chapter was formed to assist the exchange student here in school. The student chapter also gives the student body the opportunity to help in the financial part of the program through its fund-raising activities.

The selection of the American family to take George Kuhn into their home, as a member of the family during the year, was Dr. and Mrs. George Wild of Warren Avenue

in Plymouth. In August our second A.F.S. student, Kornikar Kittisobhon, arrived from Thailand and resides with Mr. and Mrs. Joseph Fratus of 71 Standish Avenue, Plymouth.

Being a member of this organization and having had two exchange students from abroad now entitles us to nominate students from Plymouth-Carver to the National organization. We hope that one of our students will be selected to go abroad.

In conclusion, we shall always be trying to improve our school, based on the experiences of our teachers, and move forward in the removal of duplications, deficiencies and overlapping areas as they may occur in our curriculum.

As a group, we shall continue to play a very important part in the innovations and experimentation that are the keys to the proud new look in education.

Respectfully submitted,

WILBERT P. CINGOLANI, Principal

REPORT OF THE DIRECTOR OF GUIDANCE

Almost two-thirds of the Plymouth-Carver High School counselors' time is utilized in interviews with students. The purpose of student-counselor conferences is to help these young people to understand themselves to the extent that they may make realistic decisions relative to their present and future lives. These decisions involve planning with regard to education, vocational endeavor, military service, and preparation for living in a world that is rapidly changing economically, socially, and politically.

The balance of our time is spent in many ways: conferences with parents, school personnel, referral agency representatives, post-secondary school admissions officers, and many others; test administration; the handling of many hundreds of telephone calls, correspondence, reports, and, one of the most vital items—transcripts to college, schools, employers, armed services, and other agencies. Transcripts include the following information: marks and credits for grades 9, 10, 11, and 12; intelligence, aptitude, interest, and achievement test scores; college board results; a listing of the student's extracurricular and out-of-school activities; teacher's evaluations of character and personality; and the guidance counselor's comments and recommendation. Last year over one thousand transcripts, reports, and questionnaires were sent out of the Guidance Department.

For the fifth consecutive year, the guidance staff has conducted educational-vocational trips, thanks to the financial support of the Kiwanis Club of Plymouth. In the year 1965-66, seven interesting and instructive tours were arranged as follows:

School of nursing (New England Deaconess and Children's Hospital), the Prudential Center, General Dynamics, South Shore Vocational and Technical High School, business schools (Fisher Junior College, and Bur-

dett College) and Navy carrier WASP, a saw mill (Bradford Mill) and a pine manufacturing plant (Wes-Pine Company), a science trip (M.I.T.), trades training schools (Coyne Electrical and Technical School, Massachusetts Trades Shops Schools, Franklin Institute) and teacher-training universities (Northeastern and Boston Universities.)

Since the ultimate objective of the State Board of Education is the achievement of a ratio of 300 pupils to one full-time guidance counselor, I should like to recommend that in order to provide maximum services to our pupils, graduates, and parents an additional full-time counselor be hired for the Guidance Department.

ANNUAL REPORT

Statistics for the class of 1966:

Number in Class	274
Number in Special Class	7

TOWN OF PLYMOUTH TOWN WARRANT

To any of the Constables of the Town of Plymouth,
Commonwealth of Massachusetts: —

GREETING:

In the name of the Commonwealth you are hereby directed to notify and warn the Inhabitants of Plymouth qualified to vote in elections and town affairs to meet in Precinct 1, Hedge School, Precinct 2, Cold Spring School; Precinct 3, Memorial Building, Precinct 4, Town Office Building, and Precinct 5, Manomet Elementary School in said Plymouth on Saturday, the fourth day of March, 1967, at seven o'clock in the forenoon and in Plymouth-Carver High School on Saturday, the twenty-fifth day of March, 1967, at 10:00 o'clock in the forenoon to act on the following articles, to wit: —

ARTICLE 1. To choose all necessary Town Officers. The following to be voted for all on one ballot, viz., one Selectman for three years; one Moderator for one year; one Assessor of Taxes for three years; two Overseers of Public Welfare for three years; one Water Commissioner for three years; and to fill the following unexpired terms: one Water Commissioner for two years and one Water Commissioner for one year; two members of the School Committee for three years; one member of the Plymouth Carver Regional District School Committee for three years; one Cemetery Commissioner and member of the Burial Hill Committee for three years; two Park Commissioners for three years; one member of the Planning Board for five years; one Tree Warden for one year; one Public Safety Commissioner for three years; one member of the Plymouth Housing Authority for five years; and a total of 63 Town Meeting Members for three years, designated as follows: Precinct 1, 16; Precinct 2, 10; Precinct 3, 8; Precinct 4, 18; Precinct 5, 11; and to fill the following vacancies; Precinct 1, three for two years; Precinct 2, one for one year; Precinct 4, two for two years and one for one year; and Precinct 5, two for two years and three for one year; and to vote "Yes" or "No" on the following question:

Shall the Town accept the provisions of Sections Sixteen to Sixteen I, inclusive, of Chapter Seventy-one of the General Laws, providing for the estab-

lishment of a regional school district together with the Towns of Carver, Duxbury, Halifax, Kingston, Marshfield, Pembroke and Plympton; and the construction, maintenance and operation of a regional school by the said district in accordance with the provisions of a proposed agreement filed with the Selectmen.

The polls for the election of officers will be open at Precinct 1, Hedge School; Precinct 2, Cold Spring School; Precinct 3, Memorial Building; Precinct 4, Town Office Building; and Precinct 5, Manomet Elementary School, at seven o'clock in the forenoon on said Saturday, the fourth day of March, 1967, and will be closed at seven o'clock in the evening.

Both of said days will constitute the annual town meeting, and this call is issued in accordance with the vote of the Town passed June 5, 1897, as amended March 2, 1903 and April 2, 1904.

ANNUAL TOWN MEETING MARCH 25, 1967

The Meeting was called to order by the Moderator, Reubin M. Winokur, at 10:10 o'clock A.M.

The invocation was given by Carl William Gold of the Second Congregational Church.

The number of Town Meeting Members present March 25th was 185, as reported by records of the checkers, Robert Marvelli and Arsene Strassel, II. The Moderator declared a quorum present.

The Town Meeting Members were sworn to the faithful performance of their duties by the Town Clerk, Andrew J. Collas.

ARTICLE 2. To see if the Town will vote to authorize the broadcasting of the 1967 Town Meeting and appropriate \$400, for the expenses thereof provided that the Town receives from the broadcasting facilities a tape recording of the entire proceedings of the meeting so broadcast.

\$400.00 — Approved.

Voted: That the Town authorize the broadcasting of the 1967 Town Meeting and raise and appropriate the sum of \$400, for the expenses thereof, provided that the Town receives from the broadcasting facilities a tape recording of the entire proceedings of the Meeting so broadcast.

ARTICLE 3. To hear reports of the several Boards of Officers and Committees of the Town and act thereon.

Voted: That the reports of the several boards of officers and committees of the Town be placed on file.

The Guide Committee report was read and filed.

All other Committee reports will be read and filed later in the Meeting.

ARTICLE 4. To see if the Town will vote to authorize the treasurer with the approval of the selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1967 and January 1, 1968, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accord-

ance with the provisions of General Laws, Chapter 44, Section 17.

Approved.

Voted: That the Town authorize the Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1967 and January 1, 1968, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17.

ARTICLE 5. To see if the Town will vote to amend the Classification and Compensation Plans and the Personnel By-Law.

Approved — Pages 4 thru 27 inclusive in Supplemental Report.

Voted: That the Town amend the Wage and Salary Classification By-Law by deleting the present By-Law and substituting in place thereof the Classification and Compensation Plans and Personnel By-Law as shown on Pages 4 through 27, inclusive, of the Advisory and Finance Committee Supplemental Report, retroactive to January 1, 1967.

Mr. Romeo Carletti moved to amend Section 16 of the Personnel By-Law by adding paragraph (J) "A firefighter who has completed 15 years of service shall, in the year during which this length of service has been completed, be granted four weeks of vacation with pay." The motion was lost.

Mr. Edward O'Brien moved to amend Section 16 of the Personnel By-Law by adding after the paragraph (i), paragraph (J) "A full-time Police Officer who as an employee has completed 15 years of service, shall in the year during which this length of service has been completed, be granted four weeks of vacation with pay. The motion was lost.

Mr. Chapman, Jr. moved that the Town amend the Personnel By-Law insofar as it applies to the permanent full-time employees of the Highway, Tree, Park, Cemetery and Water Departments and the Town custodial and matron employees, under the Board of Selectmen in the following manner:

Section 5 (g) by adding Article VII and VIII, page 38 and Article VIII, page 39.

Section 6 (a) after the second sentence, insert the following:

“Local 1700, State Council 41, American Federation of State, County and Municipal Employees, AFL-CIO shall have the right to offer such amendments on behalf of its membership and is recognized as the sole and exclusive bargaining agent for the purposes of establishing salaries, wages, hours and other conditions of employment for the permanent full-time employees of the following bargaining units: Highway, Tree, Park, Cemetery and Water Departments, and the Town Custodial and Matron employees under the Board of Selectmen, excluding clerical employees and Superintendents and Assistant Superintendents.

The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining, or make any agreement with any such group or individual for the purpose of undermining the union or changing any condition contained in this agreement while the agreement is in force and effect.

Section 13a. Work Week:

1. Change heading to read Work Day and Work Week.
2. Change Administrative Group to read 40 hours.
3. Add the following: Article V, page 36, Article IX, page 39, Article X, 39.

Section 14 Overtime Compensation:

1. By deleting Paragraphs (d), (e) and (g) 1 and 3.
2. Add the following Article VI, page 37 and 38 and Article XX, page 45.

Section 15 Paid Holidays:

1. By deleting Paragraph (d) and substitute Article XIII, page 41.

Section 16 Vacation Leave:

1. By deleting and substituting Article XI, pages 39 and 40.

Section 17 Sick Leave:

- (c) Eliminate the first sentence.
- (i) Delete and substitute Article XVI, page 42.

Section 19 Other Leave

1. By designating the existing paragraph as (a)
2. Add the following paragraph (b) Article XV, page 42.

Section 21 Operation of By-Law

1. By designating the existing paragraph as (a)
2. Add the following paragraph (b) Article II, page 33.

Section 24 Miscellaneous Provisions

1. (a) Article XII, page 40
- (b) Article XIV, page 42
- (c) Article XXI, pages 45 & 46
- (d) Article XXII, page 46

Section 25 Grievance and Arbitration Procedure

1. Article IV, pages 34 & 35

Section 26 Discipline and Discharge

1. Article XVIII, page 44

Section 27 Related Agreements

1. Article III, page 33
2. Article XIX, page 45
3. Article XXIII, page 46, 47 & 48, Section 1, 2 & 3

Mr. Chapman's motion was lost.

Mr. Tavares moved to amend the Agreement between the Town of Plymouth and the American Federation of State, County and Municipal Employees, AFL-CIO, State Council 41, Local 1700, Article 1, paragraph 1 (under Recognition) to read as follows:

The employer recognizes the Union as the sole and exclusive bargaining agent for the purposes of establishing salaries, wages, hours, and other conditions of employment for the permanent fulltime employees of the following bargaining units: Highway, Tree, Park, Cemetery and Water Department, and the Town Custodial and Matron employees under the Board of Selectmen, excluding clerical employees and Superintendents and Assistant Superintendents, and Pumping Station Engineers. The motion was lost

Mr. Tavares moved to amend the Agreement between the Town of Plymouth and the American Federation of

State, County and Municipal Employees, AFL-CIO, State Council 41, Local 1700, Article V, paragraph 4 (under Hours of Work) to read as follows:

Employees engaged in continuous daytime regular eight-day operations such as the pumping station, are defined as being any employee or group of employees engaged in an operation for which there is regularly scheduled employment for eight hours a day, seven days a week. The work week for employees engaged in continuous operations at the pumping station shall consist of ten (10) consecutive eight (8) hour days, followed by four (4) days off.

The motion was lost

Mr. Tavares moved to amend the Agreement between the Town of Plymouth and the American Federation of State, County and Municipal Employees, AFL-CIO, State Council 41, Local 1700, Article VI, paragraph 1 (under overtime) to read as follows:

Employees covered by this agreement shall be paid overtime at the rate of one and one-half (1 1/2) times their regular rate of pay for work in excess of eight (8) hours in one day, forty (40) hours in one week. All work performed on Sunday shall be paid at the rate of two times the regular rate of pay; except for those employees who have regularly scheduled work on Saturdays and Sundays, who shall be paid at the regular rate of pay. The motion was lost.

Mr. Fillebrown moved that Article 5 be postponed until the Selectmen, Personnel Board, Finance Committee and representatives for the bargaining groups can meet and form a presentation to be offered to the Town Meeting.

The motion was lost.

Mr. Edward Robichaud moved to amend Schedule D of the Personnel By-Laws by substituting:

\$3.12 in place of \$2.10 for Call Fire Fighter

\$3.41 in place of \$2.20 for Call Fire Lieutenant

\$3.70 in place of \$2.30 for Call Fire Captain

and that in the future all hourly pay shall be at the same rate as permanent firefighters and officers.

The motion was passed.

Mr. Whipple moved to amend Mr. Fillebrown's motion to report at the next Annual Town Meeting.

The motion was lost.

Mr. Shwom's original motion, with the amendment of Mr. Robichaud, was put before the Meeting and carried.

Article 5 was reconsidered on April 13, 1967.

A new Supplemental Report of the Advisory and Finance Committee is filed with the Town Clerk.

ARTICLE 6. To see what action the Town will take with regard to fixing the salaries of Elected Town Officers.

Moderator	\$100.00
Chairman of Selectmen	1,800.00
Other Selectmen (each)	1,000.00
Chairman of Assessors	7,500.00
Other Assessors (each)	6,000.00
Town Clerk	3,575.00
Town Treasurer	3,575.00
Tree Warden	3,365.00
Town Collector	7,400.00

Voted: That the salaries of Elected Town Officers be set, as of January 1, 1967, as follows:

Moderator	\$100.00
Chairman of Selectmen	1,800.00
Other Selectmen (each)	1,000.00
Chairman of Assessors	7,500.00
Other Assessors (each)	6,000.00
Town Treasurer	3,575.00
Town Clerk	3,575.00
Tree Warden	3,365.00
Town Collector	7,400.00

ARTICLE 7. To provide for a Reserve Fund and to determine what sums of money the Town will raise and appropriate, including appropriations from available funds, to defray charges and expenses of the Town, including debt and interest for the ensuing year.

Special Articles:

Total Amount Requested:

\$2,204,160.55

Total Amount Recommended:

\$695,315.35

ARTICLE 7:

Voted: That the Town raise and appropriate the sum of \$5,012,557.69 to provide for a Reserve Fund and to defray the expenses of the Town and for other purposes as listed in the printed recommendations of the Advisory and Finance Committee, *with amendments thereto voted*, of which amount \$5,000, shall be from Middle Street Lot Parking Meter Receipts; \$700, from Memorial Building Parking Lot Receipts; \$2,630, from Street Parking Meter Receipts; \$10,000.00, from Reserve Overlay; and the balance shall be from the tax levy of the current year.

Mr. Robert Pillsbury moved to amend Article 7, Item 42, by substituting the sum of \$246,438.00 for the sum of \$241,264.00, but the motion was lost.

Mr. Robert Pillsbury moved to amend Article 7, Item 49, by substituting the figure of \$1,260.00, but the motion was lost.

Mr. Robert Pillsbury moved to amend Article 7, Item 55, by substituting the figure of \$8,075.00 for the figure of \$7,575.00, and it was so voted.

Mr. Withington moved to substitute the figure of \$1,400.00 for the figure \$4,713.00, Article 7, Item 75, and it was so voted.

Mr. Armstrong moved for the following figures, Article 7, Item 76.

Mileage:

Wire Inspector	\$650.00
Plumbing Inspector	500.00
Gas Inspector	600.00

Voting by a show of hands, 92 in the affirmative 47 in the negative, the motion was carried.

Mr. Withington moved to reconsider Item 76 and was so voted.

Mr. Armstrong's motion on Article 7, Item 76, was then put before the Meeting and was lost.

Mr. Barrett moved to amend Article 7, Item 114, Esta Road by substituting the figure \$800.00 for 1,000 feet of

Mixed-in-place on Esta Road. Voting by a show of hands, 70 in the affirmative, 87 in the negative, the motion was lost.

Mr. Henderson moved to amend Article 7, Item 130, by substituting the figure \$15,206.00, for the figure \$14,773.00 and it was so voted.

Mr. Haskell moved to amend Article 7, Item 153, the figure \$900.00 for the purchase of a riding mower, and it was so voted.

Mr. Forth moved to amend Article 7, Item 164, by the following: That the Town raise and appropriate from available funds the sum of \$1,500.00 as provided in Chapter 40, Section 5, Clause 37 of the General Laws; to provide \$1,500.00 for the visit of the Royal Marine Band, said appropriation to be spent under the direction of the Board of Selectmen, but motion lost.

Mr. Tavares moved to amend Article 7, Item 186, by inserting the figure \$950.00, and it was so voted.

ARTICLE 8. To see what amount the Town will vote to raise and appropriate in aid of the Plymouth Public Library, including the Loring Branch Library.

\$74,853.00 Approved

—2,794.09 Less: Dog Tax

—3,611.25 Less: Library Aid

Voted: That the Town raise and appropriate the sum of \$74,853.00; including the Dog Tax of \$2,794.09 and the State Library Aid of \$3,611.25; in aid of the Plymouth Public Library, including the Loring Branch Library, of which appropriation \$57,429.00, shall be for salaries and \$17,424.00 for Other Expenses.

ARTICLE 9. To see what amount the Town will vote to raise and appropriate in aid of the Manomet Public Library.

\$3,013.00 — Approved.

Voted: That the Town raise and appropriate the sum of \$3,013.00, in aid of the Manomet Public Library, of which appropriation \$1,038.00, shall be for salaries and \$1,975.00, for Other Expenses.

ARTICLE 10. To see what amount the Town will vote to raise and appropriate for the use of the Plymouth County Trustees for County Aid to Agriculture and to authorize the Selectmen to appoint a Director, in accordance with Chapter 319 of the Acts of 1957.

\$150.00 — Approved.

Voted: That the Town raise and appropriate the sum of \$150.00, for the use of the Plymouth County Trustees for County Aid to Agriculture and to authorize the Selectmen to appoint a Director for the term of one year in accordance with Chapter 319 of the Acts of 1957. (Now Chapter 128, Section 41 of the General Laws).

ARTICLE 11. To see if the Town will vote to raise and appropriate a sum of money not exceeding \$20,000, for advertising the advantages of the Town and for providing amusements or entertainments of a public character; said appropriation to be expended under the direction of the Board of Selectmen.

\$20,000.00 — Approved as amended: "but not for providing amusements or entertainments of a public character;"

Voted: That the Town raise and appropriate the sum of \$20,000.00, for advertising the advantages of the Town, including the necessary expenses incurred outside the Commonwealth, but not for providing amusements or entertainments of a public character; said appropriation to be expended under the direction of the Board of Selectmen.

Mr. Walter Haskell moved to amend Mr. Shwom's motion by adding the following: "and that the Town authorize the Board of Selectmen to appoint a co-ordinating committee to proceed with preliminary plans for Plymouth's 350th observance in 1970 and make a progress report at the next annual town meeting, the number of members of such committee be left to the discretion of the selectmen."

Mr. Shwom's motion as amended by Mr. Haskell was put before the Meeting and voted.

ARTICLE 12. To see what amount the Town will vote to raise and appropriate to meet the payment of certain bills contracted prior to January 1, 1967, or take any action relative thereto.

\$1,122.25 — Approved.

Law Department	\$393.00
Police Department	74.25
Inspection of Buildings	600.00
Harbor Committee	55.00

\$1,122.25

Voted: (Unanimously) That the Town raise and appropriate the sum of \$1,122.25 to meet the payment of certain bills contracted prior to January 1, 1967.

Law Department	\$393.00
Police Department	74.25

Inspection of Buildings	600.00
Harbor Committee	55.00

ARTICLE 13. To see if the Town will vote to raise and appropriate a sum of money for constructing sewers for sanitary and surface drainage purposes and for sewage disposal in place of the present State Pier Outfall, to determine whether such appropriation shall be raised by borrowing or otherwise, or take any action relative thereto.
(Selectmen's Article)

\$495,500.00 — Recommendation to be made at Town Meeting.

Mr. Sumner Chapman Jr., moved that the Town appropriate the sum of \$495,500.00 for constructing sewers for sanitary and surface drainage purposes and for sewage disposal, in place of the present State Pier Outfall; that to raise this appropriation \$20,500.00 be transferred from available funds and the Treasurer with the approval of the Selectmen is authorized to borrow \$475,000.00 under General Laws Chapter 44, Section 7 (1) as amended; provided that if the Selectmen determine that the federal aid necessary to carry out the project authorized by the vote under Article 8 of the warrant for the December 10, 1966 Special Town Meeting has become available and they file a written statement to that effect with the Town Clerk, this vote shall cease to have any force or effect.

The motion was lost.

ARTICLE 14. To see if the Town will vote to raise and appropriate a sum of money to be spent in conjunction with sums to be provided by the State or County, or both, for the construction of a bulkhead on the town road leading to the Town Wharf; the Town to assume liability as provided for by Section 29, Chapter 91, of the General Laws as amended, for damages incurred hereunder.

(Selectmen's Article)

\$220,000.00 — Approved.
\$55,000.00 Town's share
55,000.00 County's share
110,000.00 State's share

Voted: That the Town raise and appropriate the sum of \$55,000.00 to construct a bulkhead on the town road lead-

ing to the Town Wharf; said funds to be spent in conjunction with funds to be provided by the State or County, or both; the Town to assume liability as provided by Section 29, Chapter 91, of the General Laws as amended, for damages incurred hereunder.

ARTICLE 15. To see if the Town will vote to raise and appropriate a sum of money to be spent in conjunction with sums to be provided by the State or County, or both, for the construction of a bulkhead at the "T" Wharf; the Town to assume liability as provided for by Section 29, Chapter 91, of the General Laws as amended, for damages incurred hereunder.

(Selectmen's Article)

\$70,000.00 — Approved.
\$17,500.00 Town's share
17,500.00 County's share
35,000.00 State's share

Voted: That the Town raise and appropriate the sum of \$17,500.00 to construct a bulkhead at the "T" Wharf; said funds to be spent in conjunction with funds to be provided by the State or County, or both; the Town to assume liability as provided by Section 29 Chapter 91, of the General Laws as amended, for damages incurred hereunder.

ARTICLE 16. To see if the Town will vote to raise and appropriate a sum of money to be spent in conjunction with sums to be provided by the State or County or both for dredging of the present Plymouth Harbor Yacht Basin, including removal of exposed rocks on the South East corner of the basin and for maintenance dredging as may be required at the Town Wharf, including removal of exposed rocks.

(Plymouth Harbor Advisory Committee)

\$150,000.00 — Disapproved.
\$37,500.00 Town's share
..... County's share
112,500.00 State's share

No action taken on Article 16.

ARTICLE 17. To see if the Town will vote to raise and appropriate a sum of money for a plan of harbor moorings,

to include the computing and staking of positions; said appropriation to be expended under the jurisdiction of the Selectmen, or take any action relative thereto.

(Selectmen)

\$19,000.00 — Disapproved.

No action taken on Article 17.

ARTICLE 18. To see if the Town will vote to raise and appropriate a sum of money for the disposal of the present Harbor Master Office and the construction of a new office on the Town Wharf; said appropriation to be expended under the jurisdiction of the Selectmen, or take any action relative thereto.

(Selectmen)

Disapproved.

No action taken on Article 18.

ARTICLE 19. To see if the Town will vote to raise and appropriate a sum of money for repairs to the sea wall at Water Street.

(Selectmen)

\$2,000.00 — Disapproved.

No action taken on Article 19.

ARTICLE 20. To see what action the Town will take to amend the Harbor By-Laws of the Town, Article 1, General Regulations, Section C, Item 2, by adding the word "sewage" after the word "No."

(Selectmen)

Approved.

Mr. Shwom moved that the Town amend the Harbor By-Laws of the Town, Article 1, General Regulations, Section C, Item 2, by adding the word "sewage" after the word "no."

Mr. Howland moved that the amendment read "NO Untreated Sewage," and the motion was passed.

Mr. Shwom's motion with the amendment of Mr. How-

land, voting by a show of hands, 91 in the affirmative, 36 in the negative, the motion was passed.

ARTICLE 21. To see what action the Town will take to amend the Harbor By-Laws of the Town, Article III, Code, Section A, Item 1, by deleting the amount of \$20, and substituting therefor the amount of \$50.

(Selectmen)

Approved.

Voted: That the Town amend the Harbor By-Laws of the Town, Article III, Code, Section A, Item 1, by deleting the amount of \$20.00, and substituting therefor the amount of \$50.00.

ARTICLE 22. To see if the Town will vote to amend the Harbor By-Laws of the Town, Article III, Code, Section A, Item 2, by adding after the word "agents," the following phrase: "including police officers of the Town of Plymouth."

(Selectmen)

Approved.

Voted: That the Town amend the Harbor By-Laws of the Town, Article III, Code Section A, Item 2, by adding after the word (agents), the following phrase: "including police officers of the Town of Plymouth."

ARTICLE 23. To see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as most recently amended, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts, for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewater, foreshores and shores along a public beach, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Approved.

Voted: That the Town assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as most recently amended, for all damages that may be incurred by work to be performed by the Department of Pub-

lic Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores and shores along a public beach, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

ARTICLE 24. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money for Chapter 90 Highway Construction and/or Chapter 90 Maintenance, or take any action relative thereto.

Approved — \$90,000; Town's share \$23,000

At 5:30 o'clock P.M., Mr. Whipple moved to adjourn until 7:30 o'clock P.M. Monday, March 27, 1967, and it was so voted.

ADJOURNED TOWN MEETING, MARCH 27, 1967

The Meeting was called to order by the Moderator, Reubin M. Winokur at 7:40 o'clock P.M.

The number of Town Meeting members present March 27th was 148 as reported by records of checkers, Robert Marvelli and Arsene Strassel, II. The Moderator declared a quorum present.

Mr. Brigida moved to reconsider Article 18 and the motion was carried.

ARTICLE 18:

Mr. Brigida moved that the Town raise and appropriate the sum of \$3,100.00 for the disposal of the present Harbor Master Office and the construction of a new office on the Town Wharf; said appropriation to be expended under the jurisdiction of the Selectmen

The Motion was lost.

ARTICLE 25. To see if the Town will vote to raise and appropriate a sum of money for the purchase of a new dump truck for the Highway Department and dispose of the 1961 G.M.C. now in use.

\$4,600.00 — Approved.

Voted: That the Town raise and appropriate the sum of \$4,600.00, for the purchase of a new dump truck for the Highway Department and to dispose of the 1961 G.M.C. truck now in use.

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money for the purchase of a new Backhoe with Front End Loader for the Highway Department and dispose of the 1961 Backhoe with Front End Loader, now in use.

\$6,686.00 — Disapproved.

Mr. Chapman, Jr. moved that the Town raise and appropriate the sum of \$16,716.00 for the purchase of a new Backhoe with Front End Loader for the Highway Department and dispose of the 1961 Backhoe with Front End Loader now in use.

The motion was lost.

ARTICLE 27. To see if the Town will vote to raise and appropriate a sum of money for the purchase of a new Jet Automatic Sandspreader for the Highway Department and dispose of the 1960 Jet Automatic Sandspreader now in use.

\$1,737.00 — Approved.

Voted: That the Town raise and appropriate the sum of \$1,737.00, for the purchase of a new Jet Automatic Sandspreader for the Highway Department and to dispose of the 1960 Jet Automatic Sandspreader now in use.

ARTICLE 28. To see if the Town will vote to raise and appropriate a sum of money for the purchase of a 10-foot snow plow for the Highway Department and to be used by the Tree Warden's Department for highway snow plowing.

\$1,129.00 — Budget Item — Disapproved.

No action taken on Article 28.

ARTICLE 29. To see if the Town will vote to raise and appropriate a sum of money for the purchase of 3-two way radios for the Highway Department.

Budget Item — Disapproved.

Mr. Best moved that the Town raise and appropriate the sum of \$270.00 for one Remote Console for the Highway Department, but the motion was lost.

ARTICLE 30. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, a sum of money for the permanent construction of a portion of Federal Furnace Road. The entire amount of \$21,794.10 to be reimbursed by the State under Chapter 679 of the Acts of 1965.

\$21,794.10 — Approved. No cost to Town; money in Town treasury.

Voted: That the Town transfer the sum of \$21,794.10 from funds received from the State under the provisions of Chapter 679 of the Acts of 1965 for the permanent construction of a portion of Federal Furnace Road.

ARTICLE 31. To see if the Town will vote to raise and appropriate a sum of money for the purchase of four (4) two-way radios for the Tree Department.

Budget Item — Disapproved.

No action taken on Article 31.

Mr. Almeida moved to consider Article 34 before considering Articles 32 and 33. The motion was passed.

ARTICLE 34. To see if the Town will vote to raise and appropriate a sum of money for construction of a municipal garage, and to determine whether such appropriation shall be raised by borrowing or otherwise.

(Municipal Garage Study Committee)

\$355,000 — Disapproved.

Finance Committee acknowledges need for garage; it is the cost that is disapproved—it is too high.

Mr. Parkhurst moved for a ballot vote, but the motion was lost.

Mr. Almeida moved that the Town appropriate the sum of \$334,900.00 for constructing a municipal garage and to purchase materials necessary for extending water and sewage pipes to the site; that to raise this appropriation \$34,900.00 shall be included in the 1967 tax levy and the Treasurer with the approval of the Selectmen is authorized to borrow \$300,000.00 under Section 7 (3) of Chapter 44 of the General Laws as amended. And that the existing Municipal Garage Study Committee be continued and designated as the Municipal Garage Building Committee; said committee to take all action necessary to carry out the purpose of this vote.

The motion was lost.

Mr. Shwom moved that the Moderator appoint a committee of five (5) members as the Municipal Garage Building Committee; said committee to report to the Town with plans, specifications and bona fide bids, which shall include a building 28,000 square feet in size and the cost of construction not be exceed \$9.00 per square foot; said report to be made at the next Annual Town Meeting, and to raise and appropriate the sum of \$12,500.00, for plans and specifications; said appropriation to be expended under the direction

of the Building Committee.

The motion was lost.

Mr. Brigida moved that the same Study Committee be extended for one year and study the feasibility of a Motor Pool, Department of Public Works and a Municipal Garage.

Mr. Chase moved to strike out "Motor Pool and Department of Public Works." The motion was passed.

Mr. Brigida withdrew his motion.

Original motion put before the Meeting but was lost.

ARTICLE 32. To see what action the Town will take to acquire land on South Street for the purpose of erecting and operating a municipal garage and to make an appropriation or pass any vote relative thereto.

(Municipal Garage Study Committee)

Disapproved.

No action taken on Article 32.

ARTICLE 33. To see if the Town will vote to accept as a gift from The Inhabitants of the County of Plymouth, title to land on Long Pond Road for public purposes including erecting and operating a municipal garage and make an appropriation for the purpose of acquiring title.

(Municipal Garage Study Committee)

\$1.00 — Approved.

Mr. Shwom moved that the Town acquire by gift from the Inhabitants of the County of Plymouth, for public purposes, including erecting and operating a Municipal Garage, a parcel of land in Plymouth on the easterly side of Long Pond Road containing approximately thirteen acres bounded and described as follows:

Beginning at a Massachusetts Highway Bound; thence S 20° 40' 32" W along the easterly line of Long Pond Road, about 722 feet; thence southeasterly by land of Bliss about 255 feet; thence southwesterly by land of Bliss about 328 feet; thence southeasterly by land of Bliss about 591 feet; thence northeasterly by land of Bliss about 304 feet; thence in a general northerly direction by land leased to the Town of Plymouth for a Town Dump by six courses for a

total distance of about 1,153 feet to a point in the location line of the State Highway; thence S 82° 22' 02" W by said location line about 295 feet to the point of beginning.

Mr. Withington moved to amend Mr. Shwom's motion by deleting the phrase "including erection and operating a Municipal Garage" and the motion was passed.

Mr. Shwom's motion with Mr. Withington's amendment was put before the meeting and was passed.

ARTICLE 35. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip 4 cars for the Police Department and trade in three (3) 1966 and one (1) 1965 Ford cruiser ambulances.

(Estimate) \$8,500 — Approved.

Voted: That the Town raise and appropriate the sum of \$7,653.00, to purchase and equip four (4) cars for the Police Department and trade in three (3) 1966 and one (1) 1965 Ford cruiser ambulance now in use; said appropriation to be expended under the direction of the Commission of Public Safety.

ARTICLE 36. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip one (1) Forest Fire truck for the Forest Fire Department.

\$17,000 — Approved.

Voted: That the Town raise and appropriate the sum of \$17,000.00, to purchase and equip one (1) Forest Fire Truck for the Forest Fire Department; said appropriation to be expended under the direction of the Commission of Public Safety.

ARTICLE 37. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip one Pumping Engine for the Fire Department.

Disapproved.

No action taken under Article 37.

ARTICLE 38. To see if the Town will vote to raise and appropriate a sum of money to purchase and install two (2) Generators, for the Fire Department, (one for the Manomet

Fire Station, and one for the Cedarville Fire Station.)

\$4,000 — Approved for Manomet Fire Station.

\$3,200 — Disapproved.

Voted: That the Town raise and appropriate the sum of \$4,000.00, for the purchase and installation of one (1) Generator for the Fire Department at the Manomet Fire Station; said appropriation to be expended under the direction of the Commission of Public Safety.

ARTICLE 39. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip one (1) Service Truck for the Fire Department.

\$6,400 — Approved.

Voted: That the Town raise and appropriate the sum of \$6,400.00, to purchase and equip one (1) service truck for the Fire Department; said appropriation to be expended under the direction of the Commission of Public Safety.

ARTICLE 40. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip one garbage truck chassis for the Health Department.

\$3,145 — Approved.

Voted: That the Town raise and appropriate the sum of \$3,559.25, to purchase and equip one garbage truck chassis and cab, including the transfer of the refuse-getter body, to that chassis, and to dispose of one 1958 truck chassis and cab now in use; said appropriation to be expended under the direction of the Commission of Public Safety.

ARTICLE 41. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip one car for the Health Department and trade in one (1) 1962 station wagon.

Disapproved.

No action taken on Article 41.

ARTICLE 42. To see if the Town will vote to raise and appropriate a sum of money to construct a caretaker's building at the Cedarville Dump.

\$2,000 — Approved.

Voted: That the Town raise and appropriate the sum of \$2,000.00, to construct a caretaker's building at the Cedarville Dump; said appropriation to be expended under the direction of the Commission of Public Safety.

ARTICLE 43. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip one (1) Volumetric Prover, for the Sealer of Weights and Measures Department.

\$1,800 — Disapproved.

Dr. Duby moved that the Town raise and appropriate the sum of \$1,550.00, to purchase and equip one (1) Volumetric Prover for the Department of Weights and Measures and the motion was passed.

ARTICLE 44. To see if the Town will vote to accept Chapter 33 of the Acts of 1966, Section 108 I — "An Act providing additional compensation to Police Officers assigned to Photographic or Fingerprint Identification work in certain cities and towns."

Disapproved.

No action taken on Article 44.

Mr. Shwom moved that Article 46 be considered before Article 45 and it was so voted.

ARTICLE 46. To see what action the Town will take to acquire land on Samoset Street or other recommended site for the purpose of erecting and operating a central fire station and to make an appropriation or take any action relative thereto.

(Police and Fire Station Study Committee)

\$47,000 — Approved.

Mr. Shwom moved that the Town raise and appropriate the sum of \$47,000.00, for the purpose of acquiring by purchase for a central fire station, land on the northwesterly side of Samoset Street in Plymouth, bounded and described as follows:

BEGINNING at a point in the Northwesterly side of Samoset Street at the Easterly corner of land of Robert J.

Harrington et al and running North $42^{\circ} 16' 50''$, West by land of said Harrington 344.50 feet, to a point of land at land of Domethilde M. Ducas which is South $42^{\circ} 16' 50''$ East 10.32 feet from a stone bound;

THENCE turning and running by land of said Ducas North $37^{\circ} 40' 10''$ East 509.81 feet to a point in the center of Leach Pond Road which point is South $37^{\circ} 40' 10''$ West 23.00 feet from a cement bound:

THENCE turning and running by the center line of said Leach Pond Road, Southeasterly 507 feet more or less to said Samoset Street to a point which is South $60^{\circ} 17' 30''$ West 32.00 feet from a cement bound:

THENCE turning and running by said Samoset Street South $60^{\circ} 17' 30''$ West 41.50 feet to a point for an angle;

THENCE still running by said Samoset Street, South $52^{\circ} 48' 20''$ West 336.68 feet to the point of beginning.

Containing 4.17 acres more or less, as shown on a plan entitled "Plan of Land in Plymouth, Mass., to be conveyed to Hansen-McPhee Engineering Co., Inc., Scale 1"=40', Oct. 20, 1965, Delano & Keith, Surveyors, Plymouth, Mass. to be recorded.

The motion was lost.

ARTICLE 45. To see what action the Town will take on the report and recommendations of the Police and Fire Station Study Committee which was authorized by Article 75 of the March, 1964 Annual Town Meeting and to continue the Committee, and make an appropriation therefor.

(Police and Fire Station Study Committee)

Recommendation to be made at Town Meeting.

Voted: That the Town continue the Fire Station Study Committee which was authorized under Article 75 of the March, 1964 Annual Town Meeting; this committee to report its recommendations to the Town Clerk and to the Advisory and Finance Committee on or before December 1, 1967.

ARTICLE 47. To see what action the Town will take on the report and recommendations of the Police Station Planning Committee which was authorized by Articles 65 of the March, 1966 Annual Town Meeting and to locate the new Police Department Headquarters at the so-called Cornish-

Burton School Lot on Russell Street, and to make an appropriation for constructing, originally equipping and furnishing a police station, and determine whether such appropriation should be raised by borrowing, or otherwise, or take any action relative thereto.

\$175,000 — Disapproved.

Mr. Shwom moved that the Town continue the Police Station Planning Committee which was authorized under Article 65 of the March, 1966 Annual Town Meeting, said committee to report to the Town with plans, specifications and bona fide bids for constructing, equipping and furnishing a police station on the land of the Town known as the Cornish-Burton School Lot on Russell Street, said report to be made at the next special or annual Town Meeting.

Mr. Duby moved to amend the motion of Mr. Shwom, that the Town appropriate the sum of \$175,000.00 for constructing, originally equipping and furnishing a police station on the so-called Cornish-Burton School Lot on Russell Street; that to raise this appropriation \$5,250.00 is appropriated from available funds and the Treasurer with the approval of the Selectmen is authorized to borrow \$169,750.00 (balance of the appropriation) under Section 7(3) of Chapter 44 of the General Laws as amended.

The motion to amend was lost.

Mr. Shwom's motion was put before the Meeting and was voted.

ARTICLE 48. Shall the Town accept the provisions of Sections Sixteen to Sixteen Ie, inclusive, of Chapter Seventy-one of the General Laws, providing for the establishment of a regional school district, together with the Towns of Carver, Duxbury, Halifax, Kingston, Marshfield, Pembroke and Plympton; and the construction, maintenance and operation of a regional school by the said district in accordance with the provision of a proposed agreement filed with the Selectmen. (Question one on ballot)

No action taken on Article 48.

ARTICLE 49. To see if the Town will vote to raise and appropriate a sum of money for the purpose of paying the Town's share of the initial operating and maintenance cost

of the proposed Regional Vocational High School District, consisting of the Towns of Carver, Duxbury, Halifax, Kingston, Marshfield, Pembroke, Plymouth and Plympton or take any other action relative thereto.

(Vocational School Study Committee)

Mr. Groetzinger moved that the present Regional Vocational School Planning Committee be continued and the sum of \$500.00 be appropriated for the use of said committee.

Voting by a show of hands, 105 in the affirmative, 44 in the negative, the motion was passed.

At 11:05 o'clock P.M. Mr. Benjamin Brewster moved to recess to Tuesday, March 28th at 7:30 P.M., and it was so voted.

ADJOURNED TOWN MEETING, MARCH 28, 1967

The Meeting was called to order by the Moderator, Reubin M. Winokur at 7:41 P.M.

The number of Town Meeting Members present March 28, 1967 was 156, as reported by records of checkers, Robert Marvelli and Arsene Strassel, II. The Moderator declared a quorum present.

ARTICLE 50. To see if the Town will vote to create a committee of five, one of whom shall be from the School Committee and one member from the present School Needs Study Committee, to be appointed by the Moderator, to be known as the Elementary School Planning Committee, for the purpose of recommending to the Town a site and other data relative to the construction of an elementary school and to appropriate \$500 for necessary expenses; this committee to report its recommendations to the Town at the

(School Needs Study Committee)

\$500 — Approved.

Voted: That the Town create a committee of five, one of whom shall be from the School Committee and one member from the present School Needs Study Committee, to be appointed by the Moderator, to be known as the Elemen-

tary School Planning Committee, for the purpose of recommending to the Town a site or sites, and other data relative to the construction of an elementary school and to raise and appropriate the sum of \$500.00, for necessary expenses; said committee to report its recommendations to the Town at the next annual Town Meeting.

The Plymouth School Needs Study Committee Report was read and filed.

ARTICLE 51. To see if the Town will authorize the Water Commissioners to re-lay the water mains in Allerton Street and Cushman Street, with eight (8") inch mains for a total distance of 2800 feet approximately, and make an appropriation of \$27,000 therefor.

(Water Department)

\$27,000 — Approved.

Voted: That the Town authorize the Water Commissioners to re-lay the water mains in Allerton Street and Cushman Street with eight (8") inch mains for a total distance of 2,800 feet approximately, and to raise and appropriate the sum of \$27,000.00, therefor.

ARTICLE 52. To see if the Town will vote to authorize the Water Commissioners to purchase a half-ton Van-truck and dispose of the 1965 half-ton pickup truck now in service and make an appropriation therefor.

(Water Department)

Disapproved — \$1,097

Mr. Tavares moved that the Town authorize the Water Commissioners to purchase a one-half ton (one-half) Van-truck and to dispose of the 1965 Ford one-half ton (one-half) pick-up truck now in service and to raise and appropriate the sum of \$1,097.00.

Voting by a show of hands, 57 in the affirmative, 84 in the negative, the motion was lost.

ARTICLE 53. To see if the Town will authorize the Water Commissioners to purchase or acquire by eminent domain for the construction of a gravel-packed well, a certain parcel of land at Ship Pond Road and School House Road

for the construction of a gravel-packed well and make an appropriation therefor.

(Water Department)

Recommendation to be made at Town Meeting.

Mr. Brewster moved that the Town raise and appropriate the sum of \$10,000.00, for the purpose of acquiring by purchase for construction of a gravel-packed well, a certain parcel of land situated on the northerly side of Ship Pond Road in the Town of Plymouth, bounded and described as follows:

WESTERLY by land now or formerly of Kenneth W. Tribou, 835 feet, more or less:

NORTHERLY by land now or formerly of Morris V. Ama-
zeen, 870 feet, more or less:

EASTERLY by land now or formerly of Agnes H. Trask, 825 feet, more or less:

SOUTHERLY by land now or formerly of Kenneth W. Tri-
bou, 525 feet, more or less:

EASTERLY again by land now or formerly of Kenneth W.
Tribou, 100 feet, more or less: and

SOUTHERLY by said Ship Pond Road, 210 feet, more or
less.

Said parcel containing 15.1 acres, more or less. Voted Unani-
mously.

ARTICLE 54. To see if the Town will authorize the Water Commissioners to construct a stabilized, gravel-packed well, at Ship Pond Road and School House Road, including obser-
vation wells, screens, pumping tests of the capacity of the well, other necessary appurtenances and engineering services, and make an appropriation therefor.

(Water Department)

Recommendation to be made at Town Meeting.

Voted: (Unanimously) That the sum of \$125,000.00 be appropriated for the development of additional well fields and for wells at Ship Pond Road; that to raise this appro-

priation the Treasurer with the approval of the Selectmen is authorized to borrow \$125,000.00 under General Laws Chapter 44, Section 8 (5) as amended; and that the Water Commissioners are authorized to take all necessary action to carry out this project.

ARTICLE 55. To see if the Town will authorize the Water Commissioners to install a heating system, and to make repairs, alterations and additions at the Howland Street Shop and make an appropriation therefor.

(Water Department)

\$3,500 — Disapproved.

Voted: That the Town authorize the Water Commissioners to install a heating system, and to make repairs, alterations and additions at the Howland Street Shop and make an appropriation of \$3,500.00 therefor.

Mr. Shwom moved that Article 62 be considered before Article 56, and it was so voted.

ARTICLE 62. To see if the Town will vote to accept Chapter 40 Section 42G of the General Laws, "A section of the statute providing special assessments for laying water pipes in certain ways"; Chapter 40 Section 42H of the General Laws, "A section of the statute providing for laying of water pipes in certain ways according to a fixed uniform rate"; and Chapter 40 Section 42I of the General Laws, "A section of the statute providing recording of assessments for laying of water pipes in certain ways as liens on property."

(Selectmen, for Robert F. Scannell, for Buttermilk Bay Shores Community Association, Inc.)

Disapproved.

Mr. Shwom moved that the Town authorize the Moderator to appoint a committee of seven to Study Sections 42G, 42H, and 42I of Chapter 40 of the General Laws; one member of which shall be a member of the Board of Water Commissioners; one member from the Advisory and Finance Committee; and one member from each of the five precincts; said committee to report to the Town Clerk and Advisory and Finance Committee on or before December 1, 1967.

Mr. Thomas Doherty moved that the Town accept Section 42G, Section 42H and Section 42I of the General Laws, the motion was lost.

Mr. Shwom's motion put before the Meeting and was carried.

ARTICLE 63. To see if the Town of Plymouth will vote to raise and appropriate a sum of money for the purpose of establishing or installing a water distribution system for supplying water within the Buttermilk Bay Shores area of the Town of Plymouth, said water system to be supplied by the existing water of the Buzzards Bay Water District; said cost of providing and laying water pipes to be assessed upon the parcels of land receiving benefit from the laying of such pipes; the construction of said system to be in accordance with the provisions of the Buzzards Bay Water District and approved by the Plymouth Water Commission upon completion of construction, said system to be operated and maintained by said Buzzards Bay Water District, and determine whether such appropriation should be raised by borrowing or otherwise, or take any action relative thereto.

(Selectmen for Robert F. Scannell, Attorney for Buttermilk Bay Shores Community Association, Inc.)

Disapproved.

No action taken on Article 63.

Article 63 reconsidered and acted upon after Article 64.

ARTICLE 56. To see if the Town will authorize the Water Commissioners to lay a water main in Gate Road and Bay Shore Drive, Section B, of not less than 6 inches (6"), a distance of approximately 3,050 feet and make an appropriation therefor and secure any necessary easements.

(By Petition, Charles W. Johnson, et al).

Disapproved — \$19,500

Mr. John Sears moved that the Town raise and appropriate the sum of \$19,500.00, to lay a water main in Gate Road and Bay Shore Drive, Section B, of not less than 6 inches (6"), a distance of approximately 3,050 feet and make an appropriation therefor and secure any necessary easements.

Voting by a show of hands, 114 in the affirmative, 27 in the negative, being a two-thirds vote, the motion was passed.

ARTICLE 57. To see if the Town will vote to rescind the action taken at the March, 1966 Annual Town Meeting, Article 33.

(By Petition: Elaine L. Griswold, et al).

Disapproved.

Mrs. Griswold moved that the Town rescind the action taken at the March, 1966 Annual Town Meeting, Article 33, and it was so voted.

ARTICLE 58. To see if the Town will authorize the Water Commissioners to extend the twelve-inch (12") water main in State Road, Manomet, from the terminus of the present system at Indian Hill and State Road, along the State Road to Center Hill Road, a distance of approximately 4200 feet and make an appropriation of \$38,400, therefor.

(By Petition: Elaine L. Griswold, et al).

Disapproved.

Mrs. Griswold moved that the Town authorize the Water Commissioners to extend the twelve-inch (12") water main in State Road, Manomet, from the terminus of the present system at Indian Hill and State Road, along the State Road to Center Hill Road, a distance of approximately 4,200 feet and make an appropriation of \$38,400.00 therefor, and it was so voted.

Mr. Shwom moved to amend Mrs. Griswold's motion, that the Town appropriate the \$38,400.00 from available funds, and it was so voted.

ARTICLE 59. To see if the Town will authorize the Water Commissioners to lay a water main in Brian's Way, not less than six (6") inches in diameter, from White Horse Road, along Brian's Way, for a distance of 1050 feet approximately as follows: Avenue A, 240 feet; Avenue B, 280 feet; Avenue C, 360 feet; provided that easements are given to the Town of Plymouth, for the purpose of installation and maintenance, and make an appropriation therefor.

Disapproved.

(By petition: Mauro J. Canevazzi, et al).

No action taken on Article 59. Acted upon after Article 96.

ARTICLE 60. To see if the Town will authorize the Water Commissioners to lay a 12" main in Federal Furnace Road from the intersection of South Meadow and Federal Furnace Roads, for a distance of 5000 feet with all the necessary gates, fire hydrants and fittings and make an appropriation of \$46,000 therefor.

(By Petition: Andrew J. Flynn, Jr., et al).

Disapproved.

Mr. Fillebrown moved that the Town authorize the Water Commissioners to lay a 12" main in Federal Furnace Road from the intersection of South Meadow and Federal Furnace Roads, for a distance of 5,000 feet with all the necessary gates, fire hydrants, and fittings and make an appropriation of \$46,000.00 therefor, and it was so voted.

ARTICLE 61. To see what action the Town will take with respect to acquiring by purchase or by taking by eminent domain proceedings, the water systems in the areas known as Manomet Beach Shores and Colony and Pilgrim Beaches, in the Manomet section of the Town, including the necessary easements, and to make an appropriation therefor.

(From Committee to Study Water Problems in Manomet Beach Shores . . .)

Disapproved.

Mr. Wilson read the report of the Committee to Study Water Service for Manomet Beach Boulevard.

R. Robert W. Dean moved that the Town instruct the Town Counsel to act as a duly authorized agent of the Town in any and all negotiations that may be necessary in order to acquire from The Agua Corporation the easement rights to the areas known as Manomet Beach Shores and Colony and Pilgrim Beaches in the Manomet section of the Town so as to permit the Town to supply water service to this area.

To further instruct representatives of the Water Commission to conduct a survey and return an estimated figure as to the actual cost of installing adequate size facilities for supplying water to this area and to compile an estimated report of the revenue that can be realized by the Town after this system is in operation.

And to further instruct the above mentioned department representatives to meet with a committee of residents, appointed by the Moderator, from the aforementioned areas so that a complete and proper report can be compiled in time to permit members of this committee to draw up an inclusive article to be presented to the Town for action by the next annual Town Meeting.

Mr. Dean's motion was passed.

ARTICLE 64. To see if the Town will authorize the Park Department to purchase a new 1967 half-ton pickup truck and make an appropriation of \$1,860.34 therefor, said appropriation to be spent under the direction of the Park Department.

(Park Commission)

\$1,860.34 — Disapproved.

Mr. Lanman moved that the Town authorize the Park Department to purchase a new 1967 half-ton pickup truck and make an appropriation of \$1,860.34 therefor, said appropriation to be spent under the direction of the Park Department, and it was so voted.

A moment of silence is asked in respect for Mr. Edward J. Hand, Park Commissioner.

ARTICLE 63:

Mr. Doherty moved that the Town appropriate \$100,000.00 for the purpose of establishing a water distribution system for the Buttermilk Bay Shores Area of the Town, consisting of water mains of not less than six inches in diameter; (2) that to raise this appropriation the Treasurer with the approval of the Selectmen is authorized to borrow \$100,000.00 under Section 8 of Chapter 44 of the General Laws as amended; (3) — — (4) that the Town Water Commission is authorized to take all action necessary to carry out the purposes of this vote; (5) that the Selectmen are directed to

petition the General Court on behalf of the Town for the enactment of a special law validating and confirming the action of the Town in authorizing the construction and financing of said water distribution system and otherwise enabling the Town to carry out and finance the project: (6) that a suggested form of law to be included as a part of the petition to the General Court shall be prepared under the supervision of the Selectmen; and (7) that the inclusion of the suggested form of law in the petition shall not be deemed to limit the generality of the foregoing request for the enactment of the special law. The motion was lost.

ARTICLE 65. To see if the Town will vote to authorize the Park Department to erect and install floodlights for the use of civic and recreational purposes at the John A. Seiver Memorial Field (Standish Avenue), and make an appropriation therefor; said appropriation to be spent under the direction of the Park Department.

(Park Commission)

\$28,811.86 — Disapproved.

Mr. Haskell moved that the Town authorize the Park Department to erect and install floodlights for use of civic and recreational purposes at the John A. Seiver Memorial Field and make an appropriation of \$28,811.86 therefor; said appropriation to be spent under the direction of the Park Department. The motion was lost.

ARTICLE 66. To see what action the Town will take toward improving the parking lot area on town-owned land north of the bathhouse at Nelson Street, to include the construction of a boat ramp and make an appropriation therefor, said appropriation to be spent under the direction of the Park Department; re-imbursements from the State and/or County, if any, to be returned to the town's Excess and Deficiency Account.

(Park Commission)

Disapproved.

No action taken on Article 66.

ARTICLE 67. To see if the Town will authorize the Board of Selectmen to purchase or acquire by eminent do-

main, certain parcels of land on Taylor Avenue for beach and parking purposes, said land described on Plat 46 of the Assessors' Plan, Town of Plymouth, as Lots 23 through 28 inclusive; Lots 81 through 86 inclusive; Lots A7-1; A7-2; 7D; 7A-20; 7A-21; and 7A-22; and make an appropriation therefor or take any other action relative thereto.

(Selectmen)

Recommendation to be made at Town Meeting.

Voted: That the Town instruct the Conservation Commission to study the feasibility of acquiring certain parcels of land on Taylor Avenue and to report its recommendations to the Town at the next annual Town Meeting.

ARTICLE 68. To see if the Town will vote to instruct the Park Commissioners to abandon the Campground at Fresh Pond, Manomet, and convert the area into a park for public use, said park to remain under the control of the Park Commission.

(By Petition, John V. Mahoney, et al).

Recommendation to be made at Town Meeting.

Mr. Ryan moved that the Town instruct the Park Commission to abandon the Camp Ground at Fresh Pond, Manomet, and convert the area into a park for public use. Said park to remain under the jurisdiction of the Park Commission, and the motion was carried.

At 11:30 P.M., Mr. Tavares moved to adjourn to Wednesday, March 29, 1967, at 7:30 P.M., and it was so voted.

ADJOURNED TOWN MEETING, MARCH 29, 1967

The Meeting was called to order by the Moderator, Reubin M. Winokur at 7:36 P.M.

The number of Town Meeting Members present March 29, 1967 was 166 as reported by records of checkers, Robert Marvelli and Arsene Strassel, II. The Moderator declared a quorum present.

ARTICLE 69. To see what action the Town will take on the report and recommendations of a study committee authorized under Article 50 of the 1966 annual town warrant, relative to improvements of the Plymouth Beach area, including the construction of a new bath house, and make an appropriation therefor, or take any action relative thereto. Said Appropriation to be spent under the direction of the Park Department.

(Plymouth Beach Study Committee)

\$100.00 — Recommendation to be made at Town Meeting.

Mr. Walter Haskell read the Plymouth Beach Improvement Study Committee report.

Mr. Haskell moved that the Study Committee authorized under Article 50 of the 1966 Annual Town Meeting, relative to improvements of the Plymouth Beach area, including the construction of a new bathhouse, and which includes membership of Levi Monteiro, Louis Stein, Edward Wilson, Leonard Barbieri and Walter Haskell, be continued for another year and further, that authority for study by this committee be extended to include all public beaches of the Town, and for use by such Committee the Town appropriate a sum of One Hundred (\$100.00) dollars, and it was so voted.

ARTICLE 70. To see if the Town will accept and allow as a Town Way, Cheryl Avenue, from Manomet Point Road southeasterly about 600 feet to Thrush Avenue, as laid out by the Selectmen and reported to the Town, and make an appropriation for expenses of acquiring titles.

\$150 — Approved.

Selectmen approve.

Street lay-out conforms to Planning Board regulations.

Voted: (Unanimously) That the Town accept and allow as a Town Way, Cheryl Avenue, from Manomet Point Road southeasterly about 600 feet to Thrush Avenue, as laid out by the Selectmen and reported to the Town, and to raise and appropriate the sum of \$150.00, for expenses of acquiring titles.

ARTICLE 71. To see if the Town will accept and allow as a Town Way, Esta Road from the end of the 1965 Town Lay-out northerly about 1000 feet, as laid out by the Selectmen and reported to the Town, provided necessary drainage easements are secured, and make an appropriation for expenses of acquiring titles.

\$150 — Approved.

Selectmen approve.

Street lay-out conforms to Planning Board regulations.

Voted: (Unanimously) That the Town accept and allow as a Town Way, Esta Road from the end of the 1965 Town Lay-Out northerly about 1000 feet, as laid out by the Selectmen and reported to the Town, provided necessary drainage easements are secured, and to raise and appropriate the sum of \$150.00, for expenses of acquiring titles.

ARTICLE 72. To see if the Town will accept and allow as a Town Way, Cary Road from the end of the 1965 Town Layout southeasterly about 650 feet to Fair Oaks Road, as laid out by the Selectmen and reported to the Town, provided the necessary drainage easements are obtained, and make an appropriation for expenses of acquiring titles.

\$150 — Approved.

Selectmen approve.

Street lay-out conforms to Planning Board regulations.

Voted: (Unanimously) That the Town accept and allow as a Town Way, Cary Road from the end of the 1965 Town Lay-Out southeasterly about 650 feet to Fair Oaks Road, as laid out by the Selectmen and reported to the Town, provided the necessary drainage easements are obtained, and to raise and appropriate the sum of \$150.00, for expenses of acquiring titles.

ARTICLE 73. To see if the Town will accept and allow as a Town Way, Fair Oaks Road from Vine Brook Road,

southwesterly about 200 feet to Cary Road, as laid out by the Selectmen and reported to the Town, and make an appropriation for expenses of acquiring titles.

\$150 — Approved.

Selectmen approve.

Street lay-out conforms to Planning Board regulations.

Voted (Unanimously) That the Town accept and allow as a Town Way, Fair Oaks Road from Vine Brook Road, southwesterly about 200 feet to Cary Road, as laid out by the Selectmen and reported to the Town, and to raise and appropriate the sum of \$150.00, for expenses of acquiring titles.

ARTICLE 74. To see if the Town will accept and allow as a Town Way, Madlyn Street from Lake Shore Avenue southeasterly about 400 feet to Lancaster Avenue, as laid out by the Selectmen and reported to the Town, and make an appropriation for expenses of acquiring titles.

\$150 — Approved conditionally.

Selectmen approve.

Street lay-out conforms to Planning Board regulations.

Voted: (Unanimously) That the Town accept and allow as a Town Way, Madlyn Street from Lake Shore Avenue southeasterly about 400 feet to Lancaster Avenue, as laid out by the Selectmen and reported to the Town and make an appropriation of \$150.00, for expenses of acquiring titles, provided that releases of all liability are presented to the Town by the abutters, Fred Sistellio et ux, and John S. Stasio et ux, for damages resulting from construction, maintenance, replacement and operation of any highway drainage system or basins into or upon their property of whatever nature.

ARTICLE 75. To see if the Town will accept and allow as a Town Way, Lancaster Avenue from Madlyn Street, northeasterly about 500 feet, as laid out by the Selectmen and reported to the Town, and make an appropriation for expenses of acquiring titles.

\$150 — Approved conditionally.

Selectmen approve.

Street lay-out conforms to Planning Board regulations.

Voted: (Unanimously) That the Town accept and allow as a Town Way, Lancaster Avenue from Madlyn Street northeasterly about 500 feet, as laid out by the Selectmen and reported to the Town, and make an appropriation of \$150.00, for expenses of acquiring titles.

Mr. Ryder moved that the Town consider Article 77 before Article 76, and it was so voted.

ARTICLE 77. To see if the Town will abandon as a Town Way, a portion of Sandwich Road from a point about 1000 feet southerly from the intersection of Clark, Beaver Dam and Sandwich Roads, southeasterly about 2500 feet, as laid out by the Selectmen and reported to the town, and make an appropriation for expenses.

\$150 — Disapproved.

Selectmen approve.

Street lay-out conforms to Planning Board regulations.

Mr. Prentice moved that the Town abandon as a Town Way, a portion of Sandwich Road from a point about 1,000 feet southerly from the intersection of Clark, Beaver Dam and Sandwich Roads, southeasterly about 2,500 feet, as laid out by the Selectmen and reported to the Town and raise and appropriate \$150.00, for expenses.

Mr. Shwom moved to amend Mr. Prentice's motion by the following: That the Town abandon as a Town way, a portion of Sandwich Road from a point about 1,000 feet southerly from the intersection of Clark, Beaver Dam and Sandwich Roads, southeasterly about 2,500 feet, as laid out by the Selectmen and reported to the Town, and make an appropriation of \$150.00 for expenses, provided that the condition of the previous Article 76 is met by adding an amount of gravel satisfactory to the Board of Selectmen on that portion of Sandwich Road mentioned in that Article.

Mr. Shwom's motion to amend Mr. Prentice's motion was put before the Meeting, voting by a show of hands, 79 in the affirmative, 72 in the negative, the motion was carried.

Mr. Prentice's motion was put before the Meeting, voting by a show of hands, 81 in the affirmative, 73 in the negative, not being a $\frac{2}{3}$ vote, the motion was lost.

ARTICLE 76. To see if the Town will accept and allow as a Town Way, Sandwich Road from a point about 1000 feet

southerly from the intersection of Clark, Beaver Dam and Sandwich Roads southeasterly over new location about 2500 feet, as laid out by the Selectmen and reported to the Town, and make an appropriation for expenses of acquiring titles.

\$150 — Approved conditionally.

Selectmen approve.

Street lay-out conforms to Planning Board regulations.

Mr. Shwom moved that the Town accept and allow as a Town Way, Sandwich Road from a point about 1,000 feet southerly from the intersection of Clark, Beaver Dam and Sandwich Roads southeasterly over new location about 2,500 feet, as laid out by the Selectmen and reported to the Town and make an appropriation of \$150.00 for expenses of acquiring titles provided that an amount of gravel satisfactory to the Board of Selectmen is added to the present surface of this portion of the road.

Voting by a show of hands, 59 in the affirmative, 73 in the negative, not being a $\frac{2}{3}$ vote, the motion was lost.

ARTICLE 78. To see if the Town will accept and allow as a Town Way Priscilla Road, and re-name it Clay Hill Drive, from Rocky Hill Road northwesterly about 500 feet to Tower Road, as laid out by the Selectmen and reported to the Town, and make an appropriation for expenses of acquiring titles.

\$150 — Disapproved.

Selectmen recommend.

Street lay-out conforms to Planning Board regulations.

Voted: (Unanimously) That the Town accept and allow as a Town Way Priscilla Road, and rename it Clay Hill Drive, from Rocky Hill northwesterly about 500 feet to Tower Road, as laid out by the Selectmen and reported to the Town, and make an appropriation of \$150.00 for expenses of acquiring titles, provided that all owners of corner lots provide without cost to the Town sufficient land to round corners.

ARTICLE 79. To see if the Town will vote to accept as a public way, Priscilla Road, Tower Road and Bay Shore Drive, in Section A of Plat 43 of the Assessors' Plans; Priscilla Road extending northwesterly from Rocky Hill Road to Tower Road; Tower Road running northeasterly from Bay

Shore Road to its junction with Bay Shore Drive and Bay Shore Drive running northeasterly from said Beach Road to Tower Road.

Disapproved.

(By Petition: Ferdinand T. Emond, et al).

No action taken on Article 79.

ARTICLE 80. To see if the Town will accept and allow as a Town Way, the layout and alteration of the southerly and westerly street line of Carver Street, from the property of Helen L. Belcher, easterly and southerly about 400 feet to Middle Street, as laid out by the Selectmen and reported to the Town, and make an appropriation for expenses of acquiring titles.

\$150 — Approved.

Selectmen approve.

Conforms to Planning Board regulations.

Voted: (Unanimously) That the Town accept and allow as a Town Way, the layout and alteration of the southerly and westerly street line of Carver Street, from the property of Helen L. Belcher, easterly and southerly about 400 feet to Middle Street, as laid out by the Selectmen and reported to the Town, and to raise and appropriate the sum of \$150.00, for expenses of acquiring titles.

ARTICLE 81. To see if the Town will vote to accept as a gift from The Protestant Episcopal Diocese of Massachusetts, title to land on Hedges Pond Road for public purposes and to make an appropriation for the purpose of acquiring title.

(Selectmen)

Approved.

Mr. Shwom moved that the Town acquire by gift, for public purposes, two adjacent parcels of land in Plymouth on the east side of the State Highway known as Route 3, designated as Parcel A and Parcel B, bounded and described as follows:

Parcel A is an irregular-shaped parcel of registered land containing approximately 1.36 acres and described as follows: Beginning at a stone bound in the easterly location line of the 1956 State Highway (Layout No. 4397) at its

intersection with Hedges Pond Road: thence S 29° 26' 40" E by said State Highway line 173.05 feet to a Massachusetts Highway Bound marking a point of curvature in said State Highway line: thence southerly by a curve to the right having a radius of 10,150.00 feet and an arc length of 855.74 feet to a point in said State Highway line: thence S 89° 41' 08" E 41.90 feet to a concrete bound: thence N 11° 23' 20" W 367.07 feet to a concrete bound in the westerly street line of Hedges Pond Road as laid out and accepted by the Town of Plymouth on March 30, 1966: thence N 57° 11' 45" W 58.24 feet to a concrete bound marking a point of curvature in said westerly street line: thence by a curve to the right having a radius of 425.00 feet and a length of 207.34 feet to a stone bound marking the terminus of the westerly street line of Hedges Pond Road as laid out in behalf of the Town of Plymouth by the Massachusetts Department of Public Works on January 10, 1956; thence N 31° 47' 40" W by said westerly street line of Hedges Pond Road 388.19 feet to a stone bound; thence N 49° 29' 45" W 64.70 feet to the point of beginning.

Parcel B is a triangular-shaped parcel of unregistered land containing approximately 0.08 acres and described as follows: Beginning at the concrete bound which marks the most southerly corner of Parcel A above-described; thence N 89° 41' 08" W by Parcel A a distance of 41.90 feet to a point in the easterly location line of the 1956 State Highway (Layout No. 4397): thence southerly along said State Highway line by a curve having a radius of 10,150.00 feet and an arc length of approximately 187 feet to a point; thence N 11° 22' 04" W by land of Edward & Pierina Bonardi a distance of approximately 175 feet to the point of beginning.

The above-described Parcel A and Parcel B are shown on a plan entitled, "Town of Plymouth, Land on East Side of Route 3 at Hedges Pond Rd., Scale: 1 in. = 40 ft., Feb. 18, 1967, Edward Chase, Town Engineer."

Motion passes unanimously.

ARTICLE 82. To see if the Town will vote to raise and appropriate a sum of money for the purchase of one Air Compressor and basic tools for the Cemetery Department.

\$2,700 — Disapproved.

No action taken on Article 82.

ARTICLE 83. To see if the Town will vote to accept sixty-three cemetery perpetual care funds and two additions to funds, amounting to \$11,790 received and deposited in the Plymouth Savings Bank in the year 1966, in accordance with the usual votes of the Cemetery Commissioners and Selectmen, as listed in the Town Report.

Approved.

Voted: That the Town accept sixty-three cemetery perpetual care funds and two additions to funds, amounting to \$11,790.00, received and deposited in the Plymouth Savings Bank in the year 1966, in accordance with the usual votes of the Cemetery Commissioners and Selectmen, as listed in the Town Report.

ARTICLE 84. To see what action the Town will take to amend the By-Laws of the Town by adding to Article III Financial Affairs the following section:

"Section 6. The Town Treasurer is authorized to accept sums of money as Perpetual Care Funds for cemetery lots to be held in trust by the Town and deposited in banking institutions and to use the interest from such accounts for the care of such lots."

(Selectmen)

Approved.

Approved — This will eliminate the annual presentation of article to be acted on such as Article 83 — routine procedure.

Voted: That the Town amend the By-Laws of the Town by adding to Article III Financial Affairs the following section:

"Section 6. The Town Treasurer is authorized to accept sums of money as Perpetual Care Funds for cemetery lots to be held in trust by the Town and deposited in banking institutions and to use the interest from such accounts for the care of such lots."

ARTICLE 85. To see what action the Town will take to acquire land lying Westerly of Bourne Street and Easterly of the Plymouth-Kingston By-Pass, so-called, containing thirty (30) acres more or less being the Southerly portion of Lot 2 as shown on Plymouth Assessors' Plan #2, including

Russell's Pond and Sawmill Pond, for conservation purposes and making application therefor; said land to be under the jurisdiction of the Conservation Commission: and used for purposes described in General Laws, Chapter 132A, Section 11 and General Laws, Chapter 40, Section 8C as amended; the Commonwealth to reimburse the Town for one-half of the cost; such reimbursement when received to be returned to available funds in the treasury.

(Conservation Commission)

\$30,000 — Recommendation to be made at Town Meeting.

Voted: That the Town raise and appropriate the sum of \$30,000.00 for the purpose of acquiring by purchase land lying westerly of Bourne Street and easterly of the Plymouth-Kingston By-Pass, so-called, containing 55 acres more or less being the southerly portion of lot 2 as shown on Plymouth Assessors' Plan No. 2, including Russell's Pond and Sawmill Pond, for conservation purposes and make application therefor; said land to be under the jurisdiction of the Conservation Commission; and used for purposes described in General Laws, Chapter 132A, Section 11 and General Laws, Chapter 40, Section 8C as amended; the Commonwealth to reimburse the Town for one-half of the cost; such reimbursement when received to be returned to available funds in the treasury; said land being bounded and described as follows:

Beginning at the turn-around at the Westerly end of Bourne Street at the Northeasterly corner of Lot 15 shown on said Sheet 2 of the Town of Plymouth Assessors' Map;

thence running Westerly by Lot 15 and Lot 14 as shown on said plan and turning Southerly by said Lot 14 to the line of land shown on Sheet 4 of said Town of Plymouth Assessors' Map;

thence running Southwesterly by said land shown on Sheet 4 to the Easterly corner of Lot 5 shown on Sheet 2;

thence running Northwesterly, Westerly and Northwest-erly again by Lots 5, 4 and 3 shown on said Sheet 2, to Crow's Way as shown on said Sheet 2;

thence running Westerly by said Crow's Way and by the Northerly end of a Town Way as shown on said Sheet 2, to the Plymouth-Kingston By-Pass, also known as Route 3;

thence by said Plymouth-Kingston By-Pass Northwest-erly to the Northwesterly line of land described in a cer-tain Easement from the Plymouth Cordage Company to the Plymouth County Electric Company dated October 21, 1943 and recorded with Plymouth County Registry of Deeds in Book 1855 Page 313;

thence running by said easement line Northeasterly and Easterly as shown on said Sheet 2 of the Plymouth Asses-sors' Map to a point 50 feet westerly of the shore of Rus-sell's Pond;

thence running Northeasterly and Easterly in a line parallel to and 50 feet distant from the shore of said Rus-sell's Pond again to said easement line;

thence continuing Easterly in said easement line to the land shown as Sheet 1 on the Town of Plymouth Assessors' Map;

thence running Southeasterly by said land to the line of land shown as Lot 16B on said Sheet 2;

thence running Westerly and Southerly by said Lot 16B to Bourne Street;

thence running Westerly and Southerly by the turn-around of Bourne Street to the point of beginning.

Voting by a show of hands, 144 in the affirmative, 6 in the negative, being a $\frac{2}{3}$ vote, the motion was carried.

ARTICLE 86. To see what action the Town will take rela-tive to the cleaning of certain sections of King's Pond, and make an appropriation therefor, or take any other action relative thereto.

(By Petition: Salvatore J. Gallo, et al).

Disapproved.

Mr. Gallo moved that the Town clean certain sections of King's Pond and raise and appropriate the sum of \$750.00 therefor, to be spent under the jurisdiction of the Board of Selectmen and in conjunction with funds to be spent by the Commonwealth of Massachusetts, and it was so voted.

ARTICLE 87. To see what action the Town will take on the report and recommendation of the F. L. Smith Redevelop-

ment Authority and make an appropriation therefor, or take any action relative thereto.

(Plymouth Redevelopment Authority).

Approved.

Mr. Sampson moved that the Town accept the report of the Plymouth Redevelopment Authority and authorize the Plymouth Redevelopment Authority to make application for a Code Enforcement Program under Section 117 of the Housing Act of 1949 as amended.

Mr. Chapman moved to amend the motion of Mr. Sampson that the report of the Plymouth Redevelopment Authority be accepted and place on file, without authorization to apply for a Concentrated Code Enforcement Program.

Mr. Chapman's amendment was put before the Meeting and passed.

Mr. Sampson's motion with the amendment of Mr. Chapman was put before the Meeting and was voted.

ARTICLE 88. To see what action the Town will take on the recommendations of the Plymouth Redevelopment Authority for further beautification, dredging and cleaning of Town Brook, and make an appropriation therefor or take any action relative thereto.

(Plymouth Redevelopment Authority)

Recommendations to be made at Town Meeting.

Mr. Sampson moved that the Town authorize the Plymouth Redevelopment Authority to make an application for an Urban Beautification Grant under the Housing Act of 1949, as amended, and it was so voted.

Mr. Sumner Chapman moved that upon completion of action on the 114 Articles in the Warrant, that the Town Meeting recess to Thursday, April 6, 1967, at 7:30 P.M. at the Plymouth-Carver High School, for the purpose of reconsidering Article 5 and so much of Article 7 as would be changed by any action taken under Article 5, and it was so voted.

Mr. Montanari moved to adjourn until 7:30 P.M., Thurs-

day, March 30, 1967, at the Memorial Building. Motion was lost.

Mr. Armstrong moved to adjourn until 7:30 P.M., Monday, April 3, 1967; voting by a show of hands, 86 in the affirmative, 56 in the negative, the motion was passed. The Meeting adjourned at 11:30 P.M.

ADJOURNED TOWN MEETING, APRIL 3, 1967

The Meeting was called to order by the Moderator, Reubin M. Winokur at 7:35 P.M.

The number of Town Meeting Members present April 3, 1967 was 161 as reported by records of checkers, Robert Marvelli and Arsene Strassel II. The Moderator declared a quorum present.

ARTICLE 89. To see if the Town will raise and appropriate a sum of money for the construction of a Municipal Skating Rink on land owned by the Town on Summer Street and to determine whether such appropriation shall be raised by borrowing or otherwise, or take any action relative thereto.

(Municipal Skating Rink Committee)

\$50,000 — Disapproved.

Dr. Gormley moved:

- (a) that the sum of \$370,000 be appropriated for the construction of an artificial ice-skating rink for which refrigeration equipment is required on land owned by the town on Summer Street in the area known as Morton Park, and for the payment of related costs including architect's fees, site acquisition and preparation costs and equipment costs, if any;
- (b) that to raise this sum \$50,000 be appropriated from free cash, and the treasurer with the approval of the selectmen be authorized to borrow \$320,000 under G.L. c. 44 s. 7 as amended;
- (c) that a Building Committee of five persons be appointed by the moderator to take all action

necessary to carry out the purposes of this vote;

- (d) that the selectmen be directed to petition the General Court on behalf of the town for the enactment of a special law.
 - (1) authorizing the town to take under G.L. c. 79 or c. 80A the right to use a portion of the area known as Morton Park as a site for an ice-skating rink.
 - (2) authorizing the construction of the ice-skating rink building thereon and
 - (3) validating and confirming the action of the town in authorizing the construction and financing of the proposed ice-skating rink;
- (e) that a suggested form of law to be included as a part of the petition to the General Court shall be prepared under the supervision of the selectmen; and
- (f) that the inclusion of the suggested form of law in the petition shall not be deemed to limit the generality of the foregoing request for the enactment of the special law.

Voting by a show of hands, 57 in the affirmative, 89 in the negative, the motion was lost.

Mr. Shwom moved that the Town continue the Municipal Skating Rink Committee; said committee to be called the Municipal Skating Rink Building Committee, said committee to report to the Town with plans, specifications and bona fide bids at the next special or annual Town Meeting.

Voting by a show of hands, 80 in the affirmative, 70 in the negative, the motion was passed.

ARTICLE 90. To see what action the Town will take to establish a Recreation Commission consisting of five unpaid members, to be appointed by the Selectmen for the purpose of operating the Municipal Skating Rink, or take any other action relative to operation and management of said rink.

(Municipal Skating Rink Committee)

Disapproved.

No action taken on Article 90.

ARTICLE 91. To see if the Town will raise and appropriate a sum of money to be used by the Recreation Commission in operation of the Municipal Skating Rink; or take any other action relative to operation of said Rink.

(Municipal Skating Rink Committee)

\$20,000 — Disapproved.

No action taken on Article 91.

Mr. Nicoli moved that Articles 92, 93, 94 and 95 be considered together, and it was so voted.

ARTICLE 92. To see if the Town will vote to authorize the Water Commissioners to lay a ten-inch (10") water main in Nick's Rock Road, beginning at the termination of the present water main on Nick's Rock Road near Route 3 and running westerly 3650 feet more or less to the property of the Plymouth Industrial Development Corporation, and make an appropriation of \$36,500 therefor.

(By Petition: Thomas F. Quinn, et al).

\$36,500 — Approved with contingency.

ARTICLE 93. To see what action the Town will take with regard to providing town water in the Industrial Park as recommended by the report of Anderson-Nichols & Company, Inc., and submitted to the Town Meeting by the Development and Industrial Commission.

(By Petition: Thomas F. Quinn, et al).

Recommendation to be made at Town Meeting.

ARTICLE 94. To see what action the Town will take with regard to providing access and internal roads in the Industrial Park as recommended by the report of Anderson-Nichols & Company, Inc., submitted to the Town Meeting by the Development and Industrial Commission.

(By Petition: Thomas F. Quinn, et al).

Recommendation to be made at Town Meeting.

ARTICLE 95. To see what action the Town will take with regard to providing sewerage in the Industrial Park as recommended by the report of Anderson-Nichols & Company, Inc., submitted to the Town Meeting by the Development and Industrial Commission.

(By Petition: Thomas F. Quinn, et al).

Recommendation to be made at Town Meeting.

Mr. Nicoli moved that the Town (1) appropriate the sum of \$10,950.00, for the laying of a water main of not less than 6 inches, but less than 16 inches in diameter on Nick's Rock Road, beginning at the termination of the present water main on Nick's Rock Road near Route 3 and running westerly 3650 feet more or less to the property of the Plymouth Industrial Development Corporation; that to raise this appropriation the Treasurer with the approval of the Selectmen is authorized to borrow \$10,950.00 under Chapter 44 of the General Laws as amended; and that the Water Commissioners are authorized to take all action necessary to carry out this project; (2) appropriate the sum of \$25,500.00 to extend the water mains into the Industrial Park; (3) to appropriate the sum of \$73,800.00 for the original construction of public ways; that to raise this appropriation \$3,690.00 shall be included in the 1967 tax levy and the Treasurer with the approval of the Selectmen is authorized to borrow \$70,110.00 under Chapter 44 of the General Laws as amended, provided that no expenditure shall be made under this section (3) until a plan for said public ways shall have been approved by the Town; (4) to appropriate the sum of \$33,300.00 for the construction of sewers for sanitary and surface drainage purposes and for sewage disposal; that to raise this appropriation \$666.00 shall be included in the 1967 tax levy and the Treasurer with the approval of the Selectmen is authorized to borrow \$32,634.00 under Chapter 44 of the General Laws as amended; (5) that the Plymouth Development & Industrial Commission may apply for and accept any federal aid which may be available in connection with the foregoing projects; and (6) that no amounts shall be borrowed under sections (1), (3) and (4) or expended under section (2) of this vote unless the Selectmen determine that there is sufficient federal aid available to carry out the project described in Phase 1 of the Anderson-Nichols & Company, Inc. Report. It was so voted, Unanimously.

Mr. Prentice moved to reconsider Article 26, the motion was lost.

ARTICLE 96. To see if the Town will vote to approve a request by the Plymouth Housing Authority to the U.S. Public Housing Administration for financial assistance in providing low-rent housing by leasing dwelling units in existing privately owned structures, under the provisions of Section 23 of the U.S. Housing Act of 1937 as amended, and to approve the application of the provisions of said Section 23 to the Town of Plymouth.

(By Petition: Allen B. Wood, et al).

Disapproved.

Mr. Crawley moved that the Town approve a request by the Plymouth Housing Authority to the U.S. Public Housing Administration for financial assistance in providing low-rent housing by leasing dwelling units in existing privately owned structures, under the provisions of Section 23 of the U.S. Housing Act of 1937 as amended, and to approve the application of the provisions of said Section 23 to the Town of Plymouth, and it was so voted.

At 11:25 P.M. Mr. Parkhurst moved to adjourn until 7:30 P.M., Thursday, April 6, 1967, and it was so voted.

ADJOURNED TOWN MEETING APRIL 6, 1967

The Meeting was called to order by the Moderator, Reubin M. Winokur at 7:45 P.M.

The number of Town Meeting Members present April 6, 1967 was 137 as reported by records of checkers, Robert Marvelli and Arsene Strassel II. The Moderator declared a quorum present.

Mr. Couter moved that the Town reconsider its action on Article 68, but the motion was lost.

ARTICLE 59:

Mrs. Nagle moved that the Town authorize the Water Commissioners to lay a water main in Brian's Way not less than six (6) inches in diameter, from White Horse Road,

along Brian's Way, for a distance of 560 feet approximately as follows: Avenue A, 240 Feet; Avenue B, 280 feet; Town of Plymouth, for the purpose of installation and maintenance, and make an appropriation of \$6,210.00.

Voting by a show of hands, 47 in the affirmative, 54 in the negative, the motion was lost.

ARTICLE 97. To see if the Town will vote to amend the Town of Plymouth Zoning Map No. 1 dated January 16, 1961, revised to July 9, 1964, by changing to R-10 Residential District that portion of Lot No. 2 of Assessors' Map No. 129 presently indicated as R-15 Residential District.

(By David B. Mann).

Disapproved.

Mr. Prentice moved that the Town amend the Town of Plymouth Zoning Map No. 1 dated January 16, 1961, revised to July 9, 1964, by changing to R-10 Residential District that portion of Lot No. 2 of Assessors' Map No. 129 presently indicated as R-15 Residential District, the motion was lost.

ARTICLE 98. To see if the Town will vote to amend the Town of Plymouth Zoning Map No. 1 dated January 16, 1961, revised to July 9, 1964 by changing from R-10 Residential District to Neighborhood Business District Lots Nos. 80-81-82-83 and 84 of the subdivision entitled "West Wind Shores" as shown on Assessors' Map No. 121.

(By Woodland Acres, Inc.)

Disapproved.

No action taken on Article 98.

ARTICLE 99. To see if the Town will vote to amend the Town of Plymouth Zoning By-Law dated July 5, 1951; amended as of July 6, 1961 and May 15, 1962 by changing the minimum lot dimension, area, set-backs and area of coverage under section IV, Intensity Regulations, Paragraph IV-A Dwellings, and/or take any action relative thereto.

(Planning Board).

Approved.

Voting by a show of hands, 79 in the affirmative, 36 in the negative, being a $\frac{2}{3}$ vote, the motion was passed.

Mr. Boyer moved that the Town continue the Music Shell Study Committee, under Article 78 — 1966, and to report their findings at the next annual Town Meeting. It was so voted.

Dr. Duby moved to reconsider Article 47. Voting by a show of hands, 56 in the affirmative, 60 in the negative, the motion was lost.

Mr. Shwom moved that the Town amend the Town of Plymouth Zoning By-Law dated July 5, 1951; amended as of July 6, 1961 and May 15, 1962, by deleting Section IV-A Dwellings. And by substituting therefore the following IV-A Dwellings. — A dwelling or a private garage appurtenant thereto hereafter erected in any district shall be located on a lot having not less than the minimum requirements set forth in the table below and no more than one dwelling shall be built upon any such lot. No existing lot shall be changed as to size or shape so as to result in the violation of the requirements set forth below:

	Minimum Lot Dimension		Minimum set-back			Max. % area Cover. Incl. Acces. B'd'gs
	Area in Frontage sq. ft.	in ft.	Front in ft.	Side in ft.	Rear in ft.	
	(a)	(a)	(b)			
Residential R-40	40,000	160	40	25	25	15
Residential R-20	20,000	120	25	15	15	20
Residential R-15	20,000	100	20	10	10	25
Residential R-10	20,000	100	20	10	10	25
Other Districts	20,000	100	20	10	10	25

Voting by a show of hands, 78 in the affirmative, 40 in the negative, not being a $\frac{2}{3}$ vote, the motion was lost.
(Article 99 reconsidered and acted upon, before Article 104.)

ARTICLE 100. To see if the Inhabitants of the Town of Plymouth will vote to authorize the Selectmen to grant New Bedford Gas & Edison Light Company and New England Telephone and Telegraph Company an easement covering joint pole locations and wire rights for the lines now serving the Bates Hangar section of Plymouth Airport, South Meadow Road, or take any other action thereon.

(Selectmen)

Approved.

Voted: (Unanimously) That the Town authorize the Selectmen to grant to New Bedford Gas & Edison Light Company and New England Telephone & Telegraph Company an easement covering joint pole locations and wire rights for the lines now serving the Bates Hangar section of Plymouth Airport, South Meadow Road.

ARTICLE 101. To see if the Inhabitants of the Town of Plymouth will vote to authorize the Selectmen to grant New Bedford Gas & Edison Light Company an easement granting rights for street lighting standards with underground wires and conduits within the area known as Brewster Park, shown as Lot 103 on Plat 20, Plymouth Assessors' Map, or take any other action thereon.

(Selectmen)

Approved.

Voted: (Unanimously) That the Town authorize the Selectmen to grant New Bedford Gas & Edison Light Company an easement granting rights for street lighting standards with underground wires and conduits within the area known as Brewster Park, shown as Lot 103 on Plat 20, Plymouth Assessors' Map.

Mr. Russell moved to consider Article 103 before Article 102, and the motion was passed.

Mr. Russell read the report of the Old Town House Study Committee.

ARTICLE 103. To see if the Town will vote to raise and appropriate a sum of money to repair the exterior of the old Town House. Said appropriation to be expended under the jurisdiction of the Selectmen.

(Selectmen)

\$21,790 — Disapproved.

Mr. Russell moved that the Town raise and appropriate the sum of \$30,000.00 to be expended under the jurisdiction of the Selectmen, to repair and renovate the exterior of the Old Town or Court House on Town Square, with authority, if they so desire to avail themselves of Federal Assistance under the provisions of the Kennedy-Tower Amendment to the Housing Act of 1965; and it was so voted.

ARTICLE 102. To see what action the Town will take on the report of the Old Town House Study Committee authorized under Article 73 of the 1966 Annual Town Meeting; to see if the Town will authorize the Selectmen to re-appoint the committee and authorize the committee to explore the possibility of raising funds for the restoration of the interior of the building, and make an appropriation therefor. Said funds to be expended under the jurisdiction of the Selectmen.

(Selectmen)

\$500 — Approved.

Mr. Shwom moved that the Old Town House Study Committee authorized under Article 73 of the 1966 Annual Town Meeting explore the possibility of raising funds for the restoration of the interior of the building and to report at the next special or annual Town Meeting; and to raise and appropriate the sum of \$500.00, for the expenses of the Committee. Said funds to be expended under the jurisdiction of this Committee.

Mr. Russell moved that the Town authorize the Selectmen to re-appoint the Old Court House Study Committee, authorized under Article 73 of the 1966 Annual Town Meeting, and to add two additional members, and that said committee shall explore the possibility of raising funds for the restoration of the interior of the building, by gifts from private or public sources, and if such financing is found, then the committee, with the approval of the Selectmen, may accept such financing and proceed with plans for restoration and with restoration, in accordance with the terms of such gift or financing, raising and appropriating the sum of \$500.00 for the expenses of such committee, to be expended under the jurisdiction of the Selectmen, said committee to report to the next special or annual Town Meeting as to their activities. The motion was passed.

The motion of Mr. Shwom, with the amendment of Mr. Russell, was put before the Meeting and was passed.

Mr. Crawley moved to reconsider Article 99, voting by a show of hands, 75 in the affirmative, 34 in the negative, it was so voted.

ARTICLE 104. To see if the Town will vote to raise and appropriate a sum of money from Street Parking Meter Receipts for the purchase of fifty (50) new parking meters and to trade in fifty (50) used parking meters; said expenditure and meters to be under the jurisdiction of the Selectmen.

(Selectmen)

\$2,600 — Approved. Appropriation to be made from Parking Meter Receipts.

Voted: That the Town appropriate the sum of \$2,600.00, from Street Parking Meter Receipts for the purchase of fifty (50) new parking meters and to trade in fifty (50) used parking meters; said expenditure and meters to be under the jurisdiction of the Selectmen.

ARTICLE 105. To see what action the Town will take in regards to purchase of equipment and maintenance thereof for Civil Defense; and make any appropriation therefor or to take any other action relative thereto.

(Walter B. Haskell, Civil Defense Director and Charles C. Henderson, Deputy Director).

No action.

Mr. Haskell moved that the Town appropriate the sum of fifteen hundred (\$1,500.00) dollars, to be added to the Civil Defense budget account for the purpose of maintenance and care of all CD-Local Government radio equipment, and it was so voted.

ARTICLE 106. To see if the Town will appropriate a sum of \$300 to provide for the use of Town-owned floodlights at Stephens Field, said appropriation to be spent under the supervision of the Park Department.

(By Petition: Janice E. Villano, et al).

\$300 — Approved.

Voted: That the Town raise and appropriate the sum of \$300.00, to provide for the use of Town-owned floodlights at Stephen's Field; said appropriation to be spent under the supervision of the Park Department.

ARTICLE 107. To see what action the Town will take on the report and recommendation of the Committee authorized under Article 91, of the 1965 Town Meeting to study the adoption of a by-law to establish a Council on Aging, and make an appropriation therefor.

(Study Committee on a By-Law to Establish a Council on Aging).

Recommendation: Committee be continued.

Mr. Walter Haskell read the report of the Council on Aging Committee.

Voted: That the Committee authorized under Article 91 of the 1966 Town Meeting to continue to study the adoption of a by-law to establish a Council on Aging, be discharged with the thanks of the Town.

ARTICLE 108. To see what action the Town will take in affiliating with the Southeast Regional and Economic Development District and make an appropriation therefor. Said action shall be under direction of the Selectmen.

(Plymouth Development and Industrial Commission).

Disapproved.

No action taken on Article 108.

ARTICLE 109. Will the Town instruct the moderator to re-activate the Special Committee on Organization of the Town Government of Plymouth, Massachusetts appointed under Article 12 of the Town Meeting of September 26, 1965. This committee to review its previous data and recommendations, to restudy our town government and to report its recommendations at the next annual town meeting; copies of the report to be filed with the Advisory and Finance Committee and the Town Clerk on or before December 1, 1967. The moderator would be instructed to appoint a committee of seven. The town is to appropriate \$500 for committee expenses.

(By Petition: Priscilla C. Macomber, et al).

\$500 — Approved. The committee of 7: 1 from each of the 5 precincts; 1 from Selectmen; 1 from Advisory & Finance Committee.

Voted: That the Town instruct the Moderator to reactivate the Special Committee on Organization of the Town Government of Plymouth, Massachusetts appointed under Article 12 of the Town Meeting of September 26, 1965; the Committee to be made up of seven members, one member from each of the five precincts, one member from the Board of Selectmen and one member from the Advisory and Finance Committee; said committee to review its previous data and recommendations, to restudy our town government and to report its recommendations at the next annual Town Meeting; copies of the report to be filed with the Advisory and Finance Committee and the Town Clerk on or before December 1, 1967, and to raise and appropriate the sum of \$500.00, for committee expenses.

ARTICLE 110. To see if the Town will vote that a committee be formed to study the present Town Government, to make recommendations for changes and/or improvements, to make these recommendations at the next annual town meeting, and to make an appropriation for expenses for said committee.

(Advisory and Finance Committee).

Recommendation to be made at Town Meeting.

No action taken on Article 110.

ARTICLE 111. Will the Town direct the Districting Board (Selectmen and Registrars of Voters) to review the precinct boundaries and revise the same such that they shall more nearly contain equal numbers of voters, this to be done in December 1967, and appropriate funds therefor.

(By Petition: Everett F. Lanman, et al).

Disapproved.

No action taken on Article 111.

ARTICLE 112. To see what action the Town will vote to take with regard to certain unexpended appropriation balances.

Departments voluntarily returned unexpended balances.

No action taken on Article 112.

ARTICLE 113. To see what amount the Town will vote to transfer from available funds to reduce the tax levy of the current year.

Recommendation to be made at Town Meeting.

Voted: That the Town authorize and direct the Assessors to take \$200,000.00 from available funds to reduce the tax levy of the current year.

ARTICLE 114. To see what amount the Town will vote to transfer from available funds for the Stabilization Fund, as authorized by the provisions of Chapter 124 of the Acts of 1945.

Recommendation to be made at Town Meeting.

Voted: That the Town transfer from available funds the sum of \$100,000.00 for the Stabilization Fund, as authorized by the provisions of Chapter 124 of the Acts of 1945.

The motion of Mr. Chapman to consider the Union Contract was postponed until April 13, 1967.

Mr. Fillebrown questioned if there was a quorum present. A count was taken and it was shown a quorum was present. One hundred and twenty-one Town Meeting Members present.

At 11:30 P.M., Mr. Fillebrown moved to recess until Thursday, April 13, 1967 at 7:30 P.M., and it was so voted.

ADJOURNED TOWN MEETING, APRIL 13, 1967

The Meeting was called to order by the Moderator, Reubin M. Winokur at 7:40 P.M. The Number of Town Meeting members present April 13, 1967 was 146 as reported by records of checkers, Robert Marvelli and Arsene Strassel II. The Moderator declared a quorum present.

ARTICLE 5:

Mr. Chapman moved to amend the motion of the Finance Committee to amend the Classification and Compensation Plans and Personnel By-Law by adopting and approving the Agreements made by the Board of Selectmen as Collective Bargaining Agents for the Town of Plymouth and the Collective Bargaining Agents for the permanent full-time employees of the Highway, Tree, Park, Cemetery, and Water Departments, and the Town Custodial and Matron employees under the Board of Selectmen, excluding clerical employees and Superintendents and Assistant Superintendents, as set forth in Pages 28 to 48 inclusive of the Supplemental Report of the Advisory and Finance Committee; and to instruct the Personnel Board to revise the Classification and Compensation Plans and Personnel By-Law by substituting where pertinent the said agreements.

The motion was passed.

Mr. Wilson moved to amend Mr. Chapman's motion by changing page No. 28 to page No. 32, so that the motion will then read: to amend the motion of the Finance Committee to amend the Classification and Compensation Plans and Personnel By-Law by adopting and approving the Agreements made by the Board of Selectmen as Collective Bargaining Agents for the Town of Plymouth and the Collective Bargaining Agents for the permanent full-time employees of the Highway, Tree, Park, Cemetery and Water Departments and the Town Custodial and matron employees under the Board of Selectmen, excluding clerical employees and Superintendents and Assistant Superintendents as set forth in pages 32 to 48 inclusive of the Supplemental Report of the Advisory and Finance Committee; and to instruct the Personnel Board to revise the Classification and Compensation Plans and Personnel By-Law by substituting where pertinent the said agreement. Motion was passed.

Mr. Prentice moved to amend Mr. Chapman's motion so as to change in subsection (b) of Article XI of the Union Agreement, the words and figures "one (1) year" to "thirty (30) weeks"; to delete subsection (c) entirely; to change in subsection (d) the word and figure "twenty (20)" to "fifteen (15)"; and in Article XXII of the Union Agreement, to delete the words "without loss of pay."

Motion was passed.

Mr. Thom moved that an agreement appearing on pages 32 through 48 of the Advisory and Finance Committee Supplementary Report dated March 25, 1967 be accepted with the following changes:

that Article I be amended by adding the following two paragraphs:

It is recognized and agreed that on the Employer (Town of Plymouth) rests the responsibility of operating the various departments of the Town and of promoting and maintaining its welfare: it is agreed that it is to the interest of employees, as well as to the inhabitants of the Town, that the welfare of the Town be promoted and maintained.

It is further agreed that the Employer must be free, therefore, to exercise its best judgment along such lines, among others, as increasing or decreasing operations; removing or installing machinery or equipment, or changing its nature; the relieving of employees from duty because of lack of work; the employment, laying off or re-employment and transfer of employees; the demotion, promotion or discharge of employees for cause as efficient operation of the various departments of the Town shall, in the opinion of the Employer, require; provided that the exercise of such functions by the Employer shall be in conformity with the provisions of this contract.

that Article II be amended by adding in the second line after "employer" a comma and the words "or by the Union."

that Article V be deleted and the following substituted:

ARTICLE V

HOURS OF WORK:

With certain exceptions noted below, the regular hours of work each day shall be consecutive except for interrup-

tions for lunch periods; the work week shall consist of five consecutive eight-hour days, Monday through Friday inclusive; and the normal work day shall consist of eight (8) consecutive hours within the twenty-four hour period. Exceptions to the above would be in emergency situations such as snow plowing and sanding, in the operation of the street sweeper which the department head may vary except they shall not normally exceed eight (8) hours within a twenty-four hour period, and in the work schedule of those employees whose duties of necessity vary according to seasonal or other requirements and with whom appropriate arrangements may be made.

The work week for employees at the pumping station shall consist of ten (10) consecutive eight (8) hour days, followed by four (4) days off.

that the second sentence in Article VI be deleted and that the last paragraph of Article VI be deleted and the following substituted:

Overtime work shall be voluntary except when an employee is actually at work in an emergency situation. There shall be no discrimination against any employee who other times declines to work overtime.

that Article VII be amended by adding the following words to the last sentence:

“except as modified by any other article herein.”

that Article VIII be amended by striking the words “of foreman” from the first sentence of the second paragraph.

Mr. Thom’s motion was passed.

Mr. Thom moved that the proposed Personnel By-Law on pages 4 through 27 of the Advisory and Finance Committee Supplementary Report dated March 25, 1967 be amended as follows:

1. In section 5, page 9, the words “and hourly wage schedules in Sections 9, 10 and 11” be inserted in the second line after the words Section 8.
2. In Section 8, page 12, the words “and sections 9, 10 and 11: Hourly Wage Schedules” be inserted in the ninth line after the words Schedule C.

3. In Schedule A, page 13, Clerical Group delete "S-7" after Senior Clerk-Assistant Town Clerk and substitute "S-9."
also
under the heading Custodial Group insert after "S-9," "S-11" and "S-8" a comma and the words "Section 11."
4. In Schedule B, page 16, add one hundred dollars (\$100.00) to each Step Rate of each Compensation Grade.
5. In Schedule C, page 17, delete the present Step Rates of each Compensation Grade and substitute the following:

Compensation Grade	Minimum	II	Maximum
W-1	\$2.16	\$2.24	\$2.32
W-2	2.24	2.32	2.40
W-3	2.32	2.40	2.49
W-3a	2.37	2.45	2.53
W-4	2.40	2.49	2.57
W-5	2.49	2.57	2.67
W-6	2.57	2.67	2.78
W-7	2.67	2.78	2.88
W-8	2.78	2.88	2.98

6. In Schedule D, pages 17 and 18,
after Call Fire Fighter (part-time) delete "2.10-2.20-2.30 (hr.)" and substitute "2.74-2.84-2.93-3.03-3.12 (hr.)."

after Call Fire Lieutenant (part-time) delete "2.65 (hr.)" and substitute "3.12-3.22-3.32-3.41 (hr.)."

after Call Fire Captain (part-time) delete "3.00 (hr.)" and substitute "3.41-3.56-3.70 (hr.)."
after Matron (part-time) delete "1.76 (hr.)" and substitute "1.88 (hr.)."
7. In Sections 9 and 10, pages 18 and 19, add five cents (\$.05) to each Step Rate in each Compensation Grade.
8. In Section 11, page 19, delete each Step Rate of each Compensation Grade and substitute the following:

Compensation Grade	Minimum	II	III	IV	Maximum
S-8	\$2.14	\$2.21	\$2.28	\$2.36	\$2.44
S-9	2.21	2.28	2.36	2.44	2.52
S-10	2.28	2.36	2.44	2.52	2.61
S-15	2.50	2.60	2.71	2.82	2.93
S-16	2.60	2.71	2.82	2.93	3.04

9. Delete from Section 14 (g) (3) the paragraph referring to the Highway Department at the top of page 22.

Mr. Thom's motion was passed.

Mr. Thom moved that Article I of the proposed Personnel By-Law in the Advisory and Finance Committee Supplementary Report dated March 25, 1967 be amended by adding the following:

The provisions of an agreement dated the 21st day of February, 1967 and signed by the Board of Selectmen as bargaining agents for the Town of Plymouth and by Mr. Robert S. Hall, et alia, as bargaining agents for the American Federation of State, County and Municipal Employees, AFL-CIO, State Council 41, Local 1700 with changes approved by the 1967 Annual Town Meeting, are hereby incorporated into this By-Law by reference to be in effect during the period of said agreement and any extensions thereof.

Motion was passed.

Mr. John Fillebrown moved to amend the Classification and Compensation Plans and Personnel By-Law, by deleting from the table on page 15, the classification "Master Mechanic — S-15" and substitute therefor the words "Master Mechanic — FM-3" and amend the "Schedule B-1 on page 16 by adding thereto the following schedule:

Compensation Grade	Minimum Step	Step II	Step III	Step IV	Step V
FM-3	\$6,500	6,800	\$7,100	\$7,400	\$7,700

77 voting in the affirmative, 53 in the negative, the motion was passed.

ARTICLE SEVEN:

Mr. Wilson moved to amend Article 7, Item 110—Overtime \$17,000.

The motion was passed.

At 9:15 P.M., April 13, 1967, Mr. Brewster moved to adjourn the Meeting and it was so voted.

And you are hereby required to serve this Warrant in the manner prescribed by a vote of the Town by posting notices thereof in three public places in the Town, seven days at least before the meeting, one of which postings shall be in Chiltonville, and one in Manomet Ponds, and also by publishing the Warrant in the newspapers published in Plymouth, and make return thereof with your doings thereon at the time and place above-mentioned.

Given under our hands this fifteenth day of February, 1967.

ANDREW J. COLLAS

Town Clerk

SPECIAL TOWN MEETING

NOVEMBER 9, 1967

The Meeting was called to order by the Moderator, Reubin M. Winokur at 7:40 P.M. The invocation was given by the Rev. Thomas A. Banks of the Plymouth Methodist Church.

The number of Town Meeting Members present November 9, 1967, was 139 as reported by records of the checkers Robert Marvelli, Arsene Strassel, 2nd, Carleton Kendrick and Alton Leeson. The Moderator declared a quorum present.

ARTICLE 1. To see what amount the Town will vote to raise and appropriate from available funds for departmental expenses for the balance of the current year.

(Selectmen, Highway, Welfare, Veterans)

APPROVED: \$57,851.65

Selectmen, Other Expenses	\$100.00
---------------------------------	----------

Old Town House, now occupied, is to be vacated before the end of the year. Fuel is needed to protect against freezing.

Highway, Equipment Maintenance	7,751.65
--------------------------------------	----------

Grader motor replacement (\$4,146) Grader is 12 years old. New motor will increase present grader life 6 to 7 years. New grader would cost \$30,000.

Street Sweeper Repairs	405.65
------------------------------	--------

Equipment maintenance for November-December	3,200.00
---	----------

Budgeted funds inadequate for remainder of year.

Veterans' Benefits, Assistance	30,000.00
--------------------------------------	-----------

Public Assistance, Assistance	20,000.00
-------------------------------------	-----------

\$57,851.65

Voted: That the Town appropriate from available funds (Free Cash) the sum of \$57,851.65, of which \$100.00 shall be for Selectmen, Other Expenses; \$7,751.65 for Highways,

Equipment Maintenance; \$20,000.00 for Public Assistance, Assistance; and \$30,000.00 for Veterans' Benefits, Assistance.

ARTICLE 2. To see if the Town will vote to raise and appropriate \$2,000 from available funds, to be added to the \$5,000 appropriated in 1962 under Article 63, to be spent in conjunction with sums to be provided by the State or County, or both, for the construction of two groins at Plymouth Beach, north of the groins approved in 1960.
(Selectmen)

APPROVED: \$2,000 for groins or jetties, approved in 1960 and 1962, and until now not built because state funds were not available. DPW now plans to proceed so that these two groins will be in place for the 1968 summer season. Funds appropriated by the town in 1962 not sufficient to meet increased costs.

Voted: That the Town appropriate from available funds (Free Cash) the sum of \$2,000, to be added to the sum of \$5,000 appropriated in 1962 under Article 63, and to be spent in conjunction with sums to be provided by the State or County, or both, for the construction of two groins north of the existing groin at Plymouth Beach, the Town to assume liability as provided by Section 29, Chapter 91, as amended, for damages incurred hereunder.

ARTICLE 3. To see if the Town will vote to authorize the School Committee to expend \$6,950 in addition to the funds voted at the last Town Meeting from Public Law #874 funds for Expenses of Instruction.
(School Department)

APPROVED: \$6,950, to cover increased cost of instruction. Public Law 874 funds are available in the town treasury.

Voted: That the Town authorize the School Committee to expend \$6,950 in addition to the funds voted at the last Town Meeting from Public Law 874 funds for Expenses of Instruction.

ARTICLE 4. To see if the Town will appropriate a sum of money for constructing, originally equipping and furnishing a police station on the so-called Cornish Burton School Lot on Russell Street, to determine whether such appropriation shall be raised by borrow-

ing or otherwise, or take any other action relative thereto.
(Police Station Planning Committee)

APPROVED: \$175,000 (unanimously voted). Present police station lease expires in 1970 and is not renewable and present facilities are substandard. 25% of cost can be applied to reduce the amount the town must pay for urban renewal if police station construction is begun before the Urban Renewal project is completed next spring.

Voted: (Unanimously) That the Town appropriate the sum of \$175,000 for constructing, originally equipping and furnishing a police station on the so-called Cornish-Burton School Lot on Russell Street; that to raise this appropriation, \$10,000 be appropriated from available funds and the Treasurer with the approval of the Selectmen is authorized to borrow \$165,000 under General Laws, Chapter 44, Section 7 (3) as amended.

ARTICLE 5. To see if the Town will increase the amounts appropriated by and otherwise amend the vote taken under Articles 92, 93, 94 and 95 of the warrant for the 1967 annual town meeting dealing with a proposed Industrial Park, and to determine how any such additional sums shall be raised, whether by borrowing or otherwise.
(Development and Industrial Commission)

NO ACTION: The Plymouth Development and Industrial Commission requests that no action be taken. The EDA application does not require this appropriation.

To see if the Town will increase the amounts appropriated by and otherwise amend the vote taken under Articles 92, 93, 94 and 95 of the warrant for the 1967 annual town meeting dealing with a proposed Industrial Park, and to determine how any such additional sums shall be raised, whether by borrowing or otherwise.

No action taken under Article 5.

ARTICLE 6. To see if the Town will vote to increase the term of Office for the Tree Warden to three years, commencing with the March 1968 election, or take any action relative thereto.
(Tree Warden)

APPROVED: Increased term, it is felt, will provide incentive for planning programs projecting for more than one year.

Voted: That the Town increase the term of the Tree Warden to three years, as provided for by the General Laws (Ter. Ed.), Chapter 41, Section 1, and provide that at the next annual Town Meeting the Tree Warden be elected for the term of three years, and thereafter, for the term of three years.

ARTICLE 7. To see if the Town will vote to approve a bill to be filed in the Legislature by the Selectmen authorizing the placing of questions on the ballot at the Annual Town Meeting to ascertain the will of the people relative to the conveyance of land at Plymouth Rock to the National Park Service, to be maintained by it thereafter, as a National Park.
(Selectmen)

APPROVED: This procedure is required under the new "Home Rule" amendment.

Voted: That the Town authorize the Selectmen to file a bill in the Legislature authorizing the placing of questions on the ballot at the Annual Town Meeting to ascertain the will of the people relative to the conveyance of land at Plymouth Rock to the National Park Service, to be maintained by it thereafter, as a National Park.

ARTICLE 8. To see if the Town will vote to approve a bill to be filed in the Legislature by the Selectmen authorizing all offices and positions in the Town of Plymouth Veterans' Services Department to be included under the provisions of Chapter 31, Civil Service, of the Massachusetts General Laws.
(Veterans' Services)

DISAPPROVED: This article would remove the Veterans' Services office personnel from local control.

Mr. Charles Henderson moved that the Town request its Representative in the General Court to file a bill in substantially the following form, for action by the 1968 Legislature.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

Section 1. The provisions of Chapter thirty-one of the General Laws shall apply to all offices and positions in the Department of Veterans' Services in the Town of Plymouth.

The tenure of office of the present Incumbents of said positions on the effective date of this act shall be subject to the Civil Service law and rules: provided, that the incumbents of such positions in the classified Civil Service on said effective date shall be subjected by the division of Civil Service to a qualifying examination as provided in Section 47A of Chapter thirty-one of the General Laws, and, if such incumbents pass said examination, shall be certified for such positions, and shall be deemed to be permanently appointed thereto without being required to serve any probationary period.

Section 2. This act shall take effect upon its passage.
Motion was lost.

Mr. John Armstrong moved to change Section 2 of Mr. Henderson's motion by the following:

Section 2. This act will become effective at such time as the Commonwealth of Massachusetts takes over the cost and operation of Veterans' Services.

Motion was lost.

ARTICLE 9. To see if the Town will vote to approve a bill to be filed in the Legislature by the Selectmen to amend Chapter 26 of the Acts of 1946 "AN ACT AUTHORIZING THE TOWN OF PLYMOUTH TO MAKE APPROPRIATIONS FOR THE OBSERVANCE OF THANKSGIVING DAY" to increase the amount the Town may appropriate.
(Selectmen)

APPROVED: This procedure is required under the new "Home Rule" amendment. This bill allows Plymouth to spend up to \$2,000 for Thanksgiving Day observance. Limit is now \$1,000. The actual amount to be appropriated each year still remains under the control of the town meeting.

Voted: That the Town authorize the Selectmen to file a bill in the Legislature to amend Chapter 26 of the Acts of 1946 "AN ACT AUTHORIZING THE TOWN OF PLYMOUTH TO MAKE APPROPRIATIONS FOR THE OBSERVANCE OF THANKSGIVING DAY" to increase the amount the Town may appropriate to \$2,000.

ARTICLE 10. To see if the Town will vote to authorize the Selectmen to acquire by purchase or take by eminent domain, an ease-

ment for drainage purposes on land of Ruth Sears Littlefield on the Northeasterly and Southwesterly side of Long Pond Road and make an appropriation for acquisition of easement and expenses of acquiring titles.

(Selectmen)

APPROVED: \$150 expense. This drainage easement is necessary to the improvements planned on Long Pond Rd. and is required for Chapter 90 work.

To see if the Town will vote to authorize the Selectmen to acquire by purchase or take by eminent domain, an easement for drainage purposes on land of Ruth Sears Littlefield on the Northeasterly and Southwesterly side of Long Pond Road and make an appropriation for acquisition of easement and expenses of acquiring titles.

No action taken on Article 10.

ARTICLE 11. To see if the Town will vote to authorize the Selectmen to acquire by purchase or take by eminent domain, an easement for drainage purposes on land of Edwin M. Holmes and Wesley B. Holmes on the Northeasterly side of Long Pond Road and make an appropriation for acquisition of easement and expenses of acquiring titles.

(Selectmen)

APPROVED: \$150 expense. This drainage easement is necessary to the improvements planned on Long Pond Rd. and is required for Chapter 90 work.

Voted: That the Town authorize the Selectmen to acquire by purchase or take by eminent domain, an easement for drainage purposes on the land of Edwin M. Holmes and Wesley B. Holmes on the northeasterly side of Long Pond Road as shown on a plan entitled "Town of Plymouth, Proposed Drainage System and Outlet about STA 182 + 75 and STA 185 + 50, Long Pond Road Scale 1 inch = 40 feet, February 28, 1966, Veto M. Cassese, Engineer" and raise and appropriate from Free Cash, the sum of \$100 for acquisition of easement and expenses of acquiring titles.

Voting by a show of hands, 121 in the affirmative, 1 in the negative.

ARTICLE 12. To see if the Town will vote to authorize the Selectmen to acquire by purchase or take by eminent domain, an easement for drainage purposes on land of Alvin Barnes and Lylis

Barnes on the Southwesterly side of Long Pond Road and make an appropriation for acquisition of easement and expenses of acquiring titles.

(Selectmen)

APPROVED: \$150 expense. This drainage easement is necessary to the improvements planned on Long Pond Rd. and is required for Chapter 90 work.

Voted: (Unanimously) That the Town authorize the Selectmen to acquire by purchase or take by eminent domain, an easement for drainage purposes on the land of Alvin Barnes and Lylis Barnes, on the southwesterly side of Long Pond Road as shown on a plan entitled "Town of Plymouth, Plan of Proposed Drainage System and Outlet About STA 193 + 58, Long Pond Road, Scale 1 inch = 40 feet, March 2, 1966, Veto M. Cassese, Engineer" and raise and appropriate from Free Cash the sum of \$100 for acquisition of easement and expenses of acquiring titles.

ARTICLE 13. To see if the Town will vote to authorize the Selectmen to acquire by purchase or take by eminent domain, as easement for drainage purposes on land of Frederic A. Bliss and Dorris P. Bliss on the Northeasterly side of Long Pond Road and make an appropriation for acquisition of easement and expenses of acquiring titles.

(Selectmen)

APPROVED: \$150 expense. This drainage easement is necessary to the improvement planned on Long Pond Rd. and is required for Chapter 90 work.

Voted: (Unanimously) That the Town authorize the Selectmen to acquire by purchase or take by eminent domain, an easement for drainage purposes on the land of Frederic A. Bliss and Dorris P. Bliss on the northeasterly side of Long Pond Road, as shown on a plan entitled "Town of Plymouth, Plan of Proposed Drainage System and Outlet About STA 97 + 22, Long Pond Road, Scale 1 inch = 40 feet, February 17, 1966, Veto M. Cassese, Engineer" and raise and appropriate from Free Cash the sum of \$100 for acquisition of easement and expenses of acquiring titles.

ARTICLE 14. To see if the Town will vote to authorize the Selectmen to acquire by purchase or take by eminent domain, an easement for drainage purposes on land of Mary K. Irwin, Trustee of

Garde Realty Trust on the Southwesterly side of Long Pond Road and make an appropriation for acquisition of easement and expenses of acquiring titles.

(Selectmen)

APPROVED: \$150 expense. This drainage easement is necessary to the improvement planned on Long Pond Rd. and is required for Chapter 90 work.

To see if the Town will vote to authorize the Selectmen to acquire by purchase or take by eminent domain, an easement for drainage purposes on land of Mary K. Irwin, Trustee of Garde Realty Trust on the southwesterly side of Long Pond Road and make an appropriation for acquisition of easement and expenses of acquiring titles.

No action taken on Article 14.

ARTICLE 15. To see if the Town will vote to approve an expenditure of \$459.31 from funds in the treasury under Chapter 822, Highway Repairs, for work on Federal Furnace Road instead of Cliff Street.

(Selectmen)

APPROVED: \$459.31. Cliff St. work is completed, but funds remaining in that account cannot be used elsewhere, in this case Federal Furnace Rd., without town meeting approval.

Voted: That the Town approve an expenditure of \$459.31 from funds in the treasury under Chapter 822, Acts of 1963, Highway Repairs, for work on Federal Furnace Road instead of Cliff Street.

ARTICLE 16. To see if the Town will vote to sell and convey a parcel of Town owned land approximately 50 feet by 145 feet on the Southerly side of the "Road Leading from Drew Road to Cocks Pond" to the abutting owner, Paul W. Hill, to settle any question as to the intrusion of a building on Town property; to establish a price therefore and to authorize the Selectmen to sign, seal with the Town seal, acknowledge and deliver in the name of the Town a deed of said parcel, or to take any other action in relation thereto.

By Petition

Madeline O'Fihelly, et al

DISAPPROVED: Encroachment on town property has become a serious problem. Favorable action on this article will encourage other encroachments.

To see if the Town will vote to sell and convey a parcel of Town-owned land approximately 50 feet by 145 feet on the Southerly side of the "Road Leading from Drew Road to Cook's Pond" to the abutting owner, Paul W. Hill, to settle any question as to the intrusion of a building on Town Property: to establish a price therefore and to authorize the Selectmen to sign, seal with the Town seal, acknowledge and deliver in the name of the Town a deed of said parcel, or to take any other action in relation thereto.

No action taken on Article 16.

ARTICLE 17. To see what action the Town will take with respect to confirming the action of the Regular Town Meeting held on April 13, 1967 wherein it was voted to amend the Classification and Compensation Plans and Personnel By-Law, by deleting from the table on page 15, the classification "Master Mechanic S-15*" and substitute therefor the words "Master Mechanic—FM-3" and amend the Schedule B-1 on page 16 by adding thereto the following schedule.

Compensation Grade	Minimum Step	Step II	Step III	Step IV	Step V
FM-3	6500	6800	7100	7400	7700

By Petition

John R. Fillebrown, et al

DISAPPROVED: Favorable action on this article is contrary to town bylaws. Proper course of action to accomplish the intent of this article is available and known to those involved.

Mr. Arthur Lamb moved that the Town confirm the action of the Regular Town Meeting held on April 13, 1967 wherein it was voted to amend the Classification and Compensation Plan and Personnel By-Law, by deleting from the table on Page 15, the classification "Master Mechanic S-15*" and substitute therefor the words "Master Mechanic — FM 3" and amend the Schedule B-1 on page 16 by adding thereto the following schedule.

Compensation Grade	Minimum Step	Step II	Step III	Step IV	Step V
FM-3	6,500	6,800	7,100	7,400	7,700

Motion was passed.

Mr. Russell Fry moved to amend the motion of Mr. Lamb on Article 17, by the following: That the Personnel By-Law be amended by changing the Compensation Grade of the incumbent Master Mechanic (Fire) in Schedule A from S-17 to S-18, effective as of January 1, 1967.

Mr. Lamb's motion with Mr. Fry's amendment put before the meeting and voted.

Meeting adjourned at 9:00 P.M.

ANDREW J. COLLAS, Town Clerk

**PERSONNEL BOARD REPORT
FOR THE YEAR 1967**

A revision of the Town of Plymouth Personnel Bylaw including the Classification and Compensation Plan was presented and approved at the 1967 Annual Town Meeting and is incorporated as a part of this report by reference.

The impact of the new State collective bargaining act applicable to municipalities created some profound changes in the process of developing proposed revisions in the Bylaw for action by the Annual Town Meeting. The addition of the Board of Selectmen as bargaining agents for the town and of three separate bargaining agents for various categories of employees doubled the number of groups involved in framing the revisions and inevitably necessitated a much more complex pattern of meetings and communications. The bargaining process itself proved much more time-consuming than the previous system of simple hearings. Instead of proposed new pay rates being available for incorporation into department budgets by the December 21 deadline, the rates resulting from bargaining were not even available until late February. The need for printing the proposed new Bylaw to be available to representatives before the Town Meeting, provided the several groups concerned with Bylaw revision insufficient time to resolve differences over various provisions of the bargaining agreements.

As a result, when these differences became apparent in the early sessions of the Town Meeting, the representatives directed that the six principal groups —the Board of Selectmen, the three bargaining agents for employees, the Finance Committee and the Personnel Board — meet and seek to develop a uniform set of recommendations. Ultimately this was accomplished in regard to virtually all major points and, after a recess of about two weeks, a revised Bylaw was approved at a final session of the Town Meeting held on April 13, 1967.

The principal changes represented by the 1967 Personnel Bylaw as compared with that of 1966 are as follows:

1. The agreement signed by the Selectmen and the AFL-CIO Local with changes approved by the Town Meeting was incorporated into the general Bylaw by reference with the provision that in any instance of conflict the terms of the agreement should prevail.
2. Pay increases of 5 per cent plus \$100 were provided for all employees on Schedule B; of \$500 across the board for all uniformed police and fire personnel, Schedule B-1; of 20 cents per hour for hourly rated personnel, Schedule C; and of 5 per cent for most part-time personnel, Schedule D, except the call fire force for whom hourly rates were set equivalent to those for the same grades of permanent personnel.
3. Section 14f (4) prohibiting payment to police for court appearances during their normal time off was deleted.
4. Time-and-one-half for overtime after 40 hours per week was provided for foremen covered by the AFL-CIO contract and the \$75.00 monthly additional compensation December-March for foremen in the Highway Department was eliminated; the monthly special payment for Airport administrative personnel May-October was revised from \$50.00 to \$120.00.
5. Time-and-one-half pay in addition to the regular compensation was provided for holiday work for those covered by the AFL-CIO contract.
6. An increased vacation allowance of three weeks after ten years of service was provided replacing the provision that an additional day for each year of service after ten years be granted until a total of three weeks was attained.

On April 20, 1967, the Personnel Board held its organizational meeting with David B. Freeman being elected chairman; John A. Thom, vice chairman, and Dorothy Zupperoli, secretary.

Between the organizational meeting and the year end, the Board held fourteen regular meetings and representatives attended certain meetings of other boards on matters of mutual interest and visited various town departments in connection with requests for its decisions in situations pertaining to provisions of the Personnel Bylaw.

Included in its actions were the following:

. . . the design and distribution to departments of a form for filing petitions for revisions in the By-law.

. . . approved the new Sanitarian's entering his Pay Grade at Step IV due to his several years of experience in the same work elsewhere.

. . . extended sick leaves in several instances where, under the terms of the Bylaw, the circumstances warranted.

. . . ruled that the Bylaw intended holiday pay for part-time personnel in continuous employment.

. . . ruled that due to the action of the 1966 Town Meeting, personnel could not be advanced to higher step rates solely on the basis of length of service. (Ruling subsequently confirmed by Town Counsel.).

. . . recommended to the special November Town Meeting that the Master Mechanic employed by the Public Safety Commission be reclassified from Pay Grade S-16 to S-17.

. . . in accordance with a request from the Selectmen, agreed to hold a special hearing on the bargaining agreements on December 14, 1967 in lieu of the statutory November deadline (the agree-

ments, however, were not completed by December 14 and no action could be taken).

. . . ruled that special police officers working full time were entitled to holiday pay (a decision on the matter had been asked by the Public Safety Commission).

Numerous requests for changes in the Personnel Bylaw including a number of job reclassifications have been and are being studied and will be the subject of recommendations at the 1968 Annual Town Meeting.

In December, Mr. John A. Thom resigned from the Board due to the increasing travel required in his regular employment which frequently made it impossible for him to attend Board meetings.

Respectfully submitted,

DAVID B. FREEMAN, Chairman
LEONARD P. SULLIVAN
CHARLES C. WALL
RICHARD F. WITHINGTON

PERSONNEL BY-LAW

Section 1. Authorization

Pursuant to the authority contained in Sections 108A and 108C of Chapter 41 of the General Laws, there shall be established plans, which may be amended from time to time by vote of the Town at a Town meeting; (a) classifying positions in the service of the Town, other than those filled by popular election, those under the direction and control of the School Committee, those under the jurisdiction of the Board of Retirement, the position of Town Counsel, certain positions for which the compensation is on a fee basis or the incumbents of which render intermittent or casual service and which do not appear in Schedule A of Section 8 following, into groups and classes doing substantially similar work or having substantially equal responsibilities; (b) authorizing a compensation plan for positions in the classification plan; (c) providing for the administration of said classification and compensation plans; and (d) establishing certain working conditions and fringe benefits for employees occupying positions in the classification plan.

The classification of positions which are subject to the Welfare Compensation Plan of the Commonwealth of Massachusetts and the schedule of rates therefor effective January 1, 1965 with subsequent amendments, if any, and the provisions of Section 47D of Chapter 31 of the General Laws relating to the application of rates set forth in the aforementioned Welfare Compensation Plan are hereby incorporated by reference.

The provisions of an agreement dated the 21st day of February, 1967 and signed by the Board of Selectmen as bargaining agents for the Town of Plymouth and by Mr. Robert S. Hall, et alia, as bargaining agents for the American Federation of State, County and Municipal Employees, AFL-CIO, State Council 41, Local 1700 with changes approved by the 1967 Annual Town Meeting are hereby incorporated into this By-Law by reference to be in effect during the period of said agreement and any extensions thereof.

Section 2. Definitions

As used in this by-law, the following words and phrases shall have the following meanings unless a different construction is clearly required by the context or by the laws of the Commonwealth:

“Town,” the Town of Plymouth.

"Civil Service Law," Chapter 31 of the General Laws of the Commonwealth, as amended and all rules and regulations made thereunder; and any special law enacted by the General Court regulating the classification, compensation and conditions of employment of officers and employees of the Town under Chapter 31;

"Classification Plan," class titles of Schedule A of Section 8 of this by-law plus class specifications which are on file with the Personnel Board and which are hereby incorporated by reference;

"Class," a group of positions in the Town service sufficiently similar in respect to duties and responsibilities so that the same descriptive title may be used to designate each position allocated to the class, that the same qualifications shall be required of the incumbents, that the same tests of fitness may be used to choose qualified employees and that the same scale of compensation can be made to apply with equity;

"Position Class," same as class (a class may include only one position, in which event it is defined as a "single position class");

"Group," an occupational group of classes appearing in Schedule A of Section 8;

"Department Head," the officer, board or other body having immediate supervision and control of a department;

"Employee," an employee of the Town occupying a position in the classification plan;

"Department," any department, board, committee, commission or other agency of the Town subject to this by-law;

"Administrative Authority," the elected official or board, or the appointed official having jurisdiction over a function or activity;

"Full-time employment," employment for not less than seven and one-half hours per diem for five days a week for fifty-two weeks per annum, minus legal holidays and authorized vacation leave, sick leave, bereavement leave, and other leave of absence;

"Part-time employment," employment for less than full-time employment, as defined above;

"Continuous employment," employment uninterrupted except for required military service and for authorized vacation leave, sick leave, bereavement leave, or other leave of absence;

“Full-time employee,” an employee retained in full-time employment;

“Part-time employee,” an employee retained in part-time employment;

“Position,” an office or post of employment in the Town service with duties and responsibilities calling for the full-time or part-time employment of one person in the performance and exercise thereof;

“Permanent position,” any position in the Town service which has required or which is likely to require the services of an incumbent without interruption for a period of more than six calendar months, either on a full-time or part-time employment basis;

“Permanent employee,” (1) any employee retained on a continuing basis in a permanent position, as defined above; (2) any employee holding a permanent appointment under Civil Service Law to a position deemed permanent within the meaning of said law;

“Temporary position” or “seasonal position,” any position in the Town service which requires or which is likely to require the services of one incumbent for a period not exceeding six calendar months; a seasonal position requiring less than the work week of its occupation group shall be considered as part-time;

“Temporary employee,” (1) an employee retained in a temporary or seasonal position as defined above; (2) any employee holding a temporary appointment under Civil Service Law who does not also have permanent status thereunder;

“Intermittent service,” personal service rendered by an employee in a position calling for part-time employment, which service although constituting continuous employment is not rendered during prescribed working hours, daily, weekly or annually, but is rendered as required, according to the demands for such service;

“Casual service,” personal service rendered by an employee in a position calling for part-time employment, which service does not constitute continuous employment; this service is rendered occasionally and without regularity according to the demands therefor;

"Compensation Plan," Schedules B through D in Section 8;

"Compensation Grade," a range of salary or wage rates appearing on Schedule B, B-1 or Schedule C of Section 8;

"Rate," a sum of money designated as compensation for hourly, weekly, semi-monthly, monthly or annual personal services;

"Minimum Rate," the rate in a range which is normally the hiring rate of a new employee;

"Maximum Rate," the highest rate in a range which an employee normally is entitled to attain;

"Range," the dollar difference between minimum and maximum rates;

"Personal Rate," a rate above the maximum rate applicable only to a designated employee;

"Step Rate," a rate in a range of a compensation grade;

"Increment," the dollar difference between step rates;

"Promotion," a change from a position of lower class and compensation grade to a position with greater responsibilities in a higher class and compensation grade;

"Board," the Personnel Board as defined in Section 3.

Section 3. Personnel Board

(a) There shall be a Personnel Board consisting of five members responsible for the administration of the classification and compensation plans. The membership of the Board shall be as follows: Two members to be appointed by the Advisory and Finance Committee; one employee who does not serve the Town in an elective capacity, to be appointed by the Board of Selectmen; two citizens of the Town who do not serve the Town in either an appointive or elective capacity (except that election as a Town Meeting member shall not preclude appointment to the Board), to be appointed by the Moderator. The term of office shall be for three years; members of the Board at the time this by-law is adopted will continue in office until the terms to which they were appointed have expired. Vacancies, other than by expiration of terms, shall be filled in the same manner and by the same authority for the balance of the unexpired term.

(b) The Board shall be invested with all the powers and duties specified in Section 108C of Chapter 41 of the General Laws.

(c) The Board shall administer the plans and shall establish such procedures as it deems necessary for the proper administration thereof.

(d) Forthwith after its appointment and annually, the Board shall meet and organize by electing a chairman and appointing a secretary. A majority of the Board shall constitute a quorum for the transaction of business. A majority vote of the Board shall determine the action the Board must take in all matters upon which it is authorized or required to pass under this by-law.

(e) The Board may employ assistance and incur expenses as it deems necessary subject to the appropriation of funds thereof.

(f) The Board shall maintain adequate personnel records of all employees occupying positions subject to the classification and compensation plans, said records to be kept in its custody. Department Heads shall provide such information as the Board may request.

(g) The Board shall maintain written job descriptions or specifications of the classes in the classification plan, each consisting of a statement describing the essential nature of the work and the characteristics that distinguish the class from other classes. The description for any class shall be construed solely as a means of identification and not as prescribing what the duties or responsibilities of any position shall be, or as modifying, or in any way affecting, the power of any administrative authority, as otherwise existing, to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

(h) Upon recommendation of a department head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Board, the Board may authorize an entrance rate higher than the minimum rate for a position, and/or such other variance in the compensation plan as it may deem necessary for the proper functioning of the services of the Town. No variance shall become effective unless, or until, the necessary funds have been appropriated therefor.

Section 4. Classification Plan

(i) The Board shall make an annual report in writing to the Board of Selectmen on or before January 20 of each year.

(a) All positions in the service of the Town except those excluded in Section 1 are hereby classified by titles appearing in Schedule A of Section 8 which is made a part hereof. These classes of positions shall constitute the Classification Plan for the paid Town service, within the meaning of Section 108A of Chapter 41 of the General Laws, as amended.

(b) Whenever a new position is established, or the duties of an existing position are so changed that in effect a new position is created, upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall allocate such new or changed position to its appropriate class, as hereinafter provided.

(c) The title of each class, as established by the Classification Plan, shall be the official title of every position allocated to the class and the official title of each incumbent of a position so allocated, and shall be used to the exclusion of all others on payrolls, budget estimates and other official records and reports pertaining to the position.

(d) No position may be reclassified or no class may be assigned to a different compensation grade, until the Personnel Board shall have determined such reclassification or such reassignment to be consistent with the classification and compensation plans.

Section 5. Compensation Plan

(a) The Compensation Plan shall consist of Schedules B through D in Section 8 and hourly wage schedules in Sections 9, 10 and 11 which provide minimum and maximum salaries or wages for certain of the classes in the Classification Plan. The salary range of a position class shall be the salary range of all positions allocated to the class.

(b) All employees shall continue to be paid on an hourly, weekly, semimonthly, annual or other basis, as at present, except as provided in the compensation plan, unless otherwise authorized by the Personnel Board.

(c) No department head shall fix the salary of any employee in a position so classified except in accordance with the compensation plan.

(d) No person shall be appointed, employed or paid as an employee in any position subject to the provisions of the classification plan under any title other than those appearing on Schedule A of Section 8.

(e) An employee in continuous full-time or part-time employment shall receive the increment between his present rate and the next higher step rate as follows:

- (1) On January first or July first provided he has completed thirty weeks service at the minimum or other rate if a rate other than the minimum is authorized as the entrance rate.
- (2) Thereafter one year from the date of his previous increase until he attains the maximum rate of the range of the compensation grade to which his position class is assigned.
- (3) Employees in continuous part-time employment eligible for increments under the provisions of this sub-section shall be those occupying positions in classes for which compensation is provided in Schedule B, B-1 or Schedule C of Section 8.

(f) An employee occupying a seasonal position in a class for which compensation is provided in Schedule B, B-1 or Schedule C of Section 8 shall receive increments as provided in the preceding sub-section on the basis of thirty weeks employment constituting one year.

(g) An employee receiving a promotion to a vacant position or to a new position as defined in Section 4 (b) shall, upon assignment resulting from such promotion, receive the rate in the compensation grade of the vacant or new position next above his existing rate. If the resulting adjustment does not equal \$100.00 for a position class assigned to Schedule B, B-1 or \$.05 for a position class assigned to Schedule C, the adjustment shall be to the second rate above the existing rate but within the compensation grade of the vacant or new position.

(h) The employee receiving a promotion and adjustment in rate pursuant to the provisions of the preceding sub-section shall receive the next increment of his compensation grade effective the next January or July first following completion of thirty weeks at the rate resulting from the promotion.

(i) If an employee's rate at the time of the adoption of this by-law is in excess of the maximum rate set forth in his appropriate compensation grade in Schedule B, B-1 or Schedule C of Section 8 or is in excess of the rate set forth for his position class in Schedule D of Section 8, this rate shall not be reduced, but shall become a personal rate applicable only to said employee as defined in Section 2.

(j) Each department head of a department to which is assigned an employee occupying a position in the classification plan shall include in his estimates required by the provisions of Section 59 of Chapter 41 of the General Laws a pay adjustment section setting forth in detail the amounts which will be required for anticipated pay adjustments during the ensuing year and shall furnish a copy thereof to the Board.

(k) The adjustments provided for in this section shall be subject to the availability of appropriated funds.

Section 6. Amendment of the Plans

(a) The Classification Plan and/or the Compensation Plan and/or other provisions of this By-Law may be amended by vote of the Town at either a regular or a special Town Meeting. Requests for such amendments shall be made to the Board by signed petition. All signed petitions requesting amendments of the Classification Plan and/or the Compensation Plan and/or other provisions of this By-Law must be submitted to the Board no later than four months prior to a regular Town Meeting. Whenever such a petition is received, the Board shall promptly hold a hearing to consider such proposed amendment, and the petitioners and the heads of the departments affected shall be given at least three days' written notice. Prior to the next Town Meeting, the Board shall file with the Selectmen for insertion in the warrant for the next Town Meeting an article sufficiently stated such petition. At the same time, the Board shall file with to permit the Town to act upon the subject matter of any

the Finance Committee a final report, with recommendations, pertaining to any such petition, provided that no recommendation in favor of a proposed amendment shall be made except by an affirmative vote of three of its members.

(b) The Board may, from time to time of its own motion, hold a hearing to consider any proposed amendment. In the event said proposed amendment is supported by an affirmative vote of three of its members, the Board shall proceed according to the preceding sub-section to insert an article in the warrant and to report its recommendations to the Finance Committee.

(c) In the case of urgent necessity, the Personnel Board may anticipate the formal action of the Town Meeting by adding a new classification and the salary or wage thereof to the classification and pay plan, and such addition will be effective subject to early ratification by the Town at a Town Meeting.

Section 7. Continuing Review

The Board, from time to time of its own motion, shall investigate the work and standard rates of salaries or wages of any or all positions subject to the provisions of this by-law. Such reviews shall be made at such intervals as the Board deems necessary and, to the extent which the Board considers practicable, shall include all occupational groups in the classification plan.

Section 8. Position Classes: Salary, Wage and Miscellaneous Compensation Schedules

The following schedules, together with class specifications previously incorporated by reference, constitute the classification and compensation plans of the Town as defined in Section 2:

SCHEDULE A — Classification of Positions by Occupational Groups and Assignment to Compensation Grades or to the Miscellaneous Schedule.

SCHEDULES B and B-1 — Annual Salary Schedules

SCHEDULE C and SECTIONS 9, 10 and 11 — Hourly Wage Schedules

SCHEDULE D — Miscellaneous Compensation Schedule for Part-time and Seasonal Positions

Section 9. Part-time Positions Classified in Clerical Group

Employees occupying clerical positions in continuous part-time employment shall be compensated at hourly rates appearing in the following schedule which is hereby incorporated in the compensation plan:

Compensation Grade	Minimum	II	III	IV	Maximum
S-1	\$1.70	\$1.77	\$1.85	\$1.92	\$1.99
S-5	1.99	2.07	2.14	2.21	2.29
S-6	2.07	2.14	2.21	2.29	2.37
S-7	2.14	2.21	2.29	2.37	2.45

Section 10. Part-time Positions Classified in Library Group

Employees occupying library positions in continuous part-time employment shall be compensated at hourly rates appearing in the following schedule which is hereby incorporated in the compensation plan:

Compensation Grade	Minimum	II	III	IV	Maximum
S-2	\$1.67	\$1.73	\$1.80	\$1.87	\$1.94
S-4	1.80	1.87	1.94	2.00	2.08

Section 11. Part-time Positions Classified in the Custodial Group

Employees occupying custodial positions in continuous part-time employment shall be compensated at hourly rates appearing in the following schedule which is hereby incorporated in the compensation plan:

Compensation Grade	Minimum	II	III	IV	Maximum
S-8	\$2.14	\$2.21	\$2.28	\$2.36	\$2.44
S-9	2.21	2.28	2.36	2.44	2.52
S-10	2.28	2.36	2.44	2.52	2.61
S-15	2.70	2.80	2.91	3.02	3.13
S-16	2.80	2.91	3.02	3.13	3.24

Section 12. Part-time Positions Classified in Labor and Airport Groups

Employees occupying positions in seasonal employment classified as Seasonal Laborer shall be compensated at the minimum rate for the first year of employment, the middle rate for the second year and the maximum rate for the third year unless approved differently by the Personnel Board.

Employees occupying seasonal positions or positions in part-time continuous employment in other position classes in the Labor and Airport groups shall be compensated for hours worked at the appropriate rates set forth in Schedule C of Section 8.

Section 13. Method of Application

(Wording of 1966 By-Law is no longer applicable. An amendment will be proposed at Town Meeting.)

Section 13a. Work Week

The work week for full-time or seasonal employment in each occupational group shall be as follows:

Group	Work Week
Airport Group	40 — 48 hours
Clerical Group	37.5 hours
Library Group	40 hours
Custodial Group	40 hours
Labor Group	40 hours
Public Safety Group:	
Police (full-time)	40 hours
Fire (full-time)	56 hours (a)
Others	As Required (b)
Administrative Group	As Required (b)
Supervisory Group	As Required (b)

(a) Uniformed personnel

(b) "As Required" shall mean the total number of hours in the work week needed to perform the duties of the position, as determined by the appropriate administrative authority

Section 14. Overtime Compensation

(a) *Airport Group* — An employee shall be compensated at his regular hourly rate for hours worked in excess of forty-eight weekly.

(b) *Clerical Group* — An employee shall be compensated at the hourly rate set forth in Section 9 which corresponds to his step rate designation in the corresponding compensation grade on Schedule B, Section 8, for hours worked in excess of thirty-seven and one-half weekly.

(c) *Library Group* — An employee shall be compensated at the hourly rate set forth in Section 10 which corresponds to his step rate designation in the corresponding compensation grade in Schedule B, Section 8, for hours worked in excess of forty weekly.

(d) *Custodial Group* — Positions classified in this group shall receive compensation at the hourly rates set forth in Section 11 for hours worked in excess of forty weekly.

(e) *Labor Group* — An employee shall be compensated at one and one-half times his regular hourly rate for hours worked in excess of forty weekly.

(f) *Public Safety Group:*

(1) An employee in full-time employment called back for duty on his scheduled day off shall receive one-fifth of his weekly rate for such duty provided the duty consists of an assigned shift of not less than eight hours.

(2) An employee of the Fire Department in full-time employment who responds to a box alarm pursuant to the administrative rules of the department may be compensated at an hourly rate determined by the Public Safety Commission, which rate shall not exceed one-fortieth of the employee's weekly rate.

(3) An employee of the Police or Fire Departments in full-time employment who is required to work beyond his scheduled tour of duty may be compensated at an hourly rate determined by the Public Safety Commission, which rate shall not exceed one-fortieth of the employee's weekly rate except that a reasonable minimum compensation per call in may be established.

(g) *Administrative Group:*

(1) An employee normally is not entitled to overtime, but shall be granted compensatory time at the convenience of his department head for hours worked in excess of forty weekly except as indicated below.

(2) An employee in a civilian position in the Police or Fire Departments shall be subject to the same provisions as those applicable to members of the uniformed force of each department as set forth in Section 14 (f) (3).

(3) An employee of the Airport shall receive supplemental compensation according to the following schedule in recognition of the seasonal fluctuations in the number of hours he is required to be on duty:

Airport: One hundred twenty (\$120.00) each month May-October inclusive

(The basic work week for these employees shall be that established for their department.)

(h) *Supervisory Group*—An employee is not entitled to overtime, as he has the authority to approve overtime compensation for his subordinates. He is entitled to take compensatory time which he shall report to the proper administrative authority if requested. He shall also make adequate provision for the supervision of his department in his absence.

Section 15. Paid Holidays

(a) The following days or dates shall be recognized as legal holidays within the meaning of this by-law:

New Year's Day	First day of January
Washington's Birthday	22nd of February
Patriot's Day	19th of April
Memorial Day	30th of May
Independence Day	4th of July
Labor Day	First Monday of September
Columbus Day	12th of October
Veterans' Day	11th of November
Thanksgiving Day	The Thursday in November so proclaimed
Christmas Day	25th of December

on which days employees shall be excused from all duty not required to maintain essential Town services.

(b) Every employee in full-time or continuous part-time employment shall be entitled to these designated holidays on the following terms:

- (1) If paid on an hourly basis, he shall receive one day's pay at his regular rate based on the number of hours regularly worked on the day on which the designated holiday occurs;
- (2) If paid on a weekly, semi-monthly or annual basis, he shall be granted each designated holiday without loss in pay.

(c) Payment under the provisions of this section shall be made provided the eligible employee shall have worked on his last regularly scheduled working day prior to and his next regularly scheduled working day following such holiday, or was in full pay status on such preceding and following days in accordance with other provisions of this by-law.

(d) An employee in continuous employment occupying a position in other than the Public Safety or Supervisory Groups who performs work on one of the days designated in sub-section (a) shall be paid at his regular rate for such day or fraction thereof in addition to the amount to which he is entitled under sub-section (b).

(e) At the request of the employee, he may be granted compensatory time off at the convenience of the departments in lieu of payment provided under sub-section (d).

(f) An employee in continuous employment, in other than the Police or Fire Departments, who, because of a rotation of shifts, works different days in successive weeks shall be granted, in each year in which the number of holidays falling on his regular days off is in excess of the number of holidays in that year falling on Saturday, additional days off equal to the excess.

(g) Whenever one of the holidays set forth in sub-section (a) falls on a Sunday, the following day shall be the legal holiday.

Section 16. Vacation Leave

(a) An employee in continuous service shall be granted two weeks vacation with pay provided he has completed thirty weeks of service prior to June first.

(b) An employee with less than thirty weeks of continuous employment as of June first shall be granted one day of vacation for each full month of continuous service completed prior to June first, but not to exceed one week of vacation.

(c) An employee who has completed ten years of service shall, in the year during which this length of service has been completed, be granted three weeks of vacation with pay.

(d) Upon the death of an employee who is eligible for vacation under these rules, payment shall be made to the estate of the deceased in an amount equal to the vacation allowance as accrued in the vacation year prior to the employee's death but which had not been granted. In addition, payment shall be made for that portion of the vacation allowance earned in the vacation year during which the employee died up to the time of his separation from the payroll.

(e) Employees who are eligible for vacation under these rules and whose services are terminated by dismissal through no fault or delinquency of their own, or by retirement, or by entrance into the armed forces, shall be paid an amount equal to the vacation allowance as earned, and not granted, in the vacation year prior to such dismissal, retirement, or entrance into the armed forces. In addition, payment shall be made for that portion of the vacation allowance earned in the vacation year during which such dismissal, retirement or entrance into the armed forces occurred up to the time of the employee's separation from the payroll.

(f) Absences on account of sickness in excess of that authorized under the rules therefor or for personal reasons as provided for under other leave may, at the discretion of the department head, be charged to vacation leave.

(g) An employee, unless receiving pay for such a day or date under the provisions of Section 17A of Chapter 147 or Section 57A of Chapter 48 of the General Laws, shall be granted an additional day of vacation if, while on vacation leave, a designated holiday occurs which falls on or is legally observed on Monday, Tuesday, Wednesday, Thursday or Friday.

(h) Vacation allowances provided under the terms of this section will be calculated on a twelve-month period commencing on June first and ending on May thirty-first, and these allowances must be taken in the twelve months' period that immediately follows. In unusual circumstances, exceptions may be granted by the Personnel Board upon recommendations of department heads. Such vacation shall be granted by the head of the respective department of the Town at such time as, in his opinion, will cause the least interference with the performance of the regular work of the Town.

(i) An employee shall not be allowed to work during his vacation leave and be compensated with extra pay without approval of the department head and the Personnel Board.

Section 17. Sick Leave

(a) An employee in continuous employment who has completed thirty weeks of service following original employment shall be allowed fifteen days leave with pay each calendar year or one and one-quarter days for each month thereof if in any year his employment is less than thirty weeks, provided such leave is caused by sickness or injury or by exposure to contagious disease.

(b) An employee in continuous employment shall be credited with the unused portion of leave granted under sub-section (a) up to a maximum of sixty days.

(c) An employee in continuous employment shall, subject to the limitation of sub-section (b), be credited with three days unused leave for each year of employment or fraction thereof ending on December thirty-first prior to the adoption of this by-law. An employee occupying a temporary or seasonal position shall not be credited with unused sick leave beyond his current period of employment.

(d) If the amount of leave credit provided under sub-section (b) has been or is about to be exhausted, an employee may make application for additional allowances to that provided under sub-section (a). Such application shall be made to the Board which is authorized to grant such additional allowances as it may determine to be equitable after reviewing all circumstances including the employee's attendance and performance record prior to conditions supporting his request for the additional allowance.

(e) Sick leave must be authorized by the department head and must be reported, on blanks provided for same, to the Board.

(f) A physician's certificate of illness shall be submitted by the employee after three days absence to his department head before leave is granted under the provisions of this section. This certificate shall be forwarded by the department head to the Board.

(g) The Board may, of its own motion, require a medical examination of any employee who reports his inability to report for duty because of illness. This examination shall be at the expense of the Town by a physician appointed by the Board.

(h) Injury, illness or disability self-imposed, or resulting from the use of alcohol or drugs, shall not be considered a proper claim for leave under this section.

(i) Payments made under the provisions of this section shall be limited to an employee who is receiving Workmen's Compensation payments to the difference between the amount paid in Workmen's Compensation and the employee's regular rate.

(j) In the event of payments made to an employee under the preceding sub-section, the Board may debit the employee's sick leave accrual by such amounts as it determines to be equitable in relation to such payments.

(k) Nothing in this section shall be construed to conflict with Section 100 of Chapter 41 of the General Laws.

Section 18. Bereavement Leave

Emergency leave up to three days may be allowed for death in an employee's immediate family (wife, husband, mother, father, child, brother or sister), mother-in-law and father-in-law.

Absences for personal reasons may be charged to vacation leave upon application by the employee and approval by his department head. Such absences, however, may not be charged to vacation leave beyond that which the employee has earned by the time of such application.

Section 19. Other Leave

tion leave upon application by the employee and approval by his department head. Such absences, however, may not be charged to vacation leave beyond that which the employee has earned by the time of such application.

Section 20. Physical Examination

Before appointment to a position in the classification plan requiring continuous service, or to a seasonal position designated by the Board, a candidate shall have passed a physical examination satisfactory to the Board. The examining physician shall be appointed by the Board and the examination shall be at the expense of the Town. The examining physician shall advise the Board as to whether, in his opinion, the applicant is physically qualified to perform the

duties of the position for which application has been made, and the applicant shall complete a questionnaire which the Board will design. The examining physician's report shall be confidential and shall be deposited with the Board of Retirement.

Section 21. Operation of By-Law

This By-Law shall be operative only as to employees whose positions are classified hereunder and for which positions minimum and maximum salaries, or single-rated salaries, have been established by vote of the Town at a Town Meeting.

Section 22. Civil Service Law

Nothing in this By-Law shall be construed to conflict with Chapter 31 of the General Laws.

Section 23. Effect of Partial Invalidity

The invalidity of any section of this By-Law shall not invalidate any other section or provision thereof.

Agreement
BETWEEN
the
TOWN OF PLYMOUTH, MASSACHUSETTS
and
AMERICAN FEDERATION OF STATE, COUNTY AND MUNICIPAL
EMPLOYEES, AFL-CIO, STATE COUNCIL 41, LOCAL 1700*

This agreement entered into by the Town of Plymouth, hereinafter referred to as the Employer, and Local 1700, State Council 41, American Federation of State, County and Municipal Employees, AFL-CIO, hereinafter referred to as the Union, has as its purpose the promotion of harmonious relations between the employer and the union; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work and other conditions of employment.

Article I

Recognition:

The Employer recognizes the Union as the sole and exclusive bargaining agent for the purposes of establishing salaries, wages, hours and other conditions of employment for the permanent full-time employees of the following bargaining units: Highway, Tree, Park, Cemetery, and Water Departments, and the Town Custodial and Matron employees under the Board of Selectmen, excluding clerical employees and Superintendents and Assistant Superintendents.

The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining, or make any agreement with any such group or individual for the purpose of undermining the union or changing any condition contained in this agreement while the agreement is in force and effect.

*Including amendments approved by 1967 Annual Town Meeting.

It is recognized and agreed that on the Employer (Town of Plymouth) rests the responsibility of operating the various departments of the Town and of promoting and maintaining its welfare; it is agreed that it is to the interest of employees, as well as to the inhabitants of the Town, that the welfare of the Town be promoted and maintained.

It is further agreed that the Employer must be free, therefore, to exercise its best judgment along such lines, among others, as increasing or decreasing operations; removing or installing machinery or equipment, or changing its nature; the relieving of employees from duty because of lack of work; the employment, laying off or re-employment and transfer of employees; the demotion, promotion or discharge of employees for cause as efficient operation of the various departments of the Town shall, in the opinion of the Employer, require; provided that the exercise of such functions by the Employer shall be in conformity with the provisions of this contract.

Article II

Discrimination & Coercion:

There shall be no discrimination by foremen, superintendents or other agents of the employer, or by the union against any employee because of his activity or membership or non-membership in the union. The employer further agrees that there will be no discrimination against any member for his adherence to any provision of this agreement or his refusal to comply with any order which would clearly violate this agreement.

Article III

Union Dues & Initiation Fees:

Employees shall tender the monthly membership dues by signing the authorization of dues form. During the life of this agreement and in accordance with the terms of the form of authorization of check-off dues hereinafter set forth, the employer agrees to deduct union membership dues lev-

ied in accordance with the constitution of the union from the pay of each employee who executes or has executed such form and remit the aggregate amount to the treasurer of the union along with a list of employees who have had said dues deducted. Such remittance shall be made by the 15th day of the succeeding month.

Authorization for Payroll Deduction

By:
Last Name First Name Middle Name

To:
Employer: Department

Effective:
Date

I hereby request and authorize you to deduct from my earnings, (once) each (month) the amount established by the union as dues. The amount deducted shall be paid to the treasurer of the union.

This authorization shall be irrevocable for the period of one year from the date hereof or until the termination of this agreement (whichever occurs first) and shall be automatically renewed and irrevocable for successive similar periods of one year, unless written order or revocation is given by me to you and to the union ten days prior to the expiration of the anniversary of the signing of this card or the termination of this agreement (whichever occurs first).

Signed

Address

.....

Article IV

Grievance and Arbitration Procedure:

Any grievance or dispute which may arise between the parties, including the application, meaning or interpretation of this agreement, shall be settled in the following manner, but no grievance or dispute involving refusal to comply with orders of a foreman or superior shall be initiated by an employee unless the orders in question shall have first been complied with by the employee:

STEP 1. The union steward and/or representative, with or without the aggrieved employee, shall take up the grievance or dispute in writing with the employee's immediate superintendent within three (3) working days of the date of the grievance or his knowledge of its occurrence, but no later than ten (10) working days from the date of the grievance. The superintendent shall attempt to adjust the matter and shall respond to the steward within three (3) working days.

STEP 2. If the grievance has not been settled, it shall be presented in writing to the department head or heads within three (3) working days after the superintendent's response is due. The department head or heads shall respond to the steward in writing within three (3) working days, or if a board, within three (3) working days after the next regular meeting of that board.

STEP 3. If the grievance still remains unadjusted, it may be presented to the Selectmen for a hearing. Such hearing will be scheduled within ten (10) days of presentation, but in any event a reply to the grievance will be given the employee no later than 15 days by the selectmen. Failure by the selectmen to reply within this period shall be construed as a decision favorable to the employee.

STEP 4. If the grievance is still unsettled, either party may, within fifteen (15) days after the reply of the selectmen is due, by written notice to the other, request arbitration.

The arbitration proceeding shall be conducted by an arbitrator to be selected by the employer and the union within seven (7) days after notice has been given. If the parties fail to select an arbitrator, the State Mediation and Conciliation Service shall be requested by either or both parties to provide a panel of five (5) arbitrators. Both the employer and the union shall have the right to strike two (2) names from the panel. The party requesting arbitration shall strike the first name, the other party shall then strike one (1) name. The process will be repeated and the remaining person shall be the arbitrator.

The decision of the arbitrator shall be final and binding on the parties, and the arbitrator shall be requested to issue his decision within thirty (30) days after the conclusion of testimony and argument.

The expenses for the arbitrator's services and the proceedings shall be borne equally by the employer and the union. However, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record and makes copies available without charge to the other party and to the arbitrator.

Article V

Hours of Work:

With certain exceptions noted below, the regular hours of work each day shall be consecutive except for interruptions for lunch periods; the work week shall consist of five consecutive eight-hour days, Monday through Friday inclusive; and the normal work day shall consist of eight (8) consecutive hours within the twenty-four hour period. Exceptions to the above would be in emergency situations such as snow plowing and sanding, in the operation of the street sweeper which the department head may vary except they shall not normally exceed eight (8) hours within a twenty-four hour period, and in the work schedule of those employees whose duties of necessity vary according to seasonal or other requirements and with whom appropriate arrangements may be made.

The work week for employees at the pumping station shall consist of ten (10) consecutive eight (8) hour days, followed by four (4) days off.

Article VI

Overtime:

Employees covered by this agreement shall be paid overtime at the rate of one and one-half ($1\frac{1}{2}$) times their regular rate of pay for work in excess of eight (8) hours in one day and forty (40) hours in one week.

The employer shall furnish a meal to any employee who is requested to and does work two (2) hours beyond his regular shift. The employee shall be furnished meals every four (4) hours thereafter while he continues to work. In the event the employer is unable to furnish meals, the employee shall be granted time off to eat, and the employer shall compensate the employee for the cost of each meal up to \$1.50. Time off to eat shall be without pay.

Any employee called back to work on the same day after having completed his assigned work and left his place of employment and before his next regular scheduled starting time, shall be paid at the rate of time and one-half ($1\frac{1}{2}$) for all hours worked on recall. He will be guaranteed a minimum of two (2) hours pay at time and one-half ($1\frac{1}{2}$).

Employees shall not be required to take time off for any overtime, except for employees in continuous operation.

Overtime shall be equally and impartially distributed among personnel in each area who ordinarily perform such related work in the normal course of their work week; and a list shall be established and a number assigned to each person, who shall be called for overtime in numerical order beginning with the number succeeding that of the last person who was called for overtime. When in the case of extreme emergencies, it is necessary to call in personnel from other areas to aid and assist, the personnel from areas other than the area which normally performs such related work shall be released from their duties first when the work load lessens. However, the employer agrees that the use of con-

tract work shall not inhibit the full use of the regular employees during such emergency to the extent that they are able to perform their duties.

The employer shall keep records in each division time book of the overtime work. In case of a grievance involving such records, they shall be subject to examination by the union representative or the shop steward with the foreman of the division involved.

A record of the overtime hours worked by each employee shall be furnished upon request of the union steward.

Overtime work shall be voluntary except when an employee is actually at work in an emergency situation. There shall be no discrimination against any employee who other times declines to work overtime.

Article VII

Seniority:

The length of service of the employee in the bargaining unit shall determine the seniority of the employee.

The principle of seniority within a job classification shall govern and control in all cases of promotion within the bargaining unit, transfer, decrease or increase of the working force as well as preference in assignment to shift work and choice of vacation period except as modified by any other article herein.

Article VIII

Job Posting and Bidding:

When a position covered by this agreement becomes vacant such vacancy shall be posted in a conspicuous place listing the pay, duties, and qualifications. This notice of vacancy shall remain posted for seven (7) days. Employees interested shall apply in writing within the seven (7) day period. Within five (5) days of expiration of the posting period the employer will award the position to the applicant with the most seniority in his classification within his unit.

The employer shall make the determination of the fulfillment of qualification for any job. Such determination by the employer may be subject to the grievance procedure of this agreement if not agreed to by the union. Provided, however, that if the employer's determination of the qualifications is questioned, the burden of showing that the employer's determination or qualifications was discriminatory, or inherently wrong, shall at all times be upon the union.

If it is mutually agreed between the head or heads of the bargaining unit and the president of the local union that no applicant is qualified the employer may fill the position from outside the bargaining unit.

Article IX

Clean Up Time:

Employees shall be granted a 15-minute personal clean-up period prior to the end of each work shift of eight (8) hours.

Work schedules shall be arranged so employees may take advantage of this provision wherever feasible.

Article X

Rest Periods:

All employees work schedules shall provide for a 15-minute rest period during the first one-half ($\frac{1}{2}$) shift. The rest period shall be scheduled at the middle of this one-half ($\frac{1}{2}$) shift.

Article XI

Vacations:

The vacation year shall be the period June 1st to May 31st inclusive. Each employee shall be credited as of May 31st with vacation leave with pay as follows:

(a) Each employee of the employer with less than thirty (30) weeks continuous employment as of June 1 shall be granted one (1) day of vacation for each full month of contin-

uous service completed prior to June 1, but not to exceed five (5) days of vacation.

(b) Each employee of the employer shall be granted ten (10) working days vacation after completion of 30 weeks of service on the eligibility date of May 31.

(c) Each employee of the employer who has completed ten (10) years of service on the eligibility date of May 31 shall be granted fifteen (15) working days of vacation.

Upon termination of employment the employee shall receive payment equal to the amount of vacation pay he would have received had the termination not occurred. If termination is caused by death such payment shall be made to the employee's estate. Vacation periods shall not be cumulative beyond a specified vacation year.

Article XII

Safety Committee Code:

A safety committee composed of two (2) representatives of the union and two (2) supervisory personnel shall be appointed. Said committee shall appoint its own chairman and meet regularly to review safety practices. It may draw up a safety code which both parties to this agreement agree to enforce. Regardless of the promulgation of this code it is herein agreed that as a safety measure during sanding and plowing no less than two (2) men (drivers wherever possible) will be assigned to a truck.

Article XIII

Holidays:

(a) The following days shall be recognized as legal holidays:

NEW YEAR'S DAY, First day of January

WASHINGTON'S BIRTHDAY, 22nd of February

PATRIOT'S DAY, 19th of April

MEMORIAL DAY, 30th of May

INDEPENDENCE DAY, 4th of July

LABOR DAY, First Monday of September

COLUMBUS DAY, 12th of October

VETERANS' DAY, 11th of November

THANKSGIVING DAY, The Thursday of November so
proclaimed

CHRISTMAS DAY, 25th of December

On which days employees shall be excused from all duty not required to maintain essential town services.

(b) Every employee in full-time or continuous part-time employment shall be entitled to these designated holidays on the following terms:

(1) If paid on an hourly basis, he shall receive one day's pay at his regular rate based on the number of hours regularly worked on the day on which the designated holiday occurs; (2) if paid on a weekly, semi-monthly or annual basis, he shall be granted each designated holiday without loss in pay. (c) Payment under the provisions of this section shall be made provided the eligible employee shall have worked his last regularly scheduled working day prior to and his next regularly scheduled working day following such holiday, or was in full pay status on such preceding and following days in accordance with other provisions of this agreement.

(d) An employee in continuous employment occupying a position in other than the Public Safety or Supervisory groups who performs work on one of the days designated in sub-section (a) shall be paid at one and one-half ($1\frac{1}{2}$) times his regular rate for such day or fraction thereof in addition to the amount to which he is entitled under sub-section (b).

(e) At the request of the employee, he may be granted compensatory time off at the convenience of the departments in lieu of payment provided under sub-section (d).

(f) An employee in continuous employment, in other than the Police or Fire Departments, who, because of a rotation of shifts, works different days in successive weeks shall be granted, in each year in which the number of holidays falling on his regular days off is in excess of the number of holidays in that year falling on Saturday, additional days off equal to the excess.

(g) Whenever one of the holidays set forth in sub-section (a) falls on a Sunday, the following day shall be the legal holiday.

Article XIV

Protective Clothing:

If an employee is required to wear protective clothing or any type of protective device as a condition of employment, such clothing or device will be furnished and maintained by the employer to the extent of rubber boots, rain-coats, safety helmets, and such other protective clothing or device as required by the majority vote of the safety committee.

Article XV

Jury Pay:

The employer agrees to make up the difference in an employee's wages between a normal week's wages and compensation received for jury duty.

Article XVI

Sick Leave:

(a) An employee in continuous employment who has completed thirty (30) weeks of service following original employment shall be allowed fifteen (15) days leave with pay each calendar year or one and one-quarter days ($1\frac{1}{4}$) for each month thereof if in any year his employment is less than thirty (30) weeks, provided such leave is caused by sickness or injury or by exposure to contagious disease.

(b) An employee in continuous employment shall be credited with the unused portion of leave granted under sub-section (a) up to a maximum of sixty (60) days.

(c) An employee occupying a temporary or seasonal position shall not be credited with unused sick leave beyond his current period of employment.

(d) If the amount of leave credit provided under sub-section (b) has been or is about to be exhausted, an employee may make application for additional allowances to that provided under sub-section (a). Such application shall be made to the Personnel Board which is authorized to grant such additional allowances as it may determine to be equitable after reviewing all circumstances including the employee's attendance and performance record prior to conditions supporting his request for the additional allowance.

(e) Sick leave must be authorized by the department head and must be reported, on blanks provided for same, to the Personnel Board.

(f) A Physician's certificate of illness shall be submitted by the employee after three days absence to his department head before leave is granted under the provisions of this section. This certificate shall be forwarded by the department head to the Personnel Board.

(g) The Personnel Board may, of its own motion, require a medical examination of any employee who reports his inability to report for duty because of illness. This examination shall be at the expense of the town by a physician appointed by the board.

(h) Injury, illness or disability self-imposed, or resulting from the use of alcohol or drugs, shall not be considered a proper claim for leave under this section.

(i) Payments made under the provisions of this section to an employee who is receiving workmen's compensation shall be limited to the difference between the amount paid in workmen's compensation and the employee's regular rate.

(j) In the event of payments made to an employee under the preceding sub-section, the board may debit the employee's sick leave accrual by such amounts as it determines to be equitable in relation to such payments.

(k) Nothing in this section shall be construed to conflict with section 100 of Chapter 41 of the General Laws.

Article XVII

Funeral Leave:

Emergency leave up to three (3) days may be allowed for death in an employee's immediate family, (Wife, Husband, Parents, Child, Brother, Sister, Mother-in-Law and Father-in-Law).

Article XVIII

DISCIPLINE: Disciplinary action or measures shall include only the following: ORAL REPRIMAND-WRITTEN REPRIMAND-SUSPENSION (notice to be given in writing)

Disciplinary action may be imposed upon an employee only for failing to fulfill his responsibilities as an employee including use of insulting or derogatory language to his immediate or other supervisor. Any disciplinary action or measure imposed upon an employee may be processed as a grievance through the regular grievance procedure.

If the employer has reason to reprimand an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public.

Discharge:

The employer shall not discharge any employee without just cause. If, in any case, the employer feels there is just cause for discharge, the employee involved will be suspended for five (5) days. The employee and his steward will be notified in writing that the employee has been suspended and is subject to discharge.

The union shall have the right to take up the suspension and/or discharge as a grievance at the third step of the grievance procedure, and the matter shall be handled in accordance with this procedure through the arbitration step if deemed necessary by either party.

Any employee found to be unjustly suspended or discharged shall be reinstated with full compensation for all lost time and with full restoration of all other rights and conditions of employment.

Article XIX

Health and Welfare:

It is agreed that should any changes occur in the statutes affecting health and welfare plans, this agreement will be immediately reopened for negotiations on this subject.

The employer agrees to pay one-half ($\frac{1}{2}$) the cost of health and welfare insurance for all retired employees.

Article XX

Employees performing work not included in their job classification for outside interests, shall be reimbursed at one and one-half times ($1\frac{1}{2}$) their regular rate of pay Monday through Saturday, or ten (\$10.00) dollars on Sunday, whichever is greater.

Employees shall be reimbursed immediately upon completion of work performed for outside interests.

Article XXI

Miscellaneous Provisions:

1. Bulletin Boards — Announcements shall be posted in conspicuous places where employees enter or leave the premises. Parties to this agreement, both of whom may use the bulletin boards for notices of routine nature, agree that it would be improper to post denunciatory or inflammatory written material on such bulletin boards.

2. Should any provision of this agreement be found to be in violation of any federal or state law or civil service rule by a court of competent jurisdiction, all other provisions of this agreement shall remain in full force and effect for the duration of this agreement.

3. No discrimination — The parties to this agreement agree that they shall not discriminate against any person because of race, creed, color, sex or age and that such persons shall receive the full protection of this agreement.

4. Access to Premises — The employer agrees to permit representatives of the American Federation of State, County

and Municipal Employees, AFL-CIO and/or Council No. 41, and/or Local No. 1700 to enter the premises at any time for individual discussion of working conditions with employees, provided care is exercised by such representatives that they do not interfere with the performance of duties assigned to the employees.

5. No employee is to leave the job without permission of his superintendent except during the lunch hour or because of conditions beyond the control of the employee.

6. No one outside the bargaining unit shall perform work normally done by those employees within the bargaining unit if able to perform the work; but nothing in this agreement shall prevent the employer from contracting for services from an independent outside contractor.

Article XXII

Union Representatives:

A written list of union stewards and other representatives shall be furnished to the employer immediately after their designation and the union shall notify the employer of any changes.

The above shall be granted reasonable time off during working hours to investigate and settle grievances, without loss of pay and to attend meetings of state and national bodies without pay.

Article XXIII

Effective Date of Agreement:

SECTION 1. This agreement shall remain in full force and effect commencing on the 1st day of April, 1967, and terminating on the 31st day of March, 1968, except as provided below. In accordance with this provision and the intent of the parties, the Board of Selectmen agree to recommend to the Town Meeting, 1967, the financial terms of this agreement for the period beginning April 1, 1967, and ending March 31, 1968.

Section 2.

Classification Plan — Pay Rates

In this agreement and made part of it as appendix A there shall be established a classification and pay plan. It shall list all positions covered by this agreement by title along with the wages for each position. The wages shall be those paid presently increased by twenty cents (20¢) per hour, such wage schedule to take effect on April 1, 1967. The previously established step raises voted by the Town Meeting in March, 1966, to take effect January 1, 1967, shall not be inhibited by any other considerations herein contained. In case of automatic renewal of this agreement the amount of the hourly wage established under this agreement shall remain the same.

Section 3

Renewal — Changes

Either party may terminate this agreement on March 31, 1968, except as provided in Section 3 of this article, by transmitting to the other party a termination notice no less than 60 days prior to November 25 of the year during which this agreement is effective. Should neither party to this agreement send such notice, this agreement will be considered to have been automatically renewed for another year. Should either party, however, wish to inaugurate collective bargaining discussions over changes they may wish to introduce into this agreement, it is agreed that notice of the substance of the changes and the language which such desired changes are to be expressed, shall be mailed to the other party concurrently with the official notice of termination no less than sixty (60) days prior to November 25th of the year during which this agreement is effective. The parties shall forthwith seek establishment of a meeting for purposes of discussion of the proposed changes. Nothing in this article shall preclude the union or the employer from modifying any

previous proposals during the course of the negotiations. This agreement entered into this twenty-first day of February, 1967.

ANNUAL REPORT

OF THE

Town Accountant

OF THE

Town of Plymouth

MASSACHUSETTS

FOR THE YEAR ENDING

1967

Former Town Accountants:

*RICHARD T. ELDRIDGE	1912-1918
ELMER R. HARLOW	1918-1944

***Deceased**

FIFTY-SIXTH ANNUAL REPORT OF THE TOWN ACCOUNTANT

FOR THE YEAR ENDING DECEMBER 31, 1967

I submit herewith report of the financial transactions of the Town of Plymouth for the year ending December 31, 1967.

Free Cash, as of January 1, 1968, dropped \$206,225.42 from the January 1, 1967 figure, to \$398,000.79. This will mean a drastic reduction in the amount which can be appropriated from this source in 1968.

The full impact of the borrowing authorized in 1967 will not be reflected in the 1968 tax levy, since \$1,074,094.00 authorized is, as yet, unissued. However, this fact should be kept in mind, as a built-in charge for 1969.

The method of calculating the town's borrowing capacity has been changed by statute and greatly increases the amount the town may borrow inside the debt limit.

There were no overdrafts at the end of 1967, but the following unpaid bills have been filed with this office:

Police Department:

Mario's Auto Body Shop	\$296.79
Padovani's Pharmacy	23.63
Richard M. Kilfoyle, M.D.	79.00
Peter F. Rogerson	36.00
I. H. Waterman, M.D.	51.00
Jordan Hospital	15.00
Helen Pearson	25.00
	<hr/>
	\$526.42

The several schedules are in the following order:

Schedule A. Cash Receipts and Cash Payments as reported to the Bureau of Accounts of the Commonwealth.

Schedule B. Departmental and all special appropriations and such receipts, including federal grants, as may be legally expended without specific town meeting appropriation, with all payments from same classified as to purpose.

Schedule C. Estimated Receipts, other than from local taxes, as used by the Assessors in setting the 1967 tax rate. The schedule also shows the actual cash receipts from the same sources.

Schedule D. Revenue Account for 1967.

Schedule E. Excess and Deficiency Account.

Schedule F. Balance Sheet, December 31, 1967.

Schedules G. and H. Bonded Indebtedness, January 1, 1968.

Schedule I. Trust Funds and Town Investments as of December 31, 1967.

Schedule J. Calculation of the Town's borrowing capacity as of January 1, 1968.

Respectfully submitted,

CORA B. GRADY,
Town Accountant

TOWN OF PLYMOUTH
REPORT OF THE ADVISORY AND FINANCE COMMITTEE
on the
ARTICLES IN THE TOWN WARRANT, MARCH 25, 1967

The report of this Committee is the result of many long sessions due to special as well as routine problems in order to arrive at logical and reasonable recommendations for the consideration of Town Meeting. It is our duty to inform you of an effective increase in the tax rate, a close estimated value of which is impossible to determine at this time. This is due to the fact that the statement of anticipated assessments and receipts, which is known as the "Cherry Sheet," is not available from the Bureau of Accounts. Therefore, we are forced to use last year's figures in order to arrive at a comparative tax levy.

However, it is reasonably safe to assume that the tax rate as computed by the Assessors upon receipt of the "Cherry Sheet" will be favorable as compared to what we have projected as an estimate. In addition, the result of a full year's sales tax may show an additional favorable reduction. It is intended that this additional tax revenue be applied to reduce the real property tax load of the citizens and it is the recommendation of this Committee that the Town employ the extra revenue for that purpose, and not to wind up paying that sum out of both pockets as real estate *and* sales taxes.

The increase of expenditures recommended include in Article 7, salary and wage increases. The way the Committee arrived at the pay scale shown in the Supplemental Report is this: In December, the Finance Committee and the Personnel Board felt that the Town employees were deserving a raise and where the collective bargaining agents for the Town were working with the union and made no reports to us, the Personnel Board worked on a 5% increase which met the approval of the Committee. This new pay scale was used in the budget submissions.

A 5% across-the-board increase was arrived at by a slight inequity in labor's figures between the proposal of the Evans' report and the actual cost of living increase and the cost of living increase this year. The Committee prefers a percentage increase rather than a flat rate increase because it keeps a balanced increment between ratings and provides incentive

for promotion. A flat increase gives as much increase to an employee with lesser responsibility as to a person with more responsibility.

The police and fire contracts ask for a 3 weeks' vacation after 10 years of continuous service and 4 weeks after 15 years. The union contract asks for 15 days' vacation after 5 years and 20 days after 10 years. We feel that where most industries give 3 weeks, which is equal to our so-called 15 days, even after 15 years of service, that we should not be freer with our money than industry. Also, it doesn't seem fair to ask the person who is paying the bill to pay for more vacation than he is getting. Therefore, we will be recommending a maximum of three weeks or 15 working days vacation after 10 years of continuous service to the Town.

It has been the expressed opinion of this Committee concerning the Industrial and Development Commission that it has been costing the Town monies every year for a good many years and to date has shown no result. It seems to this Committee and to you, if you have read the local newspaper, that each year in December or January a hot prospect comes into town but by April he suddenly disappears. We have never learned his name or what he does. This Committee heard this story again this year and voted at one of their meetings to continue this commission one more year and if in the year 1967 nothing constructive is actually accomplished, to recommend discontinuance of this commission.

We wish to express our gratitude and appreciation to the Town Officers, Commissioners, Committees, Department heads and many employees for the cooperation and assistance extended in the probings and research by members of this Committee in order to make possible this report.

SUMMARY OF COMMITTEE RECOMMENDATIONS

Article 7 (Gross)	\$4,996,187.69
Special Articles	695,315.35
*State and County Assessments	252,968.19
Overlay for 1967—Estimate	190,000.00

Total Recommended Expenditures	\$6,134,471.23
*Estimated Receipts	\$1,834,940.78
Dog Tax (Article 8)	2,794.09
Library Aid (Article 8)	3,611.25
Excess & Deficiency (Articles 24 and 113)	367,000.00
Street Parking Meter Receipts (Article 7 and 104)	5,230.00
Middle Street Lot Parking Meter Receipts (Article 7)	5,000.00
Memorial Building Parking Lot Receipts	700.00
Chapter 679 Funds (Article 30)	21,794.10
Reserve Overlay (Article 7)	10,000.00

State and County Aid (Article 14 and 15)	217,500.00
---	------------

Total from sources other than Tax Levy	<u>\$2,483,750.22</u>
--	-----------------------

Net to be raised—Real and Personal	\$3,650,721.01
------------------------------------	----------------

1966 Valuation: \$44,315,350	Tax Rate Estimate: \$82.40
------------------------------	----------------------------

An increase of \$1,000,000 in valuation would decrease the rate by \$1.80.

A decrease of \$1,000,000 in valuation would increase the rate by \$1.80.

Each \$44,000 added appropriation would increase the rate approximately \$1.00.

Each \$44,000 deleted appropriation would decrease the rate approximately \$1.00.

**CAPITAL OUTLAY EXPENDITURES COMMITTEE REPORT
DECEMBER 21, 1966**

It is a privilege to submit the 4th annual report of the Capital Outlay Expenditures Committee. This long-range planning committee is intent upon estimating the tax rates in order to stabilize the tax rate.

The anticipated capital outlays for the years 1967 through 1971 are shown on the following schedule. We are pleased to report that costs for the proposed projects have been available this year to a larger extent than previously reported. It is understandable that only when all costs are submitted that the objective will be realized.

This Committee suggests the use of the Stabilization Fund by annual appropriations for the next few years. Not only will this prepare the Town financially for the larger anticipated capital expenditures, but also it will help equalize the cost for financing Town government.

With regard to the recent development, namely the nuclear generating power plant, a very bright future is forecast for Plymouth, however, until this is a reality, we recommend the same judicious spending.

We wish to thank the departments, committees and individuals for their cooperation.

CAPITAL OUTLAY EXPENDITURES COMMITTEE

Alvin R. Tavares, Chairman

Robert B. Baker, Vice-Chairman

Alfred Almeida

Joseph A. Rezendes

The following table has been calculated to show how much it will cost to run the Town Government in the next few years if the spending is consistent with the past few years and if the Town accepts the proposed capital outlay expenditures listed on the schedule. The figures have been rounded to the nearest thousands of dollars to make the table easier to read.

It is by this table that the future estimated tax rates are shown. The Capital Outlay Expenditures Committee recommends that the Town give some thought to additional off-street parking areas, recreational areas, and surface water drainage system. The Committee also reminds the Town that as the State takes over certain operations normally conducted by the towns, the cost of local government will increase.

It should be mentioned also that these figures do not reflect any possible changes that may result from the establishment of the nuclear plant. Until the plant is a reality, the Committee urges the same care in spending.

ANNUAL REPORT OF THE BOARD OF SELECTMEN

Our report for the year 1967 should probably confine itself to noting progress of the projects commenced or specially mentioned last year. This is because of their importance to the town and because continued activities in connection with them took much of our time. One division of the time expended by the Selectmen on town business might be made by dividing it into time used in processing the large and varied number of licenses for which applications are made every year, and some of which require public hearings. Much time is also expended in processing complaints, and answering requests for information. The Selectmen personally investigate complaints made to them involving departments under their control, except where professional assistance is desired, as with requests for additional street lights. Matters involving other departments are referred to those departments. All this may be considered routine and it does not vary largely from year to year; so to include statistics as to such activities would serve no particular purpose except to show the volume of such matters. Report of the Superintendent of Highways and Sewers will be filed separately, in any case.

Of the larger projects and those with greater general impact on the town and its people, more specific mention should be made. No such new projects were undertaken during 1967. The dredging portion of the Harbor Project was completed in 1967. The breakwater portion was not completed because the Sewer Project includes a prerequisite — the removal of the sewer outfall in the vicinity of the Town Wharf —, and this could not be done until Federal funds for the Sewage Project were obtained and work started. We understand that the Sewage Disposal Committee, now charged with construction of the Sewage Disposal system and the sewage treatment plant has overcome all technical obstacles and

will be awarding contracts early in 1968. Since first priority has been given to removal of the sewer outfall, it would appear that 1968 may also see the breakwater part of the Harbor Project commenced and possibly completed. Meantime, the Harbor Committee presented a comprehensive plan for allocation of boat moorings in the harbor, which was approved by the Selectmen and is being carried out by the Harbor Master and the Harbor Committee. This should be very helpful to all those who use the harbor facilities.

While the sewage disposal project is probably the most important single item for 1968, the Industrial Commission made progress in 1967 toward obtaining the necessary funds for the Industrial Park; and this, too, may become an accomplished fact in 1968, with a consequent reduction in the number of unemployed persons in the area.

Construction of the Boston Edison nuclear powered generating plant in the Rocky Point section of Plymouth is proceeding with increasing rapidity, and so far without unexpected problems for the town officials. A number of meetings have been held with the Boston Edison Company representatives by the Selectmen and other town officials such as the Assessors and Water Commissioners, including visits to the Rowe and Haddam plants for general and specific information as to their effect on the communities where they are located. This information has been generally favorable.

Again this year collective bargaining with the town employees has required many hours of study and conference. The Clerks and Secretaries formed their own union for bargaining and we now have four separate groups with which to schedule meetings for bargaining instead of three, as was the case last year. At the end of 1967 no agreement had been reached with any of them, so continued bargaining during January and Feb-

ruary will be necessary. It is hoped that an agreement can be reached prior to the annual Town Meeting, to avoid a repetition of the situation at the 1967 meeting. That meeting had to be delayed while approval of the Personnel Board and Finance Committee of the contracts made with the bargaining units was obtained.

In 1967 planning was started for celebration in 1970 of the 350th anniversary of the founding of this community. A General Chairman of the local committee for the celebration was appointed, and preliminary organization of sub-committees was prepared. There was unavoidable delay when the Chairman found it necessary to resign; but a new General Chairman has accepted the position and we are confident that all planning and preliminary arrangements will be completed during 1968.

Respectfully submitted,

SUMNER A. CHAPMAN, JR.

Chairman

EDWARD J. WILSON

JOHN F. PRENTICE

PAUL W. SEARS

WILLIAM H. BARRETT

Board of Selectmen

LIST OF JURORS

Prepared by the Selectmen of Plymouth, Massachusetts for 1967-1968

OFFICE OF VETERANS' SERVICES

February 13, 1968

The Honorable Board of Selectmen
Town House
Plymouth, Massachusetts

Gentlemen:

The year 1967 proved to be one of greatest expenditures for local Assistance, and further one of greatest recovery in matters of Veterans Administration benefits that this Department has heretofore seen. This large increase in both expenditures and receipt of benefits was forecast as a result of Congress and the Massachusetts Legislature both making the veteran of 181 days of honorable service since February 1, 1955 eligible for all programs previously reserved for war-time veterans.

In the matter of Assistance, our average case load increased 27 per cent over 1966 and the cost per case increased 17 per cent. It is interesting to note that only 9 per cent of the increased cost was for Ordinary Benefits (Food and Shelter) whereas 34 per cent of the increase is chargeable for Medical Care. We have estimated that 1968 will give us an additional 11 per cent increase in case load which is our basis for asking that the Town appropriate \$130,000.00 for Assistance of the needy veteran and his dependents.

In 1967 the Plymouth veteran utilized 1,660 days of VA hospitalization which saved the Town approximately \$83,500.00. In matters of VA pensions and compensation, this office processed claims which brought to the Plymouth veteran and his dependents new monies in 1967 amounting to \$35,029.00. The response to Educational allowances provided by the Veterans Administration for the younger veteran has been most gratifying and we feel that the majority of those eligible for this advanced training have enrolled or are in the process of planning for such.

President Johnson has recently given Congress the task of providing additional benefits for those young men and women who are still fighting our wars and we are therefore finding it absolutely necessary to concentrate on knowing what benefits are available.

No Department can function without the complete cooperation of many outsiders and to list all of those to whom we are indebted would not be feasible. We hope that this public thanks to those of you who know you have helped us to do our job will suffice. Nevertheless, I would consider myself totally remiss if I did not say special thank yous to Mrs. Jean Goduti and Mrs. Muriel Watson of this Department who both are ever willing to work for the Town and for the veteran.

Respectfully submitted,

CHARLES C. HENDERSON

Director

REPORT OF INSECT PEST CONTROL — 1967

In 1967 a total of 47 Elm trees were sampled for Dutch Elm Disease of which 40 trees were confirmed. Thirty-seven of these were public shade trees and three were private. Thirty-three of these were removed before January 1, 1968.

A large amount of Poison Ivy was sprayed.

Also an infestation of Cankerworms and Aphids were taken care of.

The usual program of spraying of Elm and Birch trees was done. Also Tent Caterpillars were found and destroyed.

Respectfully submitted,

DANIEL L. HOLMES,
Supt. of Insect Pest Control

1967 REPORT OF THE PLYMOUTH HARBOR COMMITTEE

To: Town Meeting Members:

The Permanent Plymouth Harbor Committee, authorized by Town Meeting vote, submits the following report in accordance with Article 102 of the 1962 Town Meeting:

The Committee held regular and special meetings throughout the year, including hearings at the Department of Public Works in Boston relative to (1) Dredging of Plymouth Harbor Yacht Basin; (2) Construction of the bulkhead at T Wharf; and (3) Repairs to the bulkhead on Town Road leading to Town Wharf. Various problems and details concerning our Harbor, waterfront, and related facilities, as well as requests by the Board of Selectmen have been acted upon. Inspection tours of floats, wharves and parking areas were conducted and appropriate reports made to the Selectmen.

Necessary expenditures for the completion of the Federal Harbor Navigation Project have either been expended or approved by Congress. The dredging (60 new acres) is now 100 per cent complete and the breakwater plans and specifications have been drawn up by the Army Engineers who await release of the President's temporary "freeze" on all new construction.

The Army Engineers are satisfied that the Town of Plymouth has made suitable plans to remove the "obstacle" sewer outfall East of State Pier.

The Harbor Committee has laid out and engineered the new anchorage area for approximately 300 new moorings. During the year, the Finance Committee approved a \$1,200.00 request from the Board of Selectmen to defray costs of surveying and graphing the entire area and locating approximately 25 per cent of the proposed moorings.

The Committee has drawn up amendments to the existing Harbor By-Laws, and presented them to the Board of Selectmen for action at this 1968 Town Meeting.

This Committee is intent on fulfilling its responsibilities in all facets of the purpose for which it was formed.

Plymouth is fast becoming a major boating center. It has in fact been stated that Plymouth is now the Sailboat Center of New England.

Respectfully submitted,

GEORGE A. DAVIS, Chairman
THEODORE JESSE, Vice-Chairman
CHARLES E. WINKLEY, JR., Secretary
ANGELO A. BRIGIDA, Harbor Master

ROBERT SWIFT
THOMAS PRENTICE, JR.
FRANCIS GASPAR
JOHN PINTO

ANNUAL REPORT OF THE HARBOR MASTER

Plymouth has again shown its popularity by the great number of visiting yachts and boats making use of our facilities. Even with the exceptionally bad weather we had this past season, our harbor was very busy.

The newly completed mooring area enabled me to accommodate many boats that could not complete their cruise and had to be left for days at a time.

We had three serious boat explosions due to gas accumulation, but there was no loss of life or injury to persons on board. We were able to save two of the boats but lost the third, which occurred in our outer harbor.

With the help of the Harbor Committee the new mooring area has been charted and made ready for moorings. Many moorings have already been set, and all applications will be filled this year. This will give us an increase of many more pleasure and commercial boats in the harbor.

Despite adverse weather conditions, our party fishing boats have shown a marked increase in business. This was due to increase in catch of fish and accessibility to fishing grounds.

With improving weather conditions I hope the 1968 season will be a greater season for safe boating.

ANGELO BRIGIDA,
Harbor Master

REPORT OF THE CONSERVATION COMMISSION

Board of Selectmen
11 Lincoln St.
Plymouth, Mass. 02360

Gentlemen:

A summary of the Commission's 1967 activities is as follows:

After the vote of approval at Town Meeting on the purchase of the Russell and Mooning Pond area, the deed for this area was turned over to the Town and a check for the State's share of \$15,000 was received. Plans are in progress for the best utilization of the area.

The Conservation Commission was charged by the Town Meeting to look into the Taylor Avenue property in Manomet for future beach potential. We had two appraisals made and the Commission has consulted with the Park Department and Beach Study Committee to make recommendations.

The work initiated by the Commission was culminated by the State Access Boards completing of a \$20,000.00 launching ramp on Long Pond at no cost to the Town.

We are presently looking into other areas in which state and federal funds can be used to further conserve and utilize the Town's natural resources.

Respectfully submitted,

FRANK ALSHEIMER, Chairman

EDWARD BURGESS

JOHN LOUPAS

JEANETTE PIERSON

HAROLD MACCAFERRI

REPORT OF THE TREE WARDEN

In 1967 a total of 110 trees were planted of which 15 were replacements due to vandalism. A program of pruning and fertilizing of trees was carried out.

A total of 10 bad street trees were removed and stumps taken out.

Also dead trees on outside district roads were removed for the Highway Department. And roadsides were sprayed.

Respectfully submitted,

DANIEL L. HOLMES,
Tree Warden

REPORT OF THE TOWN FOREST COMMITTEE — 1967

In 1967 roads were trimmed out and trees cut back. The Committee is very pleased to report that the forest roads are being used as bridal paths.

Also in 1967 10 acres of brush were cut to give young white pines a chance to grow.

Respectfully submitted,

DANIEL L. HOLMES

JAMES A. WHITE

HAROLD G. ROBERTS

Town Forest Committee

ANNUAL REPORT OF THE CEMETERY COMMISSIONERS

To the Honorable Board of Selectmen:

In addition to the regular care and maintenance of our several cemeteries we wish to call your attention to the following:

At the Oak Grove and Vine Hills Cemeteries we have installed a new underground telephone cable to replace the old one which had been a source of considerable trouble over the last years. We have also been able to do a goodly amount of necessary tree trimming which we hope to be able to continue and complete in 1968. A road near the Davis Street entrance has been rebuilt. It was thought best to retain it as a gravel road instead of hard topping it to alleviate a drainage problem.

Vandalism has been a large problem this year. The toolhouse was broken into twice; one break resulting in the loss of six mowers. There has also been some damage to stones.

At Burial Hill we have continued the preservation of the older stones as usual. We have also had extensive repairs made to the iron fence around the cannon. This spring we anticipate doing considerable work on the retaining walls on the Spring and Church Streets sides of the hill.

We want to note the erection of a cenotaph by the Elder William Brewster Society in memory of Elder William Brewster and his wife.

At the Chiltonville Cemetery we loamed and seeded an area previously used as a road. Thus making this land available for lots.

We are aware of the drainage problem in the Manomet Cemetery and are conducting a study with the

expectation of being able to remedy the situation.

At the Parting Ways Cemetery we have erected a granite marker to replace the small unmarked stones which are weathering away very rapidly.

We are suggesting to the Town, thus an article in this year's Warrant, that an area of land including this present small cemetery be set aside for future cemetery use. We are also considering legal action to have the South Pond Cemetery taken over by the Town with a new and improved access road; also the possibility of enlarging the present cemetery area.

We have found it necessary because of the book-keeping involved and the many requests, to limit additions to existing Perpetual Care Funds to amounts not less than \$50.00.

The Commissioners would like to express their thanks to all personnel in the department for a job well done in the maintenance and care of the cemeteries and for services performed.

Our thanks, also, to all other Town Departments for the services and cooperation given us during the year.

The receipts and payments of the department are listed in Schedule "A" and Schedule "B" of the Town Accountant's Report.

Respectfully submitted,

F. WILLARD DITTMAR, Chairman

JAMES A. WHITE

DANIEL J. CALLAHAN

Board of Cemetery Commissioners

AUSTIN S. FRATUS, Superintendent

ANNUAL REPORT OF THE ZONING AGENT

To the Honorable Board of Selectmen:

The following is the annual report of the Zoning Agent for 1967:

1586 Calls made on zoning and planning requirements

4 Inspectional reports requested by the Selectmen

0 Zoning violations referred to the Board of Selectmen for enforcement

48 Referrals to the Zoning Board of Appeals for variances

34 Zoning complaints of violations investigated

34 Zoning complaints of violations corrected without court order

6 Trailers inspected

FENCE VIEWER AND FIELD DRIVER

19 Fence viewing investigations

Respectfully submitted,

ALBERT F. SAUNDERS,
Zoning Agent

PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

The record rains in 1967 contributed to the most serious mosquito problem in years. The rising water table not only re-hatched the spring species, but also immersed dormant eggs that were deposited years back. This caused an over-lapping of emerging adults throughout the warm seasons.

Plymouth was also troubled in the Manomet area with the flooding of low coastal areas that contained salt deposits. Broods of the salt marsh mosquito covered the Manomet area. Our units were not able to get into these areas to check and treat, as access to these properties were chained. It was late in the season before we were able to enter these properties. There is also a large tract of coastal property in the Ellisville and Black Pond areas that we cannot treat because of opposition to insecticides.

Yearly, our backhoe unit clears the tidal openings along Plymouth's beach areas and marshes. This past year it was necessary to return, as the early northeast storm refilled many of these openings. The Stephen's Field area, Ellisville Cove, Saquish Beach and Nelson Street were a few areas trenched with our power unit. We also cleared the Eel River section and several other waterways with hand labor. As new areas are trenched, they must be cleaned of obstructions and debris each year.

The Project has extended itself during the past few years spraying individual properties of those with acute insect problems. Continuation of this phase is becoming next to impossible as most calls are in advance to provide insect-free cook-outs, weddings, etc. throughout the whole county, are compounding annually, and seriously hampering our important control measures.

Our funds are fixed and do not fluctuate to compen-

sate for the yearly rises in costs of materials, wages, insecticides, purchases and maintenance of heavy equipment, and normal fiscal expenditures. We must carry out a weekly inspection and treatment to dumping sites and sewage areas, plus a spray schedule to municipal playgrounds, school yards, and public and private camping areas. The camping and recreational complex in the pond areas of Plymouth alone, keeps one unit busy during the biting season.

Towns are growing tremendously, and each house is a probable contributor to the mosquito problem. Catch basins, toys, open rubbish and garbage containers, flower pots, birdbaths, and open sewage are just a few breeding sites created by each new home. There are also old tires and car bodies, plus drainage trenches plugged with leaves and debris dumped by those too unconcerned with our problem to discard them in disposal areas. The filling of trenches and waterways reclaimed and constructed by this Project is a violation of state statutes.

I would like again to thank your town officials and Plymouth's highway department and your health department for their interest and cooperation.

Respectfully submitted,

M. CURRIE BEATON, JR.

Superintendent

REPORT OF THE INLAND FISHERIES COMMITTEE

To the Honorable Board of Selectmen
Plymouth, Massachusetts

Gentlemen:

Your Committee wishes to report that the appropriation for the year 1967 was expended for ten-inch plus German brown trout, which were liberated in Russells and Moonings (Saw Mill) Ponds in North Plymouth.

In a letter received from Mr. Lewis C. Schlotterbeck, District Wildlife Manager, a fall stocking was recommended for the two ponds. In the spring the Massachusetts Department of Fisheries and Game will match the present stocking for the opening of the fishing season. The stocking of trout in these ponds is a great asset to the Town in providing recreational areas, and will provide good fishing.

A stocking program and smelt spawning area is being planned for Town Brook, when the Urban Renewal Program has been completed.

We request that the sum of five hundred dollars (\$500.00) be appropriated for our use in 1968.

Respectfully submitted,

H. H. HAMILTON, M.D.

MARTIN B. PERSON, JR.

DONALD O. TRACY, Chairman

REPORT OF THE SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit a report of the work done in the Highway and Sewer Departments from January 1 to December 31, 1967:

SEWERS

There were ten house service sewer permits issued by the Board of Selectmen including the new Police Station and the addition to the Medical Center on Sandwich Street, all being added to the sewer system in the Town of Plymouth. A new sewer line was constructed on the east side of Margerie Street from Oak Street to the Roy property for a distance of 360 feet of 8-inch clay pipe with two manholes built to service five dwellings in this area. The dragging of main sewers was carried out and manholes repaired and replaced as needed.

STREET CLEANING

The Elgin motor pick-up sweeper cleaned approximately four thousand curb miles from April to November. The main street from Jabez Corner to Seaside line was swept each day including the waterfront from Main Street Extension to Town Wharf. The side streets in town and the north end were swept every other day. In the early spring the heavy packed winter sand pockets were hand swept by the men of the department. I am recommending in my 1968 budget a new street sweeper to replace the present 1963 Elgin sweeper now in use.

ASPHALT SIDEWALKS

The construction of asphalt sidewalks was completed on the following streets: On the south side of Cliff St., under Chapter 822 Acts of 1963, a new four-foot side-

walk was completed for a distance of 2,125 feet. On the north side of Point Road, a new five-foot sidewalk was laid from the Shopping Center to the Manomet School for a distance of 1,584 feet.

Liberty Street had a new five-foot sidewalk laid from the Izzo property to Westerly Road for a distance of 154 feet.; Nelson Street had a new five-foot sidewalk laid from the First National Store drive to the railroad tracks for a distance of 530 feet. A small section of blacktop sidewalk was laid on Sandwich Street at the Beth Jacob Synagogue. The maintenance of asphalt sidewalks was completed on the following streets: Holmes Terrace, Cherry Street, Liberty Street, sections on Standish Avenue, Davis Street, Hamilton Street, Boutemain Avenue, Sandwich Street, Mayflower Street, McKinley Road and Grant Street.

DRAINS

Considerable drainage work was done, including two catchbasins and three hundred feet of 12-inch corrugated pipe at the Route 44 Auto Body, two catchbasins and two hundred feet of 12-inch concrete pipe on Alden Terrace turn-around, one catchbasin and one hundred seventy-six feet of 12-inch concrete pipe on Summer Street at the foot of Sparrow's Hill, one hundred fifty feet of 12-inch aluminum coated pipe on Braunecker Road and one hundred fifty feet of 12-inch aluminum-coated pipe at Russell Mill Road and one catchbasin. The hydraulic catchbasin cleaner cleaned out several of the disturbing basins in Plymouth and Manomet.

FENCES

Billington Street had 1,076 feet of wooden fence replaced from the Reed property to the old bridge. Construction of fence was of the rail type with cedar posts and painted white. Sixty concrete posts were placed on Nook Road near the trout pool and painted black and white for motor vehicle protection. Cement guide posts

were painted with white tops and black bottoms throughout the town. Replacement of many of these cement posts was made during the year by the department caused from accidents. Wooden fences received a coat of paint during the summer.

HIGHWAY CONSTRUCTION AND RECONSTRUCTION

The following streets were paved with 2½-inch of Type I mix over the old pavement by Southeastern of Cape Cod, Inc.: Nick's Rock Road, Reed Avenue (west); Hemlock Street, Benham Street, Lot No. 151 at White Horse Beach, Emerald Street and Watercure Street, Kings Pond Plain Road was paved by the Plymouth Paving & Engineering, Inc. of North Carver.

CHAPTER 90 MAINTENANCE

The State, County and Town share one-third of the cost of the following maintenance in the amount of \$6,000.00. A surface treatment of 679.55 tons of Class I Bituminous Concrete Dense Mix S.T. was laid on Court Street 1¼-inch in thickness from the Plymouth-Kingston line to the Lutheran Church. A section of road on Main Street from Route 44 to Shirley Square was also *included* in this program. Business section streets in town will receive a surface treatment in the spring of 1968 with the balance of the remaining funds.

CHAPTER 822 ACTS OF 1963

Federal Furnace Road was paved from the Blanchard mailbox to the Mazzilli driveway with 2514.25 tons of Bituminous Concrete Type I by Southeastern of Cape Cod, Inc. with funds being provided by the state.

CHAPTER 679 ACTS OF 1965

With the aid of funds from the state, another section of Federal Furnace Road was paved with 1186.01 tons of Bituminous Concrete Type I from the Mazzilli

driveway to Stearn's Cranberry bog by Southeastern of Cape Cod, Inc.

GRANOLITHIC CURBING

Malaguti Bros., Inc. submitted the lowest bid for 368 feet of curbing on the south side of Forest Avenue Extension to join two existing curbs at a cost of \$1,472.00.

TRAFFIC AND STREET MARKING

All traffic lines were painted yellow and white this year conforming with the state traffic regulations. White crosswalks were painted in the spring and fall and repainted as required. Taxi stands and restricted areas were painted yellow. The yellow center line on South St. was repainted for a distance of 500 feet and on Birch Avenue for a distance of 250 feet. In the traffic department, new machine-made signs with scotchlite traffic faces were erected. Several streets received new sign faces this year in scotchlite.

MISCELLANEOUS

Equipment approved this year at town meeting for the Highway Department included a new International Dump Truck from Town Brook Service Station, a Good Roads jet automatic sandspreader from E. J. Bleiler Co., Inc. of Needham Heights and two Brush King saws. Permits to dig up and open the ground were issued to the local gas and telephone companies who properly guarded and lighted all excavations. Lines and grades for street, drain and sewer work have been supplied by the Town Engineer, Edward Chase, and records of same filed at his office on Lincoln St.

Other projects handled during the year of routine nature were patching pot-holes, trenches, digging and clearing certain waterways, roadside mowing and spraying, sand removal, installing snow fences, cutting back

shoulders, applications of calcium chloride and other winter continuing program of snow removal, plowing and sanding.

Respectfully submitted,

RALPH L. BONNA

Superintendent of Streets and Sewers

REPORT OF THE TOWN ENGINEER

To the Honorable Board of Selectmen:

During 1967, layout plans were made for Cheryl Ave., Esta Rd. (2nd section), Cary Rd. (2nd section), Fair Oaks Rd., Madlyn St., Lancaster Ave., Clay Hill Drive, and Carver St. These layouts were accepted by the Town in 1967, and permanent concrete bounds were set on the new street lines.

Surveys and plans were made of the Road to South Pond Cemetery, Fresh Pond Ave., Briggs Ave., and Brook Road.

A plan was made of land on Hedges Pond Road to be given to the Town by the Protestant Episcopal Diocese of Massachusetts.

The plan of the Oak Grove and Vine Hills Cemetery was revised during 1967, and miscellaneous surveying work was done for the Cemetery Commissioners.

Town-owned land on the northerly side of Plympton Road (Route 80) was surveyed.

Respectfully submitted,

EDWARD CHASE

Town Engineer

PLYMOUTH PUBLIC LIBRARIES

Directors

President, Mr. John A. Smith, Jr.

Vice President, Mr. Donald J. Marten

Clerk, Mrs. Robert J. Browning

Treasurer, Mr. J. Mason Washburn

Mr. Donald W. Heath

Mrs. George S. Wild

Mr. Ellsworth R. Mosman

Mr. Joseph A. Deans

Mrs. Sumner T. Urann

Rev. Harry L. Conroy

Mrs. Nando F. Bussolari

Mrs. Richard B. Tichnor

Mr. Yoshiro Sanbonmatsu

In the year 1967, the Plymouth Public Library maintained its service to the townspeople of Plymouth, both in the Central Library on North Street and in the Loring Branch on the Cordage grounds in North Plymouth. Our library system meets the standards for free public library service set by the Commonwealth of Massachusetts; we offer library service to adults, young people and children at both locations; the main library is open 61 hours a week; there is a staff of trained library workers; and we spend about 17 per cent of the total budget for books and related materials. In addition, as part of the Eastern Regional Library System we can call on the resources of the New Bedford Free Library and the Boston Public Library for interlibrary loan of books we do not have in our own collections.

Miss Grace H. Haigh, the Children's Librarian, has built up an excellent collection of books. She is equipped to give professional service on library-related problems and worked with the public schools through the year, giving book talks and lending classroom deposits, in addition to her regular duties in the Boys' and Girls' Room.

At the Central Library our patrons made use of our collection of sound recordings, which includes classical, operatic and dramatic works, as well as popular and folk

music, sound tracks, and children's recordings, under the supervision of Mrs. Mary T. Ellis, a professional musician herself.

In 1967, two new workers joined the Library Staff. Mrs. Alba M. Clare, from Panama, is Assistant Library Director, specializing in the cataloging of books. Mrs. Jean Ireland, as a new Junior Library Assistant, is working with the Young People's collection in the Central Library, with particular stress on making the transition to the Adult Library smooth for the Junior High group.

Our art exhibits in the Lindens Corridor, which are changed monthly, continued to be an attractive feature throughout the year. We are particularly interested in encouraging our local artists in this way. The Genealogy Room, given in memory of General John K. Christmas, is used a great deal by students of family history from all over the country, who understandably come to Plymouth to locate Pilgrim ancestors.

In 1967, the two libraries circulated a grand total of 109,342 items, an increase of approximately 2,000 over 1966. The total number of registered borrowers now amounts to 8,433 individuals, of whom 2,229 are children below the Junior High School level. There are now 47,185 volumes registered in our collection, to which we have added 127 art reproductions and 1,370 sound recordings. In addition we have an extensive collection of current periodicals and newspapers, as well as back issues of the more useful magazines.

These factors can be enumerated. There is no way to measure all the services we are constantly providing for our patrons. Reference questions, advice on selection of books, general information, all make up an important part of serving the educational, recreational and cultural needs of the community, at the Public Library.

PLYMOUTH COMMUNITY NURSE ASSOCIATION

To the Honorable Board of Selectmen

Town of Plymouth

The Annual Nursing Service Report of the Plymouth Community Nurse Association, from January 1, 1967 to December 31, 1967, is herewith submitted.

During the year, 7,065 visits were made to patients in Plymouth and Kingston. Of this number, 1,488 were made on behalf of Plymouth Board of Health and 1,887 were made to recipients of Public Assistance. 4,262 of the total visits were general or bedside nursing care; the remaining number included Tuberculosis followup, other Communicable Diseases and Health Guidance visits.

Ten Chest X-ray clinics were held at the Jordan Hospital, at which 411 persons were x-rayed and examined.

Ten immunization clinics were held at the Plymouth Town House, where 568 immunizations (DPT, Polio, Smallpox and Measles vaccine), were given by the Board of Health physician, assisted by our nurses.

Sixteen Well-Child Conferences were held in Plymouth. A total of 402 infants and preschool children were seen and examined by our W.C.C. pediatrician, C. James Gormley, M.D., 160 Tuberculin skin tests were applied at these conferences.

The Plymouth Community Nurse Association continues to be certified by the U.S. Department of Health, Education and Welfare, as a provider of home health services. Our contract with the Easter Seal Society continues to provide direct therapy services for patients requiring rehabilitation. We are very pleased with this beneficial arrangement.

The latter part of the year, we commenced an immunization survey for the Massachusetts Department of Public Health, which thus far, has shown that Plymouth is very well protected against the preventable communicable diseases.

Although we are primarily engaged in Public Health Nursing, we also devote much energy and thought to solving non-medical problems, which if left unresolved, could lead to medical consequences. For these solutions, we make frequent use of a wide variety of other agencies.

We would like to note in this report, that 1967 marks the 50th year that the P.C.N.A. has been giving Public Health nursing care and health guidance to the Town of Plymouth.

Respectfully submitted,

MARION A. HEDGE, R.N.

Supervisor

ASSESSOR'S REPORT

An increase over 1966 in Appropriations amounted to \$15.15 on the Tax Rate. However, a Net State Receipts of \$5.08, Use of Available Funds of \$3.07, and New Valuation of \$2.60, for a Total of \$10.75, resulted in an increase of \$4.40 in the 1967 Tax Rate.

PERSONNEL BOARD REPORT FOR THE YEAR 1967

A revision of the Town of Plymouth Personnel Bylaw including the Classification and Compensation Plan was presented and approved at the 1967 Annual Town Meeting and is incorporated as a part of this report by reference.

The impact of the new State collective bargaining act applicable to municipalities created some profound changes in the process of developing proposed revisions in the Bylaw for action by the Annual Town Meeting. The addition of the Board of Selectmen as bargaining agents for the Town and of three separate bargaining agents for various categories of employees doubled the number of groups involved in framing the revisions and inevitably necessitated a much more complex pattern of meetings and communications. The bargaining process itself proved much more time-consuming than the previous system of simple hearings. Instead of proposed new pay rates being available for incorporation into department budgets by the December 21 deadline, the rates resulting from bargaining were not even available until late February. The need for printing the proposed new Bylaw to be available to representatives before the Town Meeting, provided the several groups concerned with Bylaw revision insufficient time to resolve differences over various provisions of the bargaining agreements.

As a result, when these differences became apparent in the early sessions of the Town Meeting, the representatives directed that the six principal groups—the Board of Selectmen, the three bargaining agents for employees, the Finance Committee and the Personnel Board—meet and seek to develop a uniform set of recommendations. Ultimately this was accomplished in regard to virtually all major points and, after a recess of

about two weeks, a revised Bylaw was approved at a final session of the Town Meeting held on April 13, 1967.

The principal changes represented by the 1967 Personnel Bylaw as compared with that of 1966 are as follows:

1. The agreement signed by the Selectmen and the AFL-CIO Local with changes approved by the Town Meeting was incorporated into the general Bylaw by reference with the provision that in any instance of conflict the terms of the agreement should prevail.
2. Pay increases of 5 per cent plus \$100 were provided for all employees on Schedule B; of \$500 across the board for all uniformed police and fire personnel, Schedule B-1; of 20 cents per hour for hourly rated personnel, Schedule C; and of 5 per cent for most part-time personnel, Schedule D, except the call fire force for whom hourly rates were set equivalent to those for the same grades of permanent personnel.
3. Section 14f (4) prohibiting payment to police for court appearances during their normal time off was deleted.
4. Time-and-one-half for overtime after 40 hours per week was provided for foremen covered by the AFL-CIO contract and the \$75.00 monthly additional compensation December-March for foremen in the Highway Department was eliminated; the monthly special payment for Airport administrative personnel May-October was raised from \$50.00 to \$120.00.
5. Time-and-one-half pay in addition to the regular compensation was provided for holiday work for those covered by the AFL-CIO contract.

6. An increased vacation allowance for three weeks after ten years of service was provided replacing the provision that an additional day for each year of service after ten years be granted until a total of three weeks was attained.

On April 20, 1967, the Personnel Board held its organization meeting with David B. Freeman being elected chairman; John A. Thom, vice chairman, and Dorothy Zupperoli, secretary.

Between the organizational meeting and the year end, the Board held fourteen regular meetings and representatives attended certain meetings of other boards on matters of mutual interest and visited various Town departments in connection with requests for its decisions in situations pertaining to provisions of the Personnel Bylaw.

Included in its actions were the following:

... the design and distribution to departments of a form for filing petitions for revisions in the Bylaw.

... approved the new Sanitarian's entering his Pay Grade at Step IV due to his several years of experience in the same work elsewhere.

... extended sick leaves in several instances where, under the terms of the Bylaw, the circumstances warranted.

... ruled that the Bylaw intended holiday pay for part-time personnel in continuous employment.

... ruled that due to the action of the 1966 Town Meeting, personnel could not be advanced to higher step rates solely on the basis of length of service (ruling subsequently confirmed by Town Counsel).

... recommended to the special November Town Meeting that the Master Mechanic employed by the Pub-

lic Safety Commission be reclassified from Pay Grade S-16 to S-17.

. . . in accordance with a request from the Selectmen, agreed to hold a special hearing on the bargaining agreements on December 14, 1967 in lieu of the statutory November deadline (the agreements, however, were not completed by December 14 and no action could be taken).

. . . ruled that special police officers working full time were entitled to holiday pay (a decision on the matter had been asked by the Public Safety Commission).

Numerous requests for changes in the Personnel Bylaw including a number of job reclassifications have been and are being studied and will be the subject of recommendations at the 1968 Annual Town Meeting.

In December, Mr. John A. Thom resigned from the Board due to the increasing travel required in his regular employment which frequently made it impossible for him to attend Board meetings.

Respectfully submitted,

DAVID B. FREEMAN, Chairman

**ANNUAL REPORT OF THE
PLANNING BOARD
1 9 6 7**

The 1967 activities of the Plymouth Planning Board were conducted during the regular meetings held on the second and fourth Mondays of the month and during special meetings held throughout the year. In addition, the Planning Board office at the Town Office Building was open for business between the hours of 9 A.M. to 12 Noon, Monday through Friday, under the direction of the secretary, Mary. B. Searles.

At the Annual Town Election held on Saturday, March 4, 1967, Mr. Elmer R. Harlow, Jr. was re-elected to the Board for a five-year term. Mr. David M. Crawley was re-elected Chairman and Mr. Roland A. Forth re-elected Clerk at the organization meeting held following the Town Election.

Mr. Elmer R. Harlow, Jr. was appointed to the Capital Outlay Expenditures Committee as the representative from the Planning Board and to the Special Study Committee. He was also appointed as Delegate at Large at the Town Meetings. Mr. David M. Crawley was named to the Overall Economic Development Committee with Mr. Alfred Almeida as the alternate.

During the year there was presented for approval under the Subdivision Control Law, a total of fourteen plans for subdivision. Thirteen of these with a total of 352 lots were approved and endorsed; one plan with a total of 229 lots is pending final action. In addition, 52 plans, involving 158 lots, were submitted under the classification "Approval Not Required" and were endorsed.

The Board received two requests for changes in the Town of Plymouth Zoning Map and, after appropriate public hearings, voted not to recommend any for Town

Meeting action. The Board did request a Zoning Amendment to change in Section IV, Intensity Regulations, Paragraph IV-A, Dwellings, the minimum lot size for Residential R-15 and R-10 Districts to 20,000 square feet, which was voted at Town Meeting and approved by the Attorney General on June 6, 1967.

Many special meetings were held by the Board in order to prepare a new revised Zoning By-Law for the Town. The work was done basically in accordance with the proposal of the "Compact III" Comprehensive Plan with each item carefully studied by members of the Board.

In addition, the Board attended special meetings at the invitation of the following groups: Selectmen (Street Hearings), Elementary School Planning Committee, Plymouth County Commissioners, Donald Durell Associates and Boston Edison.

A public meeting was also held with Mr. Harry F. Ritzer, Soil Conservationist of the United States Department of Agriculture, with Mr. Charles Upham, Soil Scientist, to review the detailed Soil Survey Report purchased by the Town. The report and maps are in the Planning Board office and may be inspected by any interested persons.

Respectfully submitted,

DAVID M. CRAWLEY, Chairman

RONALD A. FORTH, Clerk

**ANNUAL REPORT
PLYMOUTH DEVELOPMENT & INDUSTRIAL COMMISSION
FOR 1967**

The second year of our expanded operation has been successful and busy and the results of our careful planning for the Town's economy now begins to show.

The help and assistance of the administrators of E.D.A. (Economic Development Administration) of the United States Department of Commerce, in Boston, Portland, Maine and Washington, D.C. has proved to be the principal support of our economic community progress.

The year's peak of performance was the Commission's successful filing of an Application for a Water Pollution Control Grant of the U.S. Department of Interior and an E.D.A. Public Works Grant. The announcements of Federal Grants were the realization of economic planning and are the goals and aims of a vigorous "Program of Work" of the P.D.I.C. E.D.A. recognizes Plymouth as an economically distressed area, eligible for assistance under their program, because we have an unemployment rate of 10 per cent on a monthly average. This situation was triggered by the closing of the Plymouth Cordage Company and the tide should be turned after the completion of the proposed Plymouth Industrial Park. It is planned that the unemployment problem can be reduced and eventually eliminated by the creation of new business opportunities.

Federal Grants to help the overall economic conditions in Plymouth received during the last year are as follows: Technical Assistance Grant (E.D.A.) Master Plan Plymouth Industrial Park \$25,050.00; E.D.A. Public Works Supplemental Grant Plymouth Sewage Treatment Plant \$1,056,400.00; Department of Interior, Water Pollution Control, Primary Grant to Plymouth Sewage Treatment Plant \$792,300.00; U.S. Army Engineers, Harbor Development Grant \$1,860,000.00. Total Federal Funds

allocated to Plymouth in 1967 amounted to \$3,733,750.00. The Sewage Treatment Project and the Harbor Improvement Project were so correlated that the Plymouth Development & Industrial Commission was able to work closely with the Sewage Treatment Construction Committee and the Harbor Committee in filing these Grants.

The Plymouth Development & Industrial Commission is proud of its leadership and planning for the economic recovery and with the cooperative efforts of the Plymouth Industrial Development Corporation, and its Industrial Park land ownership program, should result this year in a completed Industrial Park. It is hoped that an announcement will be made soon for a 70 per cent E.D.A. Grant for roads, sewer and water in the Industrial Park, in the amount of \$412,000. The total cost of the Industrial Park will be \$588,600.00.

The Master Plan has been completed for Phase I of the Plymouth Industrial Park. The non-profit Plymouth Industrial Development Corporation owns 200 acres planned for this first step. Several firms have signified their intention of locating within the Park. Ocean Spray Cranberry Company, Inc. plans a one million dollar multi-story office building adjacent to Route 3 to be their National Office Headquarters; New England Telephone Company will build a service garage for the area; Pixley-Richards Co., manufacturers of small plastic assembly type products have reserved land to build a new 6,000-square foot building; and a Chemical Research operation, now in the formative stage, has also reserved land for a proposed building. These new firms locating in the Plymouth Industrial Park will increase employment by approximately 200 people.

With the raising of funds by the P.I.D.C. the purchase of enough land to make an Industrial Park possible, the adoption of a properly engineered Master Plan for the Park and the necessary Federal help in con-

structing facilities now makes it necessary to plan an aggressive program to entice new industry to Plymouth. A careful study is now being made by the P.D.I.C. relative to an advertising and marketing approach to good, clean aggressive types of business and industry to help solve the problem of unemployment.

The Commission has worked closely not only with the Federal Government and its Agencies but with the Massachusetts Department of Commerce & Development and the many existing professional Industrial Development Organizations. Plymouth's program has been recognized by those in the economic development field as one of the most active of any city or town of its size in Massachusetts. This factor has been a great help in securing cooperation and assistance and in some instances active leads for new business.

The decision to locate the new sixty-five million dollar Edison Company Nuclear Generating Plant in Plymouth was reached on their part by the acceptance of Plymouth as an aggressive, attractive, financially sound community. Not only will Plymouth benefit by the addition of many skilled workers in the area for the next few years of construction, but the added tax base will increase the attractiveness of Plymouth as a place for new future business and industrial opportunities.

An annual report has been prepared recently for the State Division of Manpower Training Program concerning the program to solve our economic problems. This report was requested by a local Taunton Office to augment their requests for Plymouth Training Programs for auto mechanics, nurses aids, cooks' school, clerical and auto body mechanics. Because of limited funds in the budget for Manpower Training, this report was necessary to back up their request for training as Plymouth is a distressed area. It is almost impossible to determine the amount of Federal money allocated to this program. The P.D.I.C. is attempting to help in a further role of

continued leadership in this program and we have worked cooperatively with them.

The active participation of the Commission in furthering action of Route No. 44 and its relocation in Plymouth could result in decisions being made early in 1968. A basic feasibility study has been made by the Department of Public Works by a private engineering group as to the recommendation and relocation of Route No. 44 into Plymouth. Easier access to the West will be another important factor in enticing business to locate in our Community. While Route No. 44 has been a matter of discussion a good many years, it would appear that with our present Industrial Program, and the creation of the Industrial Park, there is an increased need for a new Route No. 44.

Regular monthly meetings of the Commission have been held and many other meetings concerning our Program of Work have been attended by the Commission members, including discussions with prospects, hearings in Boston on legislation and other Industrial Programs. The Office Headquarters, located at 47 Main Street, Plymouth, have served as a meeting place for Town study groups, organizations and prospective business and industries.

The Commission members appreciate and value the cooperation and support of Town Officials and Departments, Town Meeting Members and the members of the community in general.

REPORT OF THE BOARD OF PUBLIC WELFARE FOR 1967

The organizational meeting of the Board of Public Welfare was held following the 1967 Annual Town Election. Francis H. Murphy was elected Chairman, Alton Giovanetti was re-elected Delegate-at-Large to the Town Meeting and Allen B. Wood, Director of Public Assistance, was re-appointed Secretary.

Expenditures for salaries and general administration totalled \$73,794.87 in 1967. The Federal share of this amount was \$39,944.35 and the State share was \$14,572.75, leaving a net cost to the Town of \$19,277.77.

Expenditures for assistance totalled \$1,134,675.33. The Federal share of this amount was \$558,011.13 and the State share was \$355,271.85, leaving a net cost to the Town of \$221,392.35. Medical Assistance (Medicaid) accounted for 48 per cent of the cost of assistance. For the last six months of 1967 we have received between ninety and one hundred applications monthly. Approximately 75 per cent of these are being approved. The case load in Aid to Families with Dependent Children also rose steadily during this year.

The staff of the Board of Public Welfare in 1967 consisted of the following:

- 1 Director of Public Assistance
- 1 Social Work Supervisor
- 5 Social Workers
- 1 Senior Clerk
- 3 Junior Clerk-Typists
- 1 Junior Clerk-Stenographer

Our social work staff made 3,295 "purposeful contacts" with recipients of or applicants for public assistance in 1967. Of these contacts, 1,999 were in connection with the investigation of initial or continuing eligibility

and 1,296 were in connection with the provision of certain specific social casework services.

The Board of Public Welfare wishes to express its thanks to the various Town Departments, private social agencies, medical practitioners, druggists, hospitals, nursing homes and the staff of the department for their cooperation during the year.

On July 1, 1968 the Commonwealth of Massachusetts will assume the administration of public assistance and the Board of Public Welfare will be abolished. The civil service employees of the Board of Public Welfare will be absorbed into the service of the Commonwealth at that time.

Respectfully submitted,

FRANCIS H. MURPHY, Chairman

ANNUAL REPORT OF THE BOARD OF PARK COMMISSION

In Memoriam

EDWARD J. E. HAND

The Board of Park Commission reports with great sorrow, the death of Commissioner Edward J. E. Hand on January 13, 1967.

Mr. Hand had served on the Park Commission for a period of twenty-six years having been appointed in 1941 to fill a vacancy and was elected by his townspeople for each term thereafter.

Mr. Hand had always expressed great interest in the office he had held as park commissioner and has given much time to those duties for which he had ever been dedicated.

Mr. Everett F. Lanman, of 3 Gordon Place was elected as a member of the Board of Park Commission in March 1967 to fill a vacancy in the death on January 13, 1967 of the late Edward J. E. Hand.

The Board of Park Commission organized on March 6, 1967 and re-elected Walter Haskell as its chairman. Other members of the commission included O. Arrigo Guidoboni, John W. Searles, Anthony V. Pioppi and Everett F. Lanman.

The Board re-appointed Arthur W. Sirrico as superintendent of the Park Department and re-appointed Mrs. Mildred Dennehy as department clerk.

During the year 1967, the department had the care and maintenance of twenty-two (22) buildings; and thirty-two pieces of land property totalling 292.38 acres.

Of the thirty-two pieces of land, eight of them were not under the jurisdiction of the Park Department.

During 1968, turnover of land developments by the Urban Redevelopment program will add the care of nine more parcels of town-owned land to the work of the Park Department thus making a total of forty-one (41) various lots.

With the abandonment of the camping area at Fresh Pond by a vote of the town in March 1967, Park Department records show a drop of approximately \$15,000 in year receipts.

1967 costs and receipts were as follows:

1967 Appropriation	\$117,027.00
Interest	125.33
1967 Total Appropriation	<hr/> \$117,152.33
1967 Total Expenditures	112,317.00
	<hr/>
Balance Returned 1967	4,835.33
Receipts 1967	15,659.30
	<hr/>
Actual 1967 Operating Cost	\$91,822.37

Comparison of Receipts:

1967 —	\$15,659.31
1966 —	31,161.64
1965 —	29,292.86
1964 —	24,311.73

The two-way Civil Defense radios installed in two of the Park Department trucks have proven most satisfactory and by such use the department has been able to save much time and labor.

The Board of Park Commission and its superintendent has thoroughly enjoyed the mutual relationship it

has had the past year with other town departments and will continue to this end in the years ahead.

The Board of Park Commission and its superintendent and clerk wish to publicly thank, through this report, all of those many people in Plymouth who have helped and aided the department in carrying out its work.

Respectfully submitted,

Respectfully submitted,

RAYMOND MULLANEY,

Dog Officer

REPORT OF THE COMMISSION OF PUBLIC SAFETY

Honorable Board of Selectmen

Town Office Building
Lincoln Street
Plymouth, Massachusetts

Attention: Sumner A. Chapman, Chairman

Dear Mr. Chapman:

The Commission of Public Safety hereby submits its annual report for the year 1967 and the reports of their various departments:

In December, 1967 we were unfortunate in the resignation of Commissioner Robert I. Pillsbury. He had brought a dynamic, forceful personality, and fresh and enlightening attitudes to our proceedings. We wish him well and will follow his career with interest. In accordance with statute the Board of Selectmen and the remaining members of the Commission reviewed a list of candidates for the vacancy and after deliberation voted Paul Withington to succeed Mr. Pillsbury. Since Mr. Withington has had previous experience as a member of the Commission there was no halt in our programs.

Construction has begun on the new Police Station and we hope to occupy its premises this summer. This facility will improve the physical and material well being of the department. We pay tribute to the CD volunteers who have given their time and energies without pay in the direction of traffic. Their welcome presence has released regular officers for more urgent police duties. We hope this dedicated group will be augmented by additional volunteers this summer. We have had resignations from our special police list but are hopefully approaching a full complement of regulars. As our popu-

lation grows and the living areas of our town spread we must envisage additional increases in manpower and cruisers. We must keep our equipment modernized and afford the best educational facilities to keep our personnel abreast of legal decisions and qualified in handling any emergencies.

The reports submitted by the Building, Wire, Plumbing, and Gas Inspectors reflect the marked increase in building, highlighted by the Boston Edison project. This attests to the increase in population and augurs well for our future.

Forest Fire equipment is being replaced as scheduled. There is still need to repair and replace major pieces of equipment during the next few years. There has been a gradual attrition and deprivation of use of ageing apparatus which will soon defy repair. Although the cost of new fire apparatus is alarmingly high it is imperative that repairs and replacement be done expeditiously to maintain the high grade of efficiency we expect from our Fire Department. Romeo Carletti retired to enter private business and we wish him well. The Committee for New Fire Headquarters Building is still exploring sites and will probably not report for another year.

The Health Department reports marked lowering of contagious disease and hope to immunize all children against measles. We are hopeful of having a mumps vaccine soon. This will all but eliminate these infectious diseases, and add to our longevity. We have had an engineering survey of the South St. dump for conversion to a sanitary landfill dump, as required by the State Board Department of Health. This is compulsory and we hope to have an appropriation to begin work as soon as possible.

We wish to thank all Departments Heads, inspec-

tors, and all personnel for their cooperation, sometimes under trying circumstances, their devotion to duty and loyalty to the Commissioners. We confirm that their efforts are appreciated by the Town in the interests of Public Safety.

COMMISSION OF PUBLIC SAFETY

HYMAN DUBY, M.D., Chairman

JOSEPH R. STEFANI

PAUL WITHINGTON

REPORT OF THE BOARD OF RETIREMENT

The Board of Retirement presents herewith its report covering the activities of the Contributory Retirement System for the year 1967.

Chapter 408 of the Acts of 1967 amends Chapter 661 of the Acts of 1966. Clarifies and amends the act which provides for automatic increases or decreases in allowances when cost of living changes more than 3 per cent in one year. This applies to both contributory and non-contributory pensioners and beneficiaries.

Chapter 828 of the Acts of 1967 amends Chapter 32 Section 3 (2) (g) and Section 5 (2) (a). Changes police and fire to Group 4 in all pertinent sections and reduces the age factor for this group to 55 years for reaching the maximum 2.5 per cent of the average annual rate of compensation in computing superannuation retirement allowances.

With the loss of three non-contributory pensioners during 1967, there are nine non-contributory pensioners and two beneficiaries receiving retirement allowances from the town, as of December 31, 1967.

Contributory Retirement System
Board of Retirement, Plymouth

One Hundred and Thirteenth Annual Report of the Water Commissioners and Superintendent of the Town of Plymouth

FOR THE YEAR ENDING DECEMBER 31, 1967

The 113th Annual Report is hereby submitted by the Board of Water Commissioners and covers the calendar year 1967.

We have located a new deep well at Ship Pond. The tests showed a yield of about three-quarters of a million gallons of water per day. The analysis of the water is the same as that of all other wells. The inception of the nuclear power plant did not create any hardship to our water supply as the Ship Pond Well will more than take care of its present needs.

Two well-known landmarks, the Harlow and Buckingham water tanks, each with a 50,000-gallon capacity, were taken down this year.

The program for the installation of remote meters is going along very well.

This is the first year in quite a few years that no restrictions on the use of water was needed, however, a large problem has confronted us in that the State is requiring an extension of our boundaries to a minimum of 400 feet in diameter from our Wanno's Pond Well.

We have added a truck-mounted crane to help expedite the work in setting hydrants and moving pipe. This was also the year that the over-due remodelling of the Howland Street Shop was done.

Among those retiring this year were Miss M. Ailin O'Fihelly, Senior Clerk-Water Registrar and Mr. Theodore W. Brink, Superintendent. Miss O'Fihelly has served the Water Department for 48 years, and Mr. Brink has served 33 years; each has served us well.

The Board members who resigned include Mr. Peter R. Billey and Mr. Dexter M. Brooks. Mr. Billey was a member and chairman of this Board for 17 years during which time he served well and faithfully, but a change in his employment took him away from Plymouth. During his five-year term of office, Mr. Brooks made a fine contribution to the Board.

Elected to the Board were Mr. Ferdinand T. Emond, realtor, and Mr. Carleton S. Perkins, retired electrical engineer and last year's Finance Committee chairman which experience has proven to be most beneficial to this Board.

The total rainfall during the year amounted to 56.53 inches, which is about 11 inches above average for this area. The year ended with the water elevation at Little South at 103.37 feet compared to 100.57 feet for the previous year end.

Receipts from the sale of water, connections to mains, services rendered, etc. amounted to \$143,471.06.

APPROPRIATIONS REQUESTED FOR 1968

Maintenance and Labor	\$110,561.00
Salaries	\$38,588.00
Administration	\$4,010.00
Regular Construction	\$15,000.00
Meters & Installations	\$20,000.00
Well Explorations	\$8,000.00
A.C. Cutter — Lathe — Stand	\$525.00
Chlorinator	\$2,000.00

SPECIAL ARTICLES 1968

1. Relay main in Newfield Street.
2. Relay mains in Clark Street and part of Braunecker Road.
3. Extend the 12-inch main in Federal Furnace Road.
4. Purchase a half-ton pickup truck.

5. Engineering survey.
6. Re-inforce main to Industrial Park.
7. Survey of land around Wanno's Pond Station.

SUMMARY OF STATISTICS

(Published by request of the New England Water Works Association, Plymouth, Massachusetts, Water Works)

Population, 15,424 (Summer Population, 20,250 according to Selectmen's estimate.)

Date of Construction, 1855.

By whom owned, Town.

Source of supply, Great and Little South Ponds, Manomet Well and Lout Pond Well.

Mode of supply, Pumping.

PUMPING

Builders of Pumping Machinery, Fairbanks-Morse, Deming, Warren and Morris Electric.

Pumpage for the year:

Lout Pond Pumping (electric)	368,532,000 gals.
Lout Pond Deep Well (electric)	177,043,600 gals.
Manomet Deep Well (electric)	141,086,300 gals.

Total Pumping	686,661,900 gals.
---------------	-------------------

(Note: New High and Super High Service (electric) 53,392,600 gals. RE-PUMPED).

Average static head: 94.0 ft. (Lout Pond)

Average dynamic head: 103.0 ft. (Lout Pond)

Number K.W.H. consumed:

Lout Pond Station	352,240 K.W.H.
Manomet Station	158,240 K.W.H.

Total K.W.H. Pumping	510,480 K.W.H.
Number K.W.H. (RE-PUMPING)	33,190 K.W.H.

Total K.W.H. Consumption	543,670 K.W.H.
--------------------------	----------------

STATISTICS OF CONSUMPTION OF WATER

Population, 15,424. (Summer population, 20,250 according to Selectmen's estimate.)

Estimated population on pipe line, 13,000.

Estimated population supplied, 13,000.

Total consumption for the year, 686,661,900 gals.

Average daily consumption, 1,881,265 gals.

Gallons per day to each inhabitant, 145.

Gallons per day to each tap, 345.

STATISTICS RELATING TO DISTRIBUTION SYSTEM

Kind of Pipe, Cement-lined sheet iron, Cement-lined cast iron, and Asbestos-cement.

Sizes, from 2-inch to 30-inch.

Extended, 16,075 feet.

Discontinued, 0 feet.

Total now in use, 105 miles, 4,202 feet.

Cost to repair per mile, \$25.71.

Number of leaks per mile, 0.16.

Small distribution pipe less than 4-inch, 4 miles, 55 feet.

Hydrants now in use, 668 public and 79 private.

Stop gates added, 41. Discontinued, 0. Number now in use, 1,459.

SERVICES

Kind of pipe, Lead, Cement-lined galvanized, and Copper tubing.

Sizes, from three-quarter inch to six-inch.

Total now in use, 16 miles, 4,850 feet.

Service taps added, 82. Discontinued, 0.

Total now in use, 5,450.

Average length of service, 22 feet.

Average cost per service, \$75.00.

Meters added, 259.

Number now in use, 4,648.

Percentage of services metered, 85.3 per cent.

PLYMOUTH REDEVELOPMENT AUTHORITY

A review of the Summer-High Street Project Area for 1967 reveals a total of 80 new dwelling units now completed with 85 per cent of the units occupied. It is interesting to report that 70 per cent of the total occupancy are families from outside the Plymouth area, in many cases they have come from other States. The age grouping of these families vary almost equally among the young, middle-age and elderly, which indicate a healthy population growth for the area. Construction of 80 new one and two-family units is now under way with completion set for 1968.

The Authority is experiencing some difficulty in disposing of its last Disposition Parcel C-1 which is zoned for motel-restaurant use. Although the authority has had many proposals to construct a motel on the land, none were in conformity with provisions of the Urban Renewal Plan as voted by the town.

A feasibility study in connection with the disposal of Parcel C-1 is now being updated by the authority.

PROJECT STATISTICS 1958-1967

Relocation

Relocation Costs (staff)	\$22,353
Families relocated	99
Individuals relocated	45
Relocation payments to site occupants and businesses	\$108,134
Site Improvement Costs	\$690,983
Project execution expense (Administrative)	\$134,995
Estimated value of construction on	
Parcels sold	\$2,733,000
Buildings remaining to be demolished	0
Remaining families to be relocated	2
Real estate purchases	\$902,168

In 1968 this authority looks forward to Project completion, a time when all provisions of the Cooperation

Agreement and the Urban Renewal Plan will have been fulfilled.

The Plymouth Redevelopment Authority again urges the people of Plymouth to support the new Federal programs available to the Town of Plymouth for the prevention of slum and blight. The adoption of the town of new Community improvement programs will prevent another demolition project from occurring in the town in future years.

The Plymouth Redevelopment Authority further urges the people of Plymouth to support and appropriate at the Annual Town Meeting of 1968 the sum of \$150,000 for the establishment of a Shell for the Performing Arts to be constructed on the site of the Old Almshouse adjacent to Jenney and Poorhouse Ponds.

The Town of Plymouth would receive 25 per cent credit on the \$150,000 construction cost plus added additional financial benefits in connection with the Project.

The establishment of the Shell for the Performing Arts in Plymouth would bring many benefits to the Town especially financially, architecturally and culturally and would help to further enhance an already beautiful area of the Town.

The Authority also urges the people of Plymouth to adopt at the Town Meeting — 1968 — Compact III as a guide for Plymouth's future development and progress.

The adoption of Compact III by the Town opens the way for new financial grants both State and Federal to be used for beautification, recreational and community facility programs needed in the Town.

**DEPARTMENT OF CORPORATIONS AND TAXATION
BUREAU OF ACCOUNTS**

To the Board of Selectmen

Mr. Sumner A. Chapman, Jr., Chairman
Plymouth, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Plymouth for the period from January 1, 1966 to May 10, 1967, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Chief of Bureau.

Very truly yours,

ARTHUR H. MacKINNON

Director of Accounts

Mr. Arthur H. MacKinnon

Director of Accounts

Department of Corporations and Taxation

Boston, Massachusetts

Sir:

As directed by you, I have made an audit of the books and accounts of the town of Plymouth for the period from January 1, 1966 to May 10, 1967 the following report being submitted thereon:

The records of financial transactions as recorded on the books of the several departments receiving or disbursing money for the town, or committing bills for collection, were examined and checked with the books and reports in the town accountant's office and with the records of the town treasurer.

The town accountant's ledger accounts were analyzed, the receipts being checked with the treasurer's books and the payments being compared with the warrants authorizing them and with the treasurer's records of payments. The appropriations and loan authorizations

were checked with the town clerk's records of town meetings, and the recorded transfers from the reserve fund were verified by comparison with the records of the finance committee. A trial balance was taken off, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on May 10, 1967.

The surety bonds of the officials required to file them for the faithful performance of their duties were examined and found to be in proper form.

The books and accounts of the town treasurer were examined and checked. The receipts, as recorded, were checked with the records of the several departments collecting money for the town and with other sources from which money was paid into the treasury, while the payments were compared with the selectmen's warrants authorizing the treasurer to disburse town funds.

The cash book footings were verified, and the cash balance on May 10, 1967 was compared with the cash on hand as shown by an actual count of the cash in the office and by reconciliation of the bank balances with statements received from the banks in which town funds are deposited.

The payments made for maturing debt and interest were compared with the amounts falling due and checked with the cancelled securities on file. The outstanding coupons on May 10, 1967 were listed and reconciled with the balance in the bond and coupon account as shown by a statement furnished by the bank depository.

The records of payroll deductions for Federal and State taxes, retirement systems, teachers' annuities, group insurance, and the purchase of savings bonds were examined and checked. The amounts paid to the proper agencies, as well as the payments for the purchase of savings bonds, were verified.

The records of collections from parking meters and parking lots were examined, listed, and checked with the treasurer's recorded receipts.

The savings bank books and securities representing the investment of the trust, investment, and retirement funds in the custody of the town treasurer and the trustees were examined and listed. The income was proved, and all transactions and balances were verified and compared with the town accountant's books, and, in the case of the retirement funds, with the records of the retirement board.

The records of tax titles and tax possessions held by the town were examined and checked. The taxes and water liens added to the tax title account were checked with the collector's records, the redemptions and sales were compared with the treasurer's recorded receipts, the disclaimers were verified, and the tax titles and tax possessions on hand were listed, reconciled with the accountant's ledger, and checked with the records at the Registry of Deeds.

The books and accounts of the collector were examined and checked in detail. The taxes, excise, and water liens outstanding on January 1, 1966, as well as all subsequent commitment lists, were audited and compared with the assessors' warrants issued for their collection. The payments to the treasurer were checked with the treasurer's cash book, the recorded abatements were compared with the assessors' records, and the outstanding accounts were listed and reconciled with the controlling ledger accounts.

The records of departmental and water accounts receivable were examined and checked. The commitments were proved, the payments to the treasurer were compared with the treasurer's cash book, the abatements were checked with the records of the departments authorized to grant such credits, and the outstanding accounts were listed and proved.

The outstanding tax, excise, departmental, and water accounts were verified by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The collector's cash balance on May 10, 1967 was proved by actual count of the cash in the office.

The financial records of the town clerk pertaining to dog and sporting licenses issued, as well as to receipts from miscellaneous sources, were examined and checked. The payments to the town treasurer were compared with the treasurer's recorded receipts, and the payments to the State were compared with the receipts on file.

The records of receipts of the board of selectmen and the sealer of weights and measures, as well as of the police, health, school, and park departments, and of all other departments collecting money for the town or committing bills for collection, were examined and checked. The recorded collections were compared with the treasurer's recorded receipts, and the cash on hand in the several departments was proved by actual count.

In addition to the balance sheet, there are appended to this report tables showing reconciliations of the treasurer's and the collector's cash, summaries of the tax, excise, tax title, tax possession, departmental, and water accounts, as well as schedules showing the transactions and condition of the trust, investment, and retirement funds.

During the progress of the audit cooperation was received from all town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

WILLIAM SCHWARTZ,

Assistant Chief of Bureau

**REPORT OF
REGIONAL VOCATIONAL DISTRICT
PLANNING BOARD**

By a vote of the 1967 Town meetings Regional Vocational School District Planning Committees were authorized and duly appointed. Committees from the Towns of Carver, Duxbury, Marshfield and Plymouth, acting under the provisions of Section 14 of Chapter 71 of the General Laws, formed the Regional Vocational School District Planning Board.

The Board has made the following findings:

1. The region under consideration will have by 1971 3,219 students in Grades 9 through 12.
2. From 30 per cent to 50 per cent of all high school graduates in this region do not continue their education at the college level.
3. Capacity, limited entrance requirements, transportation, and course offering are at present denying students in this region a vitally needed vocational training experience.
4. The division of Vocational Education of the State Department of Education estimates that a co-educational vocational school for 560 students would be required for this region.
5. Industrial growth in the area depends upon a reservoir of trained personnel having a degree of skill greater than heretofore and at present vocational school graduates are in great demand by industry.
6. The mobility of labor today will allow this region to include courses that previously could not be presented in a limited industrial area.
7. Greater education value at a lower pupil cost can be realized by the four towns joining a regional district than would be possible by individual school vocational programs.

8. 161 Towns within the Commonwealth already are operating Vocational High Schools either as a part of their own school system or as a member of a region, and 49 other towns are in the regional planning stage.

The Board therefore recommends:

1. That a Regional Vocational School District including the towns of Carver, Duxbury, Marshfield, and Plymouth, be formed according to the provision of the attached agreement which is a part of this report.
2. That the region be operated by an elected Regional School Committee with each town being represented as set forth in the attached agreement. That such Regional School Committee shall have all the powers and duties and responsibilities as set forth by law and this agreement. This agreement further sets forth the provision for Capital and Operating costs budgeting, amendments to the agreement for admission and withdrawal of member towns, transportation, admission of tuition students, employment of teachers and extension of tenure.
3. Further recommend the construction of a Regional Vocational High School within the confines of the region described, for approximately 560 students at a currently estimated net cost of construction and financing of 3,734,250. This capital cost will be shared by the member towns on the basis of pupil enrollment in the Regional Vocational School. For the purpose of estimating apportioned costs per town the estimated pupil enrollment of the member towns in Grade 9 through 12 for the year 1972 has been used. Operating costs are also estimated to be about \$875.00 per pupil at full enrollment and is similarly apportioned.

Town	% of Cost	Est. share of net cost Construction & Finance	Estimated Yearly Operating Costs
Carver	10	373,425	49,000
Duxbury	17	634,823	83,300
Marshfield	45	1,680,412	220,500
Plymouth	28	1,045,590	137,200
		<hr/>	<hr/>
		3,734,250	490,000

This sum of money to be raised by a Regional District Bond issue the cost of which will be prorated to the member towns substantially in accordance with the above schedule.

The Vocational High School may include Grades 9 through 14 offering 12 to 16 subject area, courses.

In addition the facilities will be utilized for adult education, trade extension courses and special training courses.

It is further recommended that an initial operating and planning budget of \$25,000.00 be provided the Regional Vocational District for the balance of the year. This amount to be raised by the member towns as follows:

Carver	2,500
Duxbury	4,250
Marshfield	11,250
Plymouth	7,000
	<hr/>
	25,000

It is recommended, that an article be placed in the Warrant of the towns to be Voted upon as prescribed by Section 15 of Chapter 71 of the General Laws and to read as follows:

Shall the Town accept the provisions of Section Sixteen to Sixteen 1, inclusive, of Chapter Seventy-one of

the General Laws, providing for the establishments of a Vocational Regional School District together with the Towns of Carver, Duxbury, and Marshfield; and the construction, maintenance and operation of a Vocational Regional School by the said District in accordance with the provisions of a proposed agreement filed with the Selectmen?

**REPORT OF THE PLYMOUTH HOUSING AUTHORITY
FOR 1967**

Honorable Board of Selectmen:

Construction of the long-awaited Southfield apartments for the elderly commenced in early spring 1967 and at year's end was near enough to completion to assure occupancy in February, 1968. Various advanced building techniques were employed to reduce the cost of the building, while maintaining the very highest of construction and fire resistance standards. As a result, a rent of \$55.00 per month per unit, the same as the charge at Castle Hill, was assured from analysis of building costs and probable maintenance costs. This was considered by the Authority to be a distinct gain, since building costs have increased rapidly since the construction of Castle Hill in 1963, and the cost of borrowing money has almost doubled. Unlike the Castle Hill housing for the elderly, Southfield encloses all 60 apartments within one building of unique design. In one wing, of 24 apartments, 12 are accessible from ground level and the other 12 may be reached by climbing half a flight of steps. In the other wing, of 36 units, 24 are accessible from ground level, although this wing gives the impression of a three-story building. All conveniences and facilities available in the Castle Hill apartments are available in Southfield, and the eligible tenants were awaiting their completion with eagerness as the year drew to a close.

Requirements for admission to either of the projects for the elderly are as follows:

The applicant must be a resident of Plymouth, over 65 years of age, and have an income of not in excess of \$2,500.00 per year. (If a couple, \$3,000.00)

The Veterans' Housing Project at Olmstead Terrace and the Castle Hill Project for the Elderly continue to

be occupied fully throughout the year. For the first time, veterans of the Vietnam War were officially declared eligible for admission.

Respectfully submitted,

THOMAS F. QUINN, Chairman
FERRIS C. WAITE, Executive Director
M. HERBERT CRAIG
LAWRENCE W. STILES

ANNUAL REPORT OF THE PLYMOUTH AIRPORT COMMISSION

The new runway has increased activities as expected, during winter months when needed.

The radio beacon is operating making it possible to land here in inclement weather thereby increasing traffic.

Student activities are increasing daily which has resulted in the establishment of the second flight school on this facility. This school is offering complete flight training from student to Airline Pilot License, including Federal License Examiner.

Another storage hangar has been erected with two more contemplated.

One of New England's largest aircraft sales organizations is negotiating for space to establish the home office here.

Overall receipts have shown an increase of 15 per cent over last year which represents a constant increase in activities and sales at the airport since the first federal project was completed in 1957.

The federal project for this year which is the extension of 500-feet on the main runway and taxiway which will enable larger aircraft to land here should increase activities considerably.

The Island Flying Club and the Plymouth Aero Club, a newly formed organization at the airport, jointly sponsored the third Annual Open House in July and presented the second \$200 scholarship to the Plymouth-Carver High School.

Plymouth Airport is recognized by State and Federal Aviation Agencies as having the greatest increase in activities in the Commonwealth.

ANNUAL REPORT OF THE SCHOOL COMMITTEE AND THE SUPERINTENDENT OF SCHOOLS

I herewith submit the eighth annual report of my administration of the Plymouth schools. This is done in cooperation with the members of the School Committee and will include information gathered from several departments within the system in an effort to increase your understanding of our school program.

We opened our year with a ratification of the first contract which was achieved in what had been our first experience with Collective Bargaining. Not surprisingly, our year ended with efforts on behalf of both teachers and School Committee members to achieve agreement on conditions of teacher employment. Certainly, both sides are to be congratulated for the good faith that has marked the many bargaining sessions.

This year we took particular pride in the achievement of our graduating class of Licensed Practical Nurses. Their final examination scores placed them at the very top among the more than thirty such programs throughout the State that are developed in cooperation with the Department of Employment Security with funds provided under terms of the Manpower Development Training Act. Particular credit must be given here to Miss Phyllis Diegoli, R.N., who has served as Director of this noteworthy program.

During the year several meetings were held with the members of the Carver and Plymouth-Carver School Committees. These meetings represented a joint effort to determine the educational future of the communities of our School Union. It was decided to ask the towns to amend the present Regional School Agreement in such manner as to allow extension of the District to provide for Grades 6, 7 and 8. It is believed that a joint effort of the Plymouth and Carver communities will best serve

the needs of the youngsters in these grades from both towns.

Plymouth is certainly faced with serious enrollment problems, even at the present time. This year we have found it necessary to divide the Cold Spring School auditorium in order to create two more Grade 5 classrooms. At Manomet, the school library was sacrificed to provide an additional fifth-grade classroom. These were the least undesirable of the alternatives available to us and mark only the beginning of unpleasant temporary changes that will have to come until new space is provided.

The Elementary School Planning Committee has worked conscientiously and in close cooperation with this office and the School Committee. It has been their primary effort to locate a suitable plot of land for the construction of a school which would provide for the needs of students in Grades 6, 7 and 8. The use of present buildings would have neighborhood schools continued to hold classes for youngsters in Kindergarten through Grade 3. The Nathaniel Morton School would then serve as a central facility for Grades 4 and 5 and would in addition allow space for special education programs and for the needed office spaces for our pupil personnel services.

Members of the School Committee were very active in their attendance at conferences and in their active participation in the activities of school groups within the area and throughout the State. Note must be made here of the appointment of Chairman Alton S. Cavicchi as Executive Secretary of the Massachusetts Association of School Committees. It is this kind of effort on behalf of your School Committee members that have kept them abreast of the challenge and changes that is so much a part of today's educational planning.

Personnel

Mr. Harry Doyle found it advisable to retire from his School Committee activities as a result of what we

hope was a temporary health condition. Here is a gentleman who served well on both the Plymouth and the Plymouth-Carver Regional School Committees. A most sincere worker, his jovial spirit has been greatly missed by all.

Miss Jeannette Colas was elected to the Committee and was welcomed to this new service by her fellow members. Miss Colas has previously served our town in the capacity of Finance Committee member.

In June, retirement came to one of Plymouth's most distinguished teaching careers. Deane Eldridge, respected teacher, craftsman, and worthy community servant, entered upon a richly deserved retirement.

The Nathaniel Morton School was further disappointed in its loss to retirement of Mrs. Frances Carletti, a woman who served for many years as much more than a secretary to the principals; she will be remembered as a friend to the teachers and children of that school for many years to come.

Mr. George Theodoras, Principal of the Intermediate School resigned his position in July to accept a similar position in Bedford, Massachusetts. During his many years at the Hedge School and then at the Nathaniel Morton, Mr. Theodoras served faithfully and well those youngsters given into his charge.

At year's end, after a wide and careful search, Mr. Hugh Biddinger was appointed to fill the vacated principalship. Mr. Biddinger comes to us from Berwyn, Illinois, a city in which he had served for many years as a school administrator. We can but wish him every success and urge every cooperative community effort.

Curricula

Study committees have continued their activity, particularly in the areas of mathematics, science, and social

studies. The ongoing processes of evaluation have displayed the strengths and weaknesses of our programs. The committees serve most effectively in their recommendations for desirable changes. Innovation is an important part of every teacher's responsibility; we have been encouraged by the wide seeking and careful implementation that has occurred within the classrooms of our community.

One particularly significant improvement came with the installation of our language laboratory for the French classes in Grades 7 and 8. This marks a high point in the overall program of elementary foreign language programming. We should like to point to this as an example of the careful curriculum development which we feel marks the institution of intelligent change.

This year's Title I program allowed our first experience with Teacher Aides' service in the Grade I classrooms of the target schools. Seldom has any effort appeared as immediately effective. Truly, we have here a process whereby the teacher is helped in a variety of ways, all of which enables her to give more of personalized assistance to her children. It is our recommendation that this program be extended to include all first-grade classes. Once again, this is a new service to our schools; its expansion will know request only in proportion to the evidenced benefits it provides.

Teachers and administrators have been actively involved in a careful study of our standardized testing program. We are anxious to be certain that our present series is accomplishing its intended purposes. This is typical of the scrutiny with which we ask that all school activities be examined. Let us be certain that our efforts in behalf of Plymouth children are the finest of which we are capable.

Recommendations

The elementary principals respectfully recommend the following:

1. That serious consideration be given to the possibility of establishing a single session school day in all elementary schools.
2. That a committee be assigned to study the procedures to be involved in the establishment of public kindergarten classes.
3. That an effort be made to develop an ungraded or continued progress program as a pilot project in at least one of our elementary schools for at least Grades I and II.
4. That the need for additional teachers in our Special Education programs be investigated.
5. That teacher aides be assigned to all first-, second- and third-grade classrooms.
6. That a teacher clerical aide be provided to serve the departmentalized program of Grades 7 and 8.
7. That provision be made to employ the services of another specifically trained teacher for youngsters whose reading problems have been diagnosed as Specific Language Disabilities.

School Plant Improvements

Exterior painting at Mt. Pleasant School

Installation of intercom system at Mt. Pleasant

Asphalt resurfacing of areas at Hedge and Cold Spring Schools

Removal of circular cement driveway at Nathaniel
Morton

Interior painting at Hedge School

Serving tables for Hedge School cafeteria

Removal and replacement of floor in the Home
Economics room at Nathaniel Morton School.

PLYMOUTH-CARVER REGIONAL SCHOOL DISTRICT SCHOOL COMMITTEE REPORT

We have arrived at the end of another calendar year and feel that it has been one filled with activities that have contributed to the growth and development of our high school program. Our greatest rewards have come from the successes achieved by our young people in their many different endeavors. It is our pride that through your support we have helped to develop improved opportunities for the resident members of our communities.

In addition to our regular high school offering, we have seen increased advantage to our services to adults. Our evening courses have continued to flourish. In addition we have participated in training programs under the guidelines of the Manpower Development Training Act. All of these programs represent our desire to serve as widely as possible the educational needs of Carver and Plymouth.

Following our baptism of last year, 1967 has become a year of increased maturity for procedures under the Collective Bargaining Act. We began the year by ratifying our first major contract, and our year has ended with bargaining sessions taking much of our time and attention. It is our belief that both sides, and sides there must be, have behaved in the good faith that is so essential to the successful functioning of a school system.

We were disappointed to learn of Mr. Harry Doyle's decision that for reasons of health he felt obliged to resign his position as an appointed member of our committee. We believe that you may know as well as we the sincerity of effort with which Mr. Doyle served our school. The Plymouth School Committee appointed its chairman, Mr. Alton Cavicchi, to serve as replacement. We feel fortunate that we have served with such gentlemen as these.

Not long after this we were informed that Mrs. Mary

D. Gomes would not seek reelection from the Town of Carver. Certainly her efforts cannot go without our highest congratulations. Mr. Arne Erickson, a former teacher at Plymouth-Carver and at that time an administrator in the Rockland schools, was elected and has brought both energy and experience to his membership.

We were pleased that so many of you chose to participate in the Exchange Band Concert in which we held exchange concerts with the high school band of Hebron, Connecticut. Our youngsters served us well, not only in the quality of their musical performances, but also in their manner of conduct as guests and as hosts.

We were aware throughout the spring of the tremendous amount of planning that was undergone in the development of our first outdoor graduation. We were given cause to fear the weather and its power for unpleasant interruption. Fortune smiled as it so often has upon our school, and we enjoyed a particularly fine ceremony from which no one was barred because of a limit of attendance imposed by seating capacity. We hope that you shared with us the sense of pride evidenced by both staff and students in this culminating event.

In September we were joined by Mr. Francisco Alen Garcia, a visiting teacher under the Fulbright program, as a member of our foreign language department. Mr. Alen has brought a richness to our Spanish program that has been much appreciated. He will remain with us for the duration of his exchange grant and will return to Spain to complete the intended purpose of this cultural exchange program.

This year has marked the coming-of-age of our Work Study Program under the careful direction of Mr. Dennis Aresta. Here is an effort to supply a long needed assistance to make our school a more meaningful experience for a number of our young people. The

intent here is to serve to improve our retention rate and to effectively create a needed bridge between the academic program of the school and the world of work into which these people must soon enter. Our thanks are here extended to the many employers who have helped these youngsters through their own personal efforts.

We were pleased to receive petitions from both the Plymouth and the Carver School Committees requesting our action in seeking to amend the Regional Agreement to include Grades 6, 7 and 8. Because we quite truly believe that the sharing of responsibility by the two towns has worked so well to improve the educational program for the grades presently covered, we have voted unanimously to seek the necessary approval from the towns.

This year marks our first acceptance of fiscal responsibility for all students in a group insurance program. This is a non-duplicating coverage that will ensure protection to all students during the hours of their school attendance.

Our school grounds knew continued improvement throughout the year. We were particularly pleased by the increased lighting provided in our parking area and by our new sign which allows us to indicate the many activities in which our students are engaged.

Again this year we have taken pride in the many efforts of our staff to move about in search of that which was of advantage to our program. They have participated in conferences and institutes that have afforded self improvement which accrues in advantage to their department within the school. They have visited wisely among schools and colleges in an effort to determine ways in which we may more effectively serve our student body. The status quo has not been regarded as sacrosanct. We have asked that changes be implemented

in an ongoing effort to keep current the finest educational practices of which we are capable.

The year had not come to its end before we knew the tragedy of loss which is felt by all in the death of Mr. Louis Cappannari. Here is a man who served well as both teacher and friend to the thousands of young people who knew him in his many years of service to our schools. To the very end, Mr. Cappannari took an immense pride in his school and in its students. This was matched only by the pride we have felt in being associated with so fine a man, so completely dedicated a teacher.

It was indeed a year of beginnings and endings. The task that lies before us is filled with new challenges to suit the needs of new and different times. We renew our promise to keep faith with all of you in our continued effort to maintain our school as one upon which our students may in years to come look back with full knowledge that they were served with the utmost of community interest and solicitude. Your continued help will be sought that their young dreams may come true.

Respectfully submitted,

DR. SAMUEL K. STEWART, Chairman

ERWIN K. WASHBURN, Vice Chairman

JANE GELLAR, Secretary

ANNUAL REPORT OF THE PRINCIPAL OF THE PLYMOUTH-CARVER HIGH SCHOOL

A number of significant events highlight the year 1967 at Plymouth-Carver High School.

Pupil enrollment showed a slight increase from September, 1966 to September, 1967. Average daily attendance was approximately 94 per cent, which was slightly higher than the previous year. This creditable percentage of attendance is attributed mainly to the health services provided to our students within the school and the personal contact maintained with the home by the school nurse and the supervisor of attendance.

During the year 3.4 per cent of the student body dropped out of school. While this figure is considerably less than the state and national average of 20 per cent and 35 per cent respectively, it is nevertheless a condition about which we should all be concerned and which we should attempt to minimize. Thirty-five students dropped out of school: sixteen left because of poor self-motivation; five left because of ill health; five married; two entered the service; two were needed at home; two were committed to the Youth Service Board but re-entered later in the year; and three withdrew because of disciplinary action. The Work-Study Program, a Health Program, a Remedial Reading Program, and more conferences involving parents, students, teachers, and community specialists have been initiated in an effort to reduce the drop-out rate.

Among the professional staff there was approximately a twenty per cent turnover: everyone who knew Mr. Cappannari laments his tragic death; four other teachers improved their positions through professional advancement; two continued their education, two resigned, and three did not return. Mr. William Levesque returned from his Teaching Fellowship at Michigan

State, and Mr. Angelo Medici assumed the responsibility of department chairman in mathematics.

The staff also grew in number as a direct result of curriculum development and improved teaching conditions. A third Special Education teacher, a second Remedial Reading teacher, a full-time band instructor, a second permanent substitute teacher, and a full-time IBM operator augmented the competency of the staff.

The social and cultural program involved many students and a great number of activities: a play, a variety show, and talent assembly were the highlights; there were also proms, dances, and exchange concerts, as well as visits to the theatre and to the museums of art and science and various field trips. Students participated in a panel discussion with parents on youth today, and health assemblies on cancer and the danger of smoking, drinking and drugs were offered.

School activities which offered enriching extra-curricular experiences were received with enthusiasm by many of the students. Successes of the athletic teams were major highlights during the year, the most significant being the basketball team crowned as league champions. The introduction of soccer for the first time on an informal basis was highly successful, and next year the team will be represented in the South Shore Soccer League.

We were honored to have been selected by the Lincoln Filene Center for Citizenship and Public Affairs at Tufts University to participate in their Youth Conference. Miss Phyllis Boucher, Department Chairman of Social Studies, and two students, Stephen Conroy and Margaret Bastoni, were chosen to represent Plymouth-Carver High School at the two-day conference.

The class of 1967 was a record-breaking class in the

amount of scholarship aid they received. The information that has been received from these students and from the schools they are attending merits strong words of praise and thanks to all who have provided scholarship aid.

The A.F.S. Chapter, faculty, and student body at Plymouth-Carver High School were pleased to welcome David Choque from Peru as our third American Field Service student in September 1967. The selection of the American family to take David Choque into their home, as a member of the family during the year, was Mr. and Mrs. Edward Buckley of Arlington Road, Manomet.

We at Plymouth-Carver High School were extremely elated by the honor brought us by Hilarie Gibbs, a junior, who was selected to go abroad and is now studying in Jylland, Denmark.

We were appreciative of the effort of the Department of Education in assisting us in arranging workshops for our faculty members in English and mathematics to develop guidelines that might be offered to us for improving our curriculum.

These are the highlights of the year 1967 at Plymouth-Carver High School. They are significant because they required exceptional service. The communities of Carver and Plymouth can well be proud of these accomplishments. We highly commend those who earned them.

Respectfully submitted,

WILBERT P. CINGOLANI,
Principal

REPORT OF THE DIRECTOR OF GUIDANCE

For the past seven years, the Annual Reports of the Director of Guidance have attempted to describe the functions and activities of the Guidance Department. This report is largely statistical; its purpose is to convey both the scope and the volume of the three counselors' work: Interviews and contacts, including telephone messages—

Students	6,124
Parents, referral agencies, faculty, other schools, etc.	1,993
Transcripts and reports	1,263
News releases (183 to 5 news media)	915
Tests (13 different tests)	2,426
Job placements (97 telephone calls, 154 referrals)	45
Visits from post-secondary admissions officers	50
Counselors' visits to colleges	21
Vocational-educational trips (Kiwanis sponsored)	6
Conferences and meetings (Director of Guidance)	50
Students programmed (courses selected for 1967-68)	738

"Work Projects"

7 Guidance Newsletter Issues

College Scholarship Record (record and comparison of scholarships granted).

Personality Ratings — 6 sheets per junior (220) submitted to teachers and recorded on transcripts for colleges, jobs, service, etc.

"Future Plans" reports of seniors (263) distributed, compiled and organized.

Organization of Volunteers for Headstart, Junior

Volunteers and Summer Project for Mentally Retarded.

Preparation of test profiles, graphs, statistical analyses, etc.

Membership and participation in the following:

P.C.H.S. Scholarship Committee.

Gooding Scholarship Committee.

National Honor Society Committee.

Jordan Hospital MDTA School of Practical Nursing
Admissions Committee.

P-C Future Teacher sponsor.

Plymouth Philharmonic Ushers.

Guidance Office Assistants Training.

AFS — Statistical information, recommendations and
assistance on foster parents' committee.

Professional Rights and Responsibilities Committee.

Massachusetts Deans' Executive Board.

South Shore Guidance Association.

Plymouth Area Community Council.

National Dean Membership Committee.

The Guidance Department has been open the second and fourth Tuesdays each month from 7 to 9 p.m. except during the school vacations and holidays, and is open by appointment any night requested.

Last May 15, a College Night was held at P.C.H.S. with representatives from the University of Massachusetts, Clark University, Boston College, Cape Cod Community College, and Franklin Institute. After having successful participation in the All-Cape College Day last October, our guidance staff organized a meeting with guidance personnel from Duxbury, Silver Lake, Middleboro, and Sacred Heart to plan a College Day at P.C.H.S. next fall for students from all these area secondary schools.

Below are the statistics for the class of 1967:		
Number in Class		263
